Report on the Financial Statements

Opinion

We have audited the financial statements of National Food NW, LLC Group Health Benefit Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits (modified cash basis) and of benefit obligations (modified cash basis) as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits (modified cash basis) and of changes in benefit obligations (modified cash basis) for the years ended December 31, 2025 and 2024, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits (modified cash basis) and the benefit obligations (modified cash basis) of National Food NW, LLC Group Health Benefit Plan as of December 31, 2025 and 2024, and the changes in its net assets available for benefits (modified cash basis) and the changes in benefit obligations (modified cash basis) for the years ended December 31, 2025 and 2024, in accordance with the modified cash basis of accounting described in Note 2.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of National Food NW, LLC Group Health Benefit Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Emphasis of Matter – Basis of Accounting

We draw attention to Note 2 to the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

CLA (CliftonLarsonAllen LLP) is an independent network member of CLA Global. See CLAglobal.com/disclaimer.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting described in Note 2, and for determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statement in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of National Food NW, LLC Group Health Benefit Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about National Food NW, LLC Group Health Benefit Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audits.

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Plan Administrator

A Plan administrator is engaged under a fee-based contract, which is based on the number of participants in the Plan. The contract may be cancelled with thirty days notice by either the Plan administrator or the Plan trustees.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on the modified cash basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America. That basis differs from generally accepted accounting principles in that contributions, premiums, and expenses are recorded when received or paid rather than when earned or incurred.

Use of Estimates

The preparation of financial statements in conformity with the modified cash basis of accounting requires the trustees to make estimates and assumptions that affect the reported amounts of assets, liabilities, benefit obligations and changes therein and disclosures in the financial statements. Actual results could differ from those estimates.

Concentration of Credit Risk

The Plan's cash balance is held at one financial institution. Accounts at this institution are insured by a government agency up to $250,000. At times the balance in this account may exceed the insured limit.

Payment of Benefits

Claims paid by the Plan are recorded as claim payments, respectively, in the accompanying statements of changes in net assets available for benefits (modified cash basis). Benefits are recorded when paid. No refunds of amounts accrued from the third-party administrator for adjustments, denied claims, and other disallowable claims included in payments for health claims for the years ended December 31, 2025 and 2024.

Administrative Expenses

All administrative expenses are paid out of the Plan unless paid by the Company. During the years ended December 31, 2025 and 2024, the Plan paid for substantially all administrative expenses, which consisted of administrative fees paid to third-party administrators and provider access fees.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Income Taxes

The Trust established under the Plan to hold the Plan's assets has not applied for exemption from Washington or federal income taxes. The Plan is required to pay federal and state taxes on unrelated business income as defined by Internal Revenue Code Section 512(e)(3)(E). Unrelated business income consists of the investment income earned on the excess of the net assets available for benefits over the required reserve balance allowable under the Internal Revenue Code. The Plan administrator believes the Plan does not have any net taxable income for the years ended December 31, 2025 and 2024.

Subsequent Events

The Plan has evaluated subsequent events through July 9, 2026, the date the financial statements were available to be issued.

NOTE 3 FUTURE BENEFIT OBLIGATIONS

The Plan administrator estimated that future benefit obligations for active participants' existing health conditions covered by the Plan amounted to $176,896 and $145,289 as of December 31, 2025 and 2024, respectively. This amount was estimated by the Plan's third-party administrator using claims trends and actual lag patterns of the Plan. These amounts are paid by the Plan only if claims are submitted and approved for payment. There have been no changes in the methodology used during the years ended December 31, 2025 and 2024.

NOTE 4 TAX STATUS

The Plan administrator believes that the Plan is operating in conformity with the Internal Revenue Code and ERISA. The Trust is a taxable trust, subject to federal income taxes. For the years ended December 31, 2025 and 2024, there was no federal income tax expense.

In accordance with the modified cash basis of accounting, Plan management is required to evaluate if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the Internal Revenue Service (IRS).

The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025 and 2024, there is no uncertain tax position taken or expected to be taken. The Plan is subject to routine audits by taxing jurisdictions; however, they are currently no audits for any tax periods in progress.

NOTE 5 STOP LOSS COVERAGE

Effective June 1, 2025, the Plan maintained a stop loss insurance policy with Symetra Life Insurance Company. Prior to June 1, 2025, the Plan maintained a stop loss insurance policy with Sun Life Financial. Benefit payments are paid directly from the Trust for any covered individual per year. The Plan contains excess loss insurance covering participants' claims in excess of $145,000 per participant per Plan year are reimbursed to the Plan. There is no limit per Plan year or total lifetime coverage that is provided to participants. There were $492,470 and $43,523 stop loss recoveries during the years ended December 31, 2025 and 2024.

NOTE 6 PLAN TERMINATION

Although it has not expressed any intention to do so, the Company has the right under the Plan to modify the benefits provided to, and contributions required of participants, to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of termination of the Plan, remaining assets will be applied in a uniform and nondiscriminatory manner toward the provision of benefits or for on account of the participants. No assets of the Plan may revert to the Company or be used for purposes other than for the exclusive benefit of the Plan’s participants.

NOTE 7 RISKS AND UNCERTAINITIES

The liability for claims payable and claims incurred but not reported (IBNR) was estimated using Plan provisions, the number of eligible participants, and the actual lag patterns of the Plan. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near term would be material to the financial statements.
