REPORT OF INDEPENDENT AUDITORS

To the Plan Administrator of the
CIG Logistics 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the CIG Logistics 401(k) Plan (the “Plan”), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (“ERISA”), as permitted by ERISA Section 103(a)(3)(C) (“ERISA Section 103(a)(3)(C) audit”). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan’s financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor’s (“DOL”) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (“investment information”) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL’s Rules and Regulations for Reporting and Disclosure under ERISA (“qualified institution”).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2025 and 2024, stating that the certified investment information, as described in Note D to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor’s Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (“GAAP”).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (“GAAS”). Our responsibilities under those standards are further described in the Auditor’s Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management’s election of the ERISA Section 103(a)(3)(C) audit does not affect management’s responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan’s ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan’s transactions that are presented and disclosed in the financial statements are in conformity with the Plan’s provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor’s Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of or for the year ended December 31, 2025, is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or was derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

CIG LOGISTICS 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2025 and 2024

A. Description of the Plan

General

The following brief description of the CIG Logistics 401(k) Plan (the “Plan”) is provided for general information purposes only. The Plan is sponsored by Continental Intermodal Group, LP (“CIG”). Participants should refer to the Plan document for more complete information. CIG’s corporate offices are located in Fort Worth, Texas.

The Plan was effective January 1, 2018, with contributions beginning July 1, 2018, and is a defined contribution plan available to all employees of CIG, as well as certain related employers of CIG’s controlled group of employers (collectively, the “Partnership” or “Plan Sponsor”), who have attained age 18 and completed sixty (60) days of service. The Plan has an automatic contribution arrangement in which all participants will be entered into the Plan on the first day of the month once the eligibility requirements have been met. Unless a participant makes an affirmative election, the Plan Sponsor will withhold 3% of compensation for each payroll period. The automatic deferral amount will not escalate from the initial percentage withheld. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

The purpose of the Plan is to encourage the Partnership’s employees to save and invest, systematically, a portion of their current compensation so that they and their families may have a source of additional income upon their retirement or in the event of death.

Contributions

Participants may contribute up to 90% of their annual compensation, as defined by the Plan, on a pre-tax and/or after-tax basis. Contributions are subject to limitations on annual additions and other limitations imposed by the Internal Revenue Code (the “Code”) as defined in the Plan document. Eligible participants may make rollover contributions to the Plan.

Participants who are eligible to make salary deferral contributions under the Plan and who have attained age 50 before the close of the year may make catch-up contributions in accordance with, and subject to, the limitations imposed by the Code.

The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation and their contributions invested in a designated balanced fund until changed by the participant.

The Partnership may make discretionary matching contributions to the Plan equal to a uniform percentage of participant salary deferrals as determined annually by the Plan Sponsor. During 2025 and 2024, the Partnership made discretionary matching contributions of 100% of the participant’s elective deferral percentage, up to a maximum of 3% of the participant’s eligible deferrals.

NOTES TO FINANCIAL STATEMENTS (*continued*)

A. Description of the Plan – continued

Contributions – continued

In addition, the Partnership may make a discretionary profit sharing contribution on behalf of the participants. In order to share in the discretionary profit sharing contribution, participants must be employed on the last day of the Plan year prior to normal retirement age. Upon reaching normal retirement age, participants will be credited with a year of service during the year of the participant's death, disability, or termination of employment. The Partnership did not make any discretionary profit sharing contributions during the year ended December 31, 2025 or 2024.

Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of: (a) the Partnership's contribution; (b) Plan earnings; and (c) forfeitures of terminated participants' non-vested accounts. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the Partnership's discretionary matching and profit sharing contribution portion of accounts, plus actual earnings thereon is as follows:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 3 years	0%
3 years	100%

In the event of disability or death, the participant will become fully vested.

Participant Loans

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum amount equal to the lesser of \$50,000 or 50% of their account balances. Loan terms range up to five years, or longer for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined by the plan administrator. Principal and interest are paid ratably through payroll deductions. Participant loans are classified as notes receivable from participants in the Plan's financial statements. Interest rates on loans outstanding ranged from 4.25% to 9.50% at both December 31, 2025 and 2024.

A. Description of the Plan – continued

Benefit Payments

Participants withdrawing during the year for reasons of service or disability, retirement, death, or termination are entitled to their vested account balances. Benefits are distributed in the form of rollovers or lump-sum payments. If withdrawing participants are not entitled to their entire account balances, the amounts not received are forfeited.

Certain in-service withdrawals are allowed. A participant may also elect to withdraw all or a portion of his/her vested account balance while employed after reaching age 59 ½. In-service distributions of Roth 401(k) deferrals and earnings can only occur after the expiration of the 5-year participation period as described in the Plan document.

In addition, a participant may receive a hardship distribution from all participant accounts that are fully vested if the distribution is: (1) on account of uninsured medical expenses incurred by the participant, his/her spouse, or dependents; (2) to purchase (excluding mortgage payments) a principal residence of the participant; (3) for the payment of post-secondary tuition expenses; or (4) needed to prevent eviction of the participant from his/her principal residence or foreclosure upon the mortgage of the participant's principal residence; (5) for the payment of burial or funeral expenses for a participant's deceased parent, spouse, children, or dependents; or (6) needed for the repair of damage to a participant's principal residence that would qualify for the casualty deduction under Internal Revenue Service ("IRS") Code Section 165.

Forfeitures

Forfeited balances attributed to the Partnership's contributions can be applied to pay expenses under the Plan. Forfeitures not used to pay expenses shall be applied to reduce future Partnership contributions. Forfeitures of approximately \$47,000 and \$111,000 were allocated to reduce matching contributions during the years ended December 31, 2025 and 2024, respectively. Unallocated forfeited non-vested accounts were approximately \$7,000 and \$1,000 at December 31, 2025 and 2024, respectively.

Investment Options

Upon enrollment in the Plan, a participant may direct his/her salary deferrals and any Partnership contributions into a variety of investment options, which vary in degree of risk.

Plan Expenses

Employees of the Partnership perform certain administrative functions with no compensation from the Plan. In accordance with Plan provisions, the Partnership pays substantially all costs relating to asset charges and recordkeeping. All significant administrative expenses are paid by the Partnership and are not reflected in the accompanying financial statements.

B. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are presented on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (“GAAP”).

Use of Estimates

The preparation of the financial statements in conformity with GAAP requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from these estimates.

Contributions

Contributions from the Partnership and participants are accrued as they become obligations of the Partnership, as determined by the Plan’s administrator, and in the period in which they are deducted, in accordance with salary deferral agreements.

Investment Valuation and Income

The investments of the Plan are stated at fair value as of the end of the year and are subject to market or credit risks customarily associated with equity investments. Fair value measurements are determined in accordance with GAAP, which defines fair value, establishes a framework for measuring fair value, and expands disclosures about assets and liabilities measured at fair value. See Note C for information related to the Plan’s valuation methodologies.

Investment gains and losses are accounted for using the average cost basis of the securities sold. The net realized and unrealized gains and losses on investments include realized gains and losses on sales of investments during the year and unrealized increases or decreases in the market value of investments held at year-end. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Notes Receivable from Participants

Notes receivable from participants are recorded at the unpaid principal balance plus accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred.

Payment of Benefits

Benefits are recorded when paid.

CIG LOGISTICS 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS (*continued*)

C. Fair Value Measurements

GAAP defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date and establishes a three-tier hierarchy that is used to identify assets and liabilities measured at fair value. The hierarchy focuses on the inputs used to measure fair value and requires that the lowest level input be used. The three levels defined are as follows:

- Level 1 — observable inputs that are based upon quoted market prices for identical assets or liabilities within active markets.
- Level 2 — observable inputs other than Level 1 that are based upon quoted market prices for similar assets or liabilities, based upon quoted prices within inactive markets, or inputs other than quoted market prices that are observable through market data for substantially the full term of the asset or liability.
- Level 3 — inputs that are unobservable for the particular asset or liability due to little or no market activity and are significant to the fair value of the asset or liability. These inputs reflect assumptions that market participants would use when valuing the particular asset or liability.

GAAP requires that management describe the methodologies used to measure the fair value of assets and liabilities. There have been no changes in the methodologies used at December 31, 2025 or 2024. The methodologies used to measure the fair value of the Plan's investments are as follows:

- Mutual funds are valued at the published per share net asset value ("NAV") of shares held by the Plan and are classified within Level 1 of the valuation hierarchy. There are no significant restrictions on redeeming these investments at NAV.
- Money market funds are valued based on the short-term cash component as of the measurement date and classified within Level 1 of the valuation hierarchy.
- Collective trust fund is composed primarily of fully benefit-responsive investment contracts that are valued at the NAV of units of the collective trust. NAV is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to require 12 months' notification in order to ensure that securities liquidations will be carried out in an orderly business manner.

CIG LOGISTICS 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS (continued)

C. Fair Value Measurements – continued

The following table details the Plan's investments at fair value by level, within the fair value hierarchy, as of December 31, 2025 and 2024. The Plan has no assets classified within Level 2 or Level 3 of the valuation hierarchy. For the years ended December 31, 2025 and 2024, there were no significant transfers between levels.

	2025		2024	
	Level 1	Total	Level 1	Total
Mutual funds	\$ 2,187,046	\$ 2,187,046	\$ 1,722,618	\$ 1,722,618
Money market fund	20,440	20,440	26,751	26,751
Total investments in the fair value hierarchy	2,207,486	2,207,486	1,749,369	1,749,369
Investments measured at NAV ^(a)		73,976		58,295
Total investments at fair value		\$ 2,281,462		\$ 1,807,664

^(a) In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

These items are classified in their entirety based on the lowest priority level of input that is significant to the fair value measurement. The assessment of the significance of a particular input to the fair value measurement requires judgment and may affect the placement of assets and liabilities within the levels of the fair value hierarchy.

The following table summarizes investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2025. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

December 31, 2025	Fair Value	Unfunded Commitments	Redemption Frequency (If Currently Eligible)	Redemption Notice Period
American Innovation	\$ 72,062	N/A	Daily	12 months
International Gr II R1	\$ 1,914	N/A	Daily	12 months

NOTES TO FINANCIAL STATEMENTS (*continued*)

D. Certified Investment Information

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2025 and 2024, and net realized and unrealized gains on investments and interest income on notes receivable from participants for the years then ended, was obtained by management and agreed to or derived from information certified as complete and accurate by ADP Retirement Trust Services, LLC (the trustee of the Plan), a qualified institution.

E. Tax Status

Effective August 1, 2021, the Plan adopted a volume submitter plan and trust document on which the IRS has issued an advisory letter dated October 6, 2020, stating that the Plan, as then designed was in compliance with applicable requirements of the Code. The Partnership may rely on this letter with respect to the qualification of the Plan under Code Section 401(a) with certain limitations.

Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualification. The Partnership believes that the Plan is being operated in compliance with the applicable requirements of the Code and, therefore, believes that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

GAAP requires management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2025, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

F. Plan Termination

Although it has not expressed any intention to do so, the Partnership has the right under the Plan to terminate the Plan subject to the provisions set forth in ERISA. In the event the Plan terminates, all amounts credited to participants' accounts will become 100% vested.

CIG LOGISTICS 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS *(continued)*

G. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

H. Parties-in-Interest Transactions

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50% or more of such an employer or employee organization, or relatives of such persons.

The Plan allows for notes receivable from participants, which qualify as party-in-interest transactions and are exempt from the prohibited transaction rules. The Plan paid certain expenses related to Plan operations and investment activity to service providers. These transactions are party-in-interest transactions under ERISA which are exempt from the prohibited transaction rules.

I. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits as of December 31, 2025 and 2024, per the accompanying financial statements to the Form 5500:

	<u>2025</u>	<u>2024</u>
Net assets available for benefits per the financial statements	\$ 2,367,513	\$ 1,890,589
Deemed distributions of participant loans as reflected in the Form 5500 for the current year	<u>(10,487)</u>	<u>(11,800)</u>
Net assets available for benefits per the Form 5500	<u><u>\$ 2,357,026</u></u>	<u><u>\$ 1,878,789</u></u>

CIG LOGISTICS 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS *(continued)*

I. Reconciliation of Financial Statements to Form 5500 – continued

The following is a reconciliation of the net increase in net assets available for benefits for the years ended December 31, 2025 and 2024, per the accompanying financial statements to the Form 5500:

	<u>2025</u>	<u>2024</u>
Net increase in net assets available for benefits per the financial statements	\$ 476,924	\$ 167,196
Amounts deemed distributions of participant loans as reflected in the Form 5500 for the current year	(8,101)	(7,831)
Distributions from prior year amounts deemed distributed	<u>9,414</u>	<u>7,243</u>
Net increase in net assets available for benefits per the Form 5500	<u>\$ 478,237</u>	<u>\$ 166,608</u>

The reconciling items noted above are due to the difference in the method of accounting used in preparing the Form 5500 as compared to the Plan's financial statements. Government reporting rules were used in preparing the Form 5500, whereas the Plan's financial statements have been prepared on the accrual basis of accounting as required by GAAP. The Code requires participant loans that are in default to be recorded as deemed distributions on the Form 5500, although the Plan still holds the participant loans as a note receivable.

J. Subsequent Events

In preparing the accompanying financial statements, management has evaluated all subsequent events and transactions for potential recognition or disclosure through July 30, 2026, the date the financial statements were available for issuance.
