INDEPENDENT AUDITORS' REPORT

To the Plan Administrator and Trustees of the
Arnold Lumber Company 401(k) Employee Savings Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the Arnold Lumber Company 401(k) Employee Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the Statements of Net Assets Available for Plan Benefits as of December 31, 2025 and 2024, and the related Statement of Changes in Net Assets Available for Plan Benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024 and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

ARNOLD LUMBER COMPANY 401(K) EMPLOYEE SAVINGS PLAN
NOTES TO THE FINANCIAL STATEMENTS
December 31, 2025 and 2024

1. Description of the Plan

The following description of the Arnold Lumber Company 401(k) Employee Savings Plan (the Plan) is intended to provide only general information regarding the Plan. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General

The Plan is a participant-directed defined contribution plan covering all eligible employees of Arnold Lumber Co. (the Plan sponsor or Employer) who have completed two months of service and are age 18 or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan sponsor is also the Plan Administrator, with the trustees of the Plan being officers of the Employer. As Plan Administrator, the Plan sponsor has the exclusive authority and responsibility for all matters in connection with the operation and administration of the Plan.

The Plan's custodians are Empower Annuity Insurance Company of America (EAIC) and Empower Trust Company, LLC (collectively, Empower). EAIC is also the Plan's recordkeeper. Charles Schwab Corporation is the broker for the self-directed brokerage account offered by the Plan.

Eligible employees are enrolled in the Plan on January 1, April 1, July 1, or October 1, coinciding with or following satisfaction of eligibility requirements. Effective May 1, 2026, the Plan was amended to change the Plan's entry dates to monthly.

Contributions

Participants may elect to contribute up to 100% of their eligible annual pretax compensation not to exceed annual limitations as provided by the Internal Revenue Code (IRC). If a participant has attained the age of 50 by the end of the calendar year, the participant may make catch-up contributions up to annual limits provided by the IRC. Effective January 1, 2025, the Plan adopted a provision of the Setting Every Community Up for Retirement Enhancement Act of 2022 (SECURE Act 2.0) permitting certain eligible participants to make increased catch-up elective deferrals referred to as "super catch-up" contributions. Under this provision, the maximum catch-up contribution for participants ages 60 to 63 increased from \$7,500 to \$11,250, indexed for inflation after 2025. Participants may also roll over amounts representing distributions from other qualified defined benefit or contribution plans.

At its discretion, the Employer may contribute a matching contribution equal to a percentage of each employee's salary deferral. During 2025, the Employer matched 20% of the amount that a participant contributes to the Plan up to a maximum of 15% of the participant's salary.

ARNOLD LUMBER COMPANY 401(K) EMPLOYEE SAVINGS PLAN
NOTES TO THE FINANCIAL STATEMENTS
December 31, 2025 and 2024

The Employer may also make discretionary profit-sharing contributions to the Plan, as determined by its Board of Directors. These contributions will be allocated based on a calculation factoring individual Plan participants' compensation in proportion to total compensation of all Plan participants and the participant must be employed on the last day of the Plan year to be eligible for an allocation of the profit-sharing contribution. There were no discretionary profit-sharing contributions made to the Plan during the year ended December 31, 2025.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Employer contributions, (b) Plan earnings (losses), and (c) administrative revenue (expenses). Plan earnings (losses) and administrative revenue (expenses) are allocated to participant accounts based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Participant Notes Receivable

Participants may borrow from their accounts up to a maximum of \$50,000 or 50% of their vested account balance, whichever is less. Participant notes receivable are treated as directed investments. Terms range from one to five years or a longer repayment term for the purchase of a principal residence. A participant may have no more than one outstanding loan at a time. The notes are secured by the balance in the participant's account and bear interest at a rate of prime plus 1%. Principal and interest is paid ratably through payroll deductions.

Payment of Benefits

Normal retirement age is the later of the date a participant reaches age 65 or the fifth anniversary of the first day of the Plan year in which participation in the Plan commenced. Upon normal retirement age, permanent disability, or death of a participant, the balance in the participant's account can be distributed to the participant or their beneficiaries in a lump sum. Upon termination of employment for reasons other than death, disability, or retirement, a participant's vested balance that is \$1,000 or less upon termination will be distributed to the participant in a lump-sum distribution. If a participant's vested balance exceeds \$1,000 and is equal to or less than \$7,000, the amount will be rolled over to an individual retirement account designated by the Employer, unless otherwise directed by the participant.

Effective January 1, 2025, the Plan adopted certain provisions of the SECURE Act 2.0, including an increase in the automatic cash-out threshold from \$5,000 to \$7,000. Additional SECURE Act 2.0 provisions may also apply based on plan design and future regulatory guidance.

ARNOLD LUMBER COMPANY 401(K) EMPLOYEE SAVINGS PLAN
NOTES TO THE FINANCIAL STATEMENTS
December 31, 2025 and 2024

If a participant has reached age 59½, distributions may be made, at the participant's election, from any accounts which are 100% vested without requiring the participant to terminate employment.

Hardship distributions are permitted from vested accounts.

Vesting

Contributions made by participants and the earnings thereon are fully vested and non-forfeitable at all times. Each participant shall be 100% vested in the Employer's discretionary matching and profit sharing contributions portion of their account upon attaining normal retirement age, death or disability.

A participant shall have a non-forfeitable and vested right to a percentage of the value of the Employer's contributions determined in accordance with the following schedule.

<u>Years of Vesting Service</u>	<u>Percentage</u>
Less than 2	0%
2 but less than 3	20%
3 but less than 4	40%
4 but less than 5	60%
5 but less than 6	80%
6 or more	100%

Forfeitures

Participants in the Plan who terminate employment before completing six years of service forfeit the non-vested portion of their accounts. Forfeited non-vested accounts may be used to reduce Employer contributions or pay administrative expenses. At December 31, 2025 and 2024, forfeited non-vested accounts, including interest thereon, and excluding administrative revenue (Note 2), totaled \$14,927 and \$19,377, respectively. Forfeited non-vested accounts totaling \$22,176 were used to reduce Employer contributions during the year ended December 31, 2025.

Plan Termination

The Employer expects to continue the Plan indefinitely, however, it reserves the right to amend the Plan or contributions thereto, at any time and in any manner that it deems advisable, provided that no amendment shall have the effect of diverting Plan assets for purposes other than for the exclusive benefit of the Plan participants and any Plan termination would be subject to the provisions of ERISA. If the Plan is terminated, the participants would become fully vested and entitled to receive all amounts credited to their accounts.

2. Summary of Significant Accounting Policies

Basis of Accounting

The Plan's financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

Valuation of Investments and Income Recognition

Investments are reported at fair value, except for the group annuity contract, which is reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Contract value represents investments at cost plus accrued interest income, less amounts withdrawn to pay benefits. The Plan Administrator determines the Plan's valuation policies utilizing information provided by the investment advisors, custodians and insurance company (Notes 3 and 4).

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Participant Notes Receivable

Participant notes receivable are measured at their unpaid principal balances plus any accrued but unpaid interest and are secured by the balance in the respective participant's account. Related fees are recorded as administrative expenses and are expensed when they are incurred. Interest income on participant notes receivable is recorded when it is earned. A receivable is considered past due if payment has not been received within the stated terms. Delinquent notes receivable from participants are reclassified as distributions based on the terms of the Plan document.

Contributions

Employee and Employer matching contributions are recorded weekly when the Employer remits the payroll deductions for investment into the Plan.

Payment of Benefits

Benefits are recognized when paid to participants or their designated beneficiaries.

ARNOLD LUMBER COMPANY 401(K) EMPLOYEE SAVINGS PLAN
NOTES TO THE FINANCIAL STATEMENTS
December 31, 2025 and 2024

Administrative Revenue and Expenses

Expenses incurred in the administration of the Plan are paid by the Employer unless the Employer directs that such expenses shall be paid by the Plan. Expenses that are paid by the Employer are excluded from these financial statements. Participant notes receivable set-up and maintenance fees are paid directly by the participants through a reduction in their account and are included in administrative expenses. Investment management fees for certain investments are included as a reduction of investment return (net appreciation or depreciation) and not reflected separately in the Statement of Changes in Net Assets Available for Plan Benefits.

Administrative revenue arises when investment managers return a portion of the investment fees to the recordkeeper to offset the administrative expenses. Any excess resulting from this revenue credit remains in an unallocated account from which future Plan expenses can be paid or allocated to participant accounts. The Plan received no administrative revenues during 2025. The Plan held unallocated administrative revenues, including interest thereon, of \$7,135 and \$7,033 at December 31, 2025 and 2024, respectively, within forfeited non-vested accounts. There were no administrative revenues used to reduce Plan expenses during the year ended December 31, 2025.

Use of Estimates

The preparation of financial statements in conformity with GAAP requires the Plan sponsor to make estimates and assumptions that affect certain reported amounts of assets, liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported changes in net assets. Accordingly, actual results may differ from those estimates.

Risks and Uncertainties

The Plan provides for various investment options with various investment objectives. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Plan Benefits.

The Plan invested in four mutual funds that accounted for approximately 62% and 63% of total Plan investments as of December 31, 2025 and 2024, respectively.

Financial Instruments with a Concentration of Credit Risk

The Plan's investments are held by two custodians. The Plan's exposure to credit risk is associated with the outside entities non-performance of their fiduciary responsibilities relating to these amounts as specified in the agreements with the custodians. Benefits provided by the Plan are not insured or guaranteed by the Pension Benefit Guaranty Corporation.

ARNOLD LUMBER COMPANY 401(K) EMPLOYEE SAVINGS PLAN
NOTES TO THE FINANCIAL STATEMENTS
December 31, 2025 and 2024

3. Fair Value Measurements

The framework for measuring fair value provides a hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives highest priority to unadjusted quoted prices in active markets for identical assets (level 1) and the lowest priority to unobservable inputs (level 3).

The three levels of the fair value hierarchy and inputs to the valuation methodologies are described as follows:

Level 1 inputs are unadjusted quoted prices in active markets for identical assets the Plan has the ability to access.

Level 2 inputs are other than quoted prices in active markets that are observable either directly or indirectly for the asset. Such inputs are derived principally from or corroborated by observable market data for similar assets by correlation or other means, over substantially the full contractual term of the asset, if applicable.

Level 3 inputs are unobservable and significant to the fair value measurement. Such inputs generally rely on the Plan's own assumptions about the assumptions that market participants would use in pricing the asset.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value on a recurring basis:

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

ARNOLD LUMBER COMPANY 401(K) EMPLOYEE SAVINGS PLAN
NOTES TO THE FINANCIAL STATEMENTS
December 31, 2025 and 2024

Collective Trust Funds: Valued at the NAV of units of a collective trust. The NAV, as provided by the custodian, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Unit values are determined by dividing the fund's net assets at fair value by its units outstanding at the valuation dates. Participant transactions (purchases and sales) may occur daily. There are no unfunded commitments or redemption restrictions for the individual participants within the Plan.

Self-directed Brokerage Account: Valued at the daily closing price reported on the active market on which the individual securities are traded. This account consists of common stock, cash, and exchange traded funds.

As of December 31, 2025, the Plan's investments are reported at fair value in the accompanying Statements of Net Assets Available for Plan Benefits as follows:

	<u>Level 1</u>	<u>Level 2</u>	<u>Total</u>
Mutual Funds	\$ 15,193,584	\$ -	\$ 15,193,584
Self-directed Brokerage Account	<u>-</u>	<u>61,545</u>	<u>61,545</u>
Total assets in the fair value hierarchy	<u>\$ 15,193,584</u>	<u>\$ 61,545</u>	15,255,129
Collective trust funds measured at NAV (a)			<u>2,160,627</u>
Total investments at fair value			<u><u>\$ 17,415,756</u></u>

As of December 31, 2024, the Plan's investments are reported at fair value in the accompanying Statements of Net Assets Available for Plan Benefits as follows:

	<u>Level 1</u>	<u>Level 2</u>	<u>Total</u>
Mutual Funds	\$ 12,980,958	\$ -	\$ 12,980,958

Total assets in the fair value hierarchy	<u>\$ 12,980,958</u>	<u>\$ 48,682</u>	13,029,640
Collective trust funds measured at NAV (a)			<u>1,742,865</u>
Total investments at fair value			<u><u>\$ 14,772,505</u></u>

ARNOLD LUMBER COMPANY 401(K) EMPLOYEE SAVINGS PLAN
NOTES TO THE FINANCIAL STATEMENTS
December 31, 2025 and 2024

- (a) In accordance with Subtopic 820-10, the collective trust funds were measured at NAV per share (or its equivalent) and have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value to the line items presented in the Statements of Net Assets Available for Plan Benefits.

4. Fully Benefit-responsive Investment Contract

The Plan's investment in the Empower Key Guaranteed Portfolio Fund, a group annuity contract, is a fully benefit-responsive investment contract. The crediting interest rate was 1.45% and 1.41% as of December 31, 2025 and 2024, respectively. The crediting interest rate is based on a formula agreed upon with the issuer and is reviewed on a quarterly basis for resetting.

There are no reserves against the contract value for credit risk of the contract issuer or otherwise. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. Certain events limit the Plan's ability to transact with Empower. Such events include the following: amendments to the Plan documents, changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, bankruptcy of the Employer or other Employer events that cause a significant withdrawal from the Plan, or the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan sponsor believes the occurrence of such events that would also limit the Plan's ability to transact at contract value with Plan participants is not probable.

5. Income Tax Status

The Plan is an adoption of a non-standardized pre-approved defined contribution plan which received an opinion letter from the Internal Revenue Service (IRS) dated November 30, 2020. Although the Plan has been amended since receiving the opinion letter, the Plan Administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain positions that more likely than not would not be sustained upon examination by the IRS. The Plan sponsor has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2025, there are no uncertain positions taken, or expected to be taken, that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTES TO THE FINANCIAL STATEMENTS
December 31, 2025 and 2024

8. Related Party Transactions and Party in-Interest Transactions

Plan investments are held and managed by Empower, and Charles Schwab is the broker for the self-directed brokerage account. Therefore, these transactions qualify as party-in-interest transactions. The Plan made direct payments to Empower for investment management services and administrative fees totaling \$44,933 for the year ended December 31, 2025. The Plan also utilizes LeafHouse Financial Advisors, LLC (LeafHouse) as its fiduciary investment advisor. As a service provider to the Plan, LeafHouse is considered a party in interest under ERISA. The Plan made direct payments to LeafHouse for fiduciary advisory services totaling \$7,904 for the year ended December 31, 2025. Participant notes receivable also qualify as party-in-interest transactions. In addition, certain officers of the Employer serve as trustees of the Plan.

Empower provides certain administrative services to the Plan and receives revenue from mutual fund service providers for services Empower provides to the funds. This revenue is used to offset certain amounts owed to Empower for its administrative services to the Plan. If revenue received by Empower from such mutual fund service providers exceeds the amount owed under the agreement, Empower remits the excess to the Plan's trust on a monthly basis. Such amounts may be applied to pay Plan administrative expenses or allocated to the accounts of the participants. No amounts were allocated to participants for the year ended December 31, 2025.

9. Subsequent Events

On January 23, 2026, the Plan Sponsor completed the sale of one of its business divisions. As a result of the transaction, certain employees who participated in the Plan ceased employment with the Plan Sponsor and generally became employees of the acquiring entity. The impact of the transaction on the Plan, including participant eligibility, vesting, and any potential partial plan termination considerations under the IRC and applicable regulations, is being evaluated by Plan management in consultation with its third-party administrator and ERISA counsel. If it is determined that a partial plan termination occurred, affected participants would become fully vested in their accounts to the extent required by applicable law.

As of the date these financials were available to be issued, the evaluation has not been completed and, accordingly, the financial impact, if any, of a potential partial plan termination has not been determined.

Management has evaluated subsequent events through August 3, 2026, which is the date these financial statements were available to be issued.
