INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee of the
SARCO Employees Retirement Plan
Guaynabo, Puerto Rico

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of **SARCO Employees Retirement Plan**, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of **SARCO Employees Retirement Plan's** financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certification from a qualified institution as of and for the years ended December 31, 2025 and 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of **SARCO Employees Retirement Plan** and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about **SARCO Employees Retirement Plan's** ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of **SARCO Employees Retirement Plan's** internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about **SARCO Employees Retirement Plan's** ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules of *Schedule H Part IV, Line 4a - Schedule of Delinquent Participants' Contributions* and *Schedule H, Part IV, Line 4i - Schedule of Assets (Held at the End of Year)*, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information

Other Matter - Supplemental Schedules Required by ERISA (Continued)

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

SARCO EMPLOYEES RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2025 AND 2024

1. DESCRIPTION OF THE PLAN

The following description of the SARCO Employees Retirement Plan ("the Plan") provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General

On July 1, 2006, South American Restaurants Corp. ("the Company") adopted a Savings and Retirement Plan in the form of the UBS Trust of Puerto Rico Standard Prototype Cash and Deferred Profit Sharing Plan, as amended, for the purpose of providing retirement benefits to its employees and to encourage and assist them in adopting a regular savings program by means of payroll deduction through a plan that qualifies under applicable laws of the Commonwealth of Puerto Rico. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Company and participants commenced contributing to the Plan in September 2006. On April 1, 2017, the Plan Agreement was amended to adopt the Oriental Pension Consultants, Inc. Prototype Defined Contribution Retirement Plan, as amended.

Eligibility

Employees of the Company are eligible to participate in the Plan if they have completed six months of service, have attained age eighteen, and are residents of the Commonwealth of Puerto Rico.

Contributions

Each year, participants may elect to contribute a portion of their annual compensation on a pre-tax basis, excluding the Christmas bonus and lump-sum payments for vacation, sick leave, and maternity leave, up to the maximum deferral amount of \$15,000 permitted under the Plan and the Puerto Rico Internal Revenue Code, as amended. Participants who attain age 50 before the end of the plan year may make an additional annual catch-up contribution of \$1,500.

Participants may also contribute eligible rollover distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions among the various investment options offered by the Plan. The Company matches participants' elective deferrals dollar for dollar, up to 3% of each participant's compensation. The Company may also make discretionary profit-sharing contributions, as determined by the Board of Directors and in accordance with the Plan.

Participant Accounts

The Plan is a defined contribution plan under which a separate individual account is established for each participant. Each participant account is credited with the participant's contributions and Company matching contributions, as well as allocations of the Company's profit-sharing contributions, if any, and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)
YEARS ENDED DECEMBER 31, 2025 AND 2024

1. DESCRIPTION OF THE PLAN (CONTINUED)

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of continuous service according to the following vesting schedule:

<u>Years of continuous service at date of termination</u>	<u>Vested benefit</u>
Less than 1 year	0%
1 year but less than 2	20%
2 years but less than 3	40%
3 years but less than 4	60%
4 years but less than 5	80%
5 years or more	100%

Notwithstanding the above, a participant will become fully vested in his or her Company's contributions and their earnings upon the earlier of (i) reaching normal retirement age while still employed by the Company, (ii) disability, (iii) death while employed by the Company, (iv) termination of the Plan, or (v) complete discontinuance of contributions by the Company.

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant may elect to receive an amount equal to the participant's vested interest in his or her account in either a lump-sum amount or periodic installment payments. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. Terminated participants with vested account balances not exceeding \$5,000 are subject to automatic lump-sum distribution in accordance with the Plan's provisions.

Participants' Hardship Withdrawals

A participant may not withdraw money from his/her Plan account, unless the participant is eligible to receive benefit payments under the Plan. However, in-service hardship withdrawals are permitted under limited circumstances. A participant may withdraw funds from his or her Plan account only if the withdrawal is due to an immediate and heavy financial need, and is limited to the amount necessary to satisfy that need. Permissible reasons for a hardship withdrawal include:

- The purchase (excluding mortgage payments) of a principal residence for the participant;
- major medical expenses of the participant, the participant's spouse, or dependents that are not covered by insurance or otherwise;
- payment of tuition and related expenses for the following twelve months of post-secondary education for the participant, spouse, children or dependents;

NOTES TO FINANCIAL STATEMENTS (CONTINUED)
YEARS ENDED DECEMBER 31, 2025 AND 2024

1. DESCRIPTION OF THE PLAN (CONTINUED)

Participants' Hardship Withdrawals (Continued)

- payment of amounts necessary to prevent the eviction of the participant from his/her principal residence or foreclosure on the mortgage of the participant's principal residence; and
- any other event or circumstance permitted by regulations issued by the Secretary of the Treasury of Puerto Rico and authorized by the Plan administrator.

If a participant receives an in-service hardship withdrawal of Pre-Tax Contributions, such participant may not make additional pre-tax contributions for a 12-month period following the withdrawal. However, in-service withdrawals made after the participant reaches age 59½ are not subject to this restriction.

Forfeited Accounts

As of December 31, 2025, and 2024, forfeited non-vested accounts totaled \$4,459 and \$6,624, respectively. These accounts, when available, are used to reduce the Plan's administrative expenses and employer matching or profit-sharing contributions. During the years ended December 31, 2025 and 2024, the Plan used forfeited accounts to reduce employer contributions by \$88,857 and \$197,310, respectively.

2. SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (US GAAP).

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's management determines the Plan's valuation policies utilizing information provided by the trustee. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

2. SUMMARY OF ACCOUNTING POLICIES (CONTINUED)

Contributions

Contributions from Plan participants and the matching contributions from the Company are recorded in the year in which the employee contributions are withheld from compensation. Lost earnings funded by the Company in connection with delinquent participant contributions are recorded as employer contributions when remitted to the Plan.

Payment of Benefits

Benefits are recorded when paid.

Excess Contributions Payable

To comply with the nondiscrimination requirements of the Puerto Rico Internal Revenue Code, the Plan performs annual testing to determine whether elective deferrals made by highly compensated employees disproportionately exceed those made by non-highly compensated employees. When a test failure occurs, the Plan may correct the failure through corrective distributions of excess deferrals, including applicable allocable income or loss, or by recharacterizing eligible excess deferrals as catch-up contributions.

As of December 31, 2025 and 2024, the Plan recorded a liability of \$63,011 and \$39,635, respectively. The liabilities represent pending corrective distributions to affected participants and were recorded with a corresponding reduction of participant contributions. Related employer matching contributions subject to forfeiture are excluded from the liability and are accounted for as forfeitures in accordance with the Plan provisions.

Expenses

Certain expenses incurred in maintaining the Plan are paid by the Plan unless paid by the Company. Participant distribution processing fees are included in administrative expenses. Investment management and other asset-based fees deducted from investment returns are included in net appreciation in fair value of investments. Expenses paid directly by the Company are not reflected in the accompanying financial statements.

Reclassifications

Certain reclassifications have been made to the 2024 financial statements in order to conform them to the 2025 financial statement presentation. These reclassifications did not have an effect on the change in net assets, as previously reported.

Subsequent Events

The Plan has evaluated subsequent events through July 31, 2026, the date the financial statements were available to be issued. The Plan has determined that there are no events occurring in this period that required disclosure in or adjustment to the accompanying financial statements.

3. CERTIFIED INVESTMENT INFORMATION

Certain information in the accompanying financial statements and ERISA-required supplemental schedule related to cash and investments held as of December 31, 2025 and 2024, and net appreciation in the fair value of investments, interest income and dividend income, for the years then ended, was obtained by management and agreed to or derived from information certified as complete and accurate by Oriental Bank and Trust, a qualified institution.

4. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Mutual funds: Mutual funds are valued at the daily net asset value reported by each fund. The mutual funds held by the Plan are open-end funds registered with the U.S. Securities and Exchange Commission (SEC). These funds publish a daily net asset value (NAV), and transactions occur at the published NAV.

4. FAIR VALUE MEASUREMENTS (CONTINUED)

Interest-bearing deposits: The Deposit Management Program is valued at \$1.00 per unit, as reported in the Plan's trust asset report, and is classified within Level 1 of the fair value hierarchy. Interest earned but not yet credited to the investment is recorded separately as accrued interest receivable.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024:

<i>Assets at Fair Value as of December 31, 2025</i>

5. PARTY-IN-INTEREST TRANSACTIONS

Oriental Bank and Trust serves as trustee of the Plan and, therefore, is a party in interest with respect to the Plan. During the years ended December 31, 2025 and 2024, the Plan incurred fees of \$24,737 and \$61,057, respectively, for participant distribution processing services provided by Oriental Bank and Trust. These fees are included in administrative expenses in the accompanying statements of changes in net assets available for benefits.

The Company, as the Plan sponsor, is also a party in interest with respect to the Plan. Certain expenses related to Plan operations are paid directly by the Company and are not reflected in the accompanying financial statements.

6. TAX STATUS

The Plan is exempt from United States income taxes by Section 1022(i)(1) of ERISA. In addition, the Plan is exempt from Puerto Rico income taxes pursuant to the exemption granted under the Puerto Rico Internal Revenue Code of 2011 (the "Code"), as amended. Upon enactment of the Code, the Puerto Rico Treasury Department issued Circular Letter 11-10, which provides that pension plans with an administrative determination letter under the prior Internal Revenue Code would be considered qualified under Section 1801.01 of the current Code.

To maintain qualified status, the Plan must comply with applicable provisions of the current Code; otherwise, a recertification may be required. On February 11, 2014, the Plan filed a request for a favorable determination letter regarding the qualified status of the Plan under Section 1801.01 of the Code. On April 1, 2017, the Plan adopted the Oriental Pension Consultants, Inc. Prototype Defined Contribution Retirement Plan, as amended (Oriental Master Trust). The Oriental Master Trust had already obtained a favorable determination letter from the Puerto Rico Treasury Department as to its qualified status under the Code, as amended.

On July 12, 2018, the Plan received a letter from the Puerto Rico Treasury Department stating that the Department has no objection to the participation of the Plan in the Oriental Master Trust. In addition, to maintain the tax-exempt status, the Plan must comply with applicable minimum coverage and nondiscrimination requirements. The Plan satisfied the applicable minimum coverage and nondiscrimination requirements for 2025 and 2024 after applying available correction methods.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would be sustained upon examination by the taxing authorities. The Plan administrator has evaluated the tax positions taken by the Plan and has concluded that as of December 31, 2025, there are no uncertain tax positions taken or expected to be taken that would require recognition of an asset or liability or disclosure in the financial statements. In addition, the Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax period in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2022.

7. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan Agreement to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

8. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities, including mutual funds within various markets. These investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
