The 401(k) Fiduciary Committee
Forstrom Bancorporation 401K Plan and Trust
Clara City, Minnesota

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Forstrom Bancorporation 401(k) Plan and Trust, (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedules Required by ERISA

The supplemental schedule H, line 4i – schedule of assets held at end of year and schedule H, line 4a – schedule of delinquent participant contributions as of or for the year ended December 31, 2025, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Forstrom Bancorporation 401(k) Plan and Trust

NOTES TO FINANCIAL STATEMENTS December 31, 2025 and 2024

NOTE 1: DESCRIPTION OF PLAN

The following description of the Forstrom Bancorporation 401(k) Plan and Trust ("Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is covering all eligible employees of Forstrom Bancorporation, Inc. and its wholly owned subsidiaries (the "Company") who have completed two months of service and are age 18 or older. Employees are eligible to participate in the elective deferral contributions and the safe harbor non-elective contributions the first day of the calendar month, coinciding with or following the date they completed two months of service. The Plan excludes employees who are members of a collective bargaining agreement and non-resident aliens. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan's 401(k) Fiduciary Committee determines the appropriateness of the Plan's investment offerings and monitors investment performance.

Contributions

Each year, participants may contribute up to 100% of their pretax annual compensation, as defined in the Plan. Contributions are subject to certain statutory limitations. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. The Plan allows participants to designate contributions as Roth 401(k) contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. Participants may change their investment options daily. The Plan currently offers certificates of deposit, various mutual funds, and a common collective fund as investment options for participants. The Company contributes 3% of eligible employees gross compensation. Additional amounts may be contributed at the discretion of the Company's Board of Directors. No such additional discretionary contributions were made for the year ended December 31, 2025.

The Plan includes an auto-enrollment provision whereby all participants whose Plan entry is on or after January 1, 2025 are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 4% of eligible compensation and their contributions invested in a designated fund until changed by the participant. The Plan also includes an auto-escalation provision whereby the automatic enrollment deferral percentage will increase by 1% (up to a maximum of 10%) on the first day of the Plan year following the initial automatic enrollment.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's safe harbor contributions and, (b) Plan earnings (losses), and charged with an allocation of any administrative expenses paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTES TO FINANCIAL STATEMENTS December 31, 2025 and 2024

NOTE 1: DESCRIPTION OF PLAN (Continued)

Vesting

Participants are immediately vested in their contributions, and employer contributions, plus actual earnings thereon.

Payment of Benefits

On termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or the participant can choose to receive periodic payments to satisfy the required minimum distribution rules. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. A terminated participant with a balance of less than \$7,000 may be automatically paid out by the Plan upon termination. Any terminated participants with a balance between \$200 and \$7,000 can still be automatically paid out if their balance is rolled into a qualified Individual Retirement Account. The Plan allows for in-service or hardship distributions subject to Plan limitations. In 2024, the Plan began to allow for the self-certification of these hardships by participants.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan have been prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

The classification of investment earnings reported in the statement of changes in net assets available for benefits may differ from the classification of earnings on Form 5500 due to different reporting requirements on Form 5500.

Contributions

Participant contributions and the related Company safe harbor matching contributions are recorded in the year in which the employee contributions are withheld from compensation.

Forstrom Bancorporation 401(k) Plan and Trust

NOTES TO FINANCIAL STATEMENTS December 31, 2025 and 2024

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid by the Company and are therefore excluded from these financial statements. Investment-related expenses are included in the net appreciation (depreciation) in fair value of investments. Fees related to the general administration of the Plan are recorded as deductions in the accompanying statement of changes in net assets available for benefits.

NOTE 3: FAIR VALUE MEASUREMENTS

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consists of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and significant to the fair value measurement. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. There are no Plan assets requiring the use of Level 3 inputs for the periods presented.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Level 1 Fair Value Measurements

Mutual Funds (including money market mutual funds): The fair value of mutual funds is based on quoted net asset values of the shares as reported by the fund. The mutual funds held by the Plan are open-end mutual funds registered with the U.S. Securities Exchange Commission. The funds must publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are considered actively traded.

Level 2 Fair Value Measurements

Certificates of Deposit: Valued at carrying value, which approximates fair value, based on the amount of contributions plus any investment earnings allocated to the account.

Forstrom Bancorporation 401(k) Plan and Trust

NOTES TO FINANCIAL STATEMENTS December 31, 2025 and 2024

NOTE 3: FAIR VALUE MEASUREMENTS (Continued)

Common Collective Funds: Valued at fair value based on the NAV of units held of the collective fund. The NAV, as provided by the trustee/custodian is used as a practical expedient to estimate fair value. The NAV is based on the observable market prices of the underlying investments within the fund less liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair values as of December 31, 2025 and 2024:

Assets at Fair Value as of December 31, 2025			
	Level 1 Inputs	Level 2 Inputs	Level 3 Inputs

NOTES TO FINANCIAL STATEMENTS December 31, 2025 and 2024

NOTE 3: FAIR VALUE MEASUREMENTS (Continued)

Investments Measured Using the Net Asset Value per Share Practical Expedient.

In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2025 and 2024, respectively. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

<u>December 31, 2025</u>	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency (If Currently Eligible)</u>	<u>Redemption Notice Period</u>
Stable value collective trust fund	\$ 457,450	n/a	daily	12 months
<u>December 31, 2024</u>	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency (If Currently Eligible)</u>	<u>Redemption Notice Period</u>
Stable value collective trust fund	\$ 183,972	n/a	daily	12 months

NOTE 4: CERTIFIED INFORMATION

Other than the Plan's certificates of deposit investment and the related interest income, certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments held at December 31, 2025 and 2024, and net appreciation (depreciation) in fair value of investments, interest and dividends, for the year ended December 31, 2025, was obtained by management and agreed to or derived from information certified as complete and accurate by Hand Benefits & Trust Company for the period January 1, 2025 to December 31, 2025 (the custodian of the plan). Certificates of deposit of \$2,306,299 and \$2,366,145 as of December 31, 2025 and 2024, respectively, and interest income of \$88,570 for the year ended December 31, 2025 were not certified by the custodian.

Forstrom Bancorporation 401(k) Plan and Trust

NOTES TO FINANCIAL STATEMENTS December 31, 2025 and 2024

NOTE 5: CERTIFICATES OF DEPOSIT

Certificates of deposit consist of amounts on deposit at a wholly owned subsidiary of Forstrom Bancorporation, Inc., the Plan sponsor and an FDIC insured bank, with a variable interest rate of 3.70% at both December 31, 2025 and 2024, with maturities of one year or less. Three deposits of \$438,997, \$381,765, and \$264,731 are in excess of federally insured limits at December 31, 2025.

NOTE 6: RELATED PARTY TRANSACTIONS AND PARTY IN INTEREST TRANSACTIONS

Certain Plan investments are certificates of deposit issued by a wholly owned subsidiary of Forstrom Bancorporation, Inc., the Plan sponsor and an FDIC insured bank, as defined by the Plan. Fees paid by the Plan for the investment management services amount to \$68,311 for the year ended December 31, 2025. As described in Note 2, the Plan paid certain expenses related to Plan operations and investment activity to various service providers.

These related party and party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTE 7: PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. Any unallocated assets of the Plan shall be allocated to participant accounts and distributed in such a manner as the Company may determine.

NOTE 8: TAX STATUS

The Plan uses a pre-approved plan document sponsored by Benefit Plans Administrative Services LLC, which received an opinion letter from the Internal Revenue Service (IRS), dated June 30, 2020, stating that the plan is acceptable for use by employers for the benefit of employees under the provision of the Internal Revenue Code (IRC).

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 9: RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or global conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Forstrom Bancorporation 401(k) Plan and Trust

NOTES TO FINANCIAL STATEMENTS December 31, 2025 and 2024

NOTE 10: SUBSEQUENT EVENTS

The Plan Sponsor has evaluated subsequent events through July 28, 2026, the date which the financial statements were available to be issued.

NOTE 11: PLAN AMENDMENTS

Effective January 1, 2025, the Plan was amended for the following:

- Auto-enrollment of 4% pre-tax deferrals for participants hired on or after January 1, 2025
- Auto-increase of 1% up to a maximum of 10% on the first day of the Plan year
- Individual brokerage accounts now permitted

NOTE 12: DELINQUENT PARTICIPANT CONTRIBUTIONS

The Plan failed to deposit participant contributions within the timeframe required by ERISA in both 2025 and 2024. The general expectation is that funds should be remitted within 2-3 days of the pay date. For 2025, there were two pay periods with delinquent contributions that totaled \$39,072. The Plan is currently in the process of correcting lost earnings for the 2025 late contributions.

For 2024, delinquent contributions of \$73,100 from the December 27, 2024 payroll were deposited and allocated to participants' plan accounts on February 14, 2025. In addition, associated 2024 lost earnings of \$525 were deposited and allocated to accounts on September 4, 2025. The Plan corrected these delinquencies outside of the US Department of Labor's Voluntary Fiduciary Correction Program (VFCP). These delinquent contributions were reported on Schedule H, Line 4a of IRS Form 5500.
