Independent Auditor's Report

Plan Administrator
Associated Banc-Corp Group Health Plan
Green Bay, Wisconsin

Opinion

We have audited the accompanying financial statements of Associated Banc-Corp Group Health Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits and plan benefit obligations as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits and changes in plan benefit obligations for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits and plan benefit obligations of the Plan as of December 31, 2024 and 2023, and the changes in its net assets available for benefits and plan benefit obligations for the years then ended, in accordance with accounting principles generally accepted in the United States of America (GAAP).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there

is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2024, and Schedule H, Line 4j – Schedule of Reportable Transactions for the year ended December 31, 2024, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including the form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

GROUP HEALTH PLAN

Notes to Financial Statements

December 31, 2024 and 2023

(1) Description of Plan

The following brief description of the Associated Banc-Corp Group Health Plan (the "Plan") is provided for general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

Background

The Plan provides certain health and dental benefits, as defined, for substantially all employees of Associated Banc-Corp (the "Corporation") and subsidiaries who are regularly scheduled to work at least 20 or more hours per week beginning on the date of hire. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Employer contributions are determined by the Corporation based on information provided by the third-party administrators (United HealthCare and Delta Dental) and Associated Trust Company, N.A. (the "Trustee") and are remitted to the Trustee monthly. Participants' contributions are based upon single or family coverage. Consolidated Omnibus Budget Reconciliation Act (COBRA) participants submit payments on a monthly basis for the total cost of continuation coverage.

Plan Termination

While the Corporation has not expressed any intent to terminate the Plan, it is free to do so at any time, subject to the provisions set forth in ERISA. In the event of termination, the remaining assets available for benefits will be used to provide benefits under the Plan through the date prior to the termination date. Excess funds shall be applied for the exclusive benefit of participants as directed by the Plan's management.

(2) Summary of Significant Accounting Policies

The following is a summary of significant accounting policies consistently followed by the Plan in the preparation of the financial statements.

Basis of Presentation

The financial statements of the Plan have been prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires the Plan's management to make estimates and assumptions that affect the reported amounts of assets, liabilities, plan benefit obligations and changes therein, claims incurred but not reported, and claims payable at the date of the financial statements. Changes in the economic environment, financial markets, and any other parameters used in determining these estimates and assumptions could cause actual results to differ.

Valuation of Investments and Income Recognition

Investment securities are reported at fair value. The Plan's sole investment security is the Goldman Sachs Government Money Market Institutional Fund and is valued using net asset value (NAV) as a practical expedient in estimating fair value. Plan assets are held in trust with the Trustee. Purchases

ASSOCIATED BANC-CORP
GROUP HEALTH PLAN
Notes to Financial Statements
December 31, 2024 and 2023

and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

All administrative expenses, including Delta Dental administrative expenses, tax, and other expenses attributable to the Plan are paid by the Plan with the exception of audit, trust, and United HealthCare administrative expenses, which are paid by the Corporation and excluded from these financial statements.

Pharmacy Rebates

Rebates due from the third-party administrators are recorded when earned. Rebates due as of the financial statement date have been reported as a receivable, with the offset being netted against claims paid.

Reinsurance

The Plan maintained stop-loss insurance relating to medical and prescription claims in the amount of \$400,000 for both 2024 and 2023, per individual specific deductible. In both 2024 and 2023, reinsurance premiums were \$1.5 million.

Risks that have been reinsured under the stop-loss agreement are treated as though they were not risks for which the Plan is liable, and consequently, no obligation has been provided for such contingencies. In 2024 and 2023, the stop loss reimbursement amounts were \$1.8 million and \$1.3 million respectively, which reduce benefits paid to participants.

Benefit Obligations

Benefit obligations represent the liability for all claims incurred including claims incurred but not reported at the end of the year. Benefit obligations at December 31, 2024 and 2023 are based on a review of actual claims paid subsequent to December 31, 2024 and 2023, respectively, to determine total claims incurred prior to each year-end. Due to uncertainties inherent in estimating benefit obligations, it is at least reasonably possible that changes in these estimates in the near term will be material to the financial statements.

(3) Risks and Uncertainties

The Plan invests in various investment securities. The Plan's investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investments, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and those changes could materially affect the amounts reported in the financial statements of the Plan.

(4) Reconciliation to Form 5500

ASSOCIATED BANC-CORP**GROUP HEALTH PLAN**

Notes to Financial Statements

December 31, 2024 and 2023

The following is a reconciliation of net assets available for plan benefits per the financial statements at December 31, 2024 and 2023 to Form 5500:

(\$ in thousands)	2024	2023
Net assets available for plan benefits per the financial statements	\$ 6,269	\$ 7,747
Less: Amounts allocated to benefit claims currently payable	2,886	4,358
Net assets available for plan benefits per the Form 5500	<u>\$ 3,383</u>	<u>\$ 3,389</u>

The following is a reconciliation of benefits paid to participants per the financial statements at December 31, 2024 and 2023 to Form 5500:

(\$ in thousands)	2024	2023
Benefits paid to participants per the financial statements	\$ 45,165	\$ 39,497
Change in amounts allocated to benefit claims currently payable	(1,472)	794
Benefits paid to participants per the Form 5500	<u>\$ 43,693</u>	<u>\$ 40,291</u>

(5) Tax Status

The Voluntary Employees' Benefit Association trust, which funds certain benefits of the Plan, received an exemption letter from the Internal Revenue Service dated October 6, 2006, stating that the Trust is tax-exempt under the provisions of Section 501(c)9 of the Internal Revenue Code (IRC). As a result of the Plan's funding policy, from time to time the Trust may be subject to income taxes related to unrelated business taxable income which is included within administrative expenses.

In addition, the Plan and the Trust are required to operate in conformity with the IRC to maintain the tax exempt status of the Trust. The Plan's management believes that the Plan is being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the related Trust is tax-exempt.

(6) Fair Value Measurements

Fair value represents the estimated price at which an orderly transaction to sell an asset or to transfer a liability would take place between market participants at the measurement date under current market conditions (i.e., an exit price concept).

Money Market Fund: At December 31, 2024, and 2023 the Plan's only investment was the Goldman Sachs Government Money Market Institutional Fund, whose investments are in short-term debt securities designed to maximize current income with liquidity and capital preservation. This investment is measured at fair value using the NAV per share (or its equivalent) practical expedient and therefore has not been classified in the fair value hierarchy.

(7) Subsequent Events

The Plan's management has evaluated the effects on the Plan financial statements of subsequent events for potential recognition or disclosure through October 6, 2025, the date the financial statements were available to be issued. During this period, there have been no material events that would require recognition in the financial statements or disclosures to the financial statements.
