INDEPENDENT AUDITORS' REPORT

Plan Trustees and Plan Participants
Finley & Cook 401(k) Savings Incentive Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of the Finley & Cook 401(k) Savings Incentive Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for plan benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for plan benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from Empower Annuity Insurance Company of America and Empower Trust Company, LLC, both qualified institutions, as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the accompanying financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States.
- the information in the accompanying financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

(Continued)

INDEPENDENT AUDITORS' REPORT, CONTINUED

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

(Continued)

INDEPENDENT AUDITORS' REPORT, CONTINUED

Auditors' Responsibilities for the Audit of the Financial Statements, Continued

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

INDEPENDENT AUDITORS' REPORT, CONTINUED

Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i—Schedule of Assets (Held at End of Year) as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

FINLEY & COOK 401(k) SAVINGS INCENTIVE PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2025 and 2024

(1) PLAN DESCRIPTION

The following description of the Finley & Cook 401(k) Savings Incentive Plan (the “Plan”) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan’s provisions.

General

Finley & Cook, PLLC (the “Company”) is the Plan’s sponsor. The Plan is a non-standardized defined contribution pre-approved safe harbor 401(k) plan. The Plan is designed to comply with Section 401(a) and the regulations thereunder of the Internal Revenue Code of 1986, as amended, (the “Code”) and is subject to the applicable provisions of the Department of Labor’s (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA). The Plan covers eligible employees of the Company, except collective bargaining employees and nonresident aliens.

The Plan is administered by the partners of the Company. Empower Annuity Insurance Company of America and Empower Trust Company, LLC (collectively, “Empower”) processes and maintains the records of the participant data and is the custodian of the Plan’s assets.

Eligibility

Effective January 1, 2025, the Plan’s eligibility conditions were amended to allow participation for all employees who are 21 years of age and have completed 6 months of service. Prior to the amendment, employees who were 21 years of age and had completed 500 hours of service in a consecutive 6-month period were eligible to participate in the Plan. Alternatively, if an employee had not completed 500 hours of service within the consecutive 6-month period, the employee could become eligible to participate in the Plan after 1 year of consecutive service.

Employees who become eligible to participate in the Plan may enroll and begin participation on the next semiannual enrollment date of January 1 or July 1 after becoming eligible.

Contributions

Participants may contribute up to 100% of their eligible compensation, as defined in the plan document, as either pretax or Roth deferrals, up to the maximum amount allowed by law. Participants who have attained age 50 before the end of the plan year are eligible for catch-up contributions. Participants may also contribute amounts representing rollover distributions from other qualified plans. Contributions are subject to certain limitations of the Code.

See Independent Auditors’ Report.

(1) **PLAN DESCRIPTION, CONTINUED**

Contributions, Continued

Participants are automatically enrolled at 3% of their eligible compensation when eligibility is reached unless they elect to defer a different amount or opt out. Effective January 1, 2023, the Plan's automatic enrollment feature was amended to provide an annual escalation of 1% up to a maximum of 5% of eligible compensation for participants. The annual escalation will be applied as of the second period that begins after the period in which the initial deferral amount was withheld from the participant's eligible compensation and will occur as of July 1 of each plan year.

The Plan provides for safe harbor matching contributions by the Company. The Company contributes 100% of the first 3% and 50% of the next 2% (maximum 4%) of a participant's eligible compensation each payroll period. Catch-up contributions are eligible for safe harbor matching contributions by the Company.

Additional amounts may be contributed by the Company under the Plan's nonelective provisions at the discretion of the Company's partners. Allocations of the Company's nonelective contributions are based on the proportion of each participant's compensation to the total of all participants' eligible compensation in their respective classification, as defined in the plan document. Participants must be employed on the last day of the plan year and have completed at least 1,000 hours of service during the year to be eligible to receive the Company's nonelective contributions. Participants, subject to death, total and permanent disability, or termination of employment on or after their normal retirement age of 65 during the plan year, are eligible to share in the nonelective allocations regardless of the conditions discussed above. There were no nonelective contributions by the Company for the years ended December 31, 2025 or 2024.

Investment Options

Participants direct the investment of their contributions and the Company's contributions into various investment options offered by the Plan. Participants may change their investment options at any time.

Participant Accounts

Each participant's account is credited with participant contributions, the Company's safe harbor matching contributions, and allocations of the Company's nonelective contributions and plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant-directed transactions, as defined in the plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

(1) PLAN DESCRIPTION, CONTINUED**Vesting**

Participants are immediately vested in their contributions and the Company's safe harbor contributions plus actual earnings thereon. Vesting in the Company's nonelective contributions is based upon years of continuous service as follows:

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than 2	0%
2 but less than 3	20%
3 but less than 4	40%
4 but less than 5	60%
5 but less than 6	80%
6 or more	100%

Participants automatically become 100% vested upon death or total and permanent disability. Participants who terminate for any other reason are entitled to the vested amount of their accounts.

Notes Receivable from Participants

The Plan does not permit loans to participants.

Payment of Benefits

Upon retirement, termination, disability, or death, a participant (or their beneficiary, as applicable) may elect to receive a lump-sum or partial withdrawal equal to the value of the participant's vested interest in his or her account. Additionally, participants may take in-service distributions upon reaching age 59 1/2. Hardship distributions may be made to participants under certain conditions of the Code, account restrictions, and other provisions of the plan document.

Upon termination, involuntary distributions are allowed for participant account balances of less than \$5,000. Involuntary distributions of at least \$1,000 made without the participant's consent are rolled into an individual retirement account.

Plan Termination

Although the Company has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

Administration of Plan Assets

Empower invests the contributions received, as well as interest and dividend income, and makes distributions to participants.

See Independent Auditors' Report.

(1) **PLAN DESCRIPTION, CONTINUED**

Administrative Costs

The Company absorbs a portion of the Plan's administrative costs. The remaining plan costs, including investment-related expenses, are allocated to each participant's account. Investment-related expenses are included in net appreciation in fair value of investments.

(2) **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

Basis of Accounting

The financial statements of the Plan have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States.

Use of Estimates

The preparation of the financial statements in conformity with accounting principles generally accepted in the United States requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Investments

Investments in registered investment companies are carried at fair value, determined using year-end quoted market prices in active markets. See Note 3 for a discussion of fair value measurements.

Income Recognition

Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Purchases and sales of investments are recorded on a trade-date basis. Net appreciation or depreciation in investments includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

Payment of Benefits

Benefits are recorded when paid. There were no benefits requested before year-end that were not paid.

Date of Management's Review of Subsequent Events

Management has evaluated subsequent events through August 5, 2026, the date which the financial statements were available to be issued, and determined that no subsequent events have occurred that require adjustment to or disclosure in the financial statements.

(3) **FAIR VALUE MEASUREMENTS**

Fair value is defined as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. In estimating fair value, the Plan utilizes valuation techniques that are consistent with the market approach, the income approach, and/or the cost approach, as applicable. Such valuation techniques are consistently applied. Inputs to valuation techniques include the assumptions that market participants would use in pricing an asset or liability. Fair values may not represent actual values of assets and liabilities that could have been realized on the measurement date or that will be realized in the future. The use of different market assumptions and/or estimation methodologies may have a material effect on the estimated fair value amounts.

Accounting Standards Codification Topic 820, "Fair Value Measurement," establishes a fair value hierarchy for valuation inputs that gives the highest priority to quoted prices in active markets for identical assets or liabilities and the lowest priority to unobservable inputs. The fair value hierarchy is as follows:

- Level 1 inputs to the valuation methodology are quoted prices (unadjusted) for identical assets or liabilities in active markets.
- Level 2 inputs to the valuation methodology include quoted prices for similar assets and liabilities in active markets, and inputs that are observable for the asset and liability, either directly or indirectly, for substantially the full term of the asset or liability.
- Level 3 inputs consist of unobservable inputs which are used when observable inputs are unavailable and reflect an entity's own assumptions about the assumptions that market participants would use in pricing the assets or liabilities.

The Plan uses appropriate valuation methods based on the available inputs to measure the fair values of its assets and liabilities.

The following is a description of the valuation methodologies used for assets measured at fair value on a recurring basis and recognized in the accompanying statements of net assets available for plan benefits.

Registered Investment Companies

Registered investment companies are valued at quoted market prices in active markets and are classified within Level 1 of the fair value hierarchy.

(3) FAIR VALUE MEASUREMENTS, CONTINUED

The following table presents the fair value measurements of assets recognized in the accompanying statements of net assets available for plan benefits at fair value on a recurring basis and the level within the fair value hierarchy in which the fair value measurements fall at December 31:

		Fair Value Measurements at Reporting Date Using		
		Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)

Registered investment companies	\$ <u>17,589,122</u>	<u>17,589,122</u>	<u>-</u>	<u>-</u>

(4) TAX STATUS

The Plan is a non-standardized pre-approved defined contribution plan offered through Employee Benefits Group, LLC, the third-party administrator of the Plan. The Internal Revenue Service has determined and informed Employee Benefits Group, LLC by a letter dated June 20, 2020, that the non-standardized plan is designed in accordance with applicable sections of the Code. Although the Plan has been amended from the original non-standardized plan, the plan administrator believes that the Plan and the related trust are currently designed and being operated in compliance with the applicable requirements of the Code and, therefore, believes that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the taxing authorities. The plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2025 and 2024, there were no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits in progress for any tax periods.

See Independent Auditors' Report.

(5) INFORMATION CERTIFIED BY PLAN CUSTODIAN

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the custodian has certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate:

- Investments as shown in the statements of net assets available for plan benefits as of December 31, 2025 and 2024.
- Investment activity (net appreciation in fair value of investments, interest, and dividends) as shown in the statement of changes in net assets available for plan benefits for the year ended December 31, 2025.
- Schedule H, line 4i—Schedule of Assets (Held at End of Year) as of December 31, 2025, as shown on the supplemental schedule.

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and the supplemental schedule.

(6) TRANSACTIONS WITH PARTY-IN-INTEREST

Certain administrative functions are performed by partners and employees of the Company. No partner or employee receives compensation from the Plan for these services. Certain administrative expenses were paid by the Company on behalf of the Plan. The Company does not expect to be reimbursed from the Plan for these expenses.

Certain fees incurred by the Plan are included in net appreciation in fair value of investments, as they are paid through revenue sharing rather than direct payment. The Plan also made direct payments to service providers which were not covered by revenue sharing.

(7) RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant account balances and the amounts reported on the statements of net assets available for plan benefits.
