INDEPENDENT AUDITOR'S REPORT

To the Trustees,
Monteleone Interests
Profit Sharing and 401(k) Plan and Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Monteleone Interests Profit Sharing and 401(k) Plan and Trust, (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of October 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended October 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of October 31, 2025 and 2024 and for the year ended October 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the Financial Statements

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of October 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS**Monteleone Interests Profit Sharing and 401(k) Plan and Trust**

October 31, 2025 and 2024

Note 1 - PLAN DESCRIPTION

The following description of the Monteleone Interests Profit Sharing and 401(k) Plan and Trust (the “Plan”) provides only general information. Participants should refer to the plan document for a more complete description of the Plan’s provisions.

a. General

The Plan is a defined contribution plan covering all eligible employees of New Hotel Monteleone, L.L.C. and Monteleone Management, L.L.C. (the “Employers”) who have one year of service and are 21 years of age or older. The Employers are a controlled group as defined in section 414(b) of the Internal Revenue Code (the “Code”). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

b. Contributions

Each year, participants may contribute, by salary reduction pursuant to Section 401(k) of the Code, up to 75% of annual compensation, as defined in the Plan document, subject to statutory limits. Participants may also contribute amounts representing eligible rollover distributions from other qualified pension plans.

In any plan year, the Employers may make discretionary matching contributions based on a percentage of each eligible participant’s deferred compensation. The Employers may also make discretionary non-elective contributions based on a percentage of each eligible participant’s compensation. These percentages will be determined each year by the Employers and will be limited to the amount deductible under applicable provisions of the Code.

For the year ended October 31, 2025, the Employers contributed \$124,229 to match 25% of deferrals up to 6% of each participant’s compensation and \$181,114 to make a profit sharing contribution of 1.5% of compensation for each eligible participant.

Note 1 - PLAN DESCRIPTION (Continued)

c. Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of the Employers' matching contributions, as well as allocations of employer non-elective contributions and plan earnings. Participant accounts are charged with plan losses and an allocation of administrative expenses that are paid by the Plan. Allocations of the Employers' matching contributions are based on salary deferrals, as defined in the Plan document. Allocations of plan earnings or losses and expenses are based on account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

d. Vesting

Participants are immediately vested in their 401(k) deferral and rollover contributions plus actual earnings thereon. The Employers' matching contribution portion of a participant's account plus actual earnings thereon is fully vested after three years of credited service. The Employers' non-elective contributions portion of a participant's account plus actual earnings thereon is fully vested after six years of credited service. The vesting schedule of non-elective contributions is as follows:

<u>Years of Vesting Service</u>	<u>Vesting Percentage</u>
Less than two years	0%
Two years but less than three years	20%
Three years but less than four years	40%
Four years but less than five years	60%
Five years but less than six years	80%
Six or more years	100%

e. Investment Options

The Plan provides a participant-directed investment program whereby participants select the investments for their accounts. The Plan currently offers several mutual funds and a money market fund as investment options to the participants. The funds represent several different alternatives to investing with different risk and return characteristics. Participants may change their investment options daily.

Note 1 - PLAN DESCRIPTION (Continued)

f. Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their vested account balance, whichever is less, or, if greater and so provided by the plan administrator, the total vested account balance up to \$10,000; provided that additional security is given to the extent such loan exceeds 50% of the vested account balance. Notes receivable terms shall be no greater than five years unless the note receivable is used to purchase a participant's principal residence in which case the note receivable term will be determined at the time the note receivable is executed. Notes receivables are secured by the balance in the participant's account plus additional security if required, and bear interest at a rate equivalent to the current interest rate for similar loans from commercial sources. Interest rates on notes receivable from participants ranged from 5.25% to 10.5% as of October 31, 2025. Principal and interest is paid ratably through payroll deductions.

g. Payment of Benefits

On termination of service, a participant whose vested account balance exceeds \$1,000 can elect to receive benefits in the form of a lump sum amount, as defined in the Plan. Participants with balances of \$7,000 or less are subject to the mandatory cash out provisions of the Plan and will receive a lump sum payment or rollover equal to the fair value of the participant's vested interest in his or her account.

The SECURE 2.0 Act of 2022 (SECURE 2.0 Act) increased the required minimum distribution (RMD) age from 72 to 73. Terminated participants may elect to have the Plan's trustee hold their accounts for distribution to them at a date not later than April 1 of the calendar year after which they attain the RMD age. In this event, terminated participants continue to share in the income, expenses, gains, and losses of the Plan until their accounts are distributed.

h. Forfeited and Other Unallocated Accounts

Forfeitures of nonvested profit sharing and matching accounts may be used to pay administrative expenses, restore forfeitures, or to reduce the Employers' contributions. Other unallocated accounts may only be used to pay administrative expenses of the Plan. Forfeited and other unallocated accounts totaled \$15,427 and \$15,791 as of October 31, 2025 and 2024, respectively. Forfeited nonvested accounts of \$10,686 and \$5,900 were used to reduce the Employers' contributions for the years ended October 31, 2025 and 2024, respectively.

Note 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following are the significant accounting policies followed by the Plan:

a. Basis of Accounting

The accompanying financial statements are prepared using the accrual method of accounting.

b. Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and changes therein, and disclosures of contingent assets and liabilities. Actual results may differ from those estimates.

c. Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be required to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's management determines the Plan's valuation policies utilizing information provided by the investment advisor and custodian. See Note 4 for discussion of fair value measurements.

Purchases and sales are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Realized gains (losses) on sales of investments and unrealized appreciation (depreciation) in fair value of investments are reported as net appreciation (depreciation) in fair value of investments in the Statement of Changes in Net Assets Available for Benefits.

d. Notes Receivable from Participants

Notes receivable from participants are reported at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. If a participant ceases to make repayments on the note receivable and the plan administrator deems the note receivable to be in default, the note receivable balance is reduced, and the benefit payment is recorded.

e. Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service are recorded as a liability with a corresponding reduction to contributions. The Plan distributed 2025 and 2024 excess contributions of \$36,546 and \$15,147, respectively, to the applicable participants prior to January 15, 2025 and 2024, respectively.

Note 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

f. Payment of Benefits

Benefits are recorded when paid.

g. Expenses

Certain Plan administrative expenses are paid directly by New Hotel Monteleone, L.L.C. and are excluded from these financial statements. Fees related to account administration and administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

h. SECURE 2.0 Act of 2022

On December 29, 2022, the SECURE 2.0 Act was enacted to help improve retirement savings. The SECURE 2.0 Act made wide-ranging changes, both mandatory and elective, to qualified plans and its provisions have various effective dates.

Significant provisions were as follows:

- The RMD age was increased from 72 to 73, effective January 1, 2023, and to age 75, effective January 1, 2033;
- The excise tax for failure to take RMDs was reduced from 50 percent to 25 percent of the RMD amount that was not taken, beginning January 1, 2023; and
- All catch-up contributions for participants with compensation of more than \$150,000 (indexed for inflation) are required to be designated as Roth 401(k) contributions beginning after December 31, 2023. The Plan elected this designation on June 30, 2025.

The Plan incorporated changes in its plan document and administration to the extent required by the "*SECURE 2.0 Act*".

i. Subsequent Events

Management evaluates events occurring subsequent to the date of the financial statements in determining the accounting for and disclosure of transactions and events that affect the financial statements. Subsequent events have been evaluated through August 3, 2026, which is the date the financial statements were available to be issued.

Note 3 - INFORMATION PREPARED AND CERTIFIED BY THE CUSTODIAN

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule was obtained or derived from information provided to the plan administrator and certified as complete and accurate by Empower Trust Company, LLC, the custodian of the Plan, in accordance with Section 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, as follows:

	2025	2024
Investments, at fair value	\$19,031,667	\$17,198,722
Notes receivable from participants	\$111,486	\$123,697
Net appreciation in fair value of investments	\$1,111,770	-
Dividends and interest	\$1,111,548	-
Interest on notes receivable from participants	\$10,033	-

Note 4 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy which prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly or indirectly, as such:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; and
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Note 4 - FAIR VALUE MEASUREMENTS (Continued)

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of October 31, 2025 and 2024.

Money Market Fund: Valued at daily closing price as reported by the fund from an actively traded exchange.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The methodologies described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with those of other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level within the fair value hierarchy the Plan's assets at fair value as of October 31, 2025 and 2024:

	Assets at Fair Value as of October 31, 2025			
	Level 1	Level 2	Level 3	Totals
Mutual funds	\$ 18,138,545	\$ -	\$ -	\$ 18,138,545
Money market fund	893,122	-	-	893,122
Investments at fair value	<u>\$ 19,031,667</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 19,031,667</u>

Note 4 - FAIR VALUE MEASUREMENTS (Continued)

	Assets at Fair Value as of October 31, 2024			
	Level 1	Level 2	Level 3	Totals
Mutual funds	\$ 16,368,647	\$ -	\$ -	\$ 16,368,647
Money market fund	830,075	-	-	830,075
Investments at fair value	<u>\$ 17,198,722</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 17,198,722</u>

As of October 31, 2025 and 2024, there were no assets measured at fair value on a non-recurring basis.

Note 5 - PLAN TERMINATION

Although they have not expressed any intent to do so, the Employers have the right under the Plan to discontinue their contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their employer contributions.

Note 6 - TAX STATUS

The sponsor of the non-standardized prototype plan has received a favorable opinion letter dated June 30, 2020, from the Internal Revenue Service stating that the prototype plan qualifies under the provisions of Section 401(a) of the Code. The plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Code and ERISA. Therefore, the plan administrator believes the Plan was exempt from Federal income taxes as of the financial statement date. Accordingly, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan had taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service or other taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2022.

Note 7 - RISK AND UNCERTAINTIES

The Plan provides for various investments in money market and mutual funds. Investment securities, in general, are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.
