Independent Auditor's Report

To the Trustees and Management of
Murchison & Cumming 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Murchison & Cumming 401(k) Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Murchison & Cumming 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Murchison & Cumming 401(k) Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Murchison & Cumming 401(k) Profit Sharing Plan's ability to continue as a going concern for at least one year following the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's

report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Murchison & Cumming 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Murchison & Cumming 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, line 4i - Schedule of Assets (Held at End of Year) and Schedule H, Line 4a - Schedule of Delinquent Participant Contributions, as of or for the year ended

December 31, 2025, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Murchison & Cumming 401(k) Profit Sharing Plan
Notes to Financial Statements
December 31, 2025 and 2024

A. Description of Plan

The following description of the Murchison & Cumming 401(k) Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution profit sharing plan established effective January 1, 1990, as restated January 1, 2022, for the benefit of all employees of Murchison & Cumming LLP (the "Employer") and meets all requirements for profit sharing plan qualification under Sections 401(a) and 401(k) of the Internal Revenue Code (IRC). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan's trustees and management determine the appropriateness of the Plan's investment offerings and monitors investment performance.

The September 1, 2025 plan restatement, amended the Plan for changes in laws and plan design.

Eligibility

An employee is eligible for participation in the Plan on the first day of the month following the completion of one month of service and the attainment of age 20.5, see Subsequent Events under Note B. Employees covered under a collective bargaining agreement, non-resident aliens, seasonal, temporary and leased employees are excluded from participation in the Plan.

Contributions

Each year, participants may contribute a percentage of pretax annual compensation, as defined in the plan document, up to the maximum limits of the IRC. Participants also may designate all or a portion of their deferral contributions as after-tax contributions into a Roth account. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Effective January 1, 2025, the Plan has implemented provisions of the SECURE 2.0 Act of 2022 to include enhanced catch-up contributions where participants who attain ages 60 through 63 before the end of the taxable year may be eligible to make increase "super catch-up" contributions, subject to IRC limits. Participants also may contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover).

The Employer contributes a match of 50 percent of the first 4 percent of compensation that a participant contributes to the Plan. Additional discretionary non-elective contributions amounts may be contributed to the Plan, in accordance with the terms of the plan document. Participants are eligible for discretionary non-elective contributions upon completion of 500 hours of service. For the year ended December 31, 2025, there were no discretionary Employer non-elective contributions to the Plan.

Notes to Financial Statements

December 31, 2025 and 2024

A. Description of Plan (Continued)

Contributions (Continued)

Contributions are subject to certain Internal Revenue Service (IRS) limitations.

Investment Options

Upon enrollment in the Plan, a participant may direct participant and Employer contributions, as desired, in any of a variety of investment programs offered by Capital Bank and Trust Company (CBT) and The Lincoln National Life Insurance Company (Lincoln), as approved by the Employer. Participants may also elect to invest in self-directed brokerage accounts, as approved by the Employer. Self-directed brokerage accounts were held by Fidelity Investments as of December 31, 2025 and 2024. Participants may change their investment options daily.

Participant Accounts

Each participant's account is credited with the participant's contributions, Employer matching contributions, allocations of the Employer's discretionary non-elective contributions and an allocation of the Plan's earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

Benefit Payments

Upon termination of employment, a participant will be entitled to an amount equal to the value of his or her vested account balance. When a participant attains normal retirement, incurs permanent disability, or dies while employed, the participant or their beneficiaries are entitled to 100% of the participant's account balance. In-service and hardship distributions are permitted if certain criteria are met.

Prior to September 1, 2025, on termination of service due to death, disability, retirement or due to other reasons, a participant with an account valued at less than \$1,000 must have received the benefit payment in a lump-sum distribution, and for accounts exceeding \$1,000, the participant could have elected a lump sum distribution or a distribution in the form of an annuity. Effective September 1, 2025, annuity distributions are eliminated as a payment form.

Notes to Financial Statements

December 31, 2025 and 2024

A. Description of Plan (Continued)

Vesting

Participants are vested immediately in their contributions, Employer matching contributions and Employer qualified non-elective contributions plus actual earnings thereon. However, vesting in the Employer's non-elective contribution portion of their accounts is based on years of continuous service. A participant is 20 percent vested after 2 years of credited service and continues to vest in increments of 20 percent until 100 percent vested after 6 years of credited service.

Notes Receivable from Participants

Participants may borrow from their fund accounts up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance, reduced by the highest outstanding balance of loans from the Plan during the one-year period ending on the day prior to the date the new loan is issued. The loans are secured by the balance in the participant's account. Participants are limited to two outstanding loans at any time. The loan interest rate is set at .5 percent above the prime rate, as defined. Principal and interest are paid ratably through payroll deductions. Terms range up to five years or greater for the purchase of a primary residence.

Forfeited Accounts

At December 31, 2025 and 2024, forfeited nonvested accounts totaled \$132,241 and \$130,966, respectively. Forfeitures of terminated participants' nonvested accounts may be used to pay administrative expenses of the Plan. Any remaining forfeitures are applied against future Employer contributions at the Employer's discretion.

B. Summary of Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

B. Summary of Accounting Policies (Continued)

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The plan management determines the Plan's valuation policies utilizing information provided by the investment advisors and custodians, as applicable. See Note D for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Contributions

Contributions from participants and the matching contributions from the Employer are recorded in the year in which the related participant contributions are withheld from compensation.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed as incurred. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Employer. Expenses that are paid by the Employer are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) in fair value of investments.

Notes to Financial Statements

December 31, 2025 and 2024

B. Summary of Accounting Policies (Continued)

Expenses (Continued)

The plan administrator has an agreement with American Funds which provides for an unallocated plan account (UPA). The UPA is funded by American Funds shared revenues and plan net credit account from certain investments. At the direction of the Employer, these funds may be used to pay reasonable plan related expenses or can be allocated to plan participants at the end of the year. Shared revenues and plan net credits totaled \$94,778 and expenses paid from the UPA totaled \$96,499 for the year ended December 31, 2025 and are netted and reflected in administrative expenses in the accompanying Statement of Changes Net Assets Available for Benefits. Amounts available in the UPA totaled \$132,241 and \$130,966 as of December 31, 2025 and 2024, respectively.

Subsequent Events

Effective January 1, 2026, the Employer amended the Plan to increase the minimum entry age from 20.5 to 21 and revised the definition of compensation from wages as defined under IRC Section 3401(a) to W-2 wages.

Subsequent events were evaluated through July 22, 2026, the date the financial statements were available to be issued.

C. Certified Investment Information

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA with respect to certain custodians. Accordingly, certain information reported in the accompanying financial statements and ERISA-required supplemental Schedule H, Line 4(i) - Schedule of Assets (Held at End of Year) related to investments and notes receivable from participants held as of December 31, 2025 and 2024, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivables from participants for the year ended December 31, 2025, was obtained by management and agreed to or derived from information certified as complete and accurate by CBT and Lincoln, qualified institutions as follows:

Total investments held and certified by CBT and Lincoln totaled \$34,157,148 and \$34,705,419 as of December 31, 2025 and 2024, respectively, and net appreciation in fair value of investments and interest and dividends certified by these custodians totaled \$6,226,256. CBT certified notes receivable from participants and the related interest income as reflected in the accompanying financial statements and supplemental schedule.

D. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820, *Fair Value Measurement*, are described as follows:

Level 1 - Inputs to the valuation technique are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation technique include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation technique are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation techniques used for assets measured at fair value. There have been no changes in the techniques used at December 31, 2025 and 2024.

Interest-bearing cash: These investments are stated at cost plus interest, which approximates fair value.

Money market fund: Valued at the quoted NAV of shares held by the Plan at year end.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

D. Fair Value Measurements (Continued)

Self-directed brokerage accounts: Accounts primarily consist of cash, mutual funds and common stocks that are valued on the basis of readily determinable market prices.

Individual annuity contracts: Valued at the total accumulation unit value of all subaccounts held by the contract. The total accumulation unit value represents NAV and is used as a practical expedient to estimate fair value. The accumulated unit value is established at the inception of the subaccount and is adjusted each valuation period based on fund performance, fund expenses and contract charges. Mortality, expense risk, administrative and rider charges are applied to the contracts. Surrender charges may range from 0% to 6% of withdrawals, depending on the length of time the payments were invested in the contract. Individual annuity contracts seek to provide a monthly payout based on a variable interest rate and offer multiple options for payout, including an income stream for life.

Common collective trust fund: The NAV is determined daily based on net assets at contract value. Sales and redemptions of participant units are transacted at such NAV. The common collective trust fund is a stable value fund that primarily holds traditional guaranteed investment contracts (GICs) and synthetic GICs. Trusts participating in the stable value fund are subject to restrictions on withdrawals from the stable value fund. The stable value fund's primary investment objective is to seek a reasonable level of income together with stability of principal.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024:

Assets at Fair Value as of December 31, 2025	Level 1	Level 2	Level 3	Total

D. Fair Value Measurements (Continued)

Assets at Fair Value as of December 31, 2024	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 29,200,629	\$ -	\$ -	\$ 29,200,629
Self-directed brokerage accounts	1,752,772	-	-	1,752,772

Total assets in the fair value hierarchy	31,866,899	-	-	31,866,899
Investments measured at net asset value ^a	-	-	-	5,504,790
Total investments at fair value	\$ 31,866,899	\$ -	\$ -	\$ 37,371,689

(a) In accordance with FASB ASC 820, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the Statements of Net Assets Available for Benefits.

Fair Value of Investments that Calculate Net Asset Value

The following table summarizes investments measured at fair value based on net asset value (NAVs) per share as of December 31, 2025 and 2024. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

December 31, 2025	Fair Value	Unfunded Commitments	Redemption Frequency (if currently eligible)	Redemption Notice Period
Common collective trust fund	\$ 698,367	None	Daily	12 months

December 31, 2024	Fair Value	Unfunded Commitments	Redemption Frequency (if currently eligible)	Redemption Notice Period
Individual annuity contracts	\$5,086,149	None	Daily	None
Common collective trust fund	\$ 418,641	None	Daily	12 months

E. Related-Party and Party In Interest Transactions

Plan investments are held by the custodians, and therefore, these transactions qualify as party in interest transactions.

E. Related-Party and Party In Interest Transactions (Continued)

Additionally, the Plan issues loans to participants, which are secured by the participant's account balances. These transactions qualify as party in interest transactions.

Certain administrative functions of the Plan are performed by officers or employees of the Employer. No such officer or employee receives compensation from the Plan.

F. Plan Termination

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their Employer contributions.

G. Tax Status

Effective September 1, 2025, the Plan adopted a non-standardized pre-approved profit sharing plan ("pre-approved plan"). The pre-approved plan received an IRS opinion letter dated June 30, 2020, stating that the Plan and related trust are designed in accordance with the applicable sections of the IRC. The prior pre-approved plan received a favorable opinion letter dated June 30, 2020. Administration errors, if any, which are insignificant or operational in nature, are handled by the plan administrator in accordance with applicable IRS correction policies. Therefore, the plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC, and, therefore believes that the Plan is qualified, and the related trust is tax exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

H. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statement of Net Assets Available for Benefits.
