July 28, 2026

Diana Semler, Senior Vice President, HR  
Concora Credit Inc 401(k) Plan

We have audited the financial statements of Concora Credit Inc 401(k) Plan ("Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit") for the year ended December 31, 2025, and we will issue our report thereon dated July 28, 2026. As permitted by ERISA Section 103(a)(3)(C), our audit did not extend to any statements or information related to assets held for investment of the Plan ("investment information") by Principal Life Insurance Company (Principal); Delaware Charter Guarantee and Trust Company, dba Principal Trust Company; and Principal Global Investors Trust Company, the trustee, which is a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, that prepared and certified the statements or information regarding assets so held in accordance with 29 CFR 2520.103-5. Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements and ERISA-required supplemental schedule, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America ("GAAP"). Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter dated May 18, 2026. Professional standards also require that we communicate to you the following information related to our audit.

### Significant Audit Matters

#### *Qualitative Aspects of Accounting Practices*

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by Concora Credit Inc 401(k) Plan are described in Note 2 to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during 2025. We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. We are not aware of any sensitive estimates affecting the financial statements.

Certain financial statement disclosures are particularly sensitive because of their significance to financial statement users. The most sensitive disclosure affecting the financial statements was:

The disclosure of party-in-interest transactions in Note 8 to the financial statements. This disclosure describes transactions with a party-in-interest. This disclosure is sensitive due to the increased focus the Department of Labor places on party-in-interest transactions to ensure there were no prohibited transactions. Our audit did not find any prohibited transactions. The party-in-interest transactions qualified as exempt party-in-interest transactions.

The financial statement disclosures are neutral, consistent, and clear.

#### *Form 5500 Procedures*

We are required to obtain and read a substantially complete draft of Form 5500 prior to dating our auditor's report. The purpose of this procedure is to identify any material inconsistencies between the draft Form 5500 and the Plan's financial statements or any material misstatement of fact. These procedures are not sufficient nor are they intended to ensure that the form was completely and accurately prepared. Differences, if any, between the net assets and net income (loss) on Form 5500 and these amounts in the financial statements are described in Note 9. We identified no material inconsistencies that have not been disclosed or any material misstatement of fact in performing and completing our audit.

#### *Difficulties Encountered in Performing the Audit*

We encountered no significant difficulties in dealing with management in performing and completing our audit.

#### *Corrected and Uncorrected Misstatements*

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. Management has corrected all such misstatements. In addition, none of the misstatements detected as a result of audit procedures and corrected by management were material, either individually or in the aggregate, to the financial statements taken as a whole.

#### *Disagreements with Management*

For purposes of this letter, a disagreement with management is a disagreement on a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

#### *Management Representations*

We have requested certain representations from management that are included in the management representation letter dated July 28, 2026.

### *Management Consultations with Other Independent Accountants*

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Plan's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

### *Other Audit Findings or Issues*

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Plan's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

### *Internal Control*

A reportable finding is a matter that includes one or more of the following: (1) noncompliance or suspected noncompliance with laws and regulations, (2) a finding that in our professional judgment is significant and relevant to you regarding your responsibility to oversee the financial reporting process, and (3) an indication of internal control deficiencies identified during the audit that have not been previously communicated to management by other parties and that we determined are sufficiently important to merit management's attention. We consider the following deficiency in Concora Credit Inc 401(k) Plan's internal control to be a reportable finding:

1. During our participant data and distribution testing, we noted that the Plan sponsor was unable to provide certain documents requested to support participant eligibility and distribution activity, including Form I-9s, hardship documentation (although participants are allowed to self-certify, we recommend the Plan administrator obtain and keep record of support of financial need), and a death certificate supporting a death-related distribution. We recommend the Plan sponsor retain all personnel support related to the date of birth, date of hire, and date of termination for the Plan's participants until the participant is no longer in the Plan within a year that could be subject to audit.

### *Other Matters*

Aprio, LLP  
5885 Meadows Road #200  
Lake Oswego, OR 97035

This representation letter is provided in connection with your audit of the financial statements of Concora Credit Inc 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), which comprise the Statement of Net Assets Available for Benefits as of December 31, 2025, and the related Statement of Changes in Net Assets Available for Benefits for the year then ended, and the related notes to the financial statements (collectively, the "financial statements").

We elected to have the audit of the plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. We acknowledge that the audit did not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier, that is regulated, supervised, and subject to periodic examination by a state or federal agency, a qualified institution, that prepared and certified the investment information in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. We have determined that an ERISA Section 103(a)(3)(C) audit is permissible under the circumstances. We have also determined that the investment information is prepared and certified by a qualified institution as described by 29 CFR 2520.103-8, that the certification meets the requirements in 29 CFR 2520.103-5, and that the certified investment information is appropriately measured, presented, and disclosed in accordance with accounting principles generally accepted in the United States ("U.S. GAAP").

The purpose of an ERISA Section 103(a)(3)(C) audit is to express an opinion on whether the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with U.S. GAAP and that the information regarding assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the certified investment information.

Certain representations in this letter are described as being limited to matters that are material. Items are considered to be material, regardless of size, if they involve an omission or misstatement of accounting information that, in light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would be changed or influenced by the omission or misstatement. An omission or misstatement that is monetarily small in amount could be considered material as a result of qualitative factors.

In regard to the non-attest services performed by you, we have:

- a) Assumed all management responsibilities.
- b) Designated Diana Semler, Senior Vice President of Human Resources, who has suitable skill, knowledge, and/or experience to oversee the services.
- c) Evaluated the adequacy and results of the services performed.
- d) Accepted responsibility for the results of the services.

- e) Ensured that the data and records are complete and we have sufficient information to oversee the services.

We acknowledge our election to have an ERISA Section 103(a)(3)(C) audit does not affect our responsibility for the financial statements and for determining the following:

- a) The circumstances permit an ERISA Section 103(a)(3)(C) audit.
- b) A qualified institution has prepared and certified the investment information as described in 29 CFR 2520.103-8.
- c) The certification meets the 29 CFR 2520.103-5 requirements.
- d) The certified investment information is appropriately measured, presented, and disclosed in accordance with U.S. GAAP.
