Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Milton's Distributing Co., Inc. 401(K) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Milton's Distributing Co., Inc. 401(K) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Milton's Distributing Co., Inc. 401(K) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Milton's Distributing Co., Inc. 401(K) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Milton's Distributing Co., Inc. 401(K) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Milton's Distributing Co., Inc. 401(K) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedules Required by ERISA

The supplemental schedule of assets held at end of year is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2025 AND 2024

1. DESCRIPTION OF PLAN

The following description of Milton's Distributing Co., Inc. 401(K) Plan provides only general information. Participants should refer to the plan agreement for a more complete description of the plan's provisions.

- A. General – The Plan is a defined contribution plan covering all eligible employees of Milton's Distributing Co., Inc. (the Company or Plan Sponsor). The Plan also covers eligible employees of the following affiliated employers: Gordon Logistics LLC and Hope Beverage LLC. The Plan is subject to the provisions of the Internal Revenue Code (the Code) and the Employee Retirement Income Security Act of 1974 (ERISA). The trustee is ADP Retirement Trust Services, LLC (ADPRTS or Trustee).
- B. Eligibility – An employee is eligible to participate in the Plan upon attainment of age 19 and two months of service. The Plan entrance dates are the first day of each month, coinciding with or following when the eligibility requirements are met.
- C. Contributions – Eligible employees can contribute an amount up to 90% of eligible compensation as defined by the Plan, not to exceed statutory limits. Participants can make after-tax contributions to a Roth 401(K) investment.

The Plan includes an auto-enrollment provision whereby all newly eligible employees hired after January 1, 2019, are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation and their contributions are invested in a designated fund until changed by the participant.

The Company contributes non-discretionary matching contributions in the amount equal to 100% participant deferral contributions subject to the maximum of the lesser of 6% of eligible compensation or \$6,000.

The Company may make discretionary profit-sharing contributions to the Plan as approved by the Board of Directors. The Company made total matching and discretionary profit-sharing contributions of \$564,921 and \$570,152 for the years ended December 31, 2025 and 2024, respectively.

All contributions are limited by IRS limitations of \$23,500 and \$23,000 for the plan year ending December 31, 2025 and 2024, respectively. Furthermore, an additional \$7,500 for those eligible for catchup contributions was permitted for both plan years.

Rollovers – With the approval of the Plan Administrator, the Plan may receive any amounts received by an employee as a distribution from another qualified plan provided that the receipt of such amounts do not adversely affect the qualified tax status of the Plan. Participants are fully vested in these amounts.

FOR THE YEARS ENDED DECEMBER 31, 2025 AND 2024

1. DESCRIPTION OF PLAN - (Continued)

- D. Participant Accounts – Each participant's account is credited with the participant's contributions, the Company's matching contributions, and allocations of (a) the Company's discretionary profit-sharing matching contributions (if any) and (b) plan earnings, and is charged with an allocation of administrative expenses, as applicable. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested balance.
- E. Vesting – Participants are immediately vested in their elective contributions and related earnings. Participants vest in 100% Employer matching and discretionary contributions at three years of service.
- F. Notes Receivable from Participants – Participants may borrow an amount up to the lesser of 50% of their vested account balance or \$50,000, reduced by the highest outstanding loan balance during the preceding 12-month period. Loans must be a minimum of \$1,000. Loans are repayable through payroll deductions and are for a period not to exceed five years unless the loan is used to purchase a principal residence, in which case the loan may not exceed ten years. Interest is determined by the plan's commercial lenders. For the plan years ended December 31, 2025 and 2024, interest rates on outstanding notes receivable from participants ranged from 4.25% to 9.50% for both years. As of December 31, 2025 and 2024, total notes receivable from participants were \$257,589 and \$202,639, respectively.
- G. Investment Option – Each participant shall direct the investment of his or her own individual account and may select among various mutual funds and a stable value fund. Each participant has the ability to change his or her investment allocations at any time.
- H. Plan Benefits – On termination of service, a participant may receive a lump-sum amount or installments equal to the vested value of his or her account or upon death, disability, or retirement, elect to receive annual installments over a 10-year period. Participants may apply for a hardship withdrawal due to financial hardship as defined in the Plan document.
- I. Forfeited Accounts – Forfeited balances of terminated participants' non-vested accounts are used to reduce future Company contributions and pay administrative expenses. For the year ended December 31, 2025, \$85,646 of nonvested account balances were forfeited and earnings on forfeited funds were \$204. Additionally, \$89,516 was used to pay administrative expenses and reduce discretionary employer matching contributions. For the year ended December 31, 2024, \$85,507 of nonvested account balances were forfeited and earnings on forfeited funds was \$170. Additionally, \$82,377 was used to pay administrative expenses and reduce discretionary employer matching contributions. As of December 31, 2025 and 2024, the amount of forfeitures available to pay monthly expenses and employer contributions were \$32 and \$3,698, respectively.

401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2025 AND 2024

1. DESCRIPTION OF PLAN - (Continued)

- J. Administrative Expenses – Certain fees, primarily related to the set-up and maintenance of participant loans, are paid by the Plan via a reduction of participant accounts. Investment related expenses are included in net appreciation in fair value of investments. Administrative expenses including legal, advisory, accounting and employee communication fees are paid by the Plan.

2. SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting – The financial statements of the plan are prepared under the accrual method of accounting.

Investments held by a defined contribution plan are required to be reported at fair value with the exception of fully benefit-responsive investment contracts, which are required to be reported at contract value. Contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the plan. The statements of net assets available for benefits present fully benefit-responsive investment contracts at contract value and all other investments at fair value.

Estimates – The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation – The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded when earned. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants - Notes receivable from participants is measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged to participant accounts. No allowance for credit losses has been recorded as of December 31, 2025 or 2024. Delinquent loans are treated as distributions based on the terms of the Plan document.

2. SUMMARY OF ACCOUNTING POLICIES (Continued)

Excess Contributions – Amounts in excess of the IRS limits are distributed to participants by the plan's year end. The plan distributed the 2025 excess to the applicable participants prior to December 31, 2025.

Payment of Benefits – Benefits to participants are recorded when paid.

Plan Restatement – The IRS requires plans to be restated from time to time, allowing for incorporation of any current regulations. The plan was restated for plan years beginning in 2022, and as such, is in compliance with the requirements for periodic restatement.

New Accounting Pronouncements – The management of the plan has reviewed ASC 326 as prescribed by the AICPA and has concluded that all receivables to the plan have no significant risk of loss under the plan document. Therefore, the pronouncement has no economic impact to the plan.

Subsequent Events – Subsequent events were evaluated through July 27, 2026, which is the date the financial statements were available to be issued. Plan administration has not identified any events that would have a material effect on the financial statements for the year ending December 31, 2025.

3. INVESTMENTS

Fair value is defined as the price that would be received upon sale of an asset or paid upon transfer of a liability in an orderly transaction between market participants at the measurement date. When determining fair value, the plan considers the principal or most advantageous market in which the plan would transact, and the plan considers assumptions that market participants would use when pricing the asset or liability, such as inherent risk, transfer restrictions, redemption restrictions, and risk of non-performance.

In addition to determining fair value, the plan is required to establish a fair value hierarchy for valuation inputs. The hierarchy prioritizes the inputs into three levels based on the extent to which inputs used in measuring fair value are observable in the market. Each fair value measurement is reported in one of the three levels, which is determined by the lowest level input that is significant to the fair value measurement in its entirety. These levels are:

Level 1 — unadjusted quoted prices in active markets for identical assets or liabilities;

Level 2 — quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in inactive markets, inputs other than quoted prices that are observable for the asset or liability, and inputs that are derived principally from or corroborated by observable market data by correlation or other means;

Level 3 — unobservable inputs to the valuation methodology that are significant to the measurement of the fair value of assets or liabilities.

3. INVESTMENTS (Continued)

Below is a description of the valuation methodologies used for the fair value measurements. The plan's investments are reported at fair value in the accompanying statement of net assets available for plan benefits. There were no material transfers between Level 1, Level 2, or Level 3 investments during the year ended December 31, 2025 and 2024.

Input levels by investment category are as follows:

December 31, 2025	Quoted prices in an active market (Level 1)	Significant other observable inputs (Level 2)	Significant unobservable inputs (Level 3)	Total fair value
Mutual Funds	\$ 14,153,375	-	-	\$ 14,153,375
Common/Collective Trusts (Stable Value Fund) NAV ¹	-	-	-	\$ 54,187
	\$ 14,153,375	-	-	\$ 14,207,562
December 31, 2024	Quoted prices in an active market (Level 1)	Significant other observable inputs (Level 2)	Significant unobservable inputs (Level 3)	Total fair value
Mutual Funds	\$11,557,842	-	-	\$11,557,842
Common/Collective Trusts (Stable Value Fund) NAV ¹	-	-	-	\$187,109
	\$11,557,842	-	-	\$11,744,951

¹ In accordance with ASC Subtopic 820-10, certain investments that are measured at fair value using the net asset value per share (or its equivalent) practical expedient have not been categorized in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statement of net assets available for benefits.

Additional disclosure related to plan investments whose fair value is estimated using the NAV expedient per share (or its equivalent) are as follows.

4. FEDERAL INCOME TAX STATUS

The plan has adopted a prototype “standardized” plan, and the prototype sponsor has received an advisory letter issued to ADP LLC from the Internal Revenue Service dated October 6, 2020, indicating that the plan is a qualified plan meeting the requirements of applicable sections of the Internal Revenue Code. Accordingly, Plan management believes the plan is currently designed and operates in compliance with the applicable requirements of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the plan, and has concluded that as of December 31, 2025, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2022.

5. PLAN TERMINATION

Although it has not expressed any intent to do so, the Sponsor has the right under the plan to discontinue its contributions at any time and to terminate the plan subject to the provisions of ERISA. In the event of a plan termination, participants will become 100% vested in their accounts.

6. INVESTMENTS CERTIFIED BY PLAN’S TRUSTEE (Unaudited)

The following is a summary of the Plan’s asset information as of December 31, 2025 and 2024, and for the years ended December 31, 2025 and 2024, included throughout the Plan’s financial statements and supplemental schedule, that was prepared by or derived from information provided by the Trustee. The Plan Administrator has obtained a certification from ADPRTS as of December 31, 2025 and 2024, that information provided to the Plan Administrator by the Trustee related to the following assets is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan’s independent auditors not to perform any auditing procedures with respect to information that appears throughout the financial statements and supplemental schedule related to the following assets.

8. RISKS AND UNCERTAINTIES

The participants through the plan invest in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

9. RELATED-PARTY TRANSACTION AND PARTY IN INTEREST TRANSACTIONS

The Plan issues notes receivable from participants, which are secured by the balances in the participants' accounts, which constitute party-in-interest transactions.
