INDEPENDENT AUDITORS' REPORT

To: The Plan Administrator and Fiduciary Committee of
Universal Insurance Company
Profit Sharing and Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Universal Insurance Company Profit Sharing and Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Universal Insurance Company Profit Sharing and Savings Plan financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Universal Insurance Company Profit Sharing and Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Universal Insurance Company Profit Sharing and Savings Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Universal Insurance Company Profit Sharing and Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Universal Insurance Company Profit Sharing and Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other relevant information is as follows:

Effective date	:	January 1, 2002
Plan Year	:	December 31

(together the Employer), who have completed one thousand (1,000) hours of service within twelve (12) consecutive months and at least are 18 years old. Any employee who has completed one year of service shall be deemed to have met the service requirement. Effective January 1, 2025, the conditions of eligibility were amended to include three (3) months of service and 18 years of age, including part-time employees.
Plan entry date	:	First day of the month coinciding with or next following date requirements met. Effective May 1, 2024, plan entry date is when requirements are met.

- B) Contributions – Pretax contributions were limited to \$15,000 for the year ended December 31, 2025. Participants may make voluntary after-tax contributions to the Plan up to 10% of their compensation, subject to the annual contribution limits established by the Puerto Rico Internal Revenue Code (PRIRC).

For the year ended December 31, 2025, the total annual contributions made by the Employer and participants shall not exceed the lesser of \$70,000 or the total compensation paid by the Employer to the participant during the plan year. In addition, a participant who has attained age 50 by the end of a calendar year, may elect to make additional voluntary contributions (catch-up contributions). Catch-up contributions will not be taken into account in applying any matching contribution under the Plan. These contributions are limited to \$1,500.

The Employer shall make a matching contribution equal to \$.50 per \$1.00 of the participant's deferral contribution up to 6% of a participant's compensation. In addition, the Employer may contribute a discretionary amount during each Plan year determined by the Employer.

- C) Investment options – The Plan allows participants to direct the investment of their contributions into various investment options available under the Plan.

UNIVERSAL INSURANCE COMPANY

PROFIT SHARING AND SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2025 and 2024

- D) Notes receivable from participants – Participants may borrow from their accounts a minimum of \$500 up to the lesser of \$50,000 or 50% of their vested account balances. The Plan allows a participant to have only one outstanding note at any time. Effective August 6, 2025, the Plan allows a participant to have only one outstanding note at one time and only one note during the plan year. The note is secured by the balance of the participant's account and bear interest at prime rate plus one. The note must be repaid over a period not to exceed five (5) years, unless the loan qualifies as a principal residence loan. If the note is related to the purchase of the participant's principal residence, the note term can be extended up to ten (10) years. The note is repaid ratably through payroll deductions and allocated to the various investment funds based on the participant's contribution percentages.
- E) Participant accounts – Individual accounts are maintained for each of the Plan's participants to reflect the participants' and Employer's contributions as well as the participants' share of the discretionary contribution of the Employer and any administrative expenses paid by the Plan. Allocations are based on the proportion that each participant's account balance bears to the total of all participants' account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participants' vested accounts.
- F) Vesting – Participants are vested immediately in their voluntary contributions, plus actual earnings thereon. Vesting in the Employer's contribution portion of their accounts is based on years of continuous service.

The participant's right to the Employer's matching contributions and non-elective profit sharing contributions are summarized as follows:

Years of Service	Vested Percentage
Less than a year	0%
At least 1 year	0%
At least 2 years	25%
At least 3 years	50%
At least 4 years	75%
At least 5 years	100%

- G) Payment of benefits – On termination of service due to death, disability, or retirement, a participant or its beneficiary may elect to receive either a lump-sum amount equal to the value of the participant's vested interest or annual installments over a fixed period of time if balance is greater than \$5,000 up to April 30, 2024, and \$7,000 thereafter. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.
- H) Distributions – If the total vested account balance of each participant does not exceed \$5,000 up to April 30, 2024, and \$7,000 thereafter, then the vested account balance may only be distributed as a single lump-sum payment. In determining whether the total vested account balance exceeds the \$5,000 up to April 30, 2024, and \$7,000 thereafter, threshold, "rollovers" (and any earnings allocable to "rollover" contributions) will be taken into account.

UNIVERSAL INSURANCE COMPANY PROFIT SHARING AND SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS December 31, 2025 and 2024

In addition, if the total vested account balance exceeds \$5,000 up to April 30, 2024, and \$7,000 thereafter, the participant must consent to any distribution before it may be made. If the total vested account balance exceeds \$5,000 up to April 30, 2024, and \$7,000 thereafter, the participant may elect to receive a distribution of the vested account balance in:

- A single lump-sum payment.
- Installments over a period of not more than the participant's assumed life expectancy (or the assumed life expectancies of the participant and its beneficiary).
- An annuity-periodic payment over the life (or the life of the participant and the life of the participant's spouse or beneficiary).

The Plan provides for annuities as an optional form of distribution. An annuity generally provides for payments for the participant's life, and, in some cases, for the life of the participant's spouse. The value of the annuity never exceeds the value of the participant's vested account balance under the Plan. If the participant has a spouse and he/she wish to receive a distribution in the form of an annuity, the annuity must be based on the life of the participant and the life of its spouse unless the participant obtains the spouse's consent to elect an annuity over only the participant's life or in some other form.

- I) Forfeited accounts – Forfeitures represent non-vested portions of contributions of the Employer on the day of a participant's death or termination. Forfeitures may first be used to pay administrative expenses. Any remaining forfeitures are used to reduce any Employer contributions. As of December 31, 2025 and 2024, there were forfeited, non-vested accounts amounting to approximately \$359,800 and \$472,700, respectively. During the year ended December 31, 2025, the Plan used approximately \$197,200 to reduce employer discretionary contributions and employer matching contributions in accordance with the Plan Document.

2) Summary of significant accounting policies:

- A) Basis of accounting – The accompanying financial statements have been prepared in accordance with the accrual basis of accounting.
- B) Use of estimates – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.
- C) Notes receivable from participants – Are measured at their unpaid principal balance plus any accrued but unpaid interest. Related interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred.
- D) Investment valuation and income recognition – Investments are reported at fair value, which is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

For investments in mutual funds, that are registered with the Securities and Exchange Commission (SEC), and collective trust funds, fair value is determined using net asset values (NAV). The NAV per share of investment in mutual funds is published daily and is calculated by each fund based on the market value of the underlying securities within each fund. The NAV per share of investment in collective trusts is calculated daily by taking the fund's total assets (securities, cash, and accrued earnings), subtracting the fund's liabilities, and dividing by the number of shares outstanding. The reported values for fully benefit-responsive investment contracts are reported and presented in the statements of net assets available for benefits at contract value.

UNIVERSAL INSURANCE COMPANY

PROFIT SHARING AND SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2025 and 2024

Net appreciation (depreciation) in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year ended. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

- E) Contributions – Employer and participants' contributions are recorded in the Plan year in which the Employer makes the payroll deductions.
- F) Benefits – Benefit payments to participants are recorded when paid.
- G) Expenses – Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Employer. Expenses that are paid by the Employer are excluded from these financial statements. Certain expenses incurred in connection with the general administration of the Plan that are paid by the Plan are recorded as deductions in the accompanying statement of changes in net assets available for benefits. Fees related to the administration of the notes receivable from participants are charged directly to the participant's account and are reported as administrative expenses. Investment related expenses are included in net appreciation of investments.

3) Information certified by Empower Trust Company, LLC (the Custodian):

The Plan's net assets information as of December 31, 2025 and 2024, and for the year ended December 31, 2025, included throughout the Plan's financial statements and supplemental schedule, was prepared by, or derived from, information provided by the Custodian and furnished to the Plan Administrator.

The Plan Administrator has obtained certifications from the Custodian that information provided to the Plan Administrator by the Custodian related to Plan's assets is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information, which appears throughout the financial statements and supplemental schedule related to the following assets:

Description	December 31,	
	2025	2024
Mutual funds at fair value	\$ 97,590,421	\$ 87,549,499
Collective trust funds at fair value	\$ 13,586,315	\$ 9,831,165
Group annuity contracts at contract value	\$ 35,331,584	\$ 28,776,243
Notes receivable from participants	\$ 4,137,114	\$ 5,119,810

The Custodian also certified the completeness and accuracy of \$10,196,916 of net appreciation on investments stated at net asset value and \$5,574,697 of interest and dividends related to the aforementioned assets, and interest income of \$398,586 from notes receivable from participants for the year ended December 31, 2025.

UNIVERSAL INSURANCE COMPANY

PROFIT SHARING AND SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2025 and 2024

4) Fair value measurements:

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

The valuation techniques are based upon observable or unobservable inputs. Observable inputs reflect market data obtained from independent sources, while unobservable inputs reflect the Plan's market assumptions.

These two types of inputs create the following fair value hierarchy:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

As of December 31, 2025 and 2024, investments in mutual funds registered with the SEC and held by the Plan, are considered Level 1 type investments within the fair value hierarchy. Collective trust funds are valued based on NAV and thus are not categorized within the fair value hierarchy.

5) Group annuity contract:

The Plan entered into a Group Fixed Deferred Annuity Contract with Empower, through a Key Guaranteed Portfolio Fund, a general account product of Empower that meets the fully benefit-responsive investment contract criteria, and therefore, is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan.

The contract value, as reported to the Plan by Empower represents (a) contributions made under the contract plus all interest credited to the fixed account on an annual effective basis pursuant to the guaranteed interest rate applicable to the fixed account selected on behalf of the participant; less (b) the sum of any amounts transferred or distributed and administrative charges and fees. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. Based on Empower excessive trading policy, participant transfers may be restricted for up to 30 days in the event of excessive participant trading. Transactions are processed as soon as practicable after resolution of closed or disrupted financial exchanges or markets.

The methodology for calculating the interest crediting rate is based on the earnings of the underlying assets in the entire medium-long term new portfolio compared to the minimum interest crediting rate, as stated in the contract, and prevailing market conditions. Interest credit rate is reset quarterly.

UNIVERSAL INSURANCE COMPANY PROFIT SHARING AND SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS December 31, 2025 and 2024

There is no guaranteed interest rate under this contract; however, such rate will never be less than 0%. The actual average yield earned by the Plan at December 31, 2025 and 2024 was 2%.

The Plan's ability to receive amounts due is dependent on Empower's ability to meet its financial obligations. Empower's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with Empower. Such events include (1) a complete or partial Plan termination or merger with another plan, (2) bankruptcy of the Employer or other Employer's events (for example, divestitures) that cause a significant withdrawal from the Plan, or (3) premature termination of the contract, among others. The Plan Administrator believes no events are probable of occurring that might limit the ability of the Plan to transact at contract value with Empower and that also would limit the ability of the plan to transact at contract value with the participants.

Either the Plan or Empower may terminate the Group Annuity Contract (other than Plan termination), with advance written notice to the other party. The contract termination date shall be the seventy-fifth (75th) day, or the next Business Day, after the date written notice is received in the Empower's administrative offices, unless, prior to the contract termination date, the Plan and Empower agree to an alternate contract termination date. Upon termination of the group annuity contract, the Plan may choose one of the following options:

- Receive the payout of the fund in a lump sum with a market value adjustment.
- Receive the payout of the fund in a lump sum at book value. If this option is selected, Empower may defer payment to a date no longer than 12 months in the future.
- Mutually agree in writing to any other payout option allowable under applicable law.

6) Tax status:

The Plan is intended to be a tax qualified arrangement that complies with the provisions of the Employee Retirement Income Security Act of 1974, as amended, and with the PRIRC of 2011, as amended. A determination letter was issued by the Puerto Rico Treasury Department on June 8, 2017. The Puerto Rico Department of the Treasury issued a determination letter for the Plan on June 8, 2017. Subsequent to the issuance of that determination letter, the Plan was amended. Although the Plan had been amended since receipt of the determination letter, as of December 31, 2025 the Plan Administrator and the Plan's legal counsel believe that the Plan is designed and operated in compliance with the applicable requirements of the PRIRC. Refer to Note 11 for information regarding the determination letter received subsequent to December 31, 2025.

Accounting principles generally accepted in the United States of America require the Plan's management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination of taxing authorities. The Plan Administrator evaluated the tax positions taken by the Plan and concluded that the Plan, as of December 31, 2025 and 2024, had maintained its tax exempt status and had taken no uncertain tax positions that would require adjustments or disclosures to the financial statements. Therefore, no provision or liability for income taxes has been included in the accompanying financial statements. As of December 31, 2025, the years 2021 and thereafter remained subject to examination; however, there are currently no audits for any tax period in progress.

7) Risks and uncertainties:

The Plan's investments are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investments and the level of uncertainty related to changes in the values of investments, is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits. Individual participant's accounts bear the risk of loss resulting from fluctuations in fund values.

8) Party-in-interest transactions:

The Employer and Pension Plus, Inc. are parties-in-interest as defined by ERISA. In addition, the Plan invests in mutual funds and collective trusts funds that pertain to Empower Trust Company, LLC, and in a group annuity contract with Empower Annuity Insurance Company of America. There were no prohibited party-in-interest transactions during the year then ended December 31, 2025.

9) Plan termination:

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their Employer's contributions.

10) Reconciliation of financial statements to Form 5500:

The following is a reconciliation of net assets available for benefits per the financial statements as of December 31, 2025 and 2024 to Form 5500:

Description	2025	2024
Net assets available for benefits per the financial statements	\$ 154,164,611	\$ 134,525,824
Less: Notes receivable from participants that has been deemed distributed	(88,121)	(165,901)
Net assets available for benefits per Form 5500	<u>\$ 154,076,490</u>	<u>\$ 134,359,923</u>

The following is a reconciliation of change in net assets available for benefits for the year ended December 31, 2025, per the financial statements to Form 5500:

Description	Amount
Change in net assets available for benefits per the financial statements	\$ 19,638,787
Plus: Notes receivable from participants that has been deemed distributed and were offset as part of the distributions	163,049
Less: Notes receivable from participants that has been deemed distributed	(85,269)
Change in net assets available for benefits per Form 5500	<u>\$ 19,716,567</u>

The Plan continues to present the notes receivable from participants that have been deemed distributed as a Plan's asset, until a distributable event occurs.

11) Subsequent events:

On May 22, 2026, the Plan received a letter from the Puerto Rico Treasury Department indicating that it had no objection to the amendments submitted and effective September 1, 2025, which designated additional fiduciaries to the Plan. The Puerto Rico Treasury Department further indicated that it had no objection to the amendment effective January 1, 2026, establishing an automatic escalation of 1% of compensation per year up to a maximum of 6% of compensation for all eligible employees with a deferral percentage of less than 6%.

The Plan Administrator has evaluated subsequent events through July 31, 2026, the date on which the financial statements were available to be issued and concluded there were no additional events or transactions that occurred during this period that required recognition or disclosure on the accompanying financial statements.
