HPI Health Care and Benefits Plan

Financial Statements

As of December 31, 2025 and 2024

Independent Auditor's Report

To the Board of Directors
HPI Health Care and Benefits Plan
Austin, Texas

Opinion

We have audited the financial statements of HPI Health Care and Benefits Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of HPI Health Care and Benefits Plan as of December 31, 2025 and 2024, and the changes in its net assets available for benefits for the year ended December 31, 2025, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of HPI Health Care and Benefits Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the basis of accounting, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

"Wipfli" is the brand name under which Wipfli LLP and Wipfli Advisory LLC and its respective subsidiary entities provide professional services. Wipfli LLP and Wipfli Advisory LLC (and its respective subsidiary entities) practice in an alternative practice structure in accordance with the AICPA Code of Professional Conduct and applicable law, regulations, and professional standards. Wipfli LLP is a licensed independent CPA firm that provides attest services to its clients, and Wipfli Advisory LLC provides tax and business consulting services to its clients. Wipfli Advisory LLC and its subsidiary entities are not licensed CPA firms.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about HPI Health Care and Benefits Plan's ability to continue as a going concern for at least one year following the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of HPI Health Care and Benefits Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

"Wipfli" is the brand name under which Wipfli LLP and Wipfli Advisory LLC and its respective subsidiary entities provide professional services. Wipfli LLP and Wipfli Advisory LLC (and its respective subsidiary entities) practice in an alternative practice structure in accordance with the AICPA Code of Professional Conduct and applicable law, regulations, and professional standards. Wipfli LLP is a licensed independent CPA firm that provides attest services to its clients, and Wipfli Advisory LLC provides tax and business consulting services to its clients. Wipfli Advisory LLC and its subsidiary entities are not licensed CPA firms.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about HPI Health Care and Benefits Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of Schedule H, line 4i - Schedule of Assets (Held at End of Year), as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying supplemental schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

HPI Health Care and Benefits Plan

Notes to Financial Statements

1. Description of Plan

The following description of the HPI Health Care and Benefits Plan (the Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan was established by LeadingAge Texas Health Plan, Inc. (the Plan Sponsor) on June 12, 2019, with plan coverage first effective January 1, 2020, to provide health and other benefits to eligible employees and covered dependents of the member employers of the Plan. Certain Plan assets are held in a voluntary employees' beneficiary association (VEBA) trust. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The Plan is funded by its participating employers (member employers) and their employees and governed by a Board of Directors elected by the member employers. The Directors are voluntary, unpaid persons.

Benefits

The Plan provides health and other benefits including medical and prescription drug benefits to eligible participants and covered dependents. The Plan also provides continuation of certain benefits upon termination of employment through the Consolidated Omnibus Budget Reconciliation Act (COBRA). Health benefit claims for participants and their dependents are processed by the claims administrator. The responsibility for payments to providers is retained by the Plan.

Current health claims of active participants and their dependents are provided by funding payments made into the Plan by the member employers and participants. In addition, the Plan has entered into a stop-loss insurance contract to protect the Plan for health claims over specified amounts.

Contribution

The expected cost of coverage and contribution rates for the coverages available under the Plan are actuarially determined. The member employer and participant portion of the contributions is based on the coverage option selected. In the event the Plan does not have funds available to pay benefits, the member employers will be required to make additional contributions to pay for the benefits.

In addition, under COBRA, participants have the right to choose continuation of coverage in instances where coverage under the Plan would otherwise end. COBRA participants are required to pay their entire premium for the continuation of coverage.

HPI Health Care and Benefits Plan

Notes to Financial Statements

1. Description of Plan (Continued)

Administrative Expenses

The various services performed for the support of the Plan are contracted. LeadingAge Texas, Inc. also provides services to the Plan in accordance with an agreement to share services and reimburse expenses. The Plan pays all administrative expenses of the Plan.

Plan Termination

Although they have not expressed any intention to do so, the Plan's Board of Directors has the right under the Plan to terminate or dissolve the Plan, by delivering to the member employers and the Texas Insurance Commissioner written notice of such plan of termination or dissolution. In the event of termination of the Plan, remaining assets will be applied in a uniform and nondiscriminatory manner toward the satisfaction of liabilities and the provision of benefits for or on account of member employers and their employees.

2. Summary of Accounting Policies

Basis of Accounting

The accompanying financial statements of the Plan have been prepared in accordance with accounting principles generally accepted in the United States (GAAP).

Use of Estimates

The preparation of financial statements, in conformity with the basis of accounting, requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, benefit obligations and the changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from estimated amounts.

Receivables

Contributions are billed monthly to the member employers on the first of the month. Amounts outstanding from member employers are listed as contributions receivable. The Plan records credit losses using the direct write-off method, which for the Plan is deemed to not be materially different than GAAP. Delinquent receivables are written off based upon a review of outstanding receivables, historical collection information, and existing economic conditions. There were no credit losses for the year ended December 31, 2025. Member employers remit the contributions to the claims administrator. Amounts received by the claims administrator, but not yet remitted to the Plan's bank account due to timing are presented as due from the claims administrator, when applicable.

HPI Health Care and Benefits Plan

Notes to Financial Statements

2. Summary of Accounting Policies (Continued)

Receivables (Continued)

During 2024, the Plan identified that the claims administrator had paid claims submitted after the health care provider's submission cutoff. As a result, the Plan recorded an overpaid claims receivable of \$284,892 as of December 31, 2024, which was received by the plan in 2025. No such overpayments or related receivables existed as of December 31, 2025.

Cash and cash equivalents

Cash and cash equivalents consist of \$1,303,195 in noninterest bearing cash and \$1,815,990 in a bank money market account, and are reported at cost.

Claims

Claims are recorded when paid.

Claims Review

Claims processed for payment by the claims administrator are subject to further review at the discretion of the Plan. Refunds received or additional claims paid as a result of any reviews are reflected in the year when the claims review has been completed by the Plan.

Benefit Obligations

The Plan obligations for claims incurred but not reported at December 31, 2025 and 2024, are estimated by the Plan's actuary in accordance with accepted actuarial principles based on claims data provided by the Plan's third-party administrator. These amounts are paid by the Plan only if claims are submitted and approved for payment.

Subsequent Events

Management has evaluated subsequent events through March 26, 2026, the date the financial statements were available to be issued.

HPI Health Care and Benefits Plan

Notes to Financial Statements

3. Stop Loss

In an effort to limit its exposure, the Plan maintains a stop-loss policy for incurred claims beyond the deductibles. The maximum exposure per covered person is \$125,000. Up to \$1,000,000 in losses over the aggregate deductible of \$12,128,543 are also covered by the stop-loss policy. Premiums for stop loss insurance are included in insurance premiums in the accompanying statement of changes in net assets available for benefits. Stop loss reimbursements totaling \$720,946 have been netted with claims paid in the accompanying statement of changes in net assets available for benefits for the year ended December 31, 2025.

4. Risk Concentration

The Plan at times has cash deposits which exceeded the \$250,000 insured limit provided by the Federal Deposit Insurance Corporation (FDIC). The Plan has not experienced any losses on such accounts for balances in excess of the FDIC insurance. Management believes the Plan is not exposed to any significant credit risk related to those accounts.

The Plan has three member employers who accounted for approximately 50% of total revenue for the year ended December 31, 2025.

5. Tax Status

The VEBA trust funding benefits of the Plan received an exemption letter from the Internal Revenue Service (IRS) dated February 3, 2021, and effective June 12, 2019, stating that the trust is tax-exempt under the provisions of Section 501 (c) (9) of the Internal Revenue Code (IRC). However, as a result of the Plan's funding policy, from time to time the trust may be subject to income taxes. No federal or state income taxes have been recorded in 2025 for unrelated business taxable income.

In addition, the Plan and the trust are required to operate in conformity with the IRC to maintain the tax-exempt status of the trust. The plan administrator believes that the Plan is being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the related trust is tax-exempt.

Plan management is required to evaluate tax positions taken by the Plan and recognize a tax liability if it has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

HPI Health Care and Benefits Plan

Notes to Financial Statements

6. Related-Party Transactions and Party-In-Interest Transactions

The Plan has entered into an expense sharing agreement with a member employer, LeadingAge Texas, for the Plan to reimburse the member employer for use of personnel, equipment, and facilities by the Plan. During the year ended December 31, 2025, the expenses paid to the related party under the expense sharing agreement were \$231,234.

As of December 31, 2025 and 2024, the related party payable amounted to \$30,703 and \$19,985, respectively.

The Plan has contractual arrangements with several service providers. Amounts paid to these service providers are considered party-in-interest transactions.

7. Rebates and Refunds

Rebates and refunds totaling \$680,214 have been netted with claims paid in the accompanying statement of changes in net assets available for benefits for the year ended December 31, 2025. Certain rebates may be subject to post-payment review and adjustment.

8. Benefit Obligations
