INDEPENDENT AUDITOR'S REPORT

The Plan Administrator
Fikes Companies Profit Sharing Plan & Trust:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Fikes Companies Profit Sharing Plan & Trust (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America; and

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter – Subsequent Events

As discussed in Note 11 to the financial statements, on September 9, 2025, Plan management elected to merge the Plan with the Casey's General Stores 401(k) Plan effective January 1, 2026. The Plan was to transfer its net assets into the Casey's General Stores 401(k) Plan and cease operations as of that date. On November 14, 2025, Plan management and the Retirement Committee directed that the Plan be frozen effective December 31, 2025 and the planned merger effective January 1, 2026 be suspended. Our opinion is not modified with respect to these matters.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial

statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule of Assets (Held at End of Year) as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Fikes Companies Profit Sharing Plan & Trust

Notes to Financial Statements

December 31, 2024 and 2023

(1) Description of Plan

The following description of the Fikes Companies Profit Sharing Plan & Trust (the “Plan”) provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

(a) General

The Plan is a defined contribution plan that, prior to January 1, 2024, covered substantially all full-time employees of Fikes Wholesale, Inc. and its subsidiaries: CORD Financial Services, LLC; CEFCO; and JF Heritage Food Company, LLC and its affiliate, Group Petroleum Services, Inc., (collectively, the “Company”) who have attained the age of 21 and completed one year of service and worked a minimum of 1,000 hours. Effective January 1, 2024, employees who complete at least 500 hours up to 999 hours of service in each of the prior three consecutive years and are age 21 or older are eligible to participate in the Plan (“long-term part-time employees”). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

On November 1, 2024, the Company was sold to Casey’s General Stores, Inc. along with its wholly owned subsidiaries: CEFCO and JF Heritage Food Company, LLC and its affiliate, Group Petroleum Services, Inc. CORD Financial Services, LLC was not a part of the sale, and as a result, on November 21, 2024, the accounts of all CORD Financial Services, LLC employees and certain key executive personnel were transferred out of the Plan to FWI Holdings, Inc. 401(k) Plan.

<u>Aquiring Plan Name</u>	<u>Date of Transfer Out</u>	<u>Amount</u>
FWI Holdings, Inc. 401(k) Plan	November 21, 2024	\$ <u>6,849,953</u>

On November 2, 2024, the Plan was amended to include CEFCO Management, LLC as a participating employer as well as to reflect the employer’s name change from Fikes Wholesale, Inc. to Fikes Wholesale, LLC.

(b) Contributions

Participants may contribute up to the maximum allowed by the Internal Revenue Service. Participants may also contribute, with the consent of the Plan Administrator, amounts representing distributions from other qualified plans. Long-term part-time employees are excluded from Company contributions. The Company matches 100% of participant deferrals up to 3%, and 50% of participant deferrals greater than 3% but no more than 5%. The Company may also make a discretionary profit-sharing contribution. There were no profit-sharing contributions made during 2024 and 2023.

Fikes Companies Profit Sharing Plan & TrustNotes to Financial Statements
(Continued)(1) Description of Plan (continued)(b) Contributions (continued)

Contributions are subject to certain limitations. Participants direct the investment of Company contributions and their contributions into various investment options offered by the Plan.

(c) Participant Accounts

Each participant's account is credited with the participant's contribution, the Company's matching contribution, where applicable, and an allocation of the Company's profit-sharing contribution, where applicable, and Plan net earnings. Allocations are based on compensation or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

(d) Vesting

Participants are immediately vested in their contributions and, where applicable, Company matching contributions plus actual earnings thereon. Company profit sharing contributions, where applicable, are 20% vested to the participant after the first two full years of service, 20% for each additional year of service, and fully vested after six years. Full vesting also occurs upon death, total disability, or retirement at or after age sixty-five.

(e) Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of the lesser of 50% of their vested account balance or \$50,000. The participant may only have one loan outstanding at any given time. Loan terms range from one to five years or up to thirty years for the purchase of a primary residence. The loans are secured by the participant's account under the Plan and bear interest equal to 1% above the prime rate. The interest rate is fixed for the duration of the loan. Principal and interest are paid by payroll deduction. Repayment of principal and interest by check is accepted for prepayments of the loan only.

(f) Payment of Benefits

Upon termination of service, a participant may elect to receive either (1) a lump-sum amount equal to the value of his or her account or (2) periodic installments.

Fikes Companies Profit Sharing Plan & TrustNotes to Financial Statements
(Continued)(1) Description of Plan (continued)(g) Risks and Uncertainties

The Plan's investments are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with these investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

(2) Summary of Significant Accounting Policies(a) Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America.

(b) Investments

The Plan provides for self-directed investment programs for individual participants. The Plan's mutual fund investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 8 for further discussion of fair value measurements.

The common trust fund is a stable value fund (T. Rowe Price Stable Value Common Trust Fund Class E) (the "Fund"), which invests in a variety of investment contracts. The stable value investment contracts include fully benefit-responsive investments. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to direct investments in fully benefit-responsive investment contracts, because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan. However, the common trust fund indirectly holds investments in fully benefit-responsive investment contracts; therefore, the Plan's investment in the Fund is reported at net asset value as a practical expedient to fair value as opposed to contract value.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Fikes Companies Profit Sharing Plan & TrustNotes to Financial Statements
(Continued)(2) Summary of Significant Accounting Policies (continued)(c) Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

(d) Payment of Benefits

Benefits are recorded when paid.

(e) Administrative Expenses

The Plan's expenses are paid either by the Plan or the Company, as provided in the Plan Agreement. Expenses that are paid directly by the Company are excluded from these financial statements. Certain expenses incurred in connection with the general administration of the Plan that are paid by the Plan are recorded as deductions in the accompanying statements of changes in net assets available for benefits. In addition, certain investment-related expenses are included in net appreciation of fair value of investments presented in the accompanying statements of changes in net assets available for benefits.

(f) Income Taxes

The Plan recognizes the effect of income tax positions only if those positions are more likely than not of being sustained. Recognized income tax positions are measured at the largest amount that is greater than 50% likely of being realized. Changes in recognition or measurement are reflected in the period in which the change in judgment occurs.

(g) Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

(3) Information Certified by the Custodian

The financial information included in the Plan financial statements, except for employers' and participants' contributions receivable, contributions, benefits paid to participants, administrative expenses, and transfers of assets to another plan, have been derived from information certified as complete and accurate by Reliance Trust Company, the

Fikes Companies Profit Sharing Plan & TrustNotes to Financial Statements
(Continued)(3) Information Certified by the Custodian (continued)

custodian of the Plan, in accordance with Section 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

(4) Common Trust Fund

The primary investment objective of the Fund is to preserve principal while generating earnings at rates competitive over time with high quality investments. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the common trust fund, the issuer reserves the right to require 12 months' notification in order to ensure that securities liquidations will be carried out in an orderly business manner. Further, transfers from the Fund to certain other investment options of the Plan may require a 30-day notice from the participant. There were no unfunded commitments at December 31, 2024 and 2023 related to the Fund.

(5) Plan Termination

Although it has not expressed any interest to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of termination, participants will become 100% vested in their employer profit sharing contributions. See Note 11 for discussion on the plan merger.

(6) Tax Status

The Plan is using a prototype standardized profit-sharing plan document. In a letter dated June 30, 2020, the Internal Revenue Service ("IRS") indicated the standardized form of the Plan is acceptable under Section 401 of the Internal Revenue Code (the "Code"). The opinion of the IRS on the acceptability of the form of the Plan is not a ruling or determination as to whether the Plan qualifies under Code section 401(a). Although the Plan has been amended since receiving the acceptability letter, the Plan Administrator believes the Plan is currently designed and operated in compliance with the applicable requirements of the Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

(7) Party-In-Interest Transactions

Certain Plan investments are shares of mutual funds and a common trust fund managed by T. Rowe Price, and the Plan contracts with T. Rowe Price to provide recordkeeping services. Therefore, these transactions qualify as party-in-interest transactions.

The Plan has not considered Company contributions to the Plan or benefits paid by the Plan to participants as party-in-interest transactions.

Fikes Companies Profit Sharing Plan & TrustNotes to Financial Statements
(Continued)**(8) Fair Value Hierarchy and Measurements**

Generally accepted accounting principles establish a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to measurements involving significant unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are as follows:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Plan has the ability to access at the measurement date.
- Level 2 inputs are inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly.
- Level 3 inputs are unobservable inputs for the asset or liability.

The level in the fair value hierarchy within which a financial instrument in its entirety falls is based on the lowest level input that is significant to the fair value measurement in its entirety.

The following methods and assumptions were used to estimate the fair value of each class of financial instruments:

Mutual funds: Valued at quoted market prices, which represent the net asset value of shares held by the Plan at year-end. Mutual funds held by the Plan are deemed to be actively traded.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

(8) Fair Value Hierarchy and Measurements (continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value at December 31, 2024 and 2023:

(9) Components of Net Assets Available for Benefits

Net assets available for benefits at December 31, 2024 and 2023 include certain forfeited non-vested accounts. The Plan may use forfeited non-vested account balances to cover administrative expenses or reduce contributions of the Company. As of December 31, 2024 and 2023, the amounts in the forfeited non-vested accounts were \$66 and \$62, respectively. In 2024 and 2023, no forfeitures were used to reduce employer matching contributions or cover administrative expenses.

(10) Delinquent Participant Contributions

During the 2024 plan year, certain eligible employees were not timely provided the opportunity to participate in the Plan due to administrative oversight. The Company identified missed deferral opportunities totaling \$1,914. The Company is in the process of correcting this operational failure in accordance with IRS correction principles. Corrective

Fikes Companies Profit Sharing Plan & TrustNotes to Financial Statements
(Continued)(10) Delinquent Participant Contributions (continued)

contributions, together with applicable earnings, have been made based on amounts determined to date, and any additional amounts necessary to fully correct the matter will be contributed upon completion of the Company's review.

(11) Subsequent Events

On September 9, 2025, Plan management and the Retirement Committee elected to merge the Plan with Casey's General Stores 401(k) Plan effective January 1, 2026. The Plan was to transfer its net assets into the Casey's General Stores 401(k) Plan and cease operations as of that date.

On November 14, 2025, Plan management and the Retirement Committee directed that the Plan be frozen effective December 31, 2025 and that the planned merger effective January 1, 2026 be suspended pending completion of correction activities related to an operational failure involving missed deferral opportunities, as further described in Note 10. The Company has completed corrective contributions, including applicable earnings, for a portion of the affected participants and is continuing to correct the remaining population in accordance with IRS correction principles applicable to qualified plans.

Under the plan freeze, Plan participants may continue to take qualifying distributions, request new loans, and make payments on existing loans. However, no contributions are accepted into the Plan after December 31, 2025, and no newly eligible employees may enroll in the Plan after that date.

The Plan has evaluated subsequent events from the date of the statements of net assets available for benefits through July 6, 2026, the date at which the financial statements were available to be issued and determined there are no other matters requiring disclosure.
