INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of the
Profit Sharing Plan and Trust of South Carolina Oncology Associates, P.A.

OPINION

We have audited the financial statements of the Profit Sharing Plan and Trust of South Carolina Oncology Associates, P.A. (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2025 and 2024, and the changes in net assets available for benefits for the years then ended in accordance with accounting principles generally accepted in the United States of America.

BASIS FOR OPINION

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

RESPONSIBILITIES OF MANAGEMENT FOR THE FINANCIAL STATEMENTS

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE FINANCIAL STATEMENTS

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

SUPPLEMENTAL SCHEDULES REQUIRED BY ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule H, line 4i-Schedule of Assets (Held at End of Year) as of December 31, 2025 is presented for the purpose of additional analysis and is not a required part of the financial statements, but is supplementary information required by the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such infor-

mation directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO THE FINANCIAL STATEMENTS

PROFIT SHARING PLAN AND TRUST OF SOUTH CAROLINA ONCOLOGY ASSOCIATES, P.A.

December 31, 2025

NOTE A -- GENERAL DESCRIPTION OF THE PLAN

The following description of South Carolina Oncology Associates, P.A.'s (the "*Company*") Profit Sharing Plan and Trust of South Carolina Oncology Associates, P.A. (the "*Plan*") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan covering all employees of the Company who have completed one year of service and obtained age 21. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("*ERISA*"), as amended. The Plan Administrator is responsible for oversight of the Plan. The Plan has semi-annual entry dates: the first day of the Plan year and the first day of the seventh month of the Plan year.

Contributions: As of January 1, 2020, participants may now contribute up to 100% of their annual compensation, as defined in the Plan, subject to the limitations as defined in the Internal Revenue Code (IRC). Participants who have attained age fifty before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified retirement plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan provides for discretionary contributions by the Employer. For 2025 and 2024, the employer's discretionary contributions, for each employee, ranged in between 4% and 20% of eligible compensation, based on management's discretion. In 2025 and 2024, the Plan also made employer safe harbor non-elective contributions equal to 3% of eligible compensation. The total employer contributions, net of forfeitures, for the years ended December 31, 2025 and 2024, were \$3,295,287 and \$3,026,712, respectively.

Participant Accounts: Participants have the option to self-direct their investments or have their monies held in the pooled investments. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

For participants that self-direct their investments, the participant's account is credited with the allocation of the Company's contribution, and the earnings on their specific investments. Allocations are based on participant's earnings and account balances as defined.

For participant that are in pooled investments, the participant's account is credited with the allocation of the Company's contribution plus their portion of the earnings on the pooled investments. Allocations are based on participant's earnings or account balances, as defined.

NOTE A -- GENERAL DESCRIPTION OF THE PLAN – Continued

Vesting: For employees who became participants in the Plan before January 1, 2003, they were immediately vested or 100% vested at all times. Effective January 1, 2003, participants entering the Plan are subject to a six-year graded vesting schedule.

Payment of Benefits: On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's account, or installments until the balance is depleted. For termination of service for other reasons, a participant may receive the value of his or her account as a lump sum distribution. The Plan provides for mandatory distributions following severance from employment for any participant who has an account balance less than \$5,000.

Plan Termination: Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

Forfeited Accounts: At December 31, 2025 and 2024, forfeited non-vested accounts totaled \$21,575 and \$20,368, respectively. These accounts will be used to reduce future employer contributions. Employer contributions were reduced by \$34,115 and \$152,659, for the years ended December 31, 2025 and 2024, respectively.

NOTE B -- SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Cash and Cash Equivalents: The Company considers all highly liquid investments available for current use with an initial maturity value of three months or less, to be cash equivalents. The carrying value of cash approximates fair value because of the short maturities of these financial instruments.

Investment Valuation and Income Recognition: Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's management determines the Plan's valuation policies utilizing information provided by the investment advisors and custodian. See Note D for discussion of fair value measurements.

NOTES TO THE FINANCIAL STATEMENTS

PROFIT SHARING PLAN AND TRUST OF SOUTH CAROLINA ONCOLOGY ASSOCIATES, P.A.

NOTE B -- SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – Continued

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as, held during the year.

Payment of Benefits: Benefits are recorded when paid.

Administrative Expenses: Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Certain investment related expenses are included in net appreciation(depreciation) of fair value of investments. Fees related to self-directed accounts are charged directly to the participants' accounts and are included in administrative expenses.

Subsequent events: The Plan has evaluated subsequent events through July 30, 2026, the date the financial statements were available to be issued.

NOTE C -- RISK AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE D -- FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- | | |
|---------|---|
| Level 1 | Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access. |
| Level 2 | Inputs to the valuation methodology include: <ul style="list-style-type: none">• quoted prices for similar assets or liabilities in active markets;• quoted prices for identical or similar assets or liabilities in inactive markets;• inputs other than quoted prices that are observable for the asset or liability; and• inputs that are derived principally from or corroborated by observable market data by correlation or other means. |

NOTES TO THE FINANCIAL STATEMENTS

PROFIT SHARING PLAN AND TRUST OF SOUTH CAROLINA ONCOLOGY ASSOCIATES, P.A.

NOTE D -- FAIR VALUE MEASUREMENTS – Continued

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Common stock: Valued at the closing price reported on the active market on which the individual securities are traded.

Mutual funds: Valued at the daily closing price as reported by the fund. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Certificates of deposit: Valued at amortized costs.

Fixed annuities: Valued using pricing models maximizing the use of observable inputs for similar securities.

Variable annuities: Valued daily by the annuity provider per the methods described in the annuity contract. The pricing methods disclosed in the contract are considered an observable input.

Corporate preferred debt: Valued using pricing models maximizing the use of observable inputs for similar securities. This includes basing value on yields currently available on comparable securities of issuers with similar credit ratings.

The remainder of this page is intentionally left blank.

Transfers Between Levels

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. In such instances, the transfer is reported at the beginning of the reporting period.

For the years ended December 31, 2025 and 2024, there were no significant transfers between levels.

NOTE E -- RELATED PARTY & PARTY IN INTEREST TRANSACTIONS

Certain plan investments are managed by the custodians of the Plan, and therefore are related party and party in interest transactions.

NOTES TO THE FINANCIAL STATEMENTS

PROFIT SHARING PLAN AND TRUST OF SOUTH CAROLINA ONCOLOGY ASSOCIATES, P.A.

NOTE F -- TAX STATUS

The Company adopted a profit-sharing plan sponsored by the third-party administrator. The Internal Revenue Service (IRS) has determined and informed the third-party administrator by a favorable opinion letter dated June 30, 2020, that the Plan is designed in accordance with the applicable sections of the Internal Revenue Code (the Code). The opinion letter is being relied upon by the Plan. Plan management believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the Code, and therefore, believes that the Plan is qualified and tax exempt.

Accounting principles generally accepted in the United States of America requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.
