Independent Auditors' Report

To the 401(k)/Deferred Compensation Administrative Committee of and Participants in
PETSMART, INC. SAVESMART 401(k) PLAN

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed the audits of the financial statements of PetSmart, Inc. SaveSmart 401(k) Plan (“the Plan”), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (“ERISA”), as permitted by ERISA Section 103(a)(3)(C) (“ERISA Section 103(a)(3)(C) audit”). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan’s financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (“investment information”) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA (“qualified institution”).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024 and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors’ Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at year end) as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

PetSmart, Inc.
SaveSmart 401(k) Plan
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2025 and 2024

(1) Description of the Plan

The following description of the PetSmart, Inc. SaveSmart 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

PetSmart LLC (the "Company" or "Employer") established the Plan on February 4, 1991. The 401(k)/Deferred Compensation Administrative Committee of the Company controls and manages the operation and administration of the Plan. The Plan is a defined contribution plan subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Trustee for the Plan is Fidelity Management Trust Company (the "Trustee") and the Recordkeeper for the Plan is Fidelity Workplace Services LLC (the "Recordkeeper").

Eligibility

The Plan is available to all employees of the Company with at least two months of service and who have reached the minimum eligibility age of 18 years.

Contributions

Participants in the Plan may make elective deferrals between 1% and 50% of their annual compensation as defined by the Plan agreement and as limited by the Internal Revenue Code (IRC). The Company may make matching contributions and/or profit sharing contributions in an amount to be determined at the sole discretion of the Company's board of directors. For the year ended December 31, 2025, the Company made matching contributions of 50% of the first 6% of the base compensation that a participant contributed to the Plan. There were no profit sharing contributions during the year ended December 31, 2025. Participants may also contribute amounts representing rollover distributions from other qualified defined benefit or defined contribution plans. Participant contributions, matching contributions, rollover contributions, and profit sharing contributions, if any, are invested at the direction of the participants.

Participant accounts

The Recordkeeper maintains individual account records for each Plan participant. Each participant's account is credited with the participant's contributions, matching contributions, rollover contributions, if any, an allocation of profit sharing contributions, if any, an allocation of Plan earnings, as well as being charged with administrative expenses. Allocations are based on compensation, contributions, or account balances as defined by the Plan. The benefit to which a participant is entitled is limited to that which can be provided from the participant's account.

Investments

Participants direct the investment of their accounts into various investment options offered by the Plan. As of December 31, 2025, the Plan offered eight mutual funds and fifteen common collective trusts as investment options for participants. Participants should refer to the information provided by the Trustee for a more complete description of the Plan's investment options.

Vesting

Participants in the Plan vest in the Employer contributions, which are matching contributions and profit sharing contributions, if any, ratably over their first five years of service with the Company, after which time they are 100% vested. Participants are always 100% vested in their own contributions, rollover contributions, and related earnings.

PetSmart, Inc.
SaveSmart 401(k) Plan
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2025 and 2024

Forfeitures

Participants terminating employment prior to full vesting forfeit the non-vested portion of the Employer's matching contributions and profit sharing contributions, if any, on the termination date. As of December 31, 2025 and 2024, forfeited non-vested accounts totaled \$441,096 and \$536,202, respectively. Forfeited non-vested accounts are used to reduce future Employer contributions and/or to reduce Plan expenses. At the Company's discretion, Employer contributions were reduced by \$1,552,903 due to forfeited non-vested accounts during the year ended December 31, 2025.

Payment of benefits

Distributions from the Plan are available upon any of the following: (1) termination of employment with the Company, (2) retirement and in-service distributions upon or following the age of 59-1/2, or (3) disability or death. If the participant's vested account balance is less than \$5,000, the participant (or the beneficiary) will receive a lump-sum payment of the value of the account. If the participant's vested account balance exceeds \$5,000, the participant may elect (1) a lump-sum payment; (2) equal installments over a term that does not exceed the life expectancy of the participant or the designated beneficiary; or (3) a direct transfer to another qualified plan that accepts rollover contributions, or to an individual retirement account.

Notes receivable from participants

Participants may borrow from their fund accounts a maximum of the lesser of \$50,000 or 50% of their vested account balance (but not less than \$1,000). The loans are secured by the balance in the participant's account and bear interest at the prime rate at the inception of the loan plus 1%. Repayments can generally be made up to a five-year period for general purpose loans and up to a 15-year period for primary residence loans. Repayment is performed by payroll deductions from active employees and by direct payment to the Trustee for inactive or terminated employees.

(2) Summary of significant accounting policies

Basis of accounting

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Use of estimates

The preparation of financial statements in conformity with GAAP requires the Plan's management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Actual results could differ from those estimates.

Risks and uncertainties

The Plan utilizes various investment instruments. Investment securities, in general, are exposed to various risks, such as interest rates, credit, liquidity, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the financial statements.

Investment valuation and income recognition

The Plan's investments are stated at fair value. Investments in shares of mutual funds are stated at net asset value, which are readily determinable fair values of those shares as they are published daily and are the basis for current transactions.

The Plan's investments in common collective trusts are stated at unit value, which is based on the aggregate current fair values of the underlying assets in relation to the total number of units outstanding. Unit value, or

PetSmart, Inc.
SaveSmart 401(k) Plan
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2025 and 2024

the equivalent of net asset value, is a practical expedient for estimating the fair values of the investment. Investments in the common collective trusts may be redeemed daily with a notice period of one day, and there were no unfunded commitments as of December 31, 2025 and December 31, 2024.

Purchases and sales of securities are recorded as of the trade date. Interest income is recorded on the accrual basis. Dividend income is recorded as of the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold during the year as well as unrealized gains and losses related to investments held at year end.

Other income

The Plan is enrolled in the Fidelity Revenue Credit Program ("RCP") Program. In accordance with this program, when recordkeeping and other administrative expenses paid to the Recordkeeper in connection with Plan services exceed the agreed-upon compensation, the Recordkeeper deposits amounts equal to such excess in a suspense account in the Plan. The RCP is presented as Other Income on the Statement of Changes in Net Assets. The RCP paid by the Recordkeeper amounted to \$74,783 for the year ended December 31, 2025.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest and are presented separately from investments in the financial statements.

Investment and administrative expenses

Plan investment and administrative expenses are paid by participants. Participants pay an initial fee of \$35 for establishment of a loan and a \$15 annual maintenance fee during the term of the loan. Additionally, participants pay a quarterly recordkeeping fee of \$11.50 or \$11.75 based on participant status. Fees paid by the Plan amounted to \$1,073,504 for the year ended December 31, 2025. Certain administrative functions are performed by officers or employees of the Company or its subsidiaries. No such officers or employees receive compensation from the Plan.

Payments of Benefits

Benefit payments to participants are recorded upon distribution. As of December 31, 2025 and 2024, there were no material amounts payable to persons who had elected to withdraw from the Plan.

Excess contributions payable

The Plan is required to return contributions received during the Plan year in excess of the IRC limits. As of December 31, 2025 and 2024, excess contributions due to participants totaled \$1,812,961 and \$1,382,995, respectively. These amounts have been reflected as excess contributions payable on the statements of net assets available for benefits. The amount due as of December 31, 2025 has been reflected as a reduction of participant and employer contributions on the statement of changes in net assets available for benefits for the year ended December 31, 2025.

Subsequent events

Plan management has evaluated subsequent events through July 29, 2026, which is the date the financial statements of the Plan were available to be issued.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2025 and 2024

(3) Information certified by the Trustee

The Plan administrator has elected the method of annual reporting compliance permitted by Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Trustee has certified that the following information included in the accompanying financial statements and supplemental schedule is complete and accurate:

- Investments, at fair value
- Notes receivable from participants
- Interest and dividend income
- Net realized/unrealized appreciation in fair value of investments
- Interest income on notes receivable from participants
- Schedule of assets (held at end of year)

The Plan's independent public accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

(4) Fair value measurements

The Plan applies fair value measurements to certain investments and provides disclosures of certain assets according to a fair value hierarchy. The hierarchy ranks the quality and reliability of the inputs used to determine fair values, which are then classified and disclosed in one of three categories. The three levels of the fair value hierarchy are:

Level 1 - Unadjusted quoted prices in active markets for identical assets or liabilities.

Level 2 - Other significant observable inputs including quoted prices in active markets for similar assets or liabilities; quoted prices in markets that are not active; and model-derived valuations whose inputs are observable (such as yield curves).

Level 3 - Model-derived valuations with unobservable inputs that are supported by little or no market activity.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

The following table presents by level within the fair value hierarchy, the Plan's investments reported at fair value as of December 31, 2025:

	Level 1	Level 2	Level 3	Total
Mutual Funds.....	\$180,208,479	\$ —	\$ —	\$180,208,479
Total Assets in the fair value hierarchy	180,208,479	—	—	180,208,479
Common Collective Trusts (a)	—	—	—	577,389,658
Total Investments at Fair Value	<u>\$180,208,479</u>	<u>\$ —</u>	<u>\$ —</u>	<u>\$757,598,137</u>

PetSmart, Inc.
SaveSmart 401(k) Plan
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2025 and 2024

The following table presents by level within the fair value hierarchy, the Plan's investments reported at fair value as of December 31, 2024:

	Level 1	Level 2	Level 3	Total
Mutual Funds	\$158,695,971	\$ —	\$ —	\$158,695,971
Total Assets in the fair value hierarchy	158,695,971	—	—	158,695,971

Total Investments at Fair Value	<u>\$158,695,971</u>	<u>\$ —</u>	<u>\$ —</u>	<u>\$652,461,131</u>

(a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

(5) Federal income tax status

The Internal Revenue Service (IRS) has determined and informed the Company by an opinion letter dated June 30, 2020, stating that the Plan was designed in accordance with the applicable Internal Revenue Code ("IRC") requirements as of that date. The Plan administrator and the Company believe that the Plan is currently operated in compliance with the applicable requirements of the IRC and that the Plan was qualified and the related trust was tax exempt as of and for the year ended December 31, 2025. Therefore, no provision for income taxes has been included in the Plan's financial statements.

(6) Exempt party-in-interest transactions

Certain Plan investments are or were shares of mutual funds and a common collective trust managed by the Trustee; therefore, these transactions qualify as exempt party-in-interest transactions. Compensation paid to and received from the Recordkeeper in connection with Plan services qualify as exempt party-in-interest transactions and amounted to \$860,653 and \$74,783, respectively for the year ended December 31, 2025. This compensation is allocated back to participants accounts. Plan expenses paid to other parties in interest totaled \$212,851.

(7) Plan termination

Although there is no intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate or amend the Plan subject to the provisions set forth in ERISA and the IRC. In the event of any termination of the Plan or upon complete or partial discontinuance of contributions, the accounts of each affected participant shall become fully vested.
