## INDEPENDENT AUDITOR'S REPORT

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the accompanying financial statements Toyo Ink 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(c) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Toyo Ink 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Toyo Ink 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Toyo Ink 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Toyo Ink 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Toyo Ink 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess

whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Supplemental Schedule Required by ERISA**

The supplemental schedule of Schedule H, line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

TOYO INK 401(k) PLAN  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2025 AND 2024

1. DESCRIPTION OF PLAN

The following description of the Toyo Ink 401(k) Plan (the Plan) is provided for general information purposes only. Users of these financial statements should refer to the plan document for a more complete description of the Plan's provisions.

General - The Plan is a defined contribution plan established by Toyo Ink International Corporation (the Company) and covers substantially all full-time employees of the Company, Toyo Ink Mfg. America (TIMA), Toyo Ink America (TIA) and LioChem (collectively, the Employer) who become eligible by having attained age 21 and completed two months of service. Once eligible, employees may participate in the Plan on the first day of the calendar month following satisfying eligibility requirements. Rotational employees on assignment from the Employer's parent company, Toyo Ink SC Holdings Co., Ltd. (or a related company), are not eligible to participate. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Plan Administration - The maintenance and custody of the Plan's assets is administered by Empower Trust Company, LLC and Empower Annuity Insurance Company (collectively, Empower).

Contributions - Participants' contributions may not exceed 75% of compensation, as defined in the plan document. Participants may contribute up to the maximum annual dollar limit allowable by the Internal Revenue Service (IRS), which was \$23,500 and \$23,000 for the years ended December 31, 2025 and 2024, respectively. Participants may also contribute amounts representing distributions from other qualified plans (rollover contributions). Plan participants who are eligible to make salary deferrals and have attained age 50 by December 31 of a calendar year may make "catch-up" contributions in addition to regular salary deferrals for that year. Catch-up contributions are limited to amounts prescribed by the IRS.

The Company makes safe harbor matching contributions of 100% of the first 3%, plus 50% of the next 2%, of a participant's contribution. Safe harbor contributions enable the Plan to simplify the administration of the plan by ensuring that the nondiscrimination regulations of the Internal Revenue Code (IRC) are met. The Plan may also provide additional discretionary company year-end contributions. There were no discretionary contributions during 2025.

Participant Accounts - Each participant's account is credited with the participant's elective contributions, rollover contributions, an allocation of the Company's contributions, and Plan earnings or losses (net of administrative expenses). Allocations are based on the participant's eligible compensation or account balance, as defined in the plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Forfeitures - Forfeitures of non-vested discretionary contributions, when not used to reduce employer contributions, may be used to pay administrative costs of the Plan, or reallocated

NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2025 AND 2024

amongst the remaining participants. As of December 31, 2025 and 2024, forfeited non-vested accounts totaled \$18,144 and \$17,753, respectively. No forfeitures were used to pay plan expenses or reduce employer contributions during 2025.

Notes Receivable from Participants - Participants may borrow up to the lesser of \$50,000 or 50% of their vested account balance from their fund accounts. The loans are secured by the balance in the participant's account and bear interest at the prime rate plus 2%. Principal and interest are paid ratably through payroll deductions.

Participant loans are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan.

Administrative Expenses – Certain administrative operating expenses are paid by the Company, as provided in the plan agreement. The Company reserves the right to charge such future expenses to the Plan.

Vesting - Participants are immediately vested in their salary reduction, rollover contributions, and Employer's matching contributions, plus earnings thereon.

Company discretionary contributions, and earnings thereon vest in accordance with provisions of the plan document as follows:

| <u>Years of Service</u> | <u>Percent Vested</u> |
|-------------------------|-----------------------|
| Less than 2             | 0%                    |
| 2                       | 20%                   |
| 3                       | 40%                   |
| 4                       | 60%                   |
| 5                       | 80%                   |
| 6                       | 100%                  |

Participants who leave the Plan because of death, normal retirement, or total and permanent disability, as defined in the Plan, are considered 100% vested.

Payment of Benefits - Benefits may be paid to the participant or beneficiary upon death, disability, retirement or termination of employment, as defined in the plan document.

When benefits are paid, the total vested portion of a participant's account balance is distributed in the form of a lump-sum payment, installments, or partial withdrawal. Once a participant reached the age 59½, in-service distributions are allowed. Participants experiencing financial hardship may withdraw a portion of their account balance as defined in the plan document.

NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2025 AND 2024

Plan Termination – Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to provisions of ERISA.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting – The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Use of Estimates - The preparation of the financial statements in conformity with U.S. GAAP requires the Plan's management to use estimates and assumptions that affect the accompanying financial statements and disclosures. Actual results could differ from these estimates.

Payment of Benefits - Benefits are recorded when paid. No amounts were allocated to accounts of persons who have elected to withdraw from the Plan but were not yet paid as of December 31, 2025 and 2024.

Reclassification – Certain amounts included in prior year's financial statements have been reclassified to conform to the current year presentation.

3. PARTIES-IN-INTEREST

Certain Plan investments are managed by Empower and/or affiliates and, therefore, qualify as party-in-interest transactions under ERISA. Notes receivable from participants are also considered party-in-interest transactions as such participants are employed by the Company. These party-in-interest transactions are exempt from the prohibited transaction rules under ERISA.

All recorded administrative expenses were paid to Empower.

4. INVESTMENTS

The Plan's investments are valued at fair value, except for the fully-responsive investment contract, which is reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, as defined by Accounting Standards Codification Topic 820 (ASC 820).

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis, and dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2025 AND 2024

5. FAIR VALUE MEASUREMENTS

When determining the fair value measurements for assets and liabilities they are required to be recorded at their fair value, the Plan considers the principal or most advantageous market in which it would transact and considers assumptions that market participants would use when pricing the asset or liability, such as inherent risk, transfer restrictions, and risk of nonperformance. ASC 820 also establishes a fair value hierarchy which requires the Plan to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value.

A financial instrument's categorization within the fair value hierarchy is based on the lowest level of input that is significant to the fair value measurement. The standard establishes three levels of inputs that may be used to measure fair value:

- Level 1 - quoted prices in active markets for identical assets or liabilities;
- Level 2 - inputs other than Level 1 that are observable, either directly or indirectly, such as quoted prices in active markets for similar assets or liabilities, quoted prices for identical or similar assets or liabilities in markets that are not active, or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities; or
- Level 3 - unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

- Mutual funds – valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.
- Common/collective trusts – valued using NAV provided by the administrator of the funds. The NAV is based on the fair value of the underlying investments held by each account less its liabilities and then divided by the number of shares outstanding. This practical expedient is not used when it is determined to be probable that the Plan will sell an investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily.
- Pooled separate accounts – valued using the NAV of units held by the Plan at year end. The NAV is determined by the custodian of the funds and is based upon the fair value of the underlying assets held by the funds. NAV is used as a practical expedient to estimate fair value. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2025 AND 2024

The preceding method describing may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024:

| December 31, 2025                           |              |         |         |               |

### 6. INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan has entered into a benefit responsive investment contract with a trustee through an investment in the Guaranteed Income Fund (the Fund) offered by the trustee. The trustee maintains the contributions in a general account. Interest crediting rates are reviewed by the trustee every six months for resetting. When establishing crediting interest rates for this product, the trustee considers many factors, including current economic and market conditions, the general interest rate environment and both the expected and actual experience of a reference portfolio with the trustee's general account. Those rates are determined without the use of a specific formula. The contract is included in the financial statements at contract value as reported to the Plan by the trustee, which represents contributions made under the contract plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their account balances at contract value. The trustee is contractually obligated to repay the principal and a specified interest rate. Given these provisions, the trustee and Plan consider this contract to be fully benefit-responsive. There are no reserves against contract value for credit risk of the contract issuer or otherwise. Generally, there are no events which would limit the ability of the Plan to transact, or allow the issuer to terminate the contract requiring the Plan to settle, at an amount other than contract value paid either within 90 days or over time.

An event that limits the ability of the Fund to transact at contract value with the issuer (for example, premature termination of the contracts by the Fund, plant closings, layoffs, plan termination, bankruptcy, mergers, and early retirement incentives) and that also limits the ability of the Fund to transact at contract value with the participants in the Fund must be probable of not occurring.

7. INFORMATION CERTIFIED BY THE PLAN'S TRUSTEE

The plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the trustee has certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate:

|                                    | 2025          | 2024          |

| Interest and dividends                                | 347,996                            |
| Total investment income                               | \$ 3,268,881                       |
| Interest income on notes receivable from participants | \$ 54,778                          |

The Plan's independent accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedules.

8. TAX STATUS

The Plan is based on a prototype plan document offered by Empower which received a opinion letter dated September 16, 2022 from the IRS which stated the Plan, as the designed, was in compliance with applicable requirements of the IRC. The Plan has been amended since receiving the determination letter. Plan management believes the Plan is currently being operated in compliance with the applicable provisions of the IRC.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would be sustained upon examination by the IRS or DOL. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2022.

9. RISK AND UNCERTAINTIES

The Plan invests in various investment securities which are exposed to risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that the value of investments will fluctuate in the near term and that such changes may materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

10. SUBSEQUENT EVENTS

The Plan has evaluated subsequent events occurring through July 28, 2026, the date that the financial statements were available to be issued, for events requiring recording or disclosure in the Plan's financial statements.
