The Ross School Tax Deferred Annuity Plan
East Hampton, New York

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of The Ross School Tax Deferred Annuity Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the years then ended, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section:

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

Plan Administrator and Plan Participants
The Ross School Tax Deferred Annuity Plan
East Hampton, New York

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter —Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Line 4a – Schedule of Delinquent Participant Contributions for the year ended December 31, 2024 and Schedule H, Line 4i – Schedule of Assets Held at End of Year as of December 31, 2024, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by or certified by an institution agrees to, or are derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

THE ROSS SCHOOL TAX-DEFERRED ANNUITY PLAN

Notes to Financial Statements

December 31, 2024 and 2023

1. DESCRIPTION OF THE PLAN:

The following brief description of the Ross School Tax-Deferred Annuity Plan (Plan) provides only general information. Participants should refer to the Summary Plan Description for a more complete description of the Plan's provisions.

GENERAL

The Plan is a tax-deferred annuity plan covering substantially all employees of Ross School and Ross Institute (collectively, School or Employer). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Finance Committee is responsible for oversight of the Plan.

CONTRIBUTIONS

Participants may make elective deferral contributions up to the limits prescribed by law. Participants who have attained age 50 are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans.

PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's contribution and allocations of the Plan earnings. Allocations are based on participant earnings or account balances as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account. All amounts in participant accounts are participant-directed.

VESTING

Participants are immediately vested in all contributions plus actual earnings thereon.

PLAN LOANS

Prior to January 1, 2021, participants had the ability to enter into loans directly with TIAA and CREF. Plan loans were issued as separate contracts by TIAA and CREF as contemplated under Internal Revenue Code (IRC) section 72(p)(5) and do not represent Plan assets. Loans are collateralized using a participant's TIAA Traditional account balance in an amount equal to 110% of the outstanding loan balance. Participants could borrow a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 45% of his or her TIAA Traditional account balance subject to annuity contract and Plan provisions. Loan terms range from one to five years in one-year increments (up to 10 years for the purchase of the participant's primary residence).

THE ROSS SCHOOL TAX-DEFERRED ANNUITY PLAN

Notes to Financial Statements

December 31, 2024 and 2023

1. DESCRIPTION OF THE PLAN, continued:

PLAN LOANS, continued

Principal and interest is paid ratably by the participant to TIAA and each payment will reduce amounts collateralized by the borrowing participant's TIAA Traditional account balance. The interest rate for outstanding loans ranged from 5.28% to 5.33% and 4.00% to 5.56% as of December 31, 2024 and 2023, respectively. Interest is paid directly to TIAA and CREF. Plan loan balances outstanding from participants to TIAA and CREF were \$2,283 and \$11,780 as of December 31, 2024 and 2023, respectively, are not considered assets of the Plan and, therefore, are not reported on the statements of net assets available for benefits.

NOTES RECEIVABLE FROM PARTICIPANTS

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account. The loan interest rate, determined quarterly, is set at 1% above the prime rate, as defined. Principal and interest are paid ratably through payroll deductions.

PAYMENT OF BENEFITS

Upon termination of service due to death, disability, retirement, or attaining age 59 ½, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account in the form of a lump sum, direct rollover, partial payments, installment payments, or annuity contracts. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump sum amount. A participant may make a hardship withdrawal from employee elective deferral funds.

2. SIGNIFICANT ACCOUNTING POLICIES:

BASIS OF ACCOUNTING

The financial statements of the Plan are prepared on the accrual basis of accounting.

ESTIMATES

The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

THE ROSS SCHOOL TAX-DEFERRED ANNUITY PLAN

Notes to Financial Statements

December 31, 2024 and 2023

2. SIGNIFICANT ACCOUNTING POLICIES, continued:

INVESTMENT VALUATION AND INCOME RECOGNITION

Investments are reported at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for a discussion of fair value measurements and Note 4 for a discussion on fully benefit-responsive investment contracts.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred.

CONTRIBUTIONS

Contributions from Plan participants are recorded in the year in which the employee contributions are withheld from compensation.

PAYMENT OF BENEFITS

Benefits are recorded when paid.

ADMINISTRATIVE EXPENSES

Investment management fees paid to TIAA are included with net appreciation in fair value of investments on the statements of changes in net assets available for benefits. Plan servicing fees paid to TIAA and other parties during the years ended December 31, 2024 and 2023, totaled \$5,873 and \$83, respectively. All other administrative expenses, such as consulting and accounting fees, were paid by the School.

3. FAIR VALUE MEASUREMENTS:

The Fair Value Measurements and Disclosure topic of the Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs are only used when Level 1 or Level 2 inputs are not available.

THE ROSS SCHOOL TAX-DEFERRED ANNUITY PLAN

Notes to Financial Statements

December 31, 2024 and 2023

3. FAIR VALUE MEASUREMENTS, continued:

The following table presents the fair value measurements of assets and liabilities recognized in the accompanying statements of net assets available for benefits measured at fair value on a recurring basis and the level within the fair value hierarchy in which the fair value measurements fall:

	Fair Value	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Investments at December 31, 2024:				
Variable annuity contracts	\$ 5,316,404	\$ -	\$ 5,316,404	\$ -
Pooled separate account units	185,142	-	185,142	-

fixed annuity contracts	62,597	-	-	62,597
Mutual funds	243,486	243,486	-	-
	<u>\$ 5,807,629</u>	<u>\$ 243,486</u>	<u>\$ 5,501,546</u>	<u>\$ 62,597</u>
Investments at December 31, 2023:				
Variable annuity contracts	\$ 5,038,677	\$ -	\$ 5,038,677	\$ -

Mutual funds	43,034	43,034	-	-
	<u>\$ 5,347,995</u>	<u>\$ 43,034</u>	<u>\$ 5,245,037</u>	<u>\$ 59,924</u>

THE ROSS SCHOOL TAX-DEFERRED ANNUITY PLAN

Notes to Financial Statements

December 31, 2024 and 2023

3. FAIR VALUE MEASUREMENTS, continued:

The fair value of mutual funds is based on quoted prices in active markets for identical assets. Variable annuity contracts are valued at the net asset value (NAV) of units held by the Plan at year end based on the fair value of the underlying investments. NAV is a readily determinable fair value which is published daily and is the basis for current transactions. Non benefit-responsive fixed annuity contracts are not actively traded, and significant other observable inputs are not available. Therefore, the fair value of the fixed annuity contracts is determined using an income approach by discounting the related cash flows based on current yields of similar instruments with comparable durations considering the credit-worthiness of the issuer. These contracts have liquidity restrictions and are non-benefit responsive. The fair value of the pooled separate account units is principally derived from the market value of the underlying real estate holdings or other real estate-related investments.

During 2025, there were no purchases, sales or transfers for Level 3 fair value measurements.

4. GUARANTEED INVESTMENT CONTRACTS WITH INSURANCE COMPANY:

The Plan has benefit-responsive guaranteed investment contracts with TIAA. TIAA maintains the contributions in general accounts. The accounts are credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuers are contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the guaranteed investment contracts are fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contracts. Contract value, as reported to the Plan by TIAA, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of benefit-responsive guaranteed investment contracts at December 31, 2024 and 2023, was \$1,425,591 and \$1,146,079, respectively. The crediting interest rate is based on a formula agreed upon with the issuer, but it may not be less than 3%. Such interest rates are reviewed on a quarterly basis for resetting.

THE ROSS SCHOOL TAX-DEFERRED ANNUITY PLAN

Notes to Financial Statements

December 31, 2024 and 2023

4. GUARANTEED INVESTMENT CONTRACTS WITH INSURANCE COMPANY, continued:

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another Plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan administrator does not believe that any events which would limit the Plan's ability to transact at contract value with participants are probable of occurring.

5. INFORMATION CERTIFIED BY THE PLAN'S QUALIFIED INSTITUTION:

The Plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, certain information in the accompanying financial statements and ERISA-required supplemental schedule related to investments and notes receivable from participants held as of December 31, 2024 and 2023, and December 31, 2024, respectively, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2024, was obtained by management and agreed to or derived from information certified as complete and accurate by Teachers Insurance and Annuity Association of America (TIAA) and College Retirement Equities Fund (CREF), a qualified institution. TIAA Trust, N.A. is the custodian of the portion of Plan assets invested in mutual fund shares and has authorized TIAA to certify investments held by TIAA Trust, N.A. TIAA and CREF is the issuer of the remaining assets in the Plan.

6. PLAN TERMINATION:

Although it has not expressed any intent to do so, the School has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

7. TAX STATUS:

The Plan has adopted a prototype plan document sponsored by TIAA. The prototype plan document has obtained an opinion letter from the Internal Revenue Service dated August 7, 2017, stating that the form of the prototype plan document, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. Although, the Plan has been amended since adopting the pre-approved plan document, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the Internal Revenue Code, and therefore, believes that the Plan is qualified.

THE ROSS SCHOOL TAX-DEFERRED ANNUITY PLAN

Notes to Financial Statements

December 31, 2024 and 2023

8. RISKS AND UNCERTAINTIES:

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

9. PARTY-IN-INTEREST TRANSACTIONS:

Certain investments for the Plan are funds managed by TIAA and CREF. TIAA and CREF is the issuer of some contracts and recordkeeper for the Plan; therefore, these transactions qualify as party-in-interest transactions. TIAA and CREF receives revenue from mutual fund service providers for services TIAA and CREF provides to the funds. This revenue is used to offset certain amounts owed to TIAA and CREF for its administrative services to the Plan and is reflected as other income of \$7,646 and \$0 in the statement of changes in net assets available for benefits for the years ended December 31, 2024 and 2023, respectively.

Direct fees of \$387 and \$83 and indirect fees of \$32,369 and \$0 were paid to TIAA and CREF by the Plan for the recordkeeping and investment management services for the years ended December 31, 2024 and 2023, respectively. In addition, \$5,486 and \$0 of direct fees were paid to other parties-in-interest for advisory services for the years ended December 31, 2024 and 2023, respectively. Indirect fees are included in net appreciation of fair value of investments.

10. SUBSEQUENT EVENTS:

Subsequent events have been evaluated through August 5, 2026, which represents the date the financial statements were available to be issued. Subsequent events after that date have not been evaluated.
