Independent Auditor's Report

To the Plan Administrator and Participants
Haynes Furniture Company Retirement Savings Plan
Virginia Beach, Virginia

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the Haynes Furniture Company Retirement Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"), which comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements ("financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency ("qualified institution"), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section,

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters — Supplemental Schedule Required by ERISA

The supplemental schedule, as listed in the accompanying table of contents, is presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion,

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Haynes Furniture Company Retirement Savings Plan

Notes to Financial Statements

1. Description of Plan

The following description of the Haynes Furniture Company Retirement Savings Plan (the “Plan”) is provided for general purposes only. Participants should refer to the summary plan description for a more complete description of the Plan’s provisions.

General

Haynes Furniture Company, Inc. (the “Company”, “Employer”, or “Plan Sponsor”) established the Plan on July 1, 1976, and amended and restated the Plan on January 1, 2022. There were no material modifications made to the Plan as a result of the most recent plan amendment. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”).

The Plan is a defined contribution plan that covers substantially all employees of the Company. Employees aged 18 or over are eligible to participate in the Plan on the first day of any month coincident with or following 60 days of service.

Contributions

Eligible participants may elect to contribute a pre-tax and/or after-tax (“Roth”) percentage of their eligible compensation to the Plan, not to exceed the limit set by the Internal Revenue Service (“IRS”). Participants who have attained age 50 are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans (“rollovers”). The Plan allows for a discretionary employer matching contribution each year. For 2025, the Company elected to make matching contributions of 25% of participant contributions, not to exceed 5% of eligible compensation.

Participants may direct the investment of contributions on a daily basis into various investment options offered by the Plan. Participants may change their investment options and deferral percentages at any time.

Participant Accounts

Each participant’s account is credited with the participant’s contributions, the Company’s matching contributions, and an allocation of plan earnings and administrative expenses. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Vesting

Participants are immediately vested in their salary deferral contributions and rollover contributions, plus actual earnings thereon. A participant also becomes 100% vested upon death, becoming disabled, or reaching retirement age, as defined by the Plan. The Company discretionary matching contribution is vests as follows:

Years of Continuous Service	Vesting Percentage
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6	100%

See accompanying independent auditor’s report.

Notes to Financial Statements

1. Description of Plan (Concluded)

Notes Receivable from Participants

Participants may borrow from his or her account a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of the participant's vested balance, reduced by the participant's highest outstanding balance during the preceding one-year period, if any. Note terms are not to exceed five years, except for notes to purchase or construct a primary residence, which are permitted to be repaid over a maximum of 15 years. Notes are secured by the balance in the participant's account and bear interest at prime plus 1%. Principal and interest are paid ratably through payroll deductions. Participants may have one outstanding note at a time.

Payment of Benefits

Upon termination of service due to death, disability, retirement, or separation, a participant or beneficiary may elect to receive an amount equal to the participant's interest in his or her account in a lump sum. In-service distributions may be made to participants who have reached age 59½ and six years of service. Withdrawals may also be made upon circumstances of financial hardship, in accordance with provisions specified by the Plan.

Forfeitures

Forfeitures from non-vested participant accounts are used to reduce matching contributions or reduce administrative expenses. In 2025, forfeitures used to reduce administrative expenses were approximately \$13,000 and forfeitures used to reduce matching contributions were approximately \$8,000. Available forfeitures were approximately \$22,000 and \$33,000 as of December 31, 2025 and 2024.

Administrative Expenses

Most expenses incurred in connection with the general administration of the Plan are paid by the Plan and recorded in the accompanying statement of changes in net assets available for benefits as administrative expenses. Note and distribution fees are paid from affected participant accounts. The Company absorbs the remaining expenses incidental to the administration of the Plan.

2. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements of the Plan are prepared under the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are primarily stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of investments are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

See accompanying independent auditor's report.

Haynes Furniture Company Retirement Savings Plan

Notes to Financial Statements

2. Summary of Significant Accounting Policies (Concluded)

Investment Valuation and Income Recognition (Concluded)

Certain investment contracts with Empower are included in the financial statements at contract value. Contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. The Plan invests in investment contracts issued by Empower as described in Note 9.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent notes receivable are reclassified as distributions based upon the terms of the plan document.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2025 and 2024 excess contributions to the applicable participants prior to March 15 of the following year.

Payment of Benefits

Benefits are recorded when paid.

Reclassifications

Certain prior year balances have been reclassified to conform to the current year presentation. The reclassifications have no effect on the results of net assets available for benefits previously reported.

Subsequent Events

Management has evaluated events occurring subsequent to the date of the financial statements through July 29, 2026, the date the financial statements were available to be issued, and has determined that no events have occurred that require adjustments to or additional disclosure in the financial statements.

3. Certified Investment Information

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2025 and 2024, and net appreciation (depreciation) in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2025, was obtained by management and agreed to or derived from information certified as complete and accurate by Empower Annuity Insurance Company of America and Empower Trust Company LLC ("Empower"), collectively the custodian of the Plan.

4. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such change could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

See accompanying independent auditor's report.

Haynes Furniture Company Retirement Savings Plan

Notes to Financial Statements

5. Income Tax Status

The Plan adopted a non-standardized pre-approved profit-sharing plan sponsored by CCH Incorporated, DBA ftwilliam.com ("CCH"). The IRS has determined and informed CCH by a letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). The Plan has been amended since the date of the determination letter; however, the plan administrator believes that the Plan is currently designed and being operated in compliance with applicable provisions of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

6. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants' accounts will become fully vested and nonforfeitable.

7. Party-in-Interest Transactions

Certain plan assets are invested in a group annuity contract managed by an affiliate of Empower. Fees paid to Empower and affiliates by the Plan for recordkeeping and investment management services were approximately \$25,000 for 2025. Empower serves as custodian and, therefore, these transactions qualify as party-in-interest transactions. Empower receives revenue from mutual fund service providers for services Empower provides to the funds.

Fees paid to BDO USA, PC for third party administrative services were approximately \$19,000 in 2025.

Fees paid to other service providers were approximately \$2,000 in 2025.

8. Fair Value Measurements

The Plan has adopted Accounting Standards Codification 820, "Fair Value Measurements and Disclosures" ("ASC 820"), which establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The three levels of the fair value hierarchy under ASC 820 are as follows:

Basis of Fair Value Measurement

- Level 1: Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities;
- Level 2: Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly;
- Level 3: Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Mutual funds: Valued at the net asset value ("NAV") of shares held by the Plan at year-end. The NAV for these investments is a quoted price in an active market and is classified within Level 1 of the valuation hierarchy.

See accompanying independent auditor's report.

Haynes Furniture Company Retirement Savings Plan

Notes to Financial Statements

8. Fair Value Measurements (Concluded)

Common collective trust funds: Valued at NAV as determined by the issuer based on the fair market value of the underlying investments, minus liabilities, which are valued primarily through the use of directly and indirectly observable inputs. As the value of these investments is readily determinable, these investments are classified within Level 2 of the valuation hierarchy.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table summarizes the investments by level as defined within the fair value hierarchy as of December 31, 2025.

	Investment Assets at Fair Value			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 6,714,314	\$ -	\$ -	\$ 6,714,314
Common collective trust funds	-	6,348,331	-	6,348,331
	\$ 6,714,314	\$ 6,348,331	\$ -	\$ 13,062,645

The following table summarizes the investments by level as defined within the fair value hierarchy as of December 31, 2024.

	Investment Assets at Fair Value			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 7,312,973	\$ -	\$ -	\$ 7,312,973
Common collective trust funds	-	5,740,545	-	5,740,545
	\$ 7,312,973	\$ 5,740,545	\$ -	\$ 13,053,518

9. Guaranteed Investment Contracts with Insurance Company

The Plan has a group annuity contract with Empower that invested contributions in the Governmental 457(b) EI fixed account ("Fixed Account"), which is a general account product. This contract meets the fully benefit-responsive investment contract criteria and, therefore, is reported at contract value. Contract value, as reported to the Plan by Empower, represents cash contributions deposited under the contract, plus earnings, less participant withdrawals, and administrative expenses. There were no reserves against contract value for credit risk of the contract issuer or otherwise. This investment balance at December 31, 2025 and 2024 was \$1,406,165 and \$0. The crediting interest rate was 2.70% at December 31, 2025.

The Plan had a group annuity contract with Empower that invested contributions in the Key Guaranteed Portfolio Fund. The Key Guaranteed Portfolio Fund is a general account product. This contract meets the fully benefit-responsive investment contract criteria and, therefore, is reported at contract value. Contract value, as reported to the Plan by Empower, represents cash contributions deposited under the contract, plus earnings, less participant withdrawals, and administrative expenses. There were no reserves against contract value for credit risk of the contract issuer or otherwise. This investment balance at December 31, 2025 and 2024 was \$0 and \$1,692,480. The crediting interest rate was 1.41% at December 31, 2024.

See accompanying independent auditor's report.

Haynes Furniture Company Retirement Savings Plan

Notes to Financial Statements

9. Guaranteed Investment Contract with Insurance Company (Concluded)

The crediting interest rates for these insurance contracts are based on a formula agreed upon with the issuer. Such interest rates are reviewed on a quarterly basis for resetting. Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the plan documents (including complete or partial plan termination), (2) termination of the contract or breach of a provision of the contract by the Plan, or (3) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under the ERISA. The Plan Sponsor does not believe that the occurrence of any such event, which would limit the Plan's ability to transact at contract value with participants, is probable.

See accompanying independent auditor's report.
