INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Participants
Meridian Behavioral Healthcare, Inc. 401(a) Plan
Gainesville, Florida

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Meridian Behavioral Healthcare, Inc. 401(a) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

To the Plan Administrator and Participants
Meridian Behavioral Healthcare, Inc. 401(a) Plan
Gainesville, Florida

INDEPENDENT AUDITOR'S REPORT

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule H, line 4i - schedule of assets (held at end of year) as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements, or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

**MERIDIAN BEHAVIORAL HEALTHCARE, INC. 401(a) PLAN
NOTES TO FINANCIAL STATEMENTS**

Note 1 - Description of the Plan

The following description of the Meridian Behavioral Healthcare, Inc. 401(a) Plan (the Plan) provides general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan, originally effective July 1, 1979, and most recently amended and restated effective May 28, 2021, is a defined contribution plan for employees of Meridian Behavioral Healthcare, Inc. (the Employer). Effective December 31, 2016, the Plan was frozen for participation and all contributions to the Plan have ceased. The Plan is intended to satisfy all of the requirements for a qualified retirement plan under the provisions of the Internal Revenue Code. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Legislation

The *SECURE 2.0 Act of 2022* (SECURE 2.0) was enacted as part of the *Consolidated Appropriations Act, 2023*, in December 2022. Because the Plan is frozen and no longer accepts contributions, many of the provisions of SECURE 2.0 are not applicable. The Plan Sponsor is currently evaluating the legislation and related regulatory guidance to determine whether any provisions affecting plan administration or participant distributions require implementation. The deadline for adopting required plan amendments has been extended to December 31, 2026.

Participant Accounts

Separate accounts are maintained for each participant, which are credited with an allocation of Plan earnings and charged with benefit payments and allocations of Plan losses and administrative expenses. Allocations are based on participant account balances. Participant transaction fees are charged directly to the accounts of the participants who incur those fees. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

Investment Options

Participants direct the investment of their accounts into various options offered by the Plan. Participants may change their investments periodically, as permitted by the Plan sponsor.

Vesting

Vesting is the portion of the participants' account that cannot be forfeited. Effective December 31, 2016, in conjunction with the freezing of the Plan, all participant account balances became fully vested.

Payment of Benefits

Upon termination of employment, retirement, disability, or death, if the participant's vested account balance does not exceed \$5,000, the participant may receive the vested account balance in a single lump-sum payment. If the vested balance exceeds \$5,000, the participant may elect to receive a distribution in a single lump-sum payment or in a series of installments over time.

Expenses of the Plan

The Employer has elected to pay certain administrative expenses of the Plan. Expenses that are paid by the Employer are excluded from the financial statements. Certain administrative functions are performed by the officers or employees of the Employer. No such officer or employee receives compensation from

MERIDIAN BEHAVIORAL HEALTHCARE, INC. 401(a) PLAN
NOTES TO FINANCIAL STATEMENTS

the Plan. Administrative fees paid by the Plan and included in the accompanying statement of changes in net assets available for benefits are primarily recordkeeping, investment management, and participant transaction fees. Investment-related expenses are included in net appreciation in fair value of investments.

Revenue Sharing

The Plan participates in a revenue sharing agreement with the trustee. Under the terms of the agreement, the Plan earns revenue credits based upon the Plan's investment holdings, which are allocated to participants who are investing in the specific investment options that earn such credits. Revenue credits are used to pay administrative expenses of the Plan. For the 2025 Plan year, the trustee contributed \$16,414 in revenue sharing credits, which are presented net with Plan administrative expenses in the accompanying financial statements.

Note 2 - Summary of Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts of assets and liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments (except for the fully benefit-responsive investment contract) are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 7 for discussion of fair value measurements. Purchase and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

During the years ended December 31, 2025 and 2024, the Plan maintained the Empower Investments Fixed Account – Series Class II, a traditional guaranteed investment contract option, which is considered fully benefit-responsive. The primary objective of the account is stability of principal. The contract holder maintains the contributions governed by the contract in a general account that is managed by the contract holder. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate guaranteed to the Plan. There are no long-term restrictions on the ability to move Plan assets into or out of this investment option or among investment options in general under the contract.

The investment contract meets the fully-benefit responsive contract criteria and, therefore, is reported at contract value. Contract value is the relevant measurement attribute for that portion of net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Empower

MERIDIAN BEHAVIORAL HEALTHCARE, INC. 401(a) PLAN
NOTES TO FINANCIAL STATEMENTS

Investments, represents contributions made to the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (i) certain amendments to the Plan documents (including complete or partial Plan termination or merger with another plan); and (ii) changes to the Plan's competing investment options without the approval of Empower Investments or deletion of equity wash provisions. Plan management believes that the occurrence of events that would cause the Plan to transact at less than contract value is not probable.

Payment of Benefits

Benefits are recorded when paid.

Subsequent Events

The Plan has evaluated events and transactions occurring subsequent to December 31, 2025, as of July 21, 2026, which is the date the financial statements were available to be issued. No material events have occurred since December 31, 2025, that require recognition or disclosure in the financial statements.

Note 3 - Information Certified by Empower Annuity Insurance Company of America and Empower Trust Company, LLC

The following is a summary of the Plan's financial information and data included in the Plan's financial statements and supplemental schedule, which was certified by Empower Annuity Insurance Company of America and Empower Trust Company, LLC as of December 31, 2025 and 2024, and for the year ended December 31, 2025, as complete and accurate, as permitted by 29 CFR 2520.103 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

	<u>2025</u>	<u>2024</u>
Investments, at Fair Value	\$ 6,071,087	\$ 5,859,092
Investments, at Contract Value	\$ 628,898	\$ 666,844
		<u>2025</u>
Net Appreciation in Fair Value of Investments		\$ 581,259
Interest and Dividends		\$ 340,134

The Plan's independent accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

Note 4 - Income Tax Status

The Plan adopted a non-standardized defined contribution pre-approved plan, which received a favorable opinion letter dated November 14, 2022, in which the Internal Revenue Service (IRS) stated that the pre-approved plan document was in compliance with applicable requirements of the Internal Revenue Code (IRC). The Plan has been amended since receiving the opinion letter. However, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

MERIDIAN BEHAVIORAL HEALTHCARE, INC. 401(a) PLAN
NOTES TO FINANCIAL STATEMENTS

Accounting principles generally accepted in the United States of America require Plan management to evaluate uncertain tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position is more-likely-than-not, based on the technical merits, to be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025, there are no uncertain positions taken or expected to be taken. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 5 - Plan Termination

Although it has not expressed any intent to do so, the Employer may terminate the Plan at any time subject to the provisions of ERISA. Because the Plan is frozen and participants are fully vested in their account balances, Plan termination would not affect participants' vested account balances.

Note 6 - Risks and Uncertainties

The Plan utilizes various investment instruments, which are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near-term, and that such changes could materially affect participant account balances and the amounts reported in the statements of net assets available for benefits.

Note 7 - Fair Value Measurements

The Plan measures and reports its financial assets and liabilities using a three-tier hierarchy, which prioritizes the inputs used in measuring fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurement) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1—Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2—Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs other than quoted prices that are observable for the asset or liability.
- Inputs that are derived principally from, or corroborated by, observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3—Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

MERIDIAN BEHAVIORAL HEALTHCARE, INC. 401(a) PLAN
NOTES TO FINANCIAL STATEMENTS

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodology used for assets measured at fair value. There has been no change in the methodology used at December 31, 2025 and 2024.

Mutual Funds: Valued as determined by quoted market price, which represents the net asset value of shares held by the Plan at year-end. The mutual funds held by the Plan are deemed to be actively traded.

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2025 and 2024:

Fair Value Measurements at Reporting Date Using

Total Investments, at Fair Value	<u>\$ 5,859,092</u>	<u>\$ 5,859,092</u>	<u>\$ -</u>	<u>\$ -</u>

Note 8 - Party-in-Interest Transactions

Certain of the Plan's investments are managed by the Plan's trustee or entities related to the trustee. Therefore, transactions in these investments qualify as party-in-interest transactions. Expenses paid to the Plan's trustee and financial advisor, net of revenue sharing credits, totaled \$47,478 for the year ended December 31, 2025.
