Independent Auditor's Report

To the Participants and Plan Administrator of
Linak US, Inc. 401K Retirement Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Linak US, Inc. 401K Retirement Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Auditor's Responsibilities for the Audit of the Financial Statements, continued

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule H, line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

LINAK US, INC. 401K RETIREMENT SAVINGS PLAN

Notes to the Financial Statements

1. Description of the Plan

The following description of the Linak US, Inc. 401K Retirement Savings Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a safe-harbor defined contribution plan covering all eligible employees of LINAK US, Inc. (the Sponsor and Plan Administrator). The Plan became effective July 1, 1998 and was restated effective January 8, 2024. The Plan is administered by a trust, the trustee of which is Empower Trust Company, LLC (Empower). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility

An employee becomes eligible to participate after three months of service. Entry into the Plan occurs on the first day of each calendar quarter following satisfaction of the service condition. The Plan excludes non-resident aliens and temporary, intern and seasonal employees; however, if a temporary, intern or seasonal employee completes one year of service, the employee will enter the Plan on the next entry date.

Contributions

Eligible employees may make pretax and Roth contributions from their eligible compensation subject to limits set by the Internal Revenue Service Code (IRC). Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. The Sponsor makes a non-elective sponsor safe-harbor contribution to all eligible employees equal to 3% of the employee's compensation. In addition, the Sponsor may contribute a discretionary amount as determined by the Board of Trustees. The Plan was amended in October 2024, to include, in addition to the nonelective contribution, a discretionary matching employer contribution effective January 1, 2025. No discretionary employer contributions were made for the year ended December 31, 2025.

New participants that meet the eligibility requirements are automatically enrolled in an elective deferral contribution of 6% of the participant's eligible compensation, unless the participant affirmatively elects a different percentage or elects not to make a contribution. Employees that are automatically enrolled will have their contribution percentage rate annually increased by 1% up to a maximum of 10% on January 1 each year, unless the employee affirmatively elects otherwise.

Participant Accounts

Individual accounts are maintained for each Plan participant. Each participant's account is credited with the participant's contributions and the Plan Sponsor's contributions and an allocation of the Plan's earnings or losses. Allocations are based on participant earnings or account balances, as defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

1. Description of the Plan, continued

Investment Options

Upon enrollment in the Plan, a participant may direct contributions in 1% increments to any of several investment options offered by the Plan. Participants may change their investment options at their discretion.

Vesting

Participants are immediately vested in their contributions and non-elective Sponsor safe-harbor contributions, plus actual earnings (losses) thereon. Vesting in the Sponsor's discretionary contribution portion of their accounts, plus actual earnings (losses) thereon, is based on years of continuous service. A participant vests 20% per year after the first year of service, and is 100% vested after five years of credited service.

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant or their beneficiaries may elect to receive either a lump sum distribution, installments over a period of time, or a direct rollover to another qualified plan equal to the value of the participant's vested account. If a participant has more than \$7,000 in their account, upon termination, they may elect to keep their account in the Plan indefinitely. Participants can elect to take a distribution in the event of certain hardships as defined by the Plan.

Forfeited Accounts

Forfeited accounts are used to reduce future employer contributions. As of December 31, 2025 and 2024, forfeited accounts totaled \$2,055 and \$0, respectively. During the year ended December 31, 2025, \$575 of forfeitures were used to reduce employer contributions.

Revenue Credit Program

The Plan provides for a revenue credit program in connection with revenue sharing with certain investment managers. The amounts may be used to pay Plan expenses or allocated to eligible participant accounts. During the year ended December 31, 2025, \$40,647 of revenue credits were used to pay Plan expenses.

Risks and Uncertainties

The Plan provides for participant directed investment options in various securities. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the financial statements.

2. Summary of Significant Accounting Policies

The financial statements have been prepared in conformity with accounting principles generally accepted in the United States of America (GAAP) which require management to make estimates and assumptions that affect the reported amounts and disclosures in the financial statements. Actual results could differ from those estimates. The following is a summary of the significant accounting policies consistently followed by the Plan in the preparation of its financial statements:

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's valuation policies are determined by utilizing information provided by the investment advisor and trustee.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains or losses on investments bought and sold as well as held during the year.

Contributions

Participant contributions and the employer safe-harbor contributions are recorded in the year in which employee compensation is earned.

Payment of Benefits

Benefit payments to participants are recorded upon distribution.

Administrative Expenses

Certain fees of the Plan are charged directly to the participant's account as provided in the Plan adoption agreement. All other administrative expenses are paid by the Plan Sponsor.

Subsequent Events

The Plan's management has evaluated subsequent events for accounting and disclosure requirements through July 21, 2026, the date that the financial statements were available to be issued.

3. Information Certified and Provided by the Trustee

The Plan's cash and investments included in this note and throughout the Plan's financial statements and supplemental schedule were prepared or derived from information provided by Empower, the trustee of the Plan, and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from the trustee that the information provided to the Plan Administrator by the trustee is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the cash and investment information which appears throughout the financial statements and the supplemental schedule.

The following table presents the fair value of cash and investments in the Plan that were certified by Empower as of December 31, 2025 and 2024, respectively:

	<u>2025</u>	<u>2024</u>
Non-interest bearing cash	\$ <u>-</u>	\$ <u>2,503</u>
Investments:		
Mutual funds	\$ <u>30,012,836</u>	\$ <u>24,458,469</u>
Collective trust	<u>1,256,782</u>	<u>1,565,463</u>
Total investments	\$ <u>31,269,618</u>	\$ <u>26,023,932</u>

Empower also certified to the completeness and accuracy of \$3,421,127 of net realized and unrealized appreciation in the fair value of the investments and \$811,597 of interest and dividends related to the investments for the year ended December 31, 2025.

4. Fair Value Measurements

The Plan classifies its investments based on a hierarchy consisting of: Level 1 (valued using quoted prices from active markets for identical assets), Level 2 (not traded on an active market but for which observable market inputs are readily available), and Level 3 (valued based on significant unobservable inputs). The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value on a recurring basis:

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

LINAK US, INC. 401K RETIREMENT SAVINGS PLAN

Notes to the Financial Statements, continued

4. Fair Value Measurements, continued

Collective trust: Valued based on the NAV of units of the collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimating fair value. The NAV is based upon the fair value of the underlying investments comprising the trust less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

There have been no changes in the valuation methodologies used at December 31, 2025 and 2024.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan Administrator believes the valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
<u>2025</u>				
Investments measured at fair value:				
Mutual funds	\$ 30,012,836	\$ -	\$ -	\$ 30,012,836
Investments measured at NAV:				
Collective trust				<u>1,256,782</u>
Total investments at fair value				<u>\$ 31,269,618</u>
<u>2024</u>				
Investments measured at fair value:				
Mutual funds	\$ 24,458,469	\$ -	\$ -	\$ 24,458,469
Investments measured at NAV:				
Collective trust				<u>1,565,463</u>
Total investments at fair value				<u>\$ 26,023,932</u>

To assess the appropriate classification of investments within the fair value hierarchy, the availability of market data is monitored. Changes in economic conditions or valuation techniques may require the transfer of investments from one fair value level to another. Plan management evaluates the significance of transfers between levels based upon the nature of the investment and size of the transfer relative to total net assets available for benefits. For the year ended December 31, 2025, there were no significant transfers in or out of Level 3.

LINAK US, INC. 401K RETIREMENT SAVINGS PLAN

Notes to the Financial Statements, continued

4. Fair Value Measurements, continued

In accordance with accounting standards, investments as of December 31, 2025 and 2024 that are measured at fair value using the NAV practical expedient have not been classified as Level 1, 2 or 3 in the fair value hierarchy, but are included above to permit reconciliation of the fair value hierarchy tables to the amounts presented in the statements of net assets available for benefits.

The following table summarizes investments measured at fair value based on NAV per share as of December 31, 2025 and 2024:

	<u>Fair Value</u>	<u>Unfunded Commitment</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>
<u>2025</u>				
Collective trust	\$ 1,256,782	N/A	Daily	Daily
<u>2024</u>				
Collective trust	\$ 1,565,463	N/A	Daily	Daily

5. Tax Status

The Plan uses a prototype plan document sponsored by Empower Retirement LLC (Empower Retirement). Empower Retirement received an opinion letter from the Internal Revenue Service (IRS), dated November 14, 2022, which states that the prototype document satisfies the applicable provisions of the IRC. The Plan itself has not received a determination letter from the IRS. However, the Plan's management believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

6. Exempt Party-In-Interest Transactions

Empower is the third party recordkeeper and MCF Advisors, LLC is the investment advisor of the Plan. Administrative expenses of \$85,244 for the year ended December 31, 2025 were paid by the Plan for investment management and recordkeeping services.

Additionally, indirect fees are paid to Empower based on investment account values. These fees range from 0.02% to 0.55% of the investment account value. The fees decrease net appreciation in fair value of investments on the statement of changes in net assets available for benefits.

7. Plan Termination

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in ERISA. In the event of Plan termination, participants would become 100% vested in their Plan Sponsor discretionary contributions.
