Independent Auditor's Report

To the Plan Administrator
Rockcastle Hospital and Subsidiaries Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Rockcastle Hospital and Subsidiaries Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Auditor's Responsibilities for the Audit of the Financial Statements, continued

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule H, line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

Other Matter - Supplemental Schedule Required by ERISA, continued

The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

ROCKCASTLE HOSPITAL AND SUBSIDIARIES RETIREMENT PLAN

Notes to the Financial Statements

1. Description of Plan

The following description of the Rockcastle Hospital and Subsidiaries Retirement Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all eligible employees of Rockcastle Regional Hospital and Respiratory Care Center, Inc. and Subsidiaries (collectively referred to as the Employer, Plan Sponsor or Administrator). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as well as applicable sections of the Internal Revenue Code (IRC). The Board of Directors is responsible for oversight of the Plan. The Investment Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance and reports to the Plan Sponsor's Board of Directors.

Eligibility

Employees become eligible to participate in the Plan upon completion of one year of service (defined as a year within which employees work a minimum of 1,000 hours) and attainment of age 21. Long-term, part-time employees can also become eligible to participate in the Plan upon completion of two consecutive years of at least 500 hours of service. Employees can begin participating in the Plan on semi-annual entry dates.

Contributions

The Plan permits eligible employees, through salary reduction elections, to make annual contributions of up to the maximum amount allowable under the limits of the IRC, Section 401(k). Participants are required to contribute, at a minimum, 1% of their compensation, as defined by the Plan agreement (2% for all employees hired on January 1, 2018 or after). The Plan Sponsor makes a matching contribution of 50% of each participant's salary reductions (up to 6% of eligible compensation). Employee rollover contributions are also permitted. The Plan Sponsor may also contribute a discretionary amount to be determined annually. No discretionary contributions were made by the Plan Sponsor in 2025.

Participant Accounts

Individual accounts are maintained for each Plan participant. Each participant's account is credited with the participant's contributions and the Plan Sponsor's matching contribution, as well as allocations of the Plan Sponsor's discretionary contribution, if any, and plan earnings or losses. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined by the Plan agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

1. Description of Plan, continued

Forfeited Accounts

Forfeited balances or terminated participants' non-vested accounts are used first to reinstate previously forfeited account balances of re-employed participants, if any. The remaining amount will be used to reduce the Plan Sponsor's contributions or offset Plan expenses. There were no forfeited non-vested accounts as of December 31, 2025. As of December 31, 2024, forfeited non-vested accounts totaled \$81,952. During 2025, \$115,684 of forfeitures were used to reduce the Plan Sponsor's contributions. Forfeited participant balances during 2025 totaled \$33,151.

Investment Options

Participants direct the investments of their contributions into various options offered by the Plan. The Plan Sponsor's contributions are automatically invested in the same investment options at the same percentage as participant deferral contributions.

Periodic transfers among funds of certain accumulated account balances and changes in the direction of future participant deferral and Plan Sponsor matching contributions are permitted.

Payment of Benefits

On termination of service due to death, disability, retirement, or other reasons, a participant whose vested account balance is greater than \$5,000 (including amounts attributable to rollover contributions and earnings allocable thereto) may elect to receive the participant's vested account balance in either a single lump sum, payment of a portion, or rollover directly to another qualified plan. If the participant's vested account balance is not greater than \$5,000 (including amounts attributable to rollovers contributions and earnings allocable thereto), then the Plan Sponsor may elect to rollover the vested account balance directly into an individual retirement account for the participant. If the amount is less than \$1,000, then the Plan Sponsor may elect to provide the participant with a single lump sum payment of the vested account balance.

Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting of the Plan Sponsor's contributions is based on years of continuous service according to the following schedule:

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than 2	0 %
2	20
3	40
4	60
5	80
6 or more	100

Participants become 100% vested in all contributions in the event of death, disability or the attainment of normal retirement age.

1. Description of Plan, continued

Risks and Uncertainties

The Plan provides for participant-directed investment options into various securities. Investment securities, in general, are exposed to various risks, such as interest rate, market and credit risk. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the financial statements.

2. Summary of Significant Accounting Policies

The financial statements have been prepared in conformity with accounting principles generally accepted in the United States of America (GAAP) which require the Plan's management to make estimates and assumptions that affect the reported amounts and disclosures in the financial statements. Actual results could differ from those estimates. The following is a summary of the significant accounting policies consistently followed by the Plan in the preparation of its financial statements:

Cash and Cash Equivalents

Cash and cash equivalents consist of investments in money market funds. Cash and cash equivalents are recorded at cost, which approximates fair value.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value with the exception of fully benefit-responsive investment contracts, which is reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Contract value is the relevant measurement for fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. The Plan's Administrator determines the Plan's valuation policies utilizing information provided by the investment advisors, custodians and insurance company.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains or losses on investments bought and sold as well as held during the year.

Contributions

Contributions from Plan participants and the Plan Sponsor's matching contributions are recorded in the year in the employee contributions are withheld from compensation.

ROCKCASTLE HOSPITAL AND SUBSIDIARIES RETIREMENT PLAN

Notes to the Financial Statements, continued

2. Summary of Significant Accounting Policies, continued

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the excess contributions to the applicable participants prior to March 15 of the subsequent years.

Payment of Benefits

Benefits are recorded when paid.

Administrative and Investment Expenses

Certain administrative expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Plan Sponsor. Expenses that are paid by the Plan Sponsor are excluded from these financial statements. Fees related to the administration of distributions are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

Subsequent Events

The Plan's management has evaluated subsequent events through July 30, 2026, the date that the financial statements were available to be issued.

3. Investment Contract with Insurance Company

The Plan has a fully benefit-responsive investment contract with Standard Insurance Company (Standard). Standard maintains the contributions in a general account, which is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The contract is included in the financial statements at contract value, as reported to the Plan by Standard. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (i) amendments to the plan documents (including complete or partial plan termination or merger with another plan); (ii) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions; (iii) bankruptcy of the Plan Sponsor or other Plan Sponsor event (e.g., divestitures or spin-offs of a subsidiary) that causes a significant withdrawal from the Plan; or (iv) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan Administrator does not believe that the occurrence of any such event, which would limit the Plan's ability to transact at contract value with participants, is probable.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The interest crediting rate was 3.16% and 3.04% as of December 31, 2025 and 2024, respectively. Such interest rates are reviewed on a quarterly basis for resetting. The average yield for the year ended December 31, 2025 was 3.10%.

4. Information Certified and Provided by Custodian

The Plan's asset information included in this note and throughout the Plan's financial statements and supplemental schedule was prepared by or derived from information provided by Reliance Trust Company (Reliance Trust), and furnished to the Plan Administrator. The Plan Administrator has obtained a certification from the custodian that asset information provided to the Plan Administrator by the custodian for the year ended December 31, 2025 is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to asset information in this note and which appears throughout the financial statements and the supplemental schedule.

The following table presents the fair value of assets (except for the stable value option, which is reported at contract value) in the Plan that were certified by Standard as of December 31:

	<u>2025</u>	<u>2024</u>
Mutual funds	\$ 34,701,216	\$ 30,808,029
Fully benefit responsive insurance contract	<u>5,244,459</u>	<u>4,680,341</u>
Total investments	\$ <u>39,945,675</u>	\$ <u>35,488,370</u>

Reliance Trust also certified to the completeness and accuracy of \$3,178,644 of net appreciation in value of investments and \$1,569,731 of interest and dividends for the year ended December 31, 2025.

5. Fair Value Measurements

The Plan classifies its investments based on a hierarchy consisting of: Level 1 (valued using quoted prices from active markets for identical assets), Level 2 (not traded on an active market but for which observable market inputs are readily available), and Level 3 (valued based on significant unobservable inputs). The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value on a recurring basis:

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

There have been no changes in the valuation methodologies used at December 31, 2025 and 2024.

ROCKCASTLE HOSPITAL AND SUBSIDIARIES RETIREMENT PLAN

Notes to the Financial Statements, continued

5. Fair Value Measurements, continued

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan Administrator believes the valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31:

	<u>Fair Value</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
<u>2025</u>				
Mutual funds	\$ 34,701,216	\$ 34,701,216	\$ -	\$ -
<u>2024</u>				
Mutual funds	\$ 30,808,029	\$ 30,808,029	-	-

6. Exempt Party-in-Interest Transactions

Standard is the Plan's recordkeeper as defined by the Plan and therefore, these transactions qualify as party-in-interest. Fees paid by the Plan to Standard totaled \$13,949 for the year ended December 31, 2025.

Additionally, indirect fees are paid to Standard based on investment account values. These fees range from 0.02% to 0.82% of the investment account value for Standard. The fees are included with net appreciation in fair value of investments on the statement of changes in net assets available for benefits.

7. Tax Status

The Plan uses a prototype plan document sponsored by Standard, the Plan's recordkeeper. Standard received an opinion letter from the IRS, dated June 30, 2020, which states that the prototype document satisfies the application provisions of the IRC. The Plan itself has not received a determination letter from the IRS. However, the Plan's management believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

8. Plan Termination

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.
