## INDEPENDENT AUDITOR'S REPORT

Plan Administrator  
Mississippi Management, Inc.  
401(k) Retirement and Savings Plan

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Mississippi Management, Inc. 401(k) Retirement and Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Mississippi Management, Inc. 401(k) Retirement and Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the years ended December 31, 2025 and 2024, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

## **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Mississippi Management, Inc. 401(k) Retirement and Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Mississippi Management, Inc. 401(k) Retirement and Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Mississippi Management, Inc. 401(k) Retirement and Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Mississippi Management, Inc. 401(k) Retirement and Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Supplemental Schedule Required by ERISA**

The supplemental schedule of assets held at end of year is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

MISSISSIPPI MANAGEMENT, INC.  
401(k) RETIREMENT AND SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS  
FOR THE YEARS ENDED DECEMBER 31, 2025 AND 2024

A. DESCRIPTION OF PLAN

The Mississippi Management, Inc. 401(k) Retirement and Savings Plan ("The Plan") was implemented effective January 1, 1993. Effective October 1, 1997, the Mississippi Management, Inc. Profit Sharing Plan was merged into the 401(k) Plan with the 401(k) Plan being the surviving plan. The 401(k) Plan was amended effective January 1, 2007 to allow participants to make Roth 401(k) contributions. The Plan was also amended effective July 15, 2008 to appoint Charles Schwab as trustee. Effective August 1, 2014, the Plan began offering the use of Schwab Retirement Planner. This service includes the development of personalized investment and savings strategies for participants. Effective January 1, 2022, the Plan was restated to an IRS pre-approved defined contribution plan document. The Plan was amended effective January 1, 2024, to adopt a two month requirement for eligible participation and to change vesting to 100% after three years of service. The following description of the Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

1. *General* – Employees become eligible to participate in the Plan on the next entry date after completing two months of service and attainment of age eighteen (18). Employees may enter the Plan the first day of each month. Employees having attained one year of service on or before January 1, 1993 became eligible to participate on the effective date of the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).
2. *Contributions* – For the years ended December 31, 2025 and 2024, participating employees may defer up to fifty percent (50%) of their compensation not to exceed \$23,500 (\$31,000 if over age 50) and \$23,000 (\$30,500 if over age 50), respectively. Participants may also elect to treat all or part of the amount withheld as a Roth 401(k) contribution. The Company, at its sole discretion, may contribute a percentage of each employee's deferred income. For the years ended December 31, 2025 and 2024, the Company contributed 50% of a participant's deferrals up to the first 6% of the participant's compensation. Employees must be employed by the Company on the last day of the year to be eligible to participate in the Company contribution unless they terminated during the year due to retirement, death, or disability.

A. DESCRIPTION OF PLAN – CONTINUED

3. *Participant Accounts* – Each participant's account is credited with the participant's contributions, any employer's contributions, and an allocation of Plan earnings. The allocation is based on participant account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.
4. *Investment Options* – Participants direct contributions, including employer contributions, into several investment options. Participants may change their investment options daily.
5. *Notes Receivable from Participants* – After December 31, 2021, loans were no longer permitted under the Plan.
6. *Vesting* – Participants are immediately vested in their voluntary contributions plus earnings thereon. Vesting in Company contributions and earnings thereon is based on years of service. Effective January 1, 2024, a participant is 100 percent vested in Company contributions after three years of service. Prior to January 1, 2024, a participant was 100 percent vested in Company contributions after five years of service. Participants were credited toward their vesting with years of service prior to the Plan effective date of January 1, 1993. All participants in the Profit Sharing Plan were 100 percent vested at the time of the merger.
7. *Forfeitures* – Forfeitures are first used to restore required amounts to any current or former participants. The remaining forfeitures are used to pay administrative expenses of the Plan and to reduce the cost of future Company contributions. At December 31, 2025 and 2024, forfeited non-vested accounts totaled \$28,769 and \$8,048, respectively. During the years ended December 31, 2025 and 2024, forfeitures of \$28,769 and \$8,059 were used to reduce employer matching contributions.

8. *Payment of Benefits* – On termination of service, a participant may elect to receive their vested balance in a single payment either in cash or as a direct rollover to an individual retirement account or another tax-qualified plan or in installment payments.

B. SUMMARY OF ACCOUNTING POLICIES

*Basis of Accounting* – The financial statements of the Plan are prepared on the accrual basis of accounting.

*Investment Valuations* – The money market account and mutual funds are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note D for discussion of fair value measurements.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

*Accounting Estimates* – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

*Payment of Benefits* – Benefits are recorded when paid.

*Administrative Expenses* – The Company absorbs certain administrative expenses of the Plan. Investment related expenses are included in net appreciation in fair value of investments. Plan participants are charged for administrative expenses related to loan set-up, loan maintenance, and a recordkeeping fee. Also, those participants who choose the Schwab Retirement Planner are charged an asset-based fee.

C. INFORMATION CERTIFIED BY THE PLAN'S TRUSTEE

For the years ended December 31, 2025 and 2024, the Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA for the investments held by Charles Schwab Trust Bank. Accordingly, the trustee has certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate:

|                                                  | <u>2025</u>  | <u>2024</u> |
|--------------------------------------------------|--------------|-------------|

| Investment Income, Net of Investment Expenses    |              |             |
| Net Appreciation in Fair Value<br>of Investments | \$ 1,052,695 | \$ 860,176  |

| Dividends                                        | 158,323      | 147,457     |

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

D. FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurements accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs have the lowest priority.

D. FAIR VALUE MEASUREMENTS – CONTINUED

The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

*Level 1 – Fair Value Measurements*

The fair values of mutual funds are based on quoted net asset values of the shares held by the Plan at year-end. The money market account is valued at its carrying value which approximates fair value.

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2025 and 2024:

| <u>December 31, 2025</u> | <u>Level 1</u>     | <u>Level 2</u> | <u>Level 3</u> | <u>Total</u>        |

E. CREDIT RISK

The Plan has a money market account held as an investment with deposits more than federally insured limits. These excess deposits totaled \$17,378 and \$54,607 at December 31, 2025 and 2024, respectively. However, these deposits are insured to the federal limits per plan participant when aggregated with all other deposits held by the participant in the same capacity at Schwab Bank. At December 31, 2025 and 2024, excess deposits at the participant level totaled \$0.

F. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100 percent (100%) vested in their accounts.

G. TAX STATUS OF PLAN

The Company adopted a Non-standardized Profit Sharing Plan with a cash or deferral arrangement, which received a favorable opinion letter from the Internal Revenue Service (IRS) dated September 21, 2020. The letter stated that the Plan was designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since the date of the determination letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believes that the Plan is qualified and the related trust is tax-exempt.

H. PARTY-IN-INTEREST TRANSACTIONS

In July, 2008, the Plan Sponsor and Plan Administrator entered into a directed employee benefit trust agreement with Charles Schwab. Under the agreement, Charles Schwab acts as the directed, nondiscretionary trustee of the trust for the Plan assets. With the restatement of the Plan in August, 2014, Charles Schwab Bank was appointed as the directed trustee. Included in the assets that the trust holds are certain funds in which Charles Schwab is a party-in-interest. Fees paid by the Plan totaled \$25,097 and \$21,337 for the years ended December 31, 2025 and 2024, respectively.

I. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

J. SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through July 30, 2026, at which time the accompanying financial statements and supplemental schedule were available to be issued. The Plan has determined that no significant events occurred after December 31, 2025, but prior to the issuance of these financial statements, that would have a material impact on its financial statements.
