To the Participants in and Administrator of  
Boss Holdings, Inc. 401(k) Profit Sharing Retirement Plan  
Kewanee, Illinois

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Boss Holdings, Inc. 401(k) Profit Sharing Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Boss Holdings, Inc. 401(k) Profit Sharing Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024 and for the year ended December 31, 2025, stating that the certified investment information, as described in Note F to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Boss Holdings, Inc. 401(k) Profit Sharing Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### Responsibilities of Management

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Boss Holdings, Inc. 401(k) Profit Sharing Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Boss Holdings, Inc. 401(k) Profit Sharing Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Boss Holdings, Inc. 401(k) Profit Sharing Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Line 4i Schedule of Assets (Held at End of Year) as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**BOSS HOLDINGS, INC. 401(K) PROFIT SHARING RETIREMENT PLAN**  
**Notes to Financial Statements**  
**December 31, 2025 and 2024**

**NOTE A – DESCRIPTION OF PLAN**

The following description of the Boss Holdings, Inc. 401(k) Profit Sharing Retirement Plan ("Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

*General* – The Plan became effective January 1, 1983 with approval of the Board of Directors of Boss Holdings, Inc. ("Company"). The Plan is a defined contribution plan covering all eligible employees of the Company that have completed at least six months of service during eligibility computation period and are age twenty-one or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

*Contributions* – Each year, participants may contribute up to 100% of pretax annual compensation (as defined in the Plan) up to the limits defined by law. Participants also may designate all or a portion of their deferral contributions as after tax contributions into a Roth account. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans (rollover). Participants direct the investment of their contributions into the investment options offered by the Plan. The Plan currently offers mutual funds, pooled separate accounts, common collective trusts, and a guaranteed investment contract as investment options for participants. The Company contributes a safe harbor matching amount which is 100% of the first 3% of compensation and 50% up to the next 2% of compensation. Contributions are subject to certain limitations as defined by the Plan. For 2025, the Company's safe harbor matching contributions amounted to \$153,638. Additional employer nonelective discretionary contributions may be made at the option of the Company's Board of Directors. There were no nonelective discretionary contributions made for the year ended December 31, 2025. Contributions are subject to certain Internal Revenue Service ("IRS") limitations.

*Participant Accounts* – Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution and (b) Plan earnings (losses), and charged with an allocation of administrative expenses, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

*Vesting* – Participants are immediately vested in their own contributions plus actual earnings thereon as well as safe harbor matching contributions. Discretionary employer contributions are based on the following vesting schedule:

| <u>Years</u> | <u>Employer Contributions</u> |
|--------------|-------------------------------|
| 1            | 0%                            |
| 2            | 20%                           |
| 3            | 40%                           |
| 4            | 60%                           |
| 5            | 80%                           |
| 6            | 100%                          |

*Payment of Benefits* – On termination of service due to death, disability, retirement, or other reasons, a participant may elect to receive a lump sum, partial amount, or installment payments equal to the value of the participant's vested interest in his or her account. If a terminated participant's vested balance is less than or equal to \$5,000, the amount may be automatically distributed in the form of a lump sum payment or rolled over to an individual retirement account, depending on the election. In addition, the Plan allows for hardship distributions if certain criteria are met.

**Notes to Financial Statements**  
**December 31, 2025 and 2024**

**NOTE A – DESCRIPTION OF PLAN (continued)**

*Notes Receivable from Participant* – Subject to certain limitations in the plan document, participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account. The loan interest rate, determined periodically is set at rates equal to the prevailing market rate for similar commercial loans charge by local financial institutions, as determined by the Plan Administrator. Principal and interest is paid ratably through payroll deductions. Loan terms range up to 5 years or greater for the purchase of a primary residence.

*Forfeited Accounts* – Any accumulated benefits forfeited during a Plan year due to participant withdrawal prior to full vesting may be applied to reduce employer contributions or to pay administrative expenses which would otherwise be paid by the Plan. As at December 31, 2025 and 2024, there were no forfeitures balances.

**NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

*Basis of Accounting* – The accompanying financial statements are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

*Notes Receivable from Participants* – Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. If a participant does not make loan repayments and the Plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the plan document.

*Estimates* – The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

*Investment Valuation and Income Recognition* – The Plan's investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See "Note G Fair Value Measurements" for discussion of Fair Value Measurements. The Plan's investments in fully benefit-responsive investment contracts are reported at contract value. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan. Common collective trusts are reported using net asset value (NAV) as a practical expedient. In accordance with the policy of stating investments at fair value, the Plan presents, in the statement of changes in net assets available for benefits, the net appreciation (depreciation) in the fair value of its investments, which consists of the realized gains or losses and the unrealized appreciation (depreciation) on those investments. Dividends are recorded on the ex-dividend date. Interest income is recorded on an accrual basis. Purchase and sales of securities are recorded on a trade-date basis.

*Payment of Benefits* – Benefits are recorded when paid.

*Administration Expenses* – Certain administrative expenses of maintaining the Plan are paid by the Company. Fees related to distribution and the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

**BOSS HOLDINGS, INC. 401(K) PROFIT SHARING RETIREMENT PLAN**  
**Notes to Financial Statements**  
**December 31, 2025 and 2024**

**NOTE C – PLAN TERMINATION**

Although it has not expressed any intent to do so, the Plan's sponsor has the right to terminate the Plan subject to the provisions of ERISA. In the event of whole or partial plan termination; participants would become fully vested as to the amount credited to their accounts after deductions for estimated liquidation and distribution expenses.

**NOTE D – RISKS AND UNCERTAINTIES**

The Plan invests in various investment securities which are exposed to various risks such as interest rate, market fluctuations, and credit risks. Due to the risk associated with certain investment securities, it is at least reasonably possible that changes in market values, interest rates, or other factors in the near term would materially affect participants' account balances as well as the amounts reported in the statement of net assets available for benefits and the statement of changes in net assets available for benefits.

**NOTE E – TAX STATUS**

The Plan uses a Standardized Pre-Approved Profit Sharing Plan with CODA provided by Principal Life Insurance Company and has received an opinion letter dated June 30, 2020 from the IRS which states that the standardized pre-approved plan's form satisfies the applicable provisions of the Internal Revenue Code. The standardized pre-approved plan's opinion letter has been relied upon by the Plan. The Plan administrator believes the Plan is being operated in compliance with the applicable requirement of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any open tax periods in progress.

**NOTE F – INFORMATION PREPARED AND CERTIFIED BY CUSTODIAN**

The Plan administrator has elected the method of annual reporting compliance permitted by 29-CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosures under ERISA. Accordingly, Delaware Charter Guarantee and Trust Company dba Principal Trust Company, the Custodian of the Plan, has certified as being complete and accurate the investments and notes receivable from participants on the statement of net assets available for benefits as of December 31, 2025, the investment and interest activity reflected in the statement of changes in net assets available for benefits, and the investment information included in the supplemental schedule of the financial statements as of and for the year ended December 31, 2025. Accordingly, as permitted under such election, the Plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information certified as complete and accurate.

**NOTE G – FAIR VALUE MEASUREMENTS**

Accounting Standards Codification (ASC) 820 *Fair Value Measurements and Disclosures* (ASC 820), provides the framework for measuring fair value. Fair value of a financial instrument is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described as follows:

*Level 1 Fair Value Measurements*

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

*Level 2 Fair Value Measurements*

Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets
- quoted prices for identical or similar assets or liabilities in inactive markets
- inputs other than quoted prices that are observable for the asset or liability
- inputs that are derived principally from, or corroborated by, observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

*Level 3 Fair Value Measurements*

Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

*Mutual Funds* – Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

*Pooled Separate Accounts at a Readily Determined Fair Value* – For investments in pooled separate accounts, fair values of the underlying mutual funds are based on publicly quoted market pricing inputs (level 1) and are used in determining the net asset value (NAV) of the pooled separate account, which is not publicly quoted.

*Collective Trust Fund* – Valued at the net asset value (NAV) of units of a bank collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchased and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

- a) In accordance with FASB ASC 820, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the Statements of Net Assets Available for Benefits.

*Transfers between Levels* – The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. In such instances the transfer is reported at the beginning of the reporting period.

The following table summarizes investments measured at fair value based on NAV per share as of December 31, 2025 and 2024. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan:

**Notes to Financial Statements**  
**December 31, 2025 and 2024**

**NOTE H – FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT**

The Plan entered into a benefit-responsive guaranteed investment contract with Principal Trust Company (“Principal”). Principal maintains the respective participant-directed contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses.

These contracts meet the fully benefit-responsive investment contract criteria and therefore are reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by the sponsoring trustee, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The traditional investment contract held by the Plan is a guaranteed investment contract. The contract issuer is contractually obligated to repay the principal and interest at the specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer but may not be less than zero percent. The crediting rate is reviewed on a bi-annual basis for resetting. The contract cannot be terminated before the scheduled maturity date.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the issuer. These events may be different under each contract. Such events include:

1. amendments to the Plan documents (including complete or partial Plan termination or merger with another plan);
2. changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions;
3. bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan;
4. the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA; or,
5. Premature termination of the contract.

No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. These events may be different under each contract. Such events include:

1. an uncured violation of the Plan's investment guidelines;
2. a breach of material obligation under the contract;
3. a material misrepresentation; or,
4. a material amendment to the agreement without the consent of the issuer.

**NOTE I – EXEMPT PARTY-IN-INTEREST TRANSACTIONS**

Certain Plan investments are managed by Delaware Charter Guarantee and Trust Company dba Principal Trust Company, which is the custodian, as defined by the Plan. These transactions are considered exempt party-in-interest transactions. Fees paid for investment management services were included as a reduction of the return earned on each respective fund. The Plan issues loans to participants, which are secured by the vested balances in the participants' accounts. Certain administrative functions of the Plan are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan.

**NOTE J – SUBSEQUENT EVENTS**

The Plan's management has evaluated subsequent events through July 23, 2026, the date the financial statements were available for issuance.
