Independent Auditor's Report

Board of Trustees
Colorado State Fraternal Order
of Police Legal Defense Fund
Westminster, Colorado

Opinion

We have audited the financial statements of the Colorado State Fraternal Order of Police Legal Defense Fund, an employee benefit plan subject to the *Employee Retirement Income Security Act of 1974* (ERISA), which comprise the statements of net assets available for benefits (modified cash basis) as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits (modified cash basis) for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of Colorado State Fraternal Order of Police Legal Defense Fund (modified cash basis) as of December 31, 2025 and 2024, and the changes in its net assets available for benefits (modified cash basis) for the years then ended in accordance with the modified cash basis of accounting described in Note 2.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the "Auditor's Responsibilities for the Audit of the Financial Statements" section of our report. We are required to be independent of Colorado State Fraternal Order of Police Legal Defense Fund and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Emphasis of Matter – Basis of Accounting

We draw attention to Note 2 to the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting described in Note 2, and for determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances.

Management is also responsible for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Fund's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental schedule listed in the table of contents is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Note 1. Description of the Fund

The following brief description of Colorado State Fraternal Order of Police Legal Defense Fund (the Fund) is provided for general information purposes only. Members should refer to the Fund document for a more complete description of the Fund's provisions.

General

The Fund provides for payment of various legal fees for members of the Colorado State Fraternal Order of Police. In carrying out this function, the Fund collects contributions from the members (including a portion that is remitted to the national plan starting on January 1, 2010), verifies administrative claims for benefits submitted by members, and disburses funds to cover eligible claims. It is administered by the Colorado State Fraternal Order of Police Legal Defense Fund's Executive Committee and Board of Trustees.

Effective January 1, 2010, the Fund's civil and criminal claims are covered by the national plan. Administrative claims will continue to be covered by the Fund.

Cash

At December 31, 2025 and 2024, the Fund's cash accounts exceeded federally insured limits by approximately $35,000 and $78,000, respectively.

Investments

Investments are made up of multiple Certificates of Deposit (CDs) with maturity dates of three months or longer, and a mutual fund.

Contributions

Membership dues were at $30.00 per month per sworn member to cover the legal fees and settlements as a result of Colorado Senate Bill 217. The dues remained at $23.00 per month for non-sworn members who are not subject to SB 217. The Fund keeps a portion of the dues each month while the remaining dues are forwarded to national.

Each member lodge collects and remits the dues to the Fund in monthly payments.

Investment Account Options

Contributions received from the members are left in cash or invested in various CDs and mutual funds at the discretion of the Board of Trustees until they are needed to pay claims.

Members' Benefits

The Fund, directly or through the national plan, pays costs for members in defense of duty-related criminal matters and civil lawsuits; however, in civil incidents where the employer of the member is providing the defense of the member, the Fund pays only for monitoring. All duty-related administrative actions are covered. Administrative actions resulting from non-duty related occurrences are covered. The Fund provides members up to 10 hours of legal service in a duty-related termination case. For any duty-related incident resulting in loss to a member of up to three days' pay, the committee may recommend reimbursement to the member for the loss of pay in lieu of defending the administrative action. The committee has the authority to challenge and deny payment for unreasonable, excessive, or unrelated charges, and may approve additional benefits to a member for a matter that may not meet all of the requirements to be a covered claim.

Payments of Benefits

The Fund has entered into verbal agreements with four legal firms. The agreements state that the agreed upon retainer payments will be made each month by the Fund and that the legal services performed during the period will be debited against the retainer payments at the rate of $165 per hour for attorney time and $85 per hour for paralegal time. No adjustment to the annual payments will be due unless the overage or underage of legal services provided exceeds 5%.

Fund Termination

In the event the Fund terminates, any and all monies and assets remaining in the Fund, after payment of expenses, shall be used for the continuance of the benefits provided by the then existing Fund until such monies and assets have been exhausted.

Note 2. Summary of Significant Accounting Policies

Basis of Accounting

The Fund's accounts are maintained on a modified cash basis, which is known as the Comprehensive Basis of Accounting rather than under Generally Accepted Accounting Principles (GAAP). The statements of changes in net assets available for benefits reflects only cash received and disbursed. Therefore, receivables, payables, and accrued income and expenses, which would be recognized under accounting principles generally accepted in the United States of America, and which may be material in amount, are not recognized in the accompanying financial statements.

Use of Estimates

The preparation of financial statements in conformity with the modified cash basis of accounting requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Quoted market prices, if available, are used to value investments. The mutual fund is valued at the net asset value (NAV) of shares held by the Fund at year-end.

Purchases and sales of securities are recorded on a trade-date basis. Net appreciation in the fair value of investments includes the Fund's gains and losses on investments bought and sold as well as held during the year.

Fund Tax Status

The Fund has not obtained a determination letter from the Internal Revenue Service regarding the Fund's tax status. However, the Fund administrator believes that the Fund is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

The Fund is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Payments of Benefits

Benefit payments are recorded upon distribution.

Note 3. Fund Benefit Obligations

The Fund pays approved plan lawyers on a retainer fee payment schedule. The retainer agreements with the approved lawyers are oral. Fund management sets a minimum retainer fee for each large firm but will pay more than the minimum depending on the expected services during that particular month. For the smaller firms, the retainer fee is equal to the monthly billable hours. This method was changed over the years as an attempt to reduce the Fund obligations. As a result of this change, the Fund obligations as of December 31, 2025 and 2024 are minimal.

Note 4. Party-in-Interest Transactions

Party-in-interest transactions include those with fiduciaries or employees of the Fund, any person who provides services to the Fund, an employer whose employees are covered by the Fund, an employee organization whose members are covered by the Fund, a person who owns 50% or more of such an employer or employee association, or relatives of such persons.

The Fund entered into an informal note receivable with the Colorado State Fraternal Order of Police, the Fund sponsor, during 2023. The Fund sponsor anticipates paying this balance back into the Fund, but there is no set maturity date. The note receivable balance was $459,981 and $488,783 as of December 31, 2025 and 2024, respectively, and interest income on related-party note receivable for the years ended December 31, 2025 and 2024 was $21,407 and $20,736, respectively.

The Fund paid $36,010 and $36,000 for compensation and expense reimbursements to the president, secretary and treasurer during 2025 and 2024, respectively. In addition, the Fund had additional expenses of $37,734 and $20,624 during 2025 and 2024, respectively.

Note 5. Disclosures About Fair Value of Plan Assets and Liabilities

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Fair value measurements must maximize the use of observable inputs and minimize the use of unobservable inputs. The hierarchy comprises three levels of inputs that may be used to measure fair value:

Level 1 Quoted prices in active markets for identical assets or liabilities

Level 2 Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities, quoted prices in markets that are not active, or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities

Level 3 Unobservable inputs supported by little or no market activity and that are significant to the fair value of the assets or liabilities

Recurring Measurements

The following tables present the fair value measurements of assets and liabilities recognized in the accompanying statements of net assets available for benefits measured at fair value on a recurring basis and the level within the fair value hierarchy in which the fair value measurements fall at December 31, 2025 and 2024:

	2025			
	Fair Value Measurements Using			
	Fair Value	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Certificates of deposit	$ 1,426,164	$ -	$ 1,426,164	$ -
Mutual funds	305,434	305,434	-	-
Investments at fair value	$ 1,731,598	$ 305,434	$ 1,426,164	$ -

	2024			
	Fair Value Measurements Using			
	Fair Value	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Certificates of deposit	$ 1,529,888	$ -	$ 1,529,888	$ -
Mutual funds	75,073	75,073	-	-
Investments at fair value	$ 1,604,961	$ 75,073	$ 1,529,888	$ -

Investments

Where quoted market prices are available in an active market, securities are classified within Level 1 of the valuation hierarchy. If quoted market prices are not available, then fair values are estimated by using quoted prices of securities with similar characteristics or independent asset pricing services and pricing models, the inputs of which are market-based or independently sourced market parameters, including, but not limited to, yield curves, interest rates, volatilities, prepayments, defaults, cumulative loss projections and cash flows. Such securities are classified in Level 2 of the valuation hierarchy. In certain cases where Level 1 or Level 2 inputs are not available, securities are classified within Level 3 of the hierarchy. The Fund holds no Level 3 investments.

Note 6. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 7. Subsequent Events

Subsequent events have been evaluated through July 28, 2026, which is the date the financial statements were available to be issued.
