Independent Auditors' Report

To the Plan Administrator and Participants of
Greeneville Oil & Petroleum, Inc. 401 (k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Greeneville Oil & Petroleum, Inc. 401 (k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits (modified cash basis) as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits (modified cash basis) for the years ended December 31, 2025 and 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding such assets are prepared and certified by a qualified institution in accordance with 29 CFR 2520.103-5.

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the years ended December 31, 2025 and 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with modified cash basis of accounting described in Note 2; and
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of a Matter - Special Purpose Framework

We draw attention to Note 2 to the financial statements, which describes the basis of accounting. The accompanying financial statements have been prepared in accordance with the modified cash basis of accounting described in Note 2, which is a special purpose framework other than accounting principles generally accepted in the United States of America. Accordingly, the financial statements may not be suitable for another purpose. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting described in Note 2, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Greeneville Oil & Petroleum, Inc. 401 (k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Greeneville Oil & Petroleum, Inc. 401 (k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Greeneville Oil & Petroleum, Inc. 401 (k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, line 4i - Schedule of Assets (Held at End of Year) (Modified Cash Basis) for the year ended December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, prepared in accordance with the modified cash basis of accounting, other than the information agreed to or derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion -

- the form and content of the supplemental schedule, other than the information agreed to or derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA; and
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

GREENEVILLE OIL & PETROLEUM, INC. 401 (k) PROFIT SHARING PLAN
Notes to Financial Statements
December 31, 2025 and 2024

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Greeneville Oil & Petroleum, Inc. 401 (k) Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General - The Plan is a defined contribution plan covering eligible employees of Greeneville Oil & Petroleum, Inc. (the "Company") who have attained age 21 and completed one year of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Contributions - Participants may elect to defer a portion of their eligible compensation to the Plan, subject to limitations established by the Internal Revenue Code. Participants may also make rollover contributions from other eligible retirement plans.

The Company makes safe harbor matching contributions equal to 100% of participant deferrals up to 3% of eligible compensation and 50% of participant deferrals between 3% and 5% of eligible compensation. The Company may also make discretionary employer contributions. No discretionary employer contributions were made during 2025 or 2024.

Participant Accounts - Each participant's account is credited with participant contributions, employer contributions, investment earnings or losses, and charged with benefit payments and applicable administrative expenses. Participants direct the investment of their accounts among the investment options available under the Plan.

Vesting - Participants are immediately vested in their own contributions, safe harbor matching contributions, and related investment earnings. Discretionary employer contributions, if any, vest according to the following schedule:

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than 2	0%
2 but less than 3	20%
3 but less than 4	40%
4 but less than 5	60%
5 but less than 6	80%
6 or more	100%

Notes Receivable from Participants - Participants may borrow from their vested account balances, subject to the limitations established by the Plan and the Internal Revenue Code. Loans bear interest at rates ranging from 4.25% to 9.50% and are generally repaid through payroll deductions.

Payment of Benefits - Participants generally become eligible to receive distributions upon retirement, disability, death, or termination of employment in accordance with the provisions of the Plan. Hardship withdrawals are permitted under certain circumstances as defined by the Plan.

Forfeited Accounts - Forfeitures of nonvested accounts are used to reduce employer contributions or pay administrative expenses in accordance with the Plan. During 2025 and 2024, forfeitures of \$1,289 and \$4,938, respectively, were used to reduce employer contributions. Unallocated forfeitures totaled \$1,875 and \$1,081 at December 31, 2025 and 2024, respectively.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting - The accompanying financial statements have been prepared using the modified cash basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America. Under this basis, investments are reported at fair value (or contract value for fully benefit-responsive investment contracts), while contributions are recognized when received and benefit payments and administrative expenses are recognized when paid.

GREENEVILLE OIL & PETROLEUM, INC. 401 (k) PROFIT SHARING PLAN
Notes to Financial Statements (Continued)

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Use of Estimates - The preparation of financial statements requires management to make estimates and assumptions affecting reported amounts and disclosures. Actual results could differ from those estimates.

Investments - Investments are reported at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Contract value represents the amount participants would receive if they initiated permitted transactions under the terms of the Plan.

Investment purchases and sales are recorded on the trade date. Interest income is recorded on the accrual basis, dividends are recognized on the ex-dividend date, and realized and unrealized gains and losses are included in net appreciation in the fair value of investments.

Notes receivable from participants - Participant loans are measured at unpaid principal plus accrued interest. No allowance for credit losses has been recorded because the loans are collateralized by participants' vested account balances. Loans determined to be in default are treated as benefit payments in accordance with the Plan.

Benefit Payments - Benefits are recorded when paid.

Administrative Expenses - Administrative expenses may be paid either by the Company or by the Plan, as provided in the Plan document. Expenses paid by the Company are not reflected in these financial statements. Fees associated with participant loans are charged directly to the applicable participant accounts.

Date of Management's Review - Management evaluated subsequent events through July 15, 2026, the date the financial statements were available to be issued.

NOTE 3 - CERTIFIED INVESTMENT INFORMATION

As permitted by ERISA Section 103(a)(3)(C), the Plan administrator has elected to exclude from audit certain investment information prepared and certified by Empower, the Plan trustee, as complete and accurate.

The following certified information is included in the accompanying financial statements:

	2025	2024
Investments at fair value	\$ 4,228,307	\$ 4,012,199
Investments at contract value	198,433	298,400
Investment income:		
Interest	6,404	7,292
Net appreciation (depreciation) in investments	617,287	400,022

NOTE 4 - INVESTMENT CONTRACT

The Plan participates in a fully benefit-responsive investment contract administered by Empower. Contributions are maintained in a general account that is credited with earnings and charged for participant withdrawals and administrative expenses.

Because the contract is fully benefit-responsive, contract value is the relevant measurement attribute and represents the amount participants would receive if they initiated permitted transactions under the terms of the Plan.

The average yield and crediting interest rates were approximately 1.45% and 1.40% during 2025 and 2024, respectively.

Certain events, including plan termination, loss of tax-qualified status, or other events specified in the contract, may limit the Plan's ability to transact at contract value. Management does not believe any such events are probable.

GREENEVILLE OIL & PETROLEUM, INC. 401 (k) PROFIT SHARING PLAN
Notes to Financial Statements (Continued)

NOTE 5 - TRANSACTIONS WITH PARTIES-IN-INTEREST

Certain Plan investments are managed by Empower, which also serves as trustee and custodian of the Plan. These transactions qualify as exempt party-in-interest transactions under ERISA.

The Plan also utilizes independent service providers for recordkeeping, administration, and investment advisory services in the normal course of operations these include Osaic Advisory Services LLC and WMG Financial Advisors LLC, and the auditor of the Plan, ClearPoint CPAs PC.

NOTE 6 - PLAN TERMINATION

Although the Company has not expressed any intention to do so, it reserves the right to terminate the Plan at any time, subject to the provisions of ERISA. Upon termination, participants would become fully vested in their account balances.

NOTE 7 - FAIR VALUE MEASUREMENTS

The Plan measures investments at fair value in accordance with applicable fair value measurement guidance. Fair value represents the price that would be received to sell an asset in an orderly transaction between market participants at the measurement date.

Fair value measurements are classified using a three-level hierarchy based on the observability of valuation inputs. Level 1 inputs are quoted prices in active markets for identical assets. Level 2 inputs are observable inputs other than quoted market prices. Level 3 inputs are unobservable inputs.

All investments measured at fair value at December 31, 2025 and 2024 consist of mutual funds valued using quoted market prices in active markets and are classified within Level 1 of the fair value hierarchy.

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2025 and 2024:

	Fair Value Measurements at December 31, 2025	
	Fair Value	Level 1
Mutual Funds	\$ 4,228,307	\$ 4,228,307
Total assets at fair value	\$ 4,228,307	\$ 4,228,307

	Fair Value Measurements at December 31, 2024	
	Fair Value	Level 1
Mutual Funds	\$ 4,012,199	\$ 4,012,199
Total assets at fair value	\$ 4,012,199	\$ 4,012,199

There were no transfers between levels during either year presented.

NOTE 8 - TAX STATUS

The Internal Revenue Service issued a favorable determination letter dated June 1, 2021, indicating that the Plan was designed in accordance with applicable provisions of the Internal Revenue Code. Although the Plan has been amended since that date, management believes the Plan continues to be designed and operated in compliance with the applicable provisions of the Internal Revenue Code. Accordingly, the related trust remains exempt from federal income taxes.

Management evaluated the Plan's tax positions and concluded there are no uncertain tax positions requiring recognition or disclosure. The Plan remains subject to examination by taxing authorities for applicable statutory periods.

Notes to Financial Statements (Continued)

NOTE 9 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities that are exposed to market, interest rate, and credit risks. Due to the level of risk associated with these investments, it is reasonably possible that changes in investment values will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the accompanying financial statements.
