Report on the Audit of the Financial Statements

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Wisconsin Public Services Corporation Administrative Employees' Health Care Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits and statements of benefit obligations as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits and statement of changes in benefit obligations for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Wisconsin Public Services Corporation Administrative Employees' Health Care Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Wisconsin Public Services Corporation Administrative Employees' Health Care Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Wisconsin Public Services Corporation Administrative Employees' Health Care Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Plan Administrator
Wisconsin Public Service Corporation
Administrative Employees' Health Care Plan

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Wisconsin Public Services Corporation Administrative Employees' Health Care Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Wisconsin Public Services Corporation Administrative Employees' Health Care Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

NOTE 1 DESCRIPTION OF THE PLAN

The following description of the Wisconsin Public Service Corporation Administrative Employees' Health Care Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan was established on January 1, 1925 to provide eligible employees and retirees and their dependents and surviving spouses with health, dental, and vision benefits subject to certain limitations as defined in the Plan document. The Plan was most recently restated effective January 1, 2016. Effective January 1, 2018, the Plan was amended and all active employees and their dependents and surviving spouses are covered under the WEC Energy Group Welfare Plan and only retirees and their dependents and surviving spouses are covered under the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Effective January 1, 2018, the Plan covers only administrative retirees of participating subsidiaries and affiliates. Specifics can be found in the summary plan description.

Some retirees in this group have an opportunity to make a one-time election to defer entry into the Plan.

Plan Sponsor

Wisconsin Public Service Corporation, a subsidiary of WEC Energy Group, Inc. (WEC or the Company), is the Plan Sponsor.

Plan Administration

The WEC Employee Benefits Committee, which consists of Company employees, is responsible for administration of the Plan. The WEC Investment Trust Policy Committee, which consists of Company employees, administers the Plan assets.

The Northern Trust Company serves as the Plan's qualified institution, also known as the Trustee. The qualified institution has custody of all cash and investments including the 401(h) Account.

Third-party administrators are engaged to process benefit claims. Payments are made by the third-party administrators directly to hospitals, doctors, other suppliers of medical services, or to the participants as approved. To be eligible for reimbursement, claims for covered services must be submitted to the third-party administrator within the period of time designated in the respective summary plan description for the participant group.

NOTE 1 DESCRIPTION OF THE PLAN (CONTINUED)

Benefits

Health care benefits are provided through the Plan. The Plan provides medical, dental, and vision benefits to eligible retired employees and their dependents that elect to participate in the Plan. Employees that retire on or after January 1, 2013 are not eligible for retiree dental benefits.

Contributions

Company contributions to the Plan are based on a determination by the Plan's actuary and Plan funding requirements. The Company's funding policy is to contribute an amount not to exceed the maximum tax deductible amount allowed by the Internal Revenue Service (IRS). Participant contributions are actuarially determined and updated on an annual basis.

Administrative employees who retired are provided access to the Plan for health benefits coverage on an elective basis. If retired employees elect to obtain health care coverage through the Plan, they are generally charged a premium. Retiree contribution varies by subsidiary and when participant retires. Participants, other than Michigan Gas Utilities (MGU) or Minnesota Energy Resources (MER) employees, who retired after January 1, 2001, and before January 1, 2013, pay 100% of the estimated cost of the benefits and those who retired before January 1, 2001, pay an amount that varies depending on the type of coverage selected.

All MGU and MER employees retiring on or after January 1, 2005, receive a Premium Reduction Credit, equal to \$1,500 multiplied by years of service, to pay for retiree and spouse medical benefit coverage. Effective January 1, 2008, the premium reduction credit earned by a retiring employee equals \$1,500 multiplied by years of service prior to January 1, 2013, plus \$4,000 for each year of service earned after the later of January 1, 2013, and age 45. Once the premium reduction credits are exhausted, retirees pay 100% of the premium.

For MGU and MER employees that retired prior to January 1, 2005, benefit coverage provisions and retiree contributions vary by group.

The Retiree Medical Contribution Credit earned by a retiring employee of \$4,000 for each year of service earned after the later of January 1, 2013, and age 45 became effective for all administrative employees hired on or after January 1, 2008. The Retiree Medical Contribution Credit also applies to all eligible administrative employees who retired after December 31, 2012. Once the Retiree Medical Contribution Credit is exhausted, applicable retirees pay 100% of the premium.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements have been prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets, liabilities, benefit obligations and changes therein, claims incurred but not reported, claims payable, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Investment income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Administrative Expenses

The Plan pays administrative expenses that consist primarily of administrative fees paid to third-party claims administrators, the qualified institution, and actuary. These expenses are reported on the statement of changes in net assets available for benefits as administrative expenses. All other administrative expenses, such as professional fees, are paid by the Company on behalf of the Plan.

Payment of Benefits

Claim payments are recorded when paid by the third-party claims processor. Amounts due to claims processors that have yet to be reimbursed by the Plan are recorded as payable to claims administrators in the accompanying statements of net assets available for benefits.

Premiums paid are recorded as premium payments in the accompanying statement of changes in net assets available for benefits.

Postretirement Benefit Obligations

The Plan's deficiency of net assets over postretirement benefit obligations at December 31, 2025, relates to the postretirement benefit obligations. It is expected that the deficiency will be funded through future Company contributions.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Subsequent Events

Plan management has evaluated subsequent events and transactions for potential recognition or disclosure in the financial statements through July 30, 2026, the date the financial statements were available to be issued, and is not aware of any subsequent events that would require recognition or disclosure.

NOTE 3 CERTIFICATION OF INVESTMENT INFORMATION

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

The Northern Trust Company, the qualified institution of the Plan, has supplied the Plan administrator with a certification as to the completeness and accuracy of all investment information reflected on the accompanying statements of net assets available for benefits as of December 31, 2025 and 2024, and the statement of changes in net assets available for benefits for the year ended December 31, 2025, with the exception of investments within the 401(h) account for private equity funds (total fair value of \$1,594,150 and \$1,538,476 at December 31, 2025 and 2024, respectively, and total investment income of \$151,461 for the year ended December 31, 2025) and with the exception of collateral received for securities lending (total fair value of \$1,126,136 and \$1,122,911 at December 31, 2025 and 2024, respectively, and total investment income of \$2,021, for the year ended December 31, 2025).

NOTE 4 POSTRETIREMENT BENEFITS

The postretirement benefit obligations represent the actuarial present value of those estimated future benefits that are attributable to employee service rendered to December 31. Postretirement benefits include future benefits expected to be paid to or for (i) currently retired or terminated employees and their beneficiaries and dependents and (ii) active employees and their beneficiaries and dependents after retirement from services. Prior to an active employee's full eligibility date, the postretirement benefit obligation is the portion of the expected postretirement benefit obligation that is attributed to that employee's service rendered to the valuation date.

The actuarial present value of the expected postretirement benefit obligation is determined by the Plan's actuary and is the amount that results from applying actuarial assumptions to historical claims-cost data to estimate future annual incurred claims costs per participant and adjusting such estimates for the time value of money (through discounts for interest) and the probability of payment (by means of decrements such as those for death, disability, withdrawal, or retirement) between the valuation date and the expected date of payment.

NOTE 4 POSTRETIREMENT BENEFITS (CONTINUED)

The December 31, 2025 postretirement obligations were estimated using medical trend cost rates specific to pre-Medicare/post-Medicare benefits.

- Pre-Medicare Plan: Medical/Rx trend cost rates begin at 8.00%, reducing each year until reaching 5.00% in 2032.
- Post-Medicare Plan: Medical trend rate is a composite of:
 - Gross trend rate applied to estimated medical/Rx claims begins at 10.00%, reducing each year until reaching 5.00% in 2034; and
 - CMS/Pharma trend rate applied to third party funding begins at 9.00%, reducing each year until reaching 5.00% in 2034.
- Dental cost trend is 5.00% in all years.
- The annual discount rate used was 5.10% at December 31, 2025.

The December 31, 2024 postretirement obligations were estimated using medical trend cost rates specific to pre-Medicare/post-Medicare benefits.

- Pre-Medicare Plan: Medical/Rx trend cost rates begin at 7.00%, reducing each year until reaching 5.00% in 2033.
- Post-Medicare Plan: Medical trend rate is a composite of:
 - Gross trend rate applied to estimated medical/Rx claims begins at 6.00%, reducing each year until reaching 5.00% in 2030; and
 - CMS/Pharma trend rate applied to third party funding begins at 5.60%, reducing each year until reaching 5.00% in 2030.
- Dental cost trend is 5.00% in all years.
- The annual discount rate used was 5.55% at December 31, 2024.

The health care cost trend rate assumption has a significant effect on the amounts reported in the statements of benefit obligations and statement of changes in benefit obligations. Increasing both the medical and dental cost trend rates by 1% would increase the total postretirement benefit obligations as of December 31, 2025 and 2024 by approximately \$371,751 and \$376,277, respectively.

For December 31, 2025 and 2024 measurements, the mortality assumption for healthy lives was based on the Pri-2012 headcount weighted healthy annuitant (retiree and contingent) and non-annuitant mortality tables (with white collar adjustment). The mortality assumptions for disabled lives was based on the Pri-2012 headcount weighted disabled mortality table. Mortality rates were projected using a generational projection scale that uses MP-2020 rates in 2012 and converges to a long-term improvement rate similar to that of the Social Security Administration with separate improvement tables for males and females.

The foregoing actuarial assumptions are based on the presumption that the Plan will continue. If the Plan were to terminate, different actuarial assumptions and other factors might be applicable in determining the actuarial present value of postretirement benefit obligations.

NOTE 5 TAX STATUS

The Trust established under the Plan to hold the Plan's assets is intended to qualify pursuant to Section 501(c)(9) of the Internal Revenue Code (IRC) and, accordingly, the Plan's and Trust's net investment income is exempt from income taxes but subject to unrelated business income tax (UBIT). The Plan and related Trust have obtained an exemption letter dated July 28, 1978 from the IRS, and the Plan Sponsor believes that the Plan and Trust, as amended, continue to qualify and to operate in accordance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements. Additionally, no provision for UBIT was necessary.

In addition, the Plan and Trust are required to operate in conformity with the IRC to maintain the tax-exempt status of the Trust. The Plan administrator believes that the Plan is being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the related Trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 6 PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to modify benefits to participants, to discontinue its contributions at any time, and to terminate the Plan subject to the provisions set forth in ERISA. In the event of termination of the Plan, remaining assets will be applied in a uniform and nondiscriminatory manner toward the provision of benefits or for on account of the participants. No assets of the Plan may revert to the Company or be used for purposes other than for the exclusive benefit of the Plan's participants.

NOTE 7 PARTY-IN-INTEREST TRANSACTIONS

As described in Note 1 and 2, the Plan has several arrangements with service providers. Any transactions with the service providers are party in interest transactions under ERISA.

Certain benefit payments that are paid by WEC Business Services, LLC and reimbursed by the Plan qualify as exempt party-in-interest transactions.

Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan. These transactions are not, however, considered prohibited transactions under Section 408(b) of the ERISA regulations.

NOTE 8 401(h) ACCOUNT

In accordance with IRC Section 401(h), a portion of the Plan's obligations are funded through contributions to the WEC Energy Group Retirement Plan for Michigan Gas Utilities Corporation, the WEC Energy Group Retirement Plan for Minnesota Energy Resources Corporation, the WEC Energy Group Retirement Plan for Wisconsin Public Service Corporation, and the WEC Energy Group Retirement Plan for WEC Business Services ("Defined Benefit Plans"). A separate account has been established and maintained in the Defined Benefit Plans for such contributions. In accordance with IRS Code Section 401(h), the Plan's investments in the 401(h) Account may not be used for, or diverted to, any purpose other than providing health benefits for retirees and their beneficiaries. The related obligations for health and welfare benefits are not included in the Defined Benefit Plans' obligations, but are reported as obligations in the accompanying financial statements of the Plan.

Deposits from the Plan, along with deposits from other participating plans, are commingled in the Integrys Energy Group Master Retirement Trust. Each participating plan's interest in the Integrys Energy Group Master Retirement Trust is based on its beginning of the year interest in the Integrys Energy Group Master Retirement Trust, plus actual contributions and monthly allocated investment income, less actual distributions and monthly allocated administrative expenses.

A summary of changes in net assets held in the Defined Benefit Plans restricted for the 401(h) Account for the year ended December 31, 2025 is as follows:

Net Income:

Net Appreciation in Fair Value of Investments	\$ 1,052,139
Other Income	63,238
Interest and Dividends	<u>347,938</u>

NOTE 9 RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of the investment securities will occur in the near term and those changes could materially affect the amounts reported in the statements of net assets available for benefits.

The actuarial present value of benefit obligations is reported based on certain assumptions pertaining to interest rates, healthcare inflation rates, and employee demographics, all of which are subject to change. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near term would be material to the financial statements.

NOTE 10 RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The Plan's net assets per the financial statements include assets related to 401(h) benefits provided by the Defined Benefit Plans. These assets are excluded from the Plan's net assets on the Form 5500 in accordance with IRS requirements.

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 as of December 31:

	<u>2025</u>	<u>2024</u>
Net Assets Available for Benefits per the Financial Statements	\$ 15,404,628	\$ 16,355,409
Net Assets Held in Defined Benefit Plans Restricted for 401(h) Account	<u>(15,404,628)</u>	<u>(16,355,409)</u>
Net Assets per Form 5500	<u><u>\$ -</u></u>	<u><u>\$ -</u></u>

The following is a reconciliation of net decrease in net assets available for benefits per the financial statements to the Form 5500 for the year ended December 31, 2025:

Net Decrease in Net Assets Available for Benefits per the Financial Statements	\$ (950,781)
Add: Net Decrease in 401(h) Account	<u>950,781</u>
