Independent Auditors' Report

To the Plan Administrator
Asian Pacific Health Care Venture, Inc. 401(k) Plan
Los Angeles, California

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Asian Pacific Health Care Venture, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Asian Pacific Health Care Venture, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2025 and 2024, and for the years ended December 31, 2025 and 2024, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Asian Pacific Health Care Venture, Inc. 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Asian Pacific Health Care Venture, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Asian Pacific Health Care Venture, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Asian Pacific Health Care Venture, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters-Supplemental Schedule Required by ERISA

The supplemental Schedule H, line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Asian Pacific Health Care Venture, Inc. 401(k) Plan
Notes to Financial Statements
Years Ended December 31, 2025 and 2024

Note 1 – Description of Plan

The following description of the Asian Pacific Health Care Venture, Inc. 401(k) Plan (the “Plan”) provides only general information. Asian Pacific Health Care Venture, Inc. (the “Company”, the “Plan Administrator”) is the plan sponsor. Fidelity Management Trust Company (“Fidelity”) is the asset custodian of the Plan. Fidelity holds the Plan’s investments and executes investment transactions through the trust established pursuant to the Plan. The Plan Administrator oversees governance of the Plan. Participants should refer to the plan agreement for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan covering substantially all full-time employees of the Company who have completed six months of service and are age 21 or older. The Plan was established on September 1, 2000, and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”), as amended.

Contributions

Each year, participants may contribute up to 60% of pretax annual compensation, as defined in the Plan agreement, subject to a maximum annual limit by the Internal Revenue Service. In 2025 and 2024, pre-tax contributions are subject to a limitation of \$23,500 and \$23,000, respectively. In addition, a catch-up contribution of \$7,500 for participants aged 50 or older, or an additional super catch-up contribution of up to \$11,250 for participants ages 60 through 63 old can be made. Participants direct the investment of their contributions into various investment options offered by the Plan.

Participants may also contribute amounts representing distributions from other qualified plans and certain IRAs (rollovers). During the years ended December 31, 2025 and 2024, rollovers into the Plan totaled \$1,391 and \$23,700, respectively.

The Company may make discretionary contributions (known as non-elective contributions), as defined, at the option of the Board of Directors. For the years ended December 31, 2025 and 2024, the Company’s contributions totaled \$333,007 and \$319,442, respectively.

Participant accounts

Individual accounts are maintained for each participant in the Plan. Each participant’s account is credited with the participant’s contributions and the Company’s employer contributions, if any, as well as allocations of Plan earnings and allocation of administrative expenses that are paid by the

Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their participant contributions and employer non-elective contributions, plus actual earnings thereon.

Investment options

The Plan offers various investment options which are managed by Fidelity. Upon enrollment in the Plan, participants may direct their contributions in any of the investment options offered at the time. Participants may change their investment options daily. Participants should refer to the investment literature provided by the Company for a complete description of the investment options and for the detailed composition of each investment fund.

Notes receivable from participants

Participants may borrow from their accounts in amounts ranging from \$1,000 to \$50,000, but not in excess of 50% of their vested account balance. The loans are secured by the balance in the participant's account. Loan terms range from one to five years or up to 10 years for the purchase of a primary residence and are repayable ratably through payroll deductions. At December 31, 2025 and 2024, interest on notes receivable from participants ranged from 5.00% to 9.50% per annum, with various maturities through September 2030.

Payment of benefits

Upon termination of service due to death, disability, retirement, termination of employment, or financial hardship, participants may elect to receive the vested interest of their accounts in the form of a single sum of cash payment, or a direct rollover to an individual retirement account or another employer plan. Inservice distributions are available to employees who have attained age 59 ½. Hardship withdrawals are also available.

Forfeited Accounts

At December 31, 2025 and 2024, forfeited non-vested accounts totaled \$957 and \$5,832, respectively. In 2025 and 2024, there were no forfeited balances used to reduce Company contributions or administrative expenses.

Note 2 – Summary of Accounting Policies

Basis of accounting

The accompanying financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (“GAAP”).

Use of estimates

The preparation of financial statements requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Significant estimates include the fair value of certain investments. Actual results could differ from those estimates.

Investment valuation and income recognition

The Plan’s investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for additional discussion and disclosures related to fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan’s gains and losses on investments bought and sold as well as held during the year.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses when they are incurred. At December 31, 2025 and 2024, there was no allowance for credit losses, as repayments of principal and interest are received through payroll deductions and the notes are collateralized by the participants’ account balances.

Payment of benefits

Benefits are recorded when paid in accordance with ERISA reporting requirements.

Administrative expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the

participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

Excess contributions payable

At December 31, 2025 and 2024, amounts totaling \$52,295 and \$38,772, representing contributions in excess of amounts allowed by the Internal Revenue Service, are payable to certain participants, and are recorded as liabilities.

Note 3 – Fair Value Measurements

Financial Accounting Standards Board (“FASB”) Accounting Standards Codification (“ASC”) Topic 820, Fair Value Measurements and Disclosures, provides the framework for measuring fair value. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (i.e., an exit price). ASC 820 provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value.

The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under ASC 820 are described as follows:

Level 1 – Unadjusted quoted prices in active markets for identical assets that the Plan has the ability to access at the measurement date.

Level 2 – Quoted prices other than those included in Level 1 that are observable either directly or indirectly. Level 2 inputs include quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in markets that are not active, or other inputs that are observable or that can be corroborated by observable market data for substantially the full term of the financial instrument.

Level 3 – Inputs are unobservable and significant to the fair value measurement. Unobservable inputs reflect the Plan's own judgements about assumptions that market participants would use in pricing the asset or liability.

The following are descriptions of the valuation methodologies and assumptions used for investments of the Plan. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Mutual funds: Mutual funds are valued at the daily closing price as reported on the active market on which the individual funds are traded. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Stable Value Fund held through a Collective Trust Fund: Participants may elect to invest in the Fidelity Managed Income Portfolio Class 2 (“MIP CL 2”), a stable value fund held through a common collective trust which primarily invests in benefit-responsive investment contracts issued by insurance companies and other financial institutions, fixed income securities, and money market funds. The Plan invests indirectly through MIP CL 2 in these investment contracts. The fair value of the investment in MIP CL 2 is measured at net asset value per share as reported by the fund manager. The net asset value is used as a practical expedient to estimate fair value. The redemption frequency is daily and there are no restrictions or notice period required. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. As of December 31, 2025 and 2024, there were no unfunded commitments or other redemption restrictions on the investment in MIP CL 2.

During the years ended December 31, 2025 and 2024, there were no transfers of assets between Levels 1, 2 and 3. The following tables set forth the Plan's assets by level within the fair value hierarchy. Investments valued based on the NAV as a practical expedient are excluded from the fair value hierarchy:

	<u>Assets at Fair Value as of December 31, 2025</u>				
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>NAV</u>	<u>Total</u>
<u>Investments measured at fair value</u>

Investments at fair value	<u>\$ 16,793,493</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 891,899</u>	<u>\$ 17,685,392</u>

- (a) The investment in the stable value fund is measured at fair value using the net asset value per share (or its equivalent) practical expedient and has not been categorized in the fair value hierarchy. The fair value amounts presented in the table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the Statements of Net Assets Available for Benefits.

Note 4 – Certified Investments

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments held at December 31, 2025 and 2024, and net appreciation in fair value of investments, dividends and interest, and interest income on notes receivable from participants, and for the years ended December 31, 2025 and 2024, was obtained by management and agreed to or derived from information certified as complete and accurate by Fidelity Management Trust Company (“Fidelity”), the asset custodian of the Plan.

Note 5 – Related Party and Party-In-Interest Transaction

At December 31, 2025 and 2024, certain plan investments are interests in separate accounts managed by Fidelity. Therefore, the transactions with Fidelity are party-in-interest transactions. Additionally, the Company provides certain accounting and administrative services to the Plan for which no fees are charged. As the Company is the Plan sponsor, these transactions qualify as party-in-interest transactions. All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

Note 6 – Plan termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

Note 7 – Tax status

The Plan currently operates under a prototype plan offered by Fidelity, which received a favorable opinion letter from the Internal Revenue Service dated March 31, 2014. Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and therefore believes that the Plan is qualified, and the related trust is tax-exempt.

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2025 and 2024, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2019.

Note 8 – Risks and Uncertainties

The Plan invests in various investments. Investments are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

At December 31, 2025, the plan had two investments which each exceeded 10% of total investments: Fidelity Blue Chip Growth Fund – 15%, and Fidelity Growth Company Fund – 12%. At December 31, 2024, the plan had two investments which each exceeded 10% of total investments: Fidelity Blue Chip Growth Fund – 16%, and Fidelity Growth Company Fund – 12%.

Note 9 – Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of the net assets available for benefits per the financial statements to Schedule H of Form 5500 as of December 31:

	2025	2024
Net assets available for benefits per the financial statements	\$ 22,181,473	\$ 17,969,210
Add: Excess contributions	52,295	38,772
Deduct: Fair value of stable value collective trust fund	(27,851)	(53,641)
Net assets available for benefits per Form 5500	<u>\$22,205,917</u>	<u>\$ 17,954,341</u>

The following is a reconciliation of increase in net assets per the financial statements to increase in net assets per Form 5500 for the years ended:

	December 31	
	2025	2024
Increase in net assets per the financial statements	\$ 4,212,263	\$ 3,599,773
Plan year 2025 excess contributions	52,295	38,772
Plan year 2024 excess contributions	(38,772)	(49,405)
Change in stable value collective trust fund	25,790	4,661
Increase in net assets available for benefits per Form 5500	<u>\$ 4,251,576</u>	<u>\$ 3,593,801</u>

Note 10 – Subsequent events

The Plan has evaluated subsequent events through June 30, 2026, the date the financial statements were available to be issued, noting no other items requiring disclosure.

Independent Auditors' Report

To the Plan Administrator
Asian Pacific Health Care Venture, Inc. 401(k) Plan
Los Angeles, California

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Asian Pacific Health Care Venture, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Asian Pacific Health Care Venture, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2025 and 2024, and for the years ended December 31, 2025 and 2024, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Asian Pacific Health Care Venture, Inc. 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Asian Pacific Health Care Venture, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Asian Pacific Health Care Venture, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Asian Pacific Health Care Venture, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters-Supplemental Schedule Required by ERISA

The supplemental Schedule H, line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Asian Pacific Health Care Venture, Inc. 401(k) Plan
Notes to Financial Statements
Years Ended December 31, 2025 and 2024

Note 1 – Description of Plan

The following description of the Asian Pacific Health Care Venture, Inc. 401(k) Plan (the “Plan”) provides only general information. Asian Pacific Health Care Venture, Inc. (the “Company”, the “Plan Administrator”) is the plan sponsor. Fidelity Management Trust Company (“Fidelity”) is the asset custodian of the Plan. Fidelity holds the Plan’s investments and executes investment transactions through the trust established pursuant to the Plan. The Plan Administrator oversees governance of the Plan. Participants should refer to the plan agreement for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan covering substantially all full-time employees of the Company who have completed six months of service and are age 21 or older. The Plan was established on September 1, 2000, and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”), as amended.

Contributions

Each year, participants may contribute up to 60% of pretax annual compensation, as defined in the Plan agreement, subject to a maximum annual limit by the Internal Revenue Service. In 2025 and 2024, pre-tax contributions are subject to a limitation of \$23,500 and \$23,000, respectively. In addition, a catch-up contribution of \$7,500 for participants aged 50 or older, or an additional super catch-up contribution of up to \$11,250 for participants ages 60 through 63 old can be made. Participants direct the investment of their contributions into various investment options offered by the Plan.

Participants may also contribute amounts representing distributions from other qualified plans and certain IRAs (rollovers). During the years ended December 31, 2025 and 2024, rollovers into the Plan totaled \$1,391 and \$23,700, respectively.

The Company may make discretionary contributions (known as non-elective contributions), as defined, at the option of the Board of Directors. For the years ended December 31, 2025 and 2024, the Company’s contributions totaled \$333,007 and \$319,442, respectively.

Participant accounts

Individual accounts are maintained for each participant in the Plan. Each participant’s account is credited with the participant’s contributions and the Company’s employer contributions, if any, as well as allocations of Plan earnings and allocation of administrative expenses that are paid by the

Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their participant contributions and employer non-elective contributions, plus actual earnings thereon.

Investment options

The Plan offers various investment options which are managed by Fidelity. Upon enrollment in the Plan, participants may direct their contributions in any of the investment options offered at the time. Participants may change their investment options daily. Participants should refer to the investment literature provided by the Company for a complete description of the investment options and for the detailed composition of each investment fund.

Notes receivable from participants

Participants may borrow from their accounts in amounts ranging from \$1,000 to \$50,000, but not in excess of 50% of their vested account balance. The loans are secured by the balance in the participant's account. Loan terms range from one to five years or up to 10 years for the purchase of a primary residence and are repayable ratably through payroll deductions. At December 31, 2025 and 2024, interest on notes receivable from participants ranged from 5.00% to 9.50% per annum, with various maturities through September 2030.

Payment of benefits

Upon termination of service due to death, disability, retirement, termination of employment, or financial hardship, participants may elect to receive the vested interest of their accounts in the form of a single sum of cash payment, or a direct rollover to an individual retirement account or another employer plan. Inservice distributions are available to employees who have attained age 59 ½. Hardship withdrawals are also available.

Forfeited Accounts

At December 31, 2025 and 2024, forfeited non-vested accounts totaled \$957 and \$5,832, respectively. In 2025 and 2024, there were no forfeited balances used to reduce Company contributions or administrative expenses.

Note 2 – Summary of Accounting Policies

Basis of accounting

The accompanying financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (“GAAP”).

Use of estimates

The preparation of financial statements requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Significant estimates include the fair value of certain investments. Actual results could differ from those estimates.

Investment valuation and income recognition

The Plan’s investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for additional discussion and disclosures related to fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan’s gains and losses on investments bought and sold as well as held during the year.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses when they are incurred. At December 31, 2025 and 2024, there was no allowance for credit losses, as repayments of principal and interest are received through payroll deductions and the notes are collateralized by the participants’ account balances.

Payment of benefits

Benefits are recorded when paid in accordance with ERISA reporting requirements.

Administrative expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the

participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

Excess contributions payable

At December 31, 2025 and 2024, amounts totaling \$52,295 and \$38,772, representing contributions in excess of amounts allowed by the Internal Revenue Service, are payable to certain participants, and are recorded as liabilities.

Note 3 – Fair Value Measurements

Financial Accounting Standards Board (“FASB”) Accounting Standards Codification (“ASC”) Topic 820, Fair Value Measurements and Disclosures, provides the framework for measuring fair value. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (i.e., an exit price). ASC 820 provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value.

The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under ASC 820 are described as follows:

Level 1 – Unadjusted quoted prices in active markets for identical assets that the Plan has the ability to access at the measurement date.

Level 2 – Quoted prices other than those included in Level 1 that are observable either directly or indirectly. Level 2 inputs include quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in markets that are not active, or other inputs that are observable or that can be corroborated by observable market data for substantially the full term of the financial instrument.

Level 3 – Inputs are unobservable and significant to the fair value measurement. Unobservable inputs reflect the Plan's own judgements about assumptions that market participants would use in pricing the asset or liability.

The following are descriptions of the valuation methodologies and assumptions used for investments of the Plan. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Mutual funds: Mutual funds are valued at the daily closing price as reported on the active market on which the individual funds are traded. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Stable Value Fund held through a Collective Trust Fund: Participants may elect to invest in the Fidelity Managed Income Portfolio Class 2 (“MIP CL 2”), a stable value fund held through a common collective trust which primarily invests in benefit-responsive investment contracts issued by insurance companies and other financial institutions, fixed income securities, and money market funds. The Plan invests indirectly through MIP CL 2 in these investment contracts. The fair value of the investment in MIP CL 2 is measured at net asset value per share as reported by the fund manager. The net asset value is used as a practical expedient to estimate fair value. The redemption frequency is daily and there are no restrictions or notice period required. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. As of December 31, 2025 and 2024, there were no unfunded commitments or other redemption restrictions on the investment in MIP CL 2.

During the years ended December 31, 2025 and 2024, there were no transfers of assets between Levels 1, 2 and 3. The following tables set forth the Plan's assets by level within the fair value hierarchy. Investments valued based on the NAV as a practical expedient are excluded from the fair value hierarchy:

	<u>Assets at Fair Value as of December 31, 2025</u>				
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>NAV</u>	<u>Total</u>
<u>Investments measured at fair value</u>					
Mutual funds	\$ 20,909,483	\$ -	\$ -	\$ -	\$ 20,909,483
Stable value collective trust (a)	-	-	-	910,159	910,159
Investments at fair value	<u>\$ 20,909,483</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 910,159</u>	<u>\$ 21,819,642</u>

	<u>Assets at Fair Value as of December 31, 2024</u>				
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>NAV</u>	<u>Total</u>
<u>Investments measured at fair value</u>					
Mutual funds	\$ 16,793,493	\$ -	\$ -	\$ -	\$ 16,793,493

Investments at fair value	<u>\$ 16,793,493</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 891,899</u>	<u>\$ 17,685,392</u>

- (a) The investment in the stable value fund is measured at fair value using the net asset value per share (or its equivalent) practical expedient and has not been categorized in the fair value hierarchy. The fair value amounts presented in the table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the Statements of Net Assets Available for Benefits.

Note 4 – Certified Investments

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments held at December 31, 2025 and 2024, and net appreciation in fair value of investments, dividends and interest, and interest income on notes receivable from participants, and for the years ended December 31, 2025 and 2024, was obtained by management and agreed to or derived from information certified as complete and accurate by Fidelity Management Trust Company (“Fidelity”), the asset custodian of the Plan.

Note 5 – Related Party and Party-In-Interest Transaction

At December 31, 2025 and 2024, certain plan investments are interests in separate accounts managed by Fidelity. Therefore, the transactions with Fidelity are party-in-interest transactions. Additionally, the Company provides certain accounting and administrative services to the Plan for which no fees are charged. As the Company is the Plan sponsor, these transactions qualify as party-in-interest transactions. All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

Note 6 – Plan termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

Note 7 – Tax status

The Plan currently operates under a prototype plan offered by Fidelity, which received a favorable opinion letter from the Internal Revenue Service dated March 31, 2014. Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and therefore believes that the Plan is qualified, and the related trust is tax-exempt.

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2025 and 2024, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2019.

Note 8 – Risks and Uncertainties

The Plan invests in various investments. Investments are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

At December 31, 2025, the plan had two investments which each exceeded 10% of total investments: Fidelity Blue Chip Growth Fund – 15%, and Fidelity Growth Company Fund – 12%. At December 31, 2024, the plan had two investments which each exceeded 10% of total investments: Fidelity Blue Chip Growth Fund – 16%, and Fidelity Growth Company Fund – 12%.

Note 9 – Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of the net assets available for benefits per the financial statements to Schedule H of Form 5500 as of December 31:

	2025	2024
Net assets available for benefits per the financial statements	\$ 22,181,473	\$ 17,969,210
Add: Excess contributions	52,295	38,772
Deduct: Fair value of stable value collective trust fund	(27,851)	(53,641)
Net assets available for benefits per Form 5500	<u>\$22,205,917</u>	<u>\$ 17,954,341</u>

The following is a reconciliation of increase in net assets per the financial statements to increase in net assets per Form 5500 for the years ended:

	December 31	
	2025	2024
Increase in net assets per the financial statements	\$ 4,212,263	\$ 3,599,773
Plan year 2025 excess contributions	52,295	38,772
Plan year 2024 excess contributions	(38,772)	(49,405)
Change in stable value collective trust fund	25,790	4,661
Increase in net assets available for benefits per Form 5500	<u>\$ 4,251,576</u>	<u>\$ 3,593,801</u>

Note 10 – Subsequent events

The Plan has evaluated subsequent events through June 30, 2026, the date the financial statements were available to be issued, noting no other items requiring disclosure.
