INDEPENDENT AUDITORS' REPORT

Plan administrator of and Participants in the
Aveanna Healthcare 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the Aveanna Healthcare 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025 and the related notes to the financial statements

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2025 and 2024 and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with GAAP, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) audit for the financial statement section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control-related matters that we identified during the audit.

Other Matter

Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**AVEANNA HEALTHCARE 401(K) PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2025 AND 2024**

1. DESCRIPTION OF THE PLAN

The following description of the Aveanna Healthcare 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan sponsored by Aveanna Healthcare (the Company or Plan Sponsor) and affiliates of the Company adopting the Plan, for the benefit of its employees who have completed 90 days of service and are age 21 or older, with the exception of employees covered under a collective bargaining agreement, nonresident aliens, leased employees, reclassified employees or employees employed as a care provider in the regional service center division of Premier Healthcare Services or an employee who is eligible to contribute to the Aveanna Healthcare Deferred Compensation Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Administration

The Plan Sponsor serves as the Plan administrator. The Plan administrator has the responsibility to administer the Plan for the exclusive benefit of the participants and their beneficiaries. These duties include, but are not limited to, establishing procedures, maintaining records, interpreting provisions of the Plan and making determinations regarding questions which may affect eligibility for benefits.

Delaware Charter Guarantee & Trust Company (d/b/a Principal Trust Company) (the Trustee) serves as the Trustee for the Plan. The Trustee is responsible for the administration of investments for the benefit of the participants and their beneficiaries and receives all contributions made under the Plan, holds Plan assets and pays benefits as directed by the Plan administrator. Principal Financial Services, Inc. is the recordkeeper for the Plan.

Contributions

Participants may contribute 1% to 100% of annual compensation. Participants who attained age 50 before the end of the Plan year are eligible to make catch-up contributions. At the discretion of the Plan administrator, eligible participants may also contribute amounts representing distributions from other qualified defined benefit and defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan includes a provision under the Internal Revenue Code (IRC) Section 401(k) whereby participants may make pre-tax and Roth deferrals to the Plan, as defined in the Plan Agreement, subject to limitations under the IRC.

The Company may make discretionary matching contributions for participants in the Plan. For the year ended December 31, 2025, the Company elected to make discretionary matching contributions of 50% of employees' salary deferral amounts up to five percent of employees' compensation. For participants that have completed one year of service, the Company may also elect to make an additional discretionary contribution for each Plan year in an amount determined by the Company. The Company did not make an additional discretionary contribution during 2025. Contributions are subject to certain limitations.

**AVEANNA HEALTHCARE 401(K) PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2025 AND 2024**

Participant Accounts

Each participant's account is credited with the participant's contribution, the Company's contribution, Plan earnings and is charged with an allocation of administrative expenses and Plan losses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the amount that can be provided from the participant's vested account.

Each participant has the option of directing their contributions into any of the various investment options offered by the Plan and may change the allocation at any time.

Notes Receivable from Participants

The Plan document includes provisions authorizing loans from the Plan to active eligible participants. Loans are made to all participants on a reasonably equivalent basis. The number of outstanding loans shall be limited to one. No more than one loan shall be approved for any participant in any 12-month period. The minimum amount of a loan shall be \$1,000. The maximum amount of a participant's loan is determined by the available loan balance restricted to the lesser of \$50,000 or 50% of the participant's vested account balance. All loans require repayment of principal and interest over a period not to exceed five years (except for loans for the purchase of a principal residence) through payroll. Each loan shall bear a reasonable fixed rate of interest to be determined by the Plan administrator.

Vesting

Participants are immediately vested in their voluntary contributions plus earnings thereon. Vesting in the Company's contribution portion of their accounts, plus earnings, thereon is based on years of continuous service. The non-vested balance is forfeited upon termination of service. Forfeitures are used to reduce the Company's contributions. The vesting percentages are as follows:

Years of Service	Percentage
Less than 1	0%
1	20%
2	40%
3	60%
4	80%
5+	100%

Participants also become 100% vested upon termination of the Plan, upon reaching the early retirement age of 59½ and four years of vesting service, upon disability or death while an employee of the Company. Any portion of a participant's account balance attributable to elective deferrals or rollover contributions is 100% vested at the time of contribution and is not subject to forfeiture.

Investment Options

Participants are required to make participant-directed allocations of their accounts among various investment options offered by the Plan, including mutual funds, common collective trust funds, and pooled separate accounts..

**AVEANNA HEALTHCARE 401(K) PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2025 AND 2024**

Withdrawals and Payment of Benefits

Distribution of a participant's vested account balance is available upon a participant's death, disability, retirement, termination of employment, attainment of age 59½, qualified domestic relations orders or for a financial hardship meeting the requirements of the IRC regulations. A participant can elect to receive either a lump-sum payment (including direct rollover into another qualified plan or an individual retirement account), fixed period annuities, fixed period installment payments or fixed payment installment payments.

Participants may also withdraw any part of his vested account resulting from rollover contributions at any time.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

Use of Estimates

The preparation of financial statements in accordance with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Risks and Uncertainties

The Plan's investments include mutual funds, common collective trusts and pooled separate accounts. Investment securities, in general, are exposed to various risks, such as interest rate, credit and overall market volatility. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the financial statements.

Forfeitures

Forfeitures resulting from the Company's contributions and the earnings on those contributions that are allocated to participants who leave the Company prior to vesting are retained in a forfeiture account. The Company has the option to offset administrative expenses or future Company contribution amounts with the forfeiture account. At December 31, 2025 and 2024, forfeited, non-vested account balances were \$60,175 and \$35,791, respectively. Approximately \$600,000 and \$82,700 of forfeitures were used to reduce company contributions and administrative expenses during the year ended December 31, 2025.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (the exit price). The Plan's Retirement Committee determines the Plan's valuation policies utilizing information provided by the investment advisors and Trustee.

**AVEANNA HEALTHCARE 401(K) PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2025 AND 2024**

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Net appreciation includes the Plan's gains and losses on investments bought and sold during the year as well as held at year-end. Dividends are recorded on the ex-dividend date. Management fees and operating expenses charged to the Plan for investments are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of investment return for such investments.

Notes Receivable from Participants

Notes receivable from participants represent participant loans that are recorded at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when it is earned. Related fees are recorded as administrative expenses and are expensed when they are incurred. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be a distribution, the participant loan balance is reduced, and a benefit payment is recorded.

Payment of Benefits

The Plan records benefit payments when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. In addition, certain fees related to participant-directed transactions, such as loan origination fees, distribution processing fees, hardship withdrawal service fees and enhanced qualified domestic relations order review fees and processing fees are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

3. INFORMATION CERTIFIED BY PLAN TRUSTEE

Certain information related to investments disclosed in the accompanying financial statements and the ERISA-required supplemental schedule, including investments held as of December 31, 2025 and 2024, and net appreciation in fair value of investments, and interest and dividends for the year ended December 31, 2025, was obtained by management and agreed to or derived from information certified as complete and accurate by the Trustee of the Plan.

4. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

**AVEANNA HEALTHCARE 401(K) PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2025 AND 2024**

- Level 2 – Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value at December 31, 2025 and 2024:

Mutual Funds: These investments are valued at the net asset value (NAV) of shares held by the Plan at year end. The NAV is a quoted price in an active market and these funds are classified within Level 1 of the valuation hierarchy.

Pooled Separate Accounts (PSAs) and Common Collective Trusts (CCTs): The Plan's interest in these investments is valued at NAV provided by the fund's Trustee or custodian as a practical expedient to estimate fair value. The NAV is based upon the fair value of the underlying investments held by the respective fund less its liabilities. This practical expedient would not be used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Underlying holdings are primarily valued using market quotations or prices obtained from independent pricing sources. There are no unfunded commitments or redemption restrictions for participants in the Plan who invest in these accounts.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although Plan management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

**AVEANNA HEALTHCARE 401(K) PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2025 AND 2024**

The following table presents within the fair value hierarchy, the Plan investment assets at fair value for Level 1, as of December 31, 2025 and 2024. There were no Level 2 or 3 assets for the years then ended.

Fair Value Measurements as of December 31, 2025

	Level 1	Total
Mutual funds	<u>\$ 35,209,240</u>	<u>\$ 35,209,240</u>
Total investments, in fair value hierarchy		35,209,240
PSAs valued at NAV ⁽¹⁾		15,987,013
CCTs valued at NAV ⁽¹⁾		<u>227,494,343</u>
Total investments, at fair value		<u>\$ 278,690,596</u>

Fair Value Measurements as of December 31, 2024

	Level 1	Total
Mutual funds	<u>\$ 28,019,841</u>	<u>\$ 28,019,841</u>
Total investments, in fair value hierarchy		28,019,841
PSAs valued at NAV ⁽¹⁾		14,483,496
CCTs valued at NAV ⁽¹⁾		<u>186,361,943</u>
Total investments, at fair value		<u>\$ 228,865,280</u>

⁽¹⁾ In accordance with FASB ASC Subtopic 820-10, certain investments that were measured at NAV per unit (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits. These investments can be redeemed daily and have no unfunded commitments.

5. PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are units of common collective trusts and units of pooled separate accounts managed by the Trustee. The Plan paid Trustee and audit fees during 2025. These are considered exempt party-in-interest transactions with respect to the Plan. These transactions are not considered “prohibited transactions” under the IRC or ERISA.

6. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

**AVEANNA HEALTHCARE 401(K) PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2025 AND 2024**

7. TAX STATUS

The Company adopted a Non-Standardized Pre-Approved Profit-Sharing Plan with Cash or Deferred Arrangement (CODA) sponsored by Principal Life Insurance Company (the Prototype Plan). The Prototype Plan received a favorable opinion letter from the Internal Revenue Service (IRS) on June 30, 2020, which stated that the Prototype Plan was designed in accordance with the applicable sections of the IRC. The Plan itself has not received a determination letter from the IRS. The Plan administrator believes that the Plan is designed and currently being operated in compliance with the applicable requirements of the IRC and that the Plan is qualified and tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions.

8. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
