## **INDEPENDENT AUDITOR'S REPORT**

To the Plan Administrator and Management  
Goodwill Industries of Central Florida, Inc. Profit Sharing Plan  
Orlando, FL

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the Financial Statements**

We have performed an audit of the accompanying financial statements of Goodwill Industries of Central Florida, Inc. Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of January 12, 2024 and December 31, 2023, and the related statement of changes in net assets available for benefits for the period ended January 12, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended January 12, 2024 and December 31, 2023, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

## **Opinion on the Financial Statements**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion on the Financial Statements**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Goodwill Industries of Central Florida, Inc. Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Emphasis of Matter – Basis of Accounting**

As discussed in Note 3 to the financial statements, the governing body of Goodwill Industries of Central Florida, Inc. Profit Sharing Plan approved a plan of liquidation in 2023, and management determined liquidation is imminent. As a result, the Plan is using the liquidation basis of accounting to present the January 12, 2024 and December 31, 2023 financial statements. As of January 12, 2024, the Plan has been fully liquidated. Our opinion is not modified with respect to that matter.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

#### **Other Matter - Supplemental Schedule Required by ERISA**

The supplemental schedule H, Line 4(i) – Schedule of Assets (Held at Period End) as of and for the period ended January 12, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Goodwill Industries of Central Florida, Inc. Profit Sharing Plan**

### **Notes to Financial Statements**

#### **Note 1: DESCRIPTION OF THE PLAN**

The following description of Goodwill Industries of Central Florida, Inc. (the Organization) Profit Sharing Plan (the Plan) provides only general information. Participants of the Plan should refer to the Plan documents for a more complete description of the Plan's provisions.

##### ***General***

General – The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) and various provisions of the Internal Revenue Code (IRC). The Plan is a defined contribution plan covering employees of the Organization who have attained a minimum age of 18 years, have completed three months of service and worked at least 1,000 hours during the Plan year.

The Plan's Investment Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance and reports to the Organization's Board of Trustees. Some administrative functions are performed by employees of the Organization. No compensation is remitted to the Organization for these services.

Plan assets are held and managed by Teachers Insurance and Annuity Association-College Retirement Equities Fund (TIAA-CREF), the trustee or custodian and the qualified institution for the Plan, which invests contributions and Plan earnings, makes investment transactions as directed by the Investment Committee and provides certain recordkeeping services. New Pinnacle Consulting Group, LLC acts as the third-party administrator for the Plan, which performs certain plan administration and annual ERISA compliance testing.

Plan Administrator and Management of the Plan approved the termination of the Plan in 2023. All Plan assets were liquidated as of January 12, 2024.

##### ***Eligibility***

All employees are eligible to participate with the exception of employees who are non-resident aliens who received no earned income from sources within the United States.

##### ***Contributions***

Employee deferral contributions are not permitted under the Plan. Employees are permitted to deposit into the Plan the distributions received from other retirement plans and certain IRAs as roll over contributions.

Annually, the employer may make a discretionary profit sharing contribution, which is not limited to profits; there was no contribution made during the period ended January 12, 2024. To be eligible for this contribution, participants must meet the requirements noted above. Employer contributions are invested at the direction of Plan participants.

### **Notes to Financial Statements**

#### **Note 1: DESCRIPTION OF THE PLAN (Continued)**

##### ***Participant Accounts***

Each participant's account is credited with the Organization's contributions, as well as allocations of the Organization's profit sharing contributions and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided by the participant's vested account.

##### ***Vesting***

Employer contributions vest based on the participant's years of service as follows: 20% after two years of service and 20% for each additional year of service thereafter. A participant becomes 100% vested upon death or disability while still employed by the Organization. As the Organization has made the decision to terminate the plan, all participants are fully vested in their accounts.

##### ***Benefit Payments***

On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump sum amount equal to the value of the participant's vested interest in his or her account, or partial withdrawal. The plan allows for in-service distribution if a participant reaches age 59½.

##### ***Forfeitures***

The Plan holds forfeited accounts in the Vanguard Target Retirement 2020 Fund as well as the TIAA Stable Value account. Forfeited nonvested accounts are used to reduce employer contributions and pay Plan administrative expenses. At January 12, 2024 there were no forfeited nonvested accounts.

#### **Note 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

##### ***Basis of Accounting***

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP). The Financial Accounting Standards Board (FASB) provides authoritative guidance regarding U.S. GAAP through the Accounting Standards Codification (ASC) and related Accounting Standards Updates (ASUs).

### **Notes to Financial Statements**

#### **Note 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

##### ***Basis of Accounting (Continued)***

Due to the decision to terminate the Plan, the financial statements as of January 12, 2024 and December 31, 2023, have been prepared using the liquidation basis of accounting. Under the liquidation basis of accounting, assets are measured to reflect the estimated amount of cash expected to be collected in settling or disposing of the assets during the liquidation process. Liabilities are measured using the accrual basis of accounting that would include any expected costs of the disposal of assets and other costs expected to be incurred during the liquidation process.

##### ***Use of Estimates***

The preparation of U.S. GAAP financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

##### ***Investment Valuation and Income Recognition***

Investments generally are reported at fair value, but may also be reported at net asset value (NAV). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Notes 4 and 5 for further discussion of fair value measurements and NAV.

The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisers, trustees and insurance company.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

##### ***Payment of Benefits***

Distributions to participants are recorded when paid.

##### ***Administrative Expenses***

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Organization. Expenses that are paid by the Organization are excluded from these financial statements. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

### **Notes to Financial Statements**

#### **Note 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

##### ***Risks and Uncertainties***

The Plan invests in various investment securities. Investment securities, in general, are exposed to various risks, such as interest rate, credit and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in value of investment securities will occur in the near term and that these changes could materially affect amounts reported in the Plan's financial statements.

##### ***Subsequent Events***

Management has evaluated subsequent events through the date that the financial statements were available to be issued, August 3, 2026 and determined there were no events that occurred that require disclosure. No subsequent events occurring after this date have been evaluated for inclusion in these financial statements.

#### **Note 3: PLAN TERMINATION AND SUBSEQUENT EVENTS**

The Organization has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. The governing body of Goodwill Industries of Central Florida, Inc. Profit Sharing Plan made the decision to terminate the Plan. As such participants became 100% vested in their employer contributions. As of January 12, 2024, all Plan assets have been distributed.

#### **Note 4: INFORMATION CERTIFIED BY QUALIFIED INSTITUTION**

The Plan Administrator has elected the method of compliance, as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. The following financial information included in the Plan's financial statements was obtained by management and agreed to or derived from information certified as complete and accurate by TIAA-CREF, the qualified institution:

- a) Total investments, at fair value, included in the statements of net assets available for benefits at January 12, 2024 and December 31, 2023.
- b) Investment income information and net appreciation included in the statement of changes in net assets available for benefits for the period ended January 12, 2024.
- c) All amounts included in Note 5, *Fair Value Measurements*.
- d) All information included in the supplemental schedule of assets (held at period end) as of January 12, 2024.

### Notes to Financial Statements

#### Note 5: FAIR VALUE MEASUREMENTS

Fair value is the exchange price that would be received for an asset or paid to transfer a liability (exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. There are three levels of inputs that may be used to measure fair values:

*Level 1:* Quoted prices (unadjusted) for identical assets or liabilities in active markets that the entity has the ability to access as of the measurement date.

*Level 2:* Significant other observable inputs other than Level 1 prices, such as:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs, other than quoted prices, that are:
  - observable; or
  - can be corroborated by observable market data.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

*Level 3:* Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at January 12, 2024 and December 31, 2023.

*Mutual funds:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

*Stable Value Fund:* The stable value fund is a form of common collective trust funds, which is composed primarily of fully benefit-responsive investment contracts and is valued at the net asset value (NAV) of units of the collective trust. The NAV is used as a practical expedient to estimate fair value. The practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. The stable value fund generally permits redemptions daily. If the fund experiences periods of insufficient liquidity then the stable value fund may defer honoring any payment request until liquidity is sufficient. The Plan is permitted to redeem investment units at NAV daily.

#### Note 5: FAIR VALUE MEASUREMENTS (Continued)

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan Administrator believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in different fair value measurements at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of January 12, 2024 and December 31, 2023:

The following table summarizes information related to the stable value fund measured at fair value based on NAV per share as of January 12, 2024 and December 31, 2023, respectively. The stable value fund is maintained by investment companies and hold investments in accordance with a stated set of fund objectives.

#### Note 6: TAX STATUS

The IRS has determined and informed the Company by a letter dated June 30, 2014 that the Plan and related trust are designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Tax positions are recognized only if it is "more likely than not" that the tax position be sustained in a tax examination, with a tax examination being presumed to occur. The amount recognized is the largest amount that is greater than 50% likely of being realized on examination. For tax positions not meeting the "more likely than not" test, no tax position is recorded. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Internal Revenue Service conducted an examination of the Plan relative to a partial plan termination. By letter dated January 24, 2023 the Organization was notified that the examination had been completed and closed with no changes or corrections.

#### Note 7: RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by TIAA-CREF. TIAA-CREF is the Trustee and record-keeper for the Plan and, therefore, these transactions qualify as party-in-interest transactions.

The Plan paid certain expenses related to plan operations and investment activity to various service providers, as described in Note 1 and 2. These transaction qualify as part-in interest transactions under ERISA.
