Independent Auditor's Report

To the Plan Administrator and Those Charged with Governance of the
James A. Scott & Son, Inc. Retirement Savings Plan
Lynchburg, Virginia

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of James A. Scott & Son, Inc. Retirement Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of James A. Scott & Son, Inc. Retirement Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 9 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of James A. Scott & Son, Inc. Retirement Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about James A. Scott & Son, Inc. Retirement Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of James A. Scott & Son, Inc. Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about James A. Scott & Son, Inc. Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed

to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to Financial Statements

December 31, 2025

Note 1 – Plan Description

The following description of the James A. Scott & Son, Inc. Retirement Savings Plan (the “Plan”) is provided for general information purposes only. Participants should refer to the Plan agreement, as restated January 1, 2024, for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan covering substantially all employees of James A. Scott & Son, Inc. (the “Company” or “Employer”). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Effective January 1, 2024, the Plan document was amended to change the type of plan from a Money Purchase Pension Plan to a 401(k) Plan, and the Plan name was changed from James A. Scott & Son, Inc. Pension Plan to James A. Scott & Son, Inc. Retirement Savings Plan.

Plan Administration

James A. Scott & Son, Inc. is the Plan Administrator. All assets of the Plan are held by Empower Trust Company, LLC, the Trustee of the Plan, as of December 31, 2025 and 2024.

Eligibility

Effective January 1, 2024, the Plan document was restated to remove the minimum age requirement for all contributions and remove the service requirement for employee contributions. For 2025 and 2024, employees are immediately eligible to defer to the Plan and must reach one year of service with 1,000 hours to receive employer contributions.

Contributions

Effective January 1, 2024, the Plan document was restated to allow pretax and Roth employee contributions up to certain limitations in the *Internal Revenue Code (IRC)*. In addition, the restatement included provisions for a 3% nonelective safe harbor contribution and a discretionary employer nonelective contribution. Participants working at least 1,000 hours and employed on the last day of the Plan year are eligible for the discretionary employer contribution, unless they retired, became disabled or died during the plan year. Qualified distributions from the James A. Scott & Son, Inc. Employee Stock Ownership Plan can also be contributed to the Plan and retained as a rollover contribution. The Company did not make a discretionary employer contribution for 2025 or 2024.

Participant Accounts

Each participant’s account is credited with the participant’s contribution, the employer’s contribution, and an allocation of Plan earnings and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Participant Investment Options

Under the Plan, the participants may direct the investment of their interest in the Plan. Participants may change their investment options daily.

James A. Scott & Son, Inc. Retirement Savings Plan

Notes to Financial Statements

December 31, 2025

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 and up to a maximum of \$50,000. Total notes outstanding may not exceed 50% of a participant's vested account balance. Repayment terms for the notes range from one to five years for general purpose notes and five to fifteen years for notes that are for the purchase of a principal residence. The notes are secured by the participant's vested account balance. The rate of interest for the note is based on the prime rate published by the Wall Street Journal on the first business day of each month plus 1%. The interest rate is fixed for the life of the note. Generally, principal and interest are paid ratably through payroll deductions. The interest rates ranged from 4.25% to 9.50% at December 31, 2025.

Vesting

A participant normally becomes eligible for benefits after reaching age 65. A participant who becomes permanently disabled, dies, or reaches the normal retirement date while in the employment of the Company will have a 100% vested interest in his or her account.

Each participant is 100% vested at all times in his or her own contributions and nonelective employer safe harbor contributions. Employer amounts funded for the benefit of each participant become 100% vested after six years of credited service. A participant's vesting schedule is as follows:

Years of Service	Vested Percentage
Less than 2	-0-%
2	20
3	40
4	60
5	80
6 or more	100

Forfeitures

Forfeited nonvested accounts are used to reduce employer contributions or reallocated to eligible participants, as defined. Forfeitures must be used or allocated no later than the last day of the Plan year following the Plan year in which the forfeiture occurs. Forfeited nonvested amounts as of December 31, 2025 and 2024 were \$15,331 and \$38,257, respectively. Forfeited non-vested amounts were used to reduce employer contributions and pay administrative expenses during the years ended December 31, 2025 and 2024, in the amounts of \$38,407 and \$21,584, respectively.

Payment of Benefits

On termination of service due to death, disability, or normal retirement (age 65), a participant may elect to receive either a lump-sum or a periodic installment. For termination of service for other reasons, a participant may receive only the value of the vested interest in his or her account. All vested Plan benefits are distributed in lump-sum payments as soon as is administratively feasible, with the exception of those over \$5,000 which may be distributed in installments at the discretion of the participant.

Effective January 1, 2024, the Plan document was restated to allow hardship withdrawals.

Note 2 – Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements of the Plan have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest.

Payment of Benefits

Benefit payments to participants are recorded when paid.

Subsequent Events

Subsequent events have been evaluated through July 30, 2026, the date the financial statements were available to be issued.

Note 3 – Fair Value of Financial Investments

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective

James A. Scott & Son, Inc. Retirement Savings Plan

Notes to Financial Statements

December 31, 2025

of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with those of other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority; Level 2 inputs consist of observable inputs other than quoted prices for identical assets; and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs are used only when Level 1 or Level 2 inputs are not available.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

	Fair Value Measurements at Reporting Date Using:	
	Fair Value	Quoted Prices in Active Markets for Identical Assets (Level 1)
<u>December 31, 2025</u>		
Mutual funds	\$ 28,698,719	\$ 28,698,719
Total assets in fair value hierarchy	28,698,719	<u>\$ 28,698,719</u>
Common collective trust fund measured at NAV	430,516	
Investments at fair value	<u>\$ 29,129,235</u>	
<u>December 31, 2024</u>		
Mutual funds	\$ 23,735,609	\$ 23,735,609

Common collective trust fund measured at NAV	422,980	
Investment at fair value	<u>\$ 24,158,589</u>	

Level 1 Fair Value Measurements

The fair values of mutual funds are based on quoted net asset values of the shares held by the Plan at year end.

Investments Measured Using NAV Per Share as a Practical Expedient

In accordance with GAAP, certain investments that are measured at fair value using the NAV per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

James A. Scott & Son, Inc. Retirement Savings Plan

Notes to Financial Statements

December 31, 2025

The following table summarizes investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2025 and 2024:

	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency (If Currently Eligible)</u>	<u>Redemption Notice Period</u>
<u>December 31, 2025</u>				
Common collective trust funds	\$ 430,516	N/A	Daily	N/A
<u>December 31, 2024</u>				
Common collective trust funds	\$ 422,980	N/A	Daily	N/A

Note 4 – Investment Contract

The Plan has investments in the Galliard Stable Return Fund C. Included in this fund are guaranteed investment contracts and certain wrapper contracts. These contracts are considered to be benefit-responsive and since those contracts were not purchased directly from SEI Trust Company, Trustee of the fund, but in the open market, are presented at fair value. The average yield for the fund was approximately 4.20% and 4.88% for 2025 and 2024, respectively. The objective of the fund is to provide a moderate level of stable income without principal volatility. The fund invests primarily in fixed income portfolios that are wrapped by stable value contracts, including traditional guaranteed investment contracts (GICs). The percentage of contributions allocated to the fund is determined by the participants.

Note 5 – Plan Termination

The Company reserves the right to terminate the Plan at any time subject to the Plan provisions. Upon such termination of the Plan, the participants will become 100% vested in their accounts, and the interest of each participant in the Plan will be distributed to such participant or his or her beneficiary at the time prescribed by the Plan terms and the *IRC*. Upon termination of the Plan, the Plan Administrator will pay all liabilities and expenses of the Plan.

Note 6 – Income Tax Status

The Plan was restated January 1, 2024 under a pre-approved defined contribution plan document sponsored by Empower Retirement, LLC. Empower Retirement, LLC received a favorable opinion letter from the Internal Revenue Service (IRS) dated November 11, 2022, on the pre-approved plan's acceptability under Section 401 of the *IRC*. The Plan has been restated since receiving the opinion letter. However, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the *IRC* and has no income subject to business income tax and, therefore, the Plan and related trust continue to be tax-exempt.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. Plan management has analyzed the tax positions taken by the Plan and has concluded as of December 31, 2025, there were no uncertain positions taken or expected to be taken that would require recognition of a liability (or an asset) or disclosure in the financial statements.

Note 7 – Administrative Expenses

Certain administrative expenses consisting of Trustee, recordkeeping, investment management, and accounting fees are paid by the Plan. Certain other third-party administration fees are paid by the Company.

Note 8 – Party-In-Interest Transactions

The Plan receives investment advice from an independent third-party service provider, SageView Advisory Group, LLC. In addition, the Trustee of the Plan provides recordkeeping and other administrative duties for the Plan. Therefore, these transactions qualify as party-in-interest transactions. Investment advisory fees paid by the Plan to SageView Advisory Group, LLC totaled \$22,469 and asset management fees paid to Empower Annuity Insurance Company, totaled \$82,946 for the year ended December 31, 2025. In addition, notes receivable from participants are considered to be party-in-interest transactions because they are transacted with Plan participants. Principal and interest payments related to notes receivable from participants totaled \$93,919 for the year ended December 31, 2025. Fees paid during the year for services rendered for parties-in-interest were based on customary and reasonable rates for such services.

Note 9 – Information Prepared and Certified by the Trustee

Certain information was certified as complete and accurate by Empower Trust Company, LLC. That information is as follows:

- Investment assets
- Investment transactions
- Investment income
- Schedule H, Line 4i – Schedule of Assets (Held at End of Year)
