INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees of the
Steven Douglas Associates LLC 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the Steven Douglas Associates LLC 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Steven Douglas Associates LLC 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT (Continued)**Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Steven Douglas Associates LLC 401(k) Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Steven Douglas Associates LLC 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

INDEPENDENT AUDITOR'S REPORT (Continued)**Auditor's Responsibilities for the Audit of the Financial Statements** (Continued)

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Steven Douglas Associates LLC 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Steven Douglas Associates LLC 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

INDEPENDENT AUDITOR'S REPORT (Continued)**Other Matter - Supplemental Schedules Required by ERISA**

The supplemental schedule of Form 5500 - Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

NOTES TO FINANCIAL STATEMENTS

YEAR ENDED DECEMBER 31, 2025

NOTE 1. DESCRIPTION OF THE PLAN

The following description of the Steven Douglas Associates LLC 401(k) Profit Sharing Plan (the Plan) provides only general information. For more complete information, participants should refer to the Plan instrument, a copy of which is on file in the office of the Plan sponsor.

General

The Plan is a defined contribution 401(k) profit sharing retirement plan covering all eligible employees of Steven Douglas Associates, LLC (the Company) and its related affiliates. Steven Douglas Associates, LLC is the Plan sponsor, and Steven Douglas Interim Financial Services, LLC is a participating employer. The Plan commenced on January 1, 1997, and has been amended from time to time. The latest amendment was effective January 1, 2023. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility

In order to be eligible to participate in the Plan, employees of the Company and its related affiliates must be at least 21 years old. Additionally, employees must have completed six months of continued service with the Company.

To be eligible for matching contributions, or any other employer contributions, employees must have completed a year of service by working at least 1,000 hours during the year following the date of hire or any subsequent Plan year. Additionally, participants must be employed on the last day of the Plan year to receive matching contributions for that Plan year.

Funding

Each year participants may contribute from 1% up to 75% of eligible compensation. According to the Internal Revenue Service (IRS) rules, the deferral may not exceed \$23,500 in 2025 and \$23,000 in 2024. For participants aged 50 to 59 and 64 or older, the maximum contribution limit is \$31,000, including the standard catch-up contribution of \$7,500. For participants aged 60 to 63, the maximum contribution limit is increased to \$34,750, which includes the enhanced super catch-up contribution of \$11,250. Participants may also contribute amounts representing distributions from other qualified benefit or contribution plans.

The Company may match this contribution at a discretionary amount established each Plan year. Participants must be employed by the Company on the last day of the Plan year in order to be eligible to receive matching contributions which are subject to certain limitations. During 2025 and 2024, the employer matched 25% of the first 4% contributed by the employees who met the eligibility criteria.

NOTES TO FINANCIAL STATEMENTS

YEAR ENDED DECEMBER 31, 2025

NOTE 1. DESCRIPTION OF THE PLAN (Continued)

Participant Accounts

Each participant's account is credited with 1) employee contributions, 2) employer's matching contribution, 3) investment earnings or losses based on the participant's investment elections, and 4) distributions and applicable Plan expenses.

Vesting

Participants are immediately vested in their employee contributions, rollover contributions, and related earnings thereon. Vesting in the employer's matching and discretionary contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. Beginning on the second year of service, the vesting percentage increases by 20% after each year of service. A participant is 100% vested after 6 years of credited service.

Investment Options

Upon enrollment in the Plan, a participant may direct contributions to be allocated among a selection of securities provided by the Plan administrator (see Note 3).

Payment of Benefits

Upon termination of employment due to retirement, death, disability, or other separation from service, participants or their beneficiaries may elect to receive the vested portion of their account balance in a lump-sum distribution, installments, or partial withdrawals, subject to the terms of the Plan. Participants with vested account balances not exceeding \$5,000 may be subject to mandatory distribution provisions. The Plan also provides for automatic rollover of certain mandatory distributions in accordance with Plan provisions and applicable regulations.

Forfeitures

Forfeitures may be used to reduce employer contributions and to pay for Plan expenses. They may be used in the year following the Plan year in which the forfeitures occur.

As of December 31, 2025 and 2024, the balance of forfeited non-vested accounts totaled \$21,384 and \$18,605, respectively. During the year ended December 31, 2025, \$18,704 in forfeitures were used to reduce employer contributions.

Notes Receivable from Participants

Participants may borrow from their fund accounts from \$1,000 up to a maximum of \$50,000 or 50% of their non-forfeitable account balance, whichever is less. Loan terms would range from 1 - 5 years unless the loan was for the purchase of a primary residence. The loans would be secured by the balance in the participant's account and bear interest at a rate of Prime plus 1%. For the year ended December 31, 2025, the interest rate on notes receivable from participants was between 4.25% and 9.50%. The notes receivable from participants had various maturities through 2032. Principal and interest are to be paid through direct after-tax payroll deductions based on each loan amortization schedule.

NOTE 1. DESCRIPTION OF THE PLAN (Continued)

Notes Receivable from Participants

For terminated participants, the loan balances will become due and payable on the first day of the third month after the end of the quarter in which the termination occurred, unless the administrator, at their discretion, allows the participant to continue to make payments after termination. Participants had outstanding loans of \$235,559 and \$282,353 as of December 31, 2025 and 2024, respectively.

Termination

Although there is no intent to do so, the Plan document provides for termination of the Plan subject to the provisions of the agreement and ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting and Use of Estimates

The accompanying financial statements have been prepared using the accrual basis of accounting. The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, benefit obligations and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Employer Contributions Receivable

Employer contributions receivable represent the employer contribution amounts attributable to the respective Plan year and subsequently remitted by the Plan Sponsor after year-end.

Investment Valuation and Income Recognition

Investments are reported at fair value (see Note 3). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants (see Note 4 for discussion of fair value measurements).

Purchase and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

STEVEN DOUGLAS ASSOCIATES LLC
401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

YEAR ENDED DECEMBER 31, 2025

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Concentration of Credit Risk

Financial instruments which potentially expose the Plan to concentrations of credit risks, as defined by GAAP, consist primarily of investments, employer contributions receivable, and notes receivable from participants. The Plan invests in mutual funds and money market funds which, inherent in the fair market value determination, include the risk factor of credit worthiness for each individual debt security.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the Plan document.

NOTE 3. INFORMATION PREPARED AND CERTIFIED BY THE CUSTODIAN

Reliance Trust Company, the custodian, held the Plan's investments as of December 31, 2025 and 2024. The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Reliance Trust Company, has certified to the completeness and accuracy of all investments reflected on the accompanying statements of net assets available for benefits as of December 31, 2025 and 2024, the related investment activity reflected in the statement of changes in net assets available for benefits for the year ended December 31, 2025, and the information reflected on the schedule of Form 5500 - Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2025.

Allocations among the underlying investments are participant directed. The accounts are credited with earnings on the underlying investments (principally mutual funds) and charged for Plan withdrawals and administrative expenses.

During the year ended December 31, 2025, the Plan's underlying mutual fund investments (including gains and losses on investments bought and sold, as well as held during the year) appreciated in value by \$2,301,413. This was reported as net appreciation in fair value of investments in the statement of changes in net assets available for benefits.

NOTE 4. FAIR VALUE MEASUREMENTS

GAAP provides a framework for measuring fair value, expands disclosures about fair value measurements, and establishes a fair value hierarchy which prioritizes the inputs used in measuring fair value summarized as follows:

Level 1: Inputs using the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

STEVEN DOUGLAS ASSOCIATES LLC
401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

YEAR ENDED DECEMBER 31, 2025

NOTE 4. FAIR VALUE MEASUREMENTS (Continued)

Level 2: Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; and
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

There have been no changes in the methodologies used to measure fair value as of December 31, 2025 and 2024.

The following is a description of the valuation methods used for assets measured at fair value.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Money market funds: Valued at the floating net asset value of shares held by the Plan at year-end.

The following table presents the Plan's fair value hierarchy for investments measured at fair value as of December 31, 2025:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 25,369,901	\$ -	\$ -	\$ 25,369,901

NOTES TO FINANCIAL STATEMENTS

YEAR ENDED DECEMBER 31, 2025

NOTE 5. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statement of net assets available for benefits.

NOTE 6. TAX STATUS

The Plan is exempt from Federal income taxes under Internal Revenue Code (IRC) and, therefore, no provision for Federal income taxes has been made. In addition, the Plan is required to operate in conformity with the IRC to maintain the tax-exempt status. The Plan administrator believes that the Plan is being operated in compliance with the applicable requirements of the IRC and therefore believes that the Plan is tax-exempt. Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if it has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan has taken no such positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 7. RELATED PARTIES AND PARTIES-IN-INTEREST

Steven Douglas Associates LLC is the Plan sponsor and a participating employer. They absorb some of the Plan's administrative expenses. Steven Douglas Interim Financial Services, LLC is also a participating employer in the Plan.

The Plan utilizes ADP as its recordkeeper. During the year ended December 31, 2025, the Plan paid approximately \$37,937 to ADP for recordkeeping and related administrative services. Such transactions are exempt from the prohibited transaction rules under ERISA.

The Plan also permits notes receivable from participants, who are considered parties-in-interest under ERISA. Such transactions are administered in accordance with the applicable statutory exemption from the prohibited transaction provisions of ERISA. The terms and outstanding balances of notes receivable from participants are described in Note 1.
