Report of Independent Auditors

To the Administrator of Wilmer Cutler Pickering Hale and Dorr LLP Savings and Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Wilmer Cutler Pickering Hale and Dorr LLP Savings and Retirement Plan (the “Plan”), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, including the related notes (collectively referred to as the “financial statements”).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan’s financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024 and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors’ Responsibilities for the Audit of the Financial Statements section of our report

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2025 ("supplemental schedule"), is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with US GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

1. Description of Plan

The following brief description of the Wilmer Cutler Pickering Hale and Dorr LLP Savings and Retirement Plan (the "Plan") provides general information only. The Plan was maintained as an individually designed plan through October 10, 2025. Effective October 10, 2025, the Plan was amended and restated. The October 10, 2025 Plan Document is the governing Plan document as of December 31, 2025. Participants should refer to the Plan Document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan comprised of two components: an employee 401(k) cash or deferred contribution arrangement and an employer contribution arrangement. The Plan covers all equity partners, income partners, senior counsel, counsel, associates, staff attorneys, and other employees, as defined, of Wilmer Cutler Pickering Hale and Dorr LLP (the "Firm" and "Plan Sponsor" and "Plan Administrator") ("Eligible Employees"). Eligible Employees do not include summer associates, foreign employees, and other circumstances as defined in the Plan Document. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Administration of the Plan

The Firm's Retirement Plans Committee (the "Committee"), appointed by the Firm, serves as administrator of the Plan and appoints the Plan's trustee. The Plan's trustee is required to comply with investment directions given by plan participants but need not comply should such directions require future capital investment.

Effective October 10, 2025, the Plan transitioned trustee services from John Hancock Trust Company LLC ("John Hancock") to Charles Schwab Trust Bank ("Charles Schwab") ("Trustees"). In connection with the transition, participant account balances, including investments, loan balances, and related participant data, were transferred from John Hancock to Charles Schwab. The transfer was completed based on participant account values as of the market close on October 9, 2025. There were no changes in the investment options and the balances were transferred in kind. Investment options available under the Plan prior to the transition were mapped to the same investment options at Charles Schwab. The Firm represents that the mapping was performed in accordance with the Plan's conversion approach and participant communication and that no material changes to participant account balances resulted from the conversion.

For the year ended December 31, 2025, the accompanying financial statements include activity processed by both John Hancock and Charles Schwab for their respective periods of service. The Plan Administrator has evaluated the completeness and accuracy of the information received from both service organizations and believes such information is appropriate for purposes of these financial statements.

The Plan experienced a blackout period from September 29, 2025 through October 22, 2025 during which participants were unable to obtain loans, or take distributions beginning September 29, 2025 and were unable to direct or diversify investments beginning October 2, 2025. The Plan Administrator provided required notices to participants in accordance with Department of Labor regulations.

The Plan obtained System and Organization Controls ("SOC 1") reports from both John Hancock and Charles Schwab covering the periods in which each served as Trustee. The Plan Administrator

Wilmer Cutler Pickering Hale and Dorr LLP Savings and Retirement Plan

Notes to Financial Statements

December 31, 2025 and 2024

evaluated these reports and noted no matters that would have a material effect on the Plan's financial statements.

At December 31, 2025 and 2024, the Plan's investments are held in a trust administered by Charles Schwab and John Hancock, respectively.

Contributions

Participants are eligible to defer up to 75% of their eligible annual compensation to the Plan on a pre-tax basis and/or on a post-tax Roth basis, subject to certain limitations. Participants whose employee contributions are limited by statutory requirements may make additional catch-up contributions starting in the calendar year during which they reach age 50. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers).

Additionally, participants (excluding all Partners) may make voluntary after-tax contributions and subsequently convert the voluntary after-tax contributions to Roth via the In-Plan Roth conversion feature. A participant may also withdraw an amount from either or both the Voluntary and/or Voluntary After-Tax contribution accounts in accordance with the rules of the Plan. Eligible Employees, except for counsel, associates and staff attorneys whose first date of employment is after May 30, 2004, receive a matching contribution from the Firm. The Firm will match 50% of these participants' contributions (excluding catch-up contributions) up to 6% of eligible compensation, for a maximum match of 3% of a participant's eligible compensation. These participants become eligible to receive a Firm match beginning on the first January 1 or July 1 coinciding with or following their one-year anniversary.

Prior to October 10, 2025, the Plan included an auto-enrollment provision whereby all newly Eligible Employees are automatically enrolled in the Plan as of the first day of the calendar month following completion of thirty days of service unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation and their contributions are invested in designated funds until changed by the participant. All newly Eligible Employees beginning October 10, 2025, are automatically enrolled 45 days from date of hire/rehire at 6% of eligible compensation and their contributions are invested in designated funds until changed by the participant.

In addition, all eligible participants, excluding associates and ineligible counsel, are entitled to receive profit-sharing contributions as follows:

Eligible partners	The Firm shall contribute the sum of (1) 7.5% of participants' compensation, as defined, plus (2) 5.7% of participants' compensation in excess of the social security wage base.
Eligible employees	The Firm shall contribute an amount equal to 7.5% of participants' compensation, as defined.
Eligible counsel and attorneys	The Firm shall contribute an amount equal to 5% of compensation for highly compensated participants. All non-highly compensated participants will receive a contribution amount equal to 7.5% of compensation.

Wilmer Cutler Pickering Hale and Dorr LLP Savings and Retirement Plan

Notes to Financial Statements

December 31, 2025 and 2024

Eligible participants shall be entitled to receive the profit-sharing contributions effective as of the earlier of January 1 or July 1 coinciding with or following the employee's completion of two years of service.

Only participants who are actively employed, or on leave under the Family and Medical Leave Act of 1993, on the last business day of the plan year or who have their employment terminated during the plan year by reason of death or having attained age 55 and completed 10 years of service, shall be eligible to share in the matching contribution or the profit-sharing contribution for the plan year.

Participant Accounts

Each participant's account is credited with the contributions made on his or her behalf, an allocation of Plan earnings or losses and an allocation of revenue credits (Note 9) and charged with an allocation of administrative expenses. Revenue credits are allocated to participants holding investments earning revenue credits. Allocations of earnings and losses are based on participant earnings or investment balances, as defined. Allocations of administrative expenses are based on the number of participants in the Plan.

Participants self-direct their investments and all contributions. Investment options include registered investment companies (e.g. mutual funds), common collective trusts, and a pooled separate account. Participants also have access to a self-directed brokerage account. A deposit administration (DA) contract was also an option to participants, but it is no longer available for contributions. Effective December 15, 2025, the DA contract was terminated, and funds were transferred to an eligible common collective trust fund based on each participant's birth year.

Certain participants have elected to invest portions of their account balance in the self-directed brokerage account. The brokerage account is an account within the Plan which allows a participant to invest in assets outside of the list of core funds available in the Plan. The brokerage account primarily consists of mutual funds and common stocks that are valued on the basis of readily determinable market price.

Vesting

Participants are fully vested in their own contributions and earnings thereon, and shall not be subject to forfeiture for any reason. Additionally, participants are immediately fully vested in the Firm's matching and profit-sharing contributions and earnings thereon.

Payment of Benefits

On termination of service due to reasons including early termination, death or disability, a participant, or his or her beneficiary, may elect, in accordance with the Plan Document, to receive the value of the vested interest in his or her account as a lump sum distribution in cash unless it does not exceed \$1,000, in which case the plan administrator will instruct the Trustee to pay the entire vested amount to the participant. A participant (or his or her beneficiary) may also elect to receive the value of the vested interest in his or her account in any number of annual installments over a fixed period of years or over a period not extending beyond the life expectancy of the participant or the life expectancy of the participant and his or her designated beneficiary. The Plan allows in-service withdrawals under certain limited circumstances.

Participants may apply for a hardship withdrawal as defined by the Internal Revenue Code to meet certain eligible expenses. The application for the hardship withdrawal must be approved by the Plan Administrator.

2. Significant Accounting Policies Basis of Accounting

The financial statements of the Plan are prepared in accordance with accounting principles generally accepted in the United States of America, using the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities at the dates of the financial statements. Actual results could differ from these estimates.

Risks and Uncertainties

The Plan's investments are exposed to various risks, such as interest rate, credit and overall market volatility. Market risk includes global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

Investment Valuation and Income Recognition

The Plan's investments include investments that are stated at fair value, except for the Plan's DA contract with Wilcac Life Insurance Company, which was valued at contract value. Contract value represents deposits made under the contract, plus interest at the contract rate, minus withdrawals and administrative expenses. As noted in Note 1, the DA contract was terminated effective December 15, 2025.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements. The Plan's Retirement Committee determines the Plan's valuation policies utilizing information provided by the Trustee and investment advisors.

Purchases and sales of securities are recorded on the trade date. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. Net appreciation includes the Plan's realized and unrealized gains and losses on investments bought and sold as well as held during the year.

Contributions

Participant contributions are recorded in the period in which the Firm makes payroll deductions from the participants' earnings. The employer match and profit-sharing contributions are recorded when determined by the Plan Sponsor. Employer match and profit-sharing contributions are remitted to the Plan prior to the income tax deadline (including extensions) filed the following year.

Employer contributions receivable at December 31, 2025 and 2024 were fully remitted to the Plan in February 2026 and 2025, respectively.

Payment of Benefits

Benefit payments to participants are recorded upon distribution.

Wilmer Cutler Pickering Hale and Dorr LLP Savings and Retirement Plan

Notes to Financial Statements

December 31, 2025 and 2024

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the Plan Document. No allowance for credit losses has been recorded as of December 31, 2025 or 2024.

Administrative Expenses

Administrative expenses are paid by the Plan, including, but not limited to, fees of accountants, counsel, and other specialists and their agents. Until paid, the expenses shall be a liability of the Plan. At its discretion, the Firm may reimburse the Plan for any administrative expenses. For the plan year ended December 31, 2025, administrative expenses incurred by the Plan were \$349,849, none of which were reimbursed by the Firm.

3. Fair Value Measurements

ASC 820, Fair Value Measurement ("ASC 820") defines fair value, establishes a framework for measuring fair value in accordance with U.S. GAAP and expands disclosures about the fair value measurement. ASC 820 provides guidance on how to measure fair value by providing a fair value hierarchy used to classify the source of the information.

ASC 820 requires that assets and liabilities carried at fair value be classified and disclosed in one of the following categories:

- Level I Quoted prices are available in active markets for identical investments as of the reporting date.
- Level II Inputs are quoted prices for similar investments, or inputs that are observable either directly or indirectly, for substantially the full term of the investment, through corroboration with observable market data.
- Level III Investments classified within Level III have significant unobservable inputs, as they trade infrequently or not at all. Inputs include the original transaction price, recent transactions in the same or similar instruments, completed or pending third-party transactions in the underlying investment, and require significant judgment or estimation.

In certain cases, the inputs used to measure fair value may fall into different levels of the fair value hierarchy. In such cases, an investment's level within the fair value hierarchy is based on the lowest level of input that is significant to the fair value measurement. The Plan Sponsor's assessment of the significance of a particular input to the fair value measurement in its entirety requires judgment and considers factors specific to the investment. Inputs applicable to a particular investment type, or a specific investment, may vary from period to period.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

- Shares of mutual funds are valued at quoted market prices, which represent the net asset value of shares held by the Plan at year-end.
- Bonds, common and preferred stocks are stated at fair value based on quoted market prices, which are included in the self-directed brokerage account.

Wilmer Cutler Pickering Hale and Dorr LLP Savings and Retirement Plan

Notes to Financial Statements

December 31, 2025 and 2024

- Investments traded on the over-the-counter market and listed securities for which no sale was reported on that date are valued at the average of the last reported bid and ask prices.

The following tables summarize the valuation of the Plan's investments measured at fair value on December 31, 2025 and 2024:

- (a) In accordance with ASC 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

There were no transfers between Level I, II, or III fair value measurements during the years ended December 31, 2025 or 2024.

Fair Value Measurements of the Investments in Certain Entities That Calculate Net Asset Value Per Share

Investments in the common collective trust funds and the pooled separate account are valued based on the unit value established for each fund on the valuation date. Reporting entities are permitted, as practical expedient, to measure the fair value of an investment on the basis of the Net Asset Value ("NAV") per share of the investment if the NAV is calculated in a manner consistent with measurement principles. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Were the Plan to initiate a full redemption of the collective trusts or pooled separate account, the investment adviser reserves the right to temporarily delay withdrawal from the fund in order to ensure that securities liquidations will be carried out in an orderly business manner. The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2025 and 2024, respectively.

Interest on notes receivable from participants	293,285

In addition, the information contained in Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2025, was certified complete and accurate by Charles Schwab, the trustee of the Plan.

5. Notes Receivable from Participants

Under the terms of the Plan Document, the Plan Administrator is authorized to grant loans to Plan participants, as defined. Each participant is able to borrow a minimum amount of \$1,000 and a maximum amount up to the lesser of \$50,000 reduced by the highest outstanding balance of the participant's loans, if any, during the prior twelve months or 50% of the vested amount of their account. Participants are able to have up to two loans outstanding at a time, and repayment terms are one to five years unless the loan is obtained to purchase a principal residence in which case the maximum repayment term is 15 years. Interest is payable at a rate of prime plus one percent as appearing in the Wall Street Journal on the Monday of the first full week of the month in which the loan was made. At December 31, 2025 and 2024, interest rates ranged from 4.25% to 9.50%. Participant loans are secured by the participant's vested account balance.

6. Plan Termination

Although it has not expressed any intent to do so, the Firm has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will receive the balance in their accounts.

Notes to Financial Statements

7. Tax Status

The Plan obtained its latest determination letter on February 9, 2017, in which the Internal Revenue Service stated the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. However, the plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025 and 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2022.

8. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits and changes in net assets available for benefits per the financial statements as of December 31, 2025 and 2024, and for the year ended December 31, 2025 to Form 5500:

	2025	2024
Net assets available for benefits per the financial statements	\$ 1,317,653,220	\$ 1,218,793,207
Notes receivable from participants - deemed distribution	<u>(40,214)</u>	<u>(94,871)</u>
Net assets available for benefits per the Form 5500	<u>\$ 1,317,613,006</u>	<u>\$ 1,218,698,336</u>
		2025
Net increase in assets available for benefits per the financial statements		\$ 98,860,013
Change in notes receivable from participants - deemed distribution		<u>54,657</u>
Net increase in assets available for benefits per the Form 5500		<u>\$ 98,914,670</u>

9. Related Parties and Parties-in-Interest Transactions

For the year ended December 31, 2025, fees paid from plan assets to John Hancock and Charles Schwab amounted to \$164,330 and \$29,336, respectively excluding investment management fees incurred, and are included in administrative expenses on the Statement of Changes in Net Assets Available for Benefits. Investment management fees are included in net appreciation in fair value of investments. Participant loans also qualify as party-in-interest transactions.

The Plan also has a revenue credit agreement with the Trustees. Under this agreement, the Trustees provide revenue credits to the Plan, with respect to certain investments, that the Trustees

Wilmer Cutler Pickering Hale and Dorr LLP Savings and Retirement Plan
Notes to Financial Statements
December 31, 2025 and 2024

have negotiated with sponsors of some of the Plan's investment options. Revenue credits received in connection with these investments are allocated to participant accounts. During 2025, \$1,386,088 of revenue credits were allocated to participant accounts. The revenue credits are included as other income on the Statement of Changes in Net Assets Available for Benefits. The revenue credits also qualify as party-in-interest transactions.

As of December 31, 2025 and 2024, the forfeiture balance was \$496 and \$1,249, respectively, which is included in investments on the Statements of Net Assets Available for Benefits.

10. Subsequent Events

No subsequent events were identified through August 4, 2026, the date these financial statements were issued.
