INDEPENDENT AUDITORS' REPORT

Plan Administrator
TruBridge 401(k) Retirement Plan
Mobile, Alabama

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of TruBridge 401(k) Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025, and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements, referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with U.S. generally accepted accounting principles (U.S. GAAP).
- the information in the financial statements, referred to above, related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance, and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2025 and Schedule of Delinquent Participant Contributions for the year ended December 31, 2025 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

TRUBRIDGE 401(k) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2025 AND 2024

NOTE 1 - PLAN DESCRIPTION

The following description of TruBridge 401(k) Retirement Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General. The Plan is a defined contribution plan covering all full-time employees of TruBridge, Inc. (the Plan Sponsor) and its subsidiaries Healthcare Resource Group, Inc., TruCode LLC, and Get Real Health. Employees are eligible to participate in the elective deferral portion of the Plan on their first day of employment. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

In October 2023, TruBridge acquired Viewgol. Viewgol employees became employees of TruBridge in January 2025 and were eligible to participate in the Plan. Account balances totaling \$1,023,273 from Viewgol's previous retirement plan were subsequently transferred into the Plan in April 2025 which is reflected in the statement of changes in net assets available for benefits.

Contributions. Participants may make pre-tax and/or Roth 401(k) deferrals to the Plan, limited to the lesser of 60% of their eligible compensation, as defined by the Plan, or the maximum amount allowable by law. Participants who have attained age 50 before the end of the plan year are eligible to make pre-tax and/or Roth 401(k) catch-up contributions up to the maximum amount allowable by law. The Plan also allows for participants to "roll over" assets from other qualified savings plans into the Plan. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds and a money market fund as investment options for participants.

All employer contributions are fully discretionary. For the year ended December 31, 2025, the Plan Sponsor matched three dollars for each dollar of each participant's contributions with a per pay period maximum match of \$100, up to a maximum annual matching contribution of \$2,000 per participant. In addition to the discretionary matching contributions, the Plan Sponsor may make discretionary profit-sharing contributions based on certain percentages of each participant's eligible compensation. All contributions are subject to certain regulatory limitations.

Participant accounts. Each participant's account is credited with the participant's contributions, the employer matching contribution, and an allocation of investment earnings, and is charged with withdrawals and an allocation of investment losses. Allocation of investment earnings and losses are based on participant account balances and participant investment selections. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

TRUBRIDGE 401(k) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED) DECEMBER 31, 2025 AND 2024

NOTE 1 - PLAN DESCRIPTION (CONTINUED)

Vesting. Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Plan Sponsor's discretionary matching and discretionary profit-sharing contribution portion of their accounts plus actual earnings thereon is based on vesting years of service as follows:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 2	0 %
2	100 %

Notes receivable from participants. Participants may borrow from their accounts a minimum of \$500 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance minus the highest outstanding loan balance during the previous 12 months. Loan terms range from one to five years or longer for the purchase of a primary residence. The loans are secured by the balance in the participants' accounts and bear interest at a rate commensurate with local prevailing rates as determined by the Plan Administrator.

Payment of benefits. On termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's account (all amounts are 100% vested at the time of death, disability or retirement at normal retirement age, defined by the plan document as 65 years of age) or monthly, quarterly or annual cash installments over a period of time not more than the participant's assumed life expectancy. If employment terminates for reasons other than those listed above, the participant will be entitled to receive only the vested percentage of his or her account balance as a lump-sum distribution. Only employer discretionary matching and discretionary profit-sharing contributions are subject to forfeiture. Funds may also be accessed prior to the date they become distributable by way of in-service distributions and/or a financial hardship withdrawal. In-service distributions are available once the participant has reached the age of 59 ½. Hardship withdrawals are allowable in accordance with current Internal Revenue Service (IRS) guidelines.

Forfeited accounts. At December 31, 2025 and 2024, forfeited nonvested account balances totaled \$167,737 and \$212,553, respectively. These amounts will be used to reduce future employer contributions. Amounts forfeited during 2025 totaled \$160,132. Employer discretionary matching contributions were reduced by \$210,474 for the year ended December 31 2025.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

TRUBRIDGE 401(k) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED) DECEMBER 31, 2025 AND 2024

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Estimates

The preparation of financial statements in accordance with U.S. generally accepted accounting principles (U.S. GAAP) requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Risks and uncertainties

The Plan invests in various managed funds that include mutual funds and a money market fund. Investment securities, in general, are exposed to various risks, such as interest rate and credit risks, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Investment valuation and income recognition

The Plan's investments are stated at fair value as provided by the Trustee, Fidelity Management Trust Company. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants or the measurement data. See Note 7 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Receivables

Participant contributions receivable consists of deferrals withheld from employees' compensation and not yet remitted to the Plan at year end. Employer contributions receivable consists of matching contributions not yet remitted to the Plan at year end. Amounts due at year end were received by the Plan subsequent to year end.

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Notes receivable from participants are fully secured by vested participant account balances. Delinquent participant loans are recorded as distributions on the basis of the terms in the Plan agreement.

Benefits payable

Benefits are recorded when paid.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Administrative expenses

Certain expenses for maintaining the Plan are paid by the Plan Sponsor. Fees related to the administration of benefit payments are included in benefits paid to participants. Investment related expenses are included in the net appreciation in fair value of investments. Fees related to notes receivable from participants are recorded as administrative expenses and are expensed as incurred.

Subsequent events

Subsequent events have been evaluated through August 4, 2026, which is the date the financial statements were available to be issued.

NOTE 3 - PLAN ADMINISTRATION

The Plan Sponsor has appointed members of the management group as the Plan Administrator and Fidelity Management Trust Company as the Plan Trustee and record keeper.

Strategic Advisors, Inc. serves as Investment Advisor (the Advisor) to the Plan. The Advisor is authorized to supervise and manage the Plan in accordance with the investment objectives of the Plan Sponsor. The Advisor's responsibilities include advising individual participants regarding investment choices and objectives for their individual accounts.

NOTE 4 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contribution at any time and terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 5 - TAX STATUS

The Plan Sponsor adopted a Non-Standardized Pre-Approved Profit Sharing Plan with CODA which received an opinion letter from the IRS dated June 30, 2020, which stated that the Plan was designed in accordance with the applicable sections of the Internal Revenue Code (IRC). The Plan itself has not received a determination letter from the IRS stating that the Plan is qualified under Section 401(a) of the IRC. The Plan has been amended since receiving the opinion letter. However, the Plan Administrator believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and is, therefore, qualified and exempt from taxation.

TRUBRIDGE 401(k) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED) DECEMBER 31, 2025 AND 2024

NOTE 5 - TAX STATUS (CONTINUED)

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits from any tax periods in progress.

NOTE 6 - INFORMATION PREPARED AND CERTIFIED BY TRUSTEE

The investment information disclosed in the accompanying financial statements and the supplemental schedule, in total, including investments held and notes receivable from participants at December 31, 2025 and 2024, and net appreciation in fair value of investments, interest, and dividends for the year ended December 31, 2025, was obtained from data that has been prepared and certified as complete and accurate by the Trustee and provided to the Plan Administrator. The Plan Administrator has obtained certifications from the Trustee that such information is complete and accurate.

NOTE 7 - FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurement*, provides a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include

- quoted prices for similar assets or liabilities in active markets
- quoted prices for identical or similar assets or liabilities in inactive markets
- inputs other than quoted prices that are observable for the asset or liability; and
- inputs that are derived principally from or corroborated by observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

TRUBRIDGE 401(k) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED) DECEMBER 31, 2025 AND 2024

NOTE 7 - FAIR VALUE MEASUREMENTS (CONTINUED)

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Money market fund: valued at cost, which approximates fair value.

Mutual funds: valued at the daily closing price as reported by the respective fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The valuation methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2025 and 2024.

	<u>Fair Value</u>	<u>Level 1</u>
<u>December 31, 2025</u>

TRUBRIDGE 401(k) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED) DECEMBER 31, 2025 AND 2024

NOTE 8 - PARTY-IN-INTEREST TRANSACTIONS

Certain plan investments are managed by the Trustee and, therefore, qualify as party-in-interest transactions. Additionally, the Advisor is a fiduciary of the Plan and, therefore, qualify as party-in-interest transactions. The Trustee and Advisory fees paid by the Plan as a result of their services for the year ended December 31, 2025 were \$271,983.

NOTE 9 - DELINQUENT PARTICIPANT CONTRIBUTIONS

As reported on the Supplemental Schedule of Delinquent Participant Contributions (Schedule H, line 4a), certain Plan contributions were not remitted within the time frame specified by the Department of Labor's Regulation 29 (CFR 2510.3-102), thus constituting nonexempt prohibited transactions between the Plan and the Plan Sponsor for the year ended December 31, 2024. The Plan Sponsor remitted all amounts due and owing to the Plan during the year ended December 31, 2024 and paid all accrued interest and excise taxes during the year ended December 31, 2025.

NOTE 10 - SUBSEQUENT EVENTS

Subsequent to year end, the Plan Sponsor was acquired by IKS Health and now operates as a wholly owned subsidiary of IKS Health. The Plan will continue to operate in accordance with its governing documents unless amended or terminated in accordance with applicable provisions. As of the date these financial statements were available to be issued, no decisions have been made regarding the future of the Plan.

INDEPENDENT AUDITORS' REPORT

Plan Administrator
TruBridge 401(k) Retirement Plan
Mobile, Alabama

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of TruBridge 401(k) Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025, and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements, referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with U.S. generally accepted accounting principles (U.S. GAAP).
- the information in the financial statements, referred to above, related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance, and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2025 and Schedule of Delinquent Participant Contributions for the year ended December 31, 2025 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

TRUBRIDGE 401(k) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2025 AND 2024

NOTE 1 - PLAN DESCRIPTION

The following description of TruBridge 401(k) Retirement Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General. The Plan is a defined contribution plan covering all full-time employees of TruBridge, Inc. (the Plan Sponsor) and its subsidiaries Healthcare Resource Group, Inc., TruCode LLC, and Get Real Health. Employees are eligible to participate in the elective deferral portion of the Plan on their first day of employment. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

In October 2023, TruBridge acquired Viewgol. Viewgol employees became employees of TruBridge in January 2025 and were eligible to participate in the Plan. Account balances totaling \$1,023,273 from Viewgol's previous retirement plan were subsequently transferred into the Plan in April 2025 which is reflected in the statement of changes in net assets available for benefits.

Contributions. Participants may make pre-tax and/or Roth 401(k) deferrals to the Plan, limited to the lesser of 60% of their eligible compensation, as defined by the Plan, or the maximum amount allowable by law. Participants who have attained age 50 before the end of the plan year are eligible to make pre-tax and/or Roth 401(k) catch-up contributions up to the maximum amount allowable by law. The Plan also allows for participants to "roll over" assets from other qualified savings plans into the Plan. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds and a money market fund as investment options for participants.

All employer contributions are fully discretionary. For the year ended December 31, 2025, the Plan Sponsor matched three dollars for each dollar of each participant's contributions with a per pay period maximum match of \$100, up to a maximum annual matching contribution of \$2,000 per participant. In addition to the discretionary matching contributions, the Plan Sponsor may make discretionary profit-sharing contributions based on certain percentages of each participant's eligible compensation. All contributions are subject to certain regulatory limitations.

Participant accounts. Each participant's account is credited with the participant's contributions, the employer matching contribution, and an allocation of investment earnings, and is charged with withdrawals and an allocation of investment losses. Allocation of investment earnings and losses are based on participant account balances and participant investment selections. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

TRUBRIDGE 401(k) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED) DECEMBER 31, 2025 AND 2024

NOTE 1 - PLAN DESCRIPTION (CONTINUED)

Vesting. Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Plan Sponsor's discretionary matching and discretionary profit-sharing contribution portion of their accounts plus actual earnings thereon is based on vesting years of service as follows:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 2	0 %
2	100 %

Notes receivable from participants. Participants may borrow from their accounts a minimum of \$500 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance minus the highest outstanding loan balance during the previous 12 months. Loan terms range from one to five years or longer for the purchase of a primary residence. The loans are secured by the balance in the participants' accounts and bear interest at a rate commensurate with local prevailing rates as determined by the Plan Administrator.

Payment of benefits. On termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's account (all amounts are 100% vested at the time of death, disability or retirement at normal retirement age, defined by the plan document as 65 years of age) or monthly, quarterly or annual cash installments over a period of time not more than the participant's assumed life expectancy. If employment terminates for reasons other than those listed above, the participant will be entitled to receive only the vested percentage of his or her account balance as a lump-sum distribution. Only employer discretionary matching and discretionary profit-sharing contributions are subject to forfeiture. Funds may also be accessed prior to the date they become distributable by way of in-service distributions and/or a financial hardship withdrawal. In-service distributions are available once the participant has reached the age of 59 ½. Hardship withdrawals are allowable in accordance with current Internal Revenue Service (IRS) guidelines.

Forfeited accounts. At December 31, 2025 and 2024, forfeited nonvested account balances totaled \$167,737 and \$212,553, respectively. These amounts will be used to reduce future employer contributions. Amounts forfeited during 2025 totaled \$160,132. Employer discretionary matching contributions were reduced by \$210,474 for the year ended December 31 2025.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

TRUBRIDGE 401(k) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED) DECEMBER 31, 2025 AND 2024

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Estimates

The preparation of financial statements in accordance with U.S. generally accepted accounting principles (U.S. GAAP) requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Risks and uncertainties

The Plan invests in various managed funds that include mutual funds and a money market fund. Investment securities, in general, are exposed to various risks, such as interest rate and credit risks, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Investment valuation and income recognition

The Plan's investments are stated at fair value as provided by the Trustee, Fidelity Management Trust Company. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants or the measurement data. See Note 7 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Receivables

Participant contributions receivable consists of deferrals withheld from employees' compensation and not yet remitted to the Plan at year end. Employer contributions receivable consists of matching contributions not yet remitted to the Plan at year end. Amounts due at year end were received by the Plan subsequent to year end.

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Notes receivable from participants are fully secured by vested participant account balances. Delinquent participant loans are recorded as distributions on the basis of the terms in the Plan agreement.

Benefits payable

Benefits are recorded when paid.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Administrative expenses

Certain expenses for maintaining the Plan are paid by the Plan Sponsor. Fees related to the administration of benefit payments are included in benefits paid to participants. Investment related expenses are included in the net appreciation in fair value of investments. Fees related to notes receivable from participants are recorded as administrative expenses and are expensed as incurred.

Subsequent events

Subsequent events have been evaluated through August 4, 2026, which is the date the financial statements were available to be issued.

NOTE 3 - PLAN ADMINISTRATION

The Plan Sponsor has appointed members of the management group as the Plan Administrator and Fidelity Management Trust Company as the Plan Trustee and record keeper.

Strategic Advisors, Inc. serves as Investment Advisor (the Advisor) to the Plan. The Advisor is authorized to supervise and manage the Plan in accordance with the investment objectives of the Plan Sponsor. The Advisor's responsibilities include advising individual participants regarding investment choices and objectives for their individual accounts.

NOTE 4 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contribution at any time and terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 5 - TAX STATUS

The Plan Sponsor adopted a Non-Standardized Pre-Approved Profit Sharing Plan with CODA which received an opinion letter from the IRS dated June 30, 2020, which stated that the Plan was designed in accordance with the applicable sections of the Internal Revenue Code (IRC). The Plan itself has not received a determination letter from the IRS stating that the Plan is qualified under Section 401(a) of the IRC. The Plan has been amended since receiving the opinion letter. However, the Plan Administrator believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and is, therefore, qualified and exempt from taxation.

TRUBRIDGE 401(k) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED) DECEMBER 31, 2025 AND 2024

NOTE 5 - TAX STATUS (CONTINUED)

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits from any tax periods in progress.

NOTE 6 - INFORMATION PREPARED AND CERTIFIED BY TRUSTEE

The investment information disclosed in the accompanying financial statements and the supplemental schedule, in total, including investments held and notes receivable from participants at December 31, 2025 and 2024, and net appreciation in fair value of investments, interest, and dividends for the year ended December 31, 2025, was obtained from data that has been prepared and certified as complete and accurate by the Trustee and provided to the Plan Administrator. The Plan Administrator has obtained certifications from the Trustee that such information is complete and accurate.

NOTE 7 - FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurement*, provides a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include

- quoted prices for similar assets or liabilities in active markets
- quoted prices for identical or similar assets or liabilities in inactive markets
- inputs other than quoted prices that are observable for the asset or liability; and
- inputs that are derived principally from or corroborated by observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

TRUBRIDGE 401(k) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED) DECEMBER 31, 2025 AND 2024

NOTE 7 - FAIR VALUE MEASUREMENTS (CONTINUED)

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Money market fund: valued at cost, which approximates fair value.

Mutual funds: valued at the daily closing price as reported by the respective fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The valuation methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2025 and 2024.

	<u>Fair Value</u>	<u>Level 1</u>
<u>December 31, 2025</u>

NOTES TO FINANCIAL STATEMENTS (CONTINUED) DECEMBER 31, 2025 AND 2024

NOTE 8 - PARTY-IN-INTEREST TRANSACTIONS

Certain plan investments are managed by the Trustee and, therefore, qualify as party-in-interest transactions. Additionally, the Advisor is a fiduciary of the Plan and, therefore, qualify as party-in-interest transactions. The Trustee and Advisory fees paid by the Plan as a result of their services for the year ended December 31, 2025 were \$271,983.

NOTE 9 - DELINQUENT PARTICIPANT CONTRIBUTIONS

As reported on the Supplemental Schedule of Delinquent Participant Contributions (Schedule H, line 4a), certain Plan contributions were not remitted within the time frame specified by the Department of Labor's Regulation 29 (CFR 2510.3-102), thus constituting nonexempt prohibited transactions between the Plan and the Plan Sponsor for the year ended December 31, 2024. The Plan Sponsor remitted all amounts due and owing to the Plan during the year ended December 31, 2024 and paid all accrued interest and excise taxes during the year ended December 31, 2025.

NOTE 10 - SUBSEQUENT EVENTS

Subsequent to year end, the Plan Sponsor was acquired by IKS Health and now operates as a wholly owned subsidiary of IKS Health. The Plan will continue to operate in accordance with its governing documents unless amended or terminated in accordance with applicable provisions. As of the date these financial statements were available to be issued, no decisions have been made regarding the future of the Plan.

INDEPENDENT AUDITORS' REPORT

Plan Administrator
TruBridge 401(k) Retirement Plan
Mobile, Alabama

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of TruBridge 401(k) Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025, and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements, referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with U.S. generally accepted accounting principles (U.S. GAAP).
- the information in the financial statements, referred to above, related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance, and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2025 and Schedule of Delinquent Participant Contributions for the year ended December 31, 2025 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

TRUBRIDGE 401(k) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2025 AND 2024

NOTE 1 - PLAN DESCRIPTION

The following description of TruBridge 401(k) Retirement Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General. The Plan is a defined contribution plan covering all full-time employees of TruBridge, Inc. (the Plan Sponsor) and its subsidiaries Healthcare Resource Group, Inc., TruCode LLC, and Get Real Health. Employees are eligible to participate in the elective deferral portion of the Plan on their first day of employment. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

In October 2023, TruBridge acquired Viewgol. Viewgol employees became employees of TruBridge in January 2025 and were eligible to participate in the Plan. Account balances totaling \$1,023,273 from Viewgol's previous retirement plan were subsequently transferred into the Plan in April 2025 which is reflected in the statement of changes in net assets available for benefits.

Contributions. Participants may make pre-tax and/or Roth 401(k) deferrals to the Plan, limited to the lesser of 60% of their eligible compensation, as defined by the Plan, or the maximum amount allowable by law. Participants who have attained age 50 before the end of the plan year are eligible to make pre-tax and/or Roth 401(k) catch-up contributions up to the maximum amount allowable by law. The Plan also allows for participants to "roll over" assets from other qualified savings plans into the Plan. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds and a money market fund as investment options for participants.

All employer contributions are fully discretionary. For the year ended December 31, 2025, the Plan Sponsor matched three dollars for each dollar of each participant's contributions with a per pay period maximum match of \$100, up to a maximum annual matching contribution of \$2,000 per participant. In addition to the discretionary matching contributions, the Plan Sponsor may make discretionary profit-sharing contributions based on certain percentages of each participant's eligible compensation. All contributions are subject to certain regulatory limitations.

Participant accounts. Each participant's account is credited with the participant's contributions, the employer matching contribution, and an allocation of investment earnings, and is charged with withdrawals and an allocation of investment losses. Allocation of investment earnings and losses are based on participant account balances and participant investment selections. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

TRUBRIDGE 401(k) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED) DECEMBER 31, 2025 AND 2024

NOTE 1 - PLAN DESCRIPTION (CONTINUED)

Vesting. Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Plan Sponsor's discretionary matching and discretionary profit-sharing contribution portion of their accounts plus actual earnings thereon is based on vesting years of service as follows:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 2	0 %
2	100 %

Notes receivable from participants. Participants may borrow from their accounts a minimum of \$500 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance minus the highest outstanding loan balance during the previous 12 months. Loan terms range from one to five years or longer for the purchase of a primary residence. The loans are secured by the balance in the participants' accounts and bear interest at a rate commensurate with local prevailing rates as determined by the Plan Administrator.

Payment of benefits. On termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's account (all amounts are 100% vested at the time of death, disability or retirement at normal retirement age, defined by the plan document as 65 years of age) or monthly, quarterly or annual cash installments over a period of time not more than the participant's assumed life expectancy. If employment terminates for reasons other than those listed above, the participant will be entitled to receive only the vested percentage of his or her account balance as a lump-sum distribution. Only employer discretionary matching and discretionary profit-sharing contributions are subject to forfeiture. Funds may also be accessed prior to the date they become distributable by way of in-service distributions and/or a financial hardship withdrawal. In-service distributions are available once the participant has reached the age of 59 ½. Hardship withdrawals are allowable in accordance with current Internal Revenue Service (IRS) guidelines.

Forfeited accounts. At December 31, 2025 and 2024, forfeited nonvested account balances totaled \$167,737 and \$212,553, respectively. These amounts will be used to reduce future employer contributions. Amounts forfeited during 2025 totaled \$160,132. Employer discretionary matching contributions were reduced by \$210,474 for the year ended December 31 2025.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

TRUBRIDGE 401(k) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED) DECEMBER 31, 2025 AND 2024

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Estimates

The preparation of financial statements in accordance with U.S. generally accepted accounting principles (U.S. GAAP) requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Risks and uncertainties

The Plan invests in various managed funds that include mutual funds and a money market fund. Investment securities, in general, are exposed to various risks, such as interest rate and credit risks, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Investment valuation and income recognition

The Plan's investments are stated at fair value as provided by the Trustee, Fidelity Management Trust Company. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants or the measurement data. See Note 7 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Receivables

Participant contributions receivable consists of deferrals withheld from employees' compensation and not yet remitted to the Plan at year end. Employer contributions receivable consists of matching contributions not yet remitted to the Plan at year end. Amounts due at year end were received by the Plan subsequent to year end.

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Notes receivable from participants are fully secured by vested participant account balances. Delinquent participant loans are recorded as distributions on the basis of the terms in the Plan agreement.

Benefits payable

Benefits are recorded when paid.

NOTES TO FINANCIAL STATEMENTS (CONTINUED) DECEMBER 31, 2025 AND 2024

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Administrative expenses

Certain expenses for maintaining the Plan are paid by the Plan Sponsor. Fees related to the administration of benefit payments are included in benefits paid to participants. Investment related expenses are included in the net appreciation in fair value of investments. Fees related to notes receivable from participants are recorded as administrative expenses and are expensed as incurred.

Subsequent events

Subsequent events have been evaluated through August 4, 2026, which is the date the financial statements were available to be issued.

NOTE 3 - PLAN ADMINISTRATION

The Plan Sponsor has appointed members of the management group as the Plan Administrator and Fidelity Management Trust Company as the Plan Trustee and record keeper.

Strategic Advisors, Inc. serves as Investment Advisor (the Advisor) to the Plan. The Advisor is authorized to supervise and manage the Plan in accordance with the investment objectives of the Plan Sponsor. The Advisor's responsibilities include advising individual participants regarding investment choices and objectives for their individual accounts.

NOTE 4 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contribution at any time and terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 5 - TAX STATUS

The Plan Sponsor adopted a Non-Standardized Pre-Approved Profit Sharing Plan with CODA which received an opinion letter from the IRS dated June 30, 2020, which stated that the Plan was designed in accordance with the applicable sections of the Internal Revenue Code (IRC). The Plan itself has not received a determination letter from the IRS stating that the Plan is qualified under Section 401(a) of the IRC. The Plan has been amended since receiving the opinion letter. However, the Plan Administrator believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and is, therefore, qualified and exempt from taxation.

NOTE 5 - TAX STATUS (CONTINUED)

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits from any tax periods in progress.

NOTE 6 - INFORMATION PREPARED AND CERTIFIED BY TRUSTEE

The investment information disclosed in the accompanying financial statements and the supplemental schedule, in total, including investments held and notes receivable from participants at December 31, 2025 and 2024, and net appreciation in fair value of investments, interest, and dividends for the year ended December 31, 2025, was obtained from data that has been prepared and certified as complete and accurate by the Trustee and provided to the Plan Administrator. The Plan Administrator has obtained certifications from the Trustee that such information is complete and accurate.

NOTE 7 - FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurement*, provides a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include

- quoted prices for similar assets or liabilities in active markets
- quoted prices for identical or similar assets or liabilities in inactive markets
- inputs other than quoted prices that are observable for the asset or liability; and
- inputs that are derived principally from or corroborated by observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

NOTE 7 - FAIR VALUE MEASUREMENTS (CONTINUED)

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Money market fund: valued at cost, which approximates fair value.

Mutual funds: valued at the daily closing price as reported by the respective fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The valuation methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2025 and 2024.

	<u>Fair Value</u>	<u>Level 1</u>

NOTES TO FINANCIAL STATEMENTS (CONTINUED) DECEMBER 31, 2025 AND 2024

NOTE 8 - PARTY-IN-INTEREST TRANSACTIONS

Certain plan investments are managed by the Trustee and, therefore, qualify as party-in-interest transactions. Additionally, the Advisor is a fiduciary of the Plan and, therefore, qualify as party-in-interest transactions. The Trustee and Advisory fees paid by the Plan as a result of their services for the year ended December 31, 2025 were \$271,983.

NOTE 9 - DELINQUENT PARTICIPANT CONTRIBUTIONS

As reported on the Supplemental Schedule of Delinquent Participant Contributions (Schedule H, line 4a), certain Plan contributions were not remitted within the time frame specified by the Department of Labor's Regulation 29 (CFR 2510.3-102), thus constituting nonexempt prohibited transactions between the Plan and the Plan Sponsor for the year ended December 31, 2024. The Plan Sponsor remitted all amounts due and owing to the Plan during the year ended December 31, 2024 and paid all accrued interest and excise taxes during the year ended December 31, 2025.

NOTE 10 - SUBSEQUENT EVENTS

Subsequent to year end, the Plan Sponsor was acquired by IKS Health and now operates as a wholly owned subsidiary of IKS Health. The Plan will continue to operate in accordance with its governing documents unless amended or terminated in accordance with applicable provisions. As of the date these financial statements were available to be issued, no decisions have been made regarding the future of the Plan.
