To the Plan Administrator
Arcata Associates, Inc. Defined Contribution and 401(K) Plan
Las Vegas, Nevada

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Arcata Associates, Inc. Defined Contribution and 401(K) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Arcata Associates, Inc. Defined Contribution and 401(K) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note E to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Arcata Associates, Inc. Defined Contribution and 401(K) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatements whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Arcata Associates, Inc. Defined Contribution and 401(K) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibility for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Arcata Associates, Inc. Defined Contribution and 401(K) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Arcata Associates, Inc. Defined Contribution and 401(K) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2025 AND 2024

NOTE A – DESCRIPTION OF THE PLAN (CONTINUED)

401(k) - The Plan contains a Code Section 401(k) salary deferral arrangement covering eligible employees who have elected to participate beginning on their eligibility date. Each participant's account is credited with the participant's salary reduction contribution and the safe harbor matching contribution made by the Company. Investments are based on participants' elections. The matching contributions are calculated pursuant to the safe harbor method; 100% of the first three percent and 50% of the next two percent of employee contributions.

Vesting

Participants are immediately vested in their voluntary and matching contributions, plus actual earnings thereon. Vesting in the discretionary profits sharing contributions, if any, is shown in the table below.

<u>Years of Service</u>	<u>Percentage</u>
1	20%
2	40%
3	60%
4	80%
5	100%

Payment of Benefits

On termination of service due to death, disability or retirement or other reasons, inactive participants or beneficiaries with a vested balance of \$1,000 or less will receive a mandatory cash distribution from the plan ninety (90) days after their termination of service date if they have not elected to take a distribution of their account. Inactive participants or beneficiaries with a vested balance between \$1,000 and \$5,000 will automatically be rolled forward into an IRA with Principal Life Insurance Company.

Forfeited Accounts

At the Company's discretion, the forfeited accounts will be used to reduce employer contributions. At December 31, 2025 and 2024 forfeited non-vested accounts were \$15,552 and zero, respectively. During 2025 the plan realized \$2,934 in forfeitures; these forfeitures were used to fund matching employer contributions in the amount of \$1,329 and to pay administrative expenses of \$1,605. Forfeitures occur on the earlier of the last day of the Plan year in which the entire vested portion of a participant's account is distributed or the last day of the Plan year in which the participant incurs five consecutive one year breaks in service.

Participant Loans

The Plan provides that Participants may borrow from their fund accounts up to 50% of their vested account balance with a minimum loan of \$1,000 and a maximum of \$50,000. Loan repayments are made through payroll deductions and only one loan may be outstanding at one time. Loans are secured by the participant's account balance and bear interest at market interest rates established on a quarterly basis.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Basis of Accounting

The financial statement of the Plan are prepared under the accrual method of accounting, except for the cash basis recording of benefits paid.

Investment Valuation and Income Recognition

The Plan's investments in share of registered investment are valued at quoted market prices which represent the net asset value of shares held by the Plan at year-end. The changes in market value from year to year are recorded as net appreciation in fair value of investments. Interest and dividends are recorded in the appropriate investment accounts when credited to the Plan.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

The plan faces investment risks in providing appropriate investment options, safeguarding assets, maintaining complete and accurate records of employee investments and controlling operating costs. The plan sponsor minimizes the investment and record keeping risks by engaging a qualified third party administrator (TPA) to manage and invest the plan assets. The TPA has established extensive internal controls to ensure the accurate and complete accounting for funds under investment and engages an outside audit firm to audit and report on these internal controls. The plan trustees monitor plan fees and investment options by regular communications with the TPA.

Payment of Benefits

Benefits are recorded when paid.

Subsequent Events

In preparing these financial statements, the Plan has evaluated events and transactions for potential recognition or disclosure through the date of the auditor's report, which is the date the financial statements were available to be issued.

NOTE C – FAIR VALUE MEASUREMENTS

Fair value accounting standards define fair value, establish a framework for measuring fair value, outline a fair value hierarchy based on inputs used to measure fair value and enhance disclosure requirements for fair value measurements. The fair value hierarchy distinguishes between market participant assumptions based on market data obtained from sources independent of the reporting entity (observable inputs that are classified within Level 1 or 2 of the hierarchy) and the reporting entity's own assumptions about market participant assumptions (unobservable inputs classified within Level 3 of the hierarchy).

Basis of Fair Value Measurement

Level 1 inputs are quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities.

Level 2 inputs are inputs other than quoted prices in markets included within Level 1 that are observable for the investment, either directly or indirectly.

Level 3 inputs are unobservable inputs for the investment.

The following table sets forth by level within the fair value hierarchy the Plan investment assets and investment liabilities at fair value, as of December 31, 2025 and 2024.

NOTE D – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE E – INFORMATION PREPARED AND CERTIFIED BY TRUSTEE OF THE PLAN

In accordance with Section 2520.103-8 of the Department of Labor's Rules and Regulations from Reporting and Disclosures under ERISA, the Plan administrator has elected to restrict the scope of the auditor's examination with regard to statements or information prepared and certified by Principal, the custodian. The Plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information certified by Principal, except for comparing such information certified by the custodian to information included in the Plan's financial statements and supplemental schedules.

The following table presents the fair value of the investments in this Plan that was certified by Principal at December 31, 2025. Single investments representing more than 5% of the Plan's net assets as of December 31, 2025 are separately identified.
