Independent Auditors' Report

To the 401(k) Committee of
Meruelo Group 401(k) Plan and Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Meruelo Group 401(k) Plan and Trust (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for at least one year following the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules, Schedule H, Line 4(a) - Schedule of Delinquent Participant Contributions and Schedule H, Line 4(i) - Schedule of Assets (Held at End of Year), as of or for the year ended December 31, 2025 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Meruelo Group 401(k) Plan and Trust

Notes to Financial Statements

December 31, 2025 and 2024

1. Description of Plan

The following description of the Meruelo Group 401(k) Plan and Trust (the Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan established effective January 1, 2000, as restated April 1, 2022. The Plan covers all employees, excluding collective bargaining (union) employees, non-resident aliens, residents of Puerto Rico, and employees on whose behalf a participating employer contributes to another qualified retirement plan, of Meruelo Group, LLC (the Company) who have completed six months of service and are age 21 or older. Long-term part-time employees who met eligibility requirements under SECURE 2.0 Act are also eligible to participate in the Plan. The Plan requires a participant to be employed as of quarter-end in the quarter in which they receive the employer match contribution. The Company is the Plan Administrator and Plan Sponsor. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). The 401(k) Committee is responsible for oversight of the Plan. The Plan's Investment Advisors determine the appropriateness of the Plan's investment offerings, monitor investment performance, and report to the 401(k) Committee.

Contributions

Each year, participants may contribute a percentage of pretax annual compensation, as defined in the plan document, up to the maximum limits of the Internal Revenue Code (IRC). Participants also may designate all or a portion of their deferral contributions as after-tax contributions into a Roth account. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants who are aged 60-63 are eligible to make super catch-up contributions. Participants also may contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan includes an automatic enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation and their contributions invested in a designated balanced fund until changed by the participant. Automatically enrolled participants will have their deferral rate increase by 1% on the anniversary of their enrollment date until their deferral rate reaches 10%. The Company may make discretionary matching contributions of 25%, up to \$5,000 annually maximum, of base compensation that a participant contributes to the Plan. For the year ended December 31, 2025, discretionary matching contributions totaled \$2,442,420. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

Participant Accounts

Each participant's account is credited with the participant's contributions, Company discretionary contributions and an allocation of the Plan's earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Meruelo Group 401(k) Plan and Trust

Notes to Financial Statements

December 31, 2025 and 2024

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Company contribution portion of their accounts is based on years of continuous service. A participant is 20% vested after one year of credited service and continues to vest in increments of 20% until 100% vested after five years of credited service. One year of service is described as 1,000 hours of service.

Notes Receivable From Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account. The interest rate for new loans, determined monthly, is set at 1% above the prime rate, as defined. Principal and interest are paid ratably through payroll deductions. Terms range from one to five years or greater for the purchase of a primary residence.

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump sum amount equal to the value of the participant's vested interest in his or her account, or installment payments as provided in the plan document. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump sum distribution. If a terminated participant's vested balance is less than or equal to \$7,000, the amount may be automatically distributed in the form of lump sum cash payment if a participant's account balance is equal to or less than \$1,000. If the account balance is between \$1,000 and \$7,000, the balance will be rolled over to an individual retirement plan designated by the Plan Administrator if the participant has not requested a lump sum cash payment or a direct rollover into another qualified benefit plan. In addition, the Plan allows for hardship distributions if certain criteria are met.

Forfeited Accounts

At December 31, 2025 and 2024, forfeited nonvested accounts totaled \$550,946 and \$398,838, respectively. These accounts will be used to reduce future employer contributions or to pay plan administrative expenses. During 2025, employer contributions were reduced by \$205,662, from forfeited nonvested accounts, in accordance with plan provisions. No forfeitures were used to pay plan administrative expenses in 2025.

2. Summary of Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Meruelo Group 401(k) Plan and Trust

Notes to Financial Statements

December 31, 2025 and 2024

Investment Valuation and Income Recognition

Investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Advisors determine the Plan's valuation policies utilizing information provided by the investment advisers, custodians and insurance company, as applicable. See Note 3 for discussion of fair value measurements.

The Plan's investment in fully benefit-responsive investment contract is reported at contract value. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Contributions

Contributions from participants and the matching contributions from the employer are recorded in the year in which the related participant contributions are withheld from compensation.

Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis at rates ranging from 4.25% to 10.50%. Related fees are recorded as administrative expenses and are expensed as incurred. The notes receivable mature at various dates through 2045. No allowance for credit losses has been recorded as of December 31, 2025 and 2024.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants and distributions are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation in the fair value of investments.

Recent Regulatory Updates

The Setting Every Community Up for Retirement Enhancement 2.0 Act of 2022 (SECURE 2.0) was signed into law on December 29, 2022. This legislation includes a vast array of provisional changes to retirement plans, becoming effective in 2023 and beyond. Plan management adopted mandatory provisions effective for the year ended December 31, 2025, and continues to evaluate the impact of the adoption and implementation of this legislation on the Plan. The application of SECURE 2.0 Act did not have a material effect on the Plan's financial statements. The Plan will be amended to reflect any changes in response to SECURE 2.0 prior to the deadline set by law or applicable regulations.

Meruelo Group 401(k) Plan and Trust

Notes to Financial Statements

December 31, 2025 and 2024

Subsequent Events

Subsequent events were evaluated through August 5, 2026, the date the financial statements were available to be issued.

3. Administration of Plan Assets

The Plan's assets are administered under a contract with Empower Trust Company, LLC and MassMutual (collectively Empower). Empower is the Trustee and Custodian of the Plan. Empower invests funds received from contributions, investment sales, interest and dividend income and makes distribution payments to participants.

4. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under authoritative guidance are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observables and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price.

Meruelo Group 401(k) Plan and Trust

Notes to Financial Statements

December 31, 2025 and 2024

The mutual funds held by the Plan are deemed to be actively traded.

Pooled separate accounts: Valued based upon the unit values of such pooled accounts held by the Plan at year end. Unit values are based on the fair value of the underlying assets of the fund derived from inputs principally from or corroborated by observable market data by correlation or other means, although are not based upon quoted market prices in an active market. The underlying investments of the pooled separate accounts consist of mutual funds, each of which follows a separate investment strategy. Due to the nature of these pooled accounts, there are no unfunded commitments or redemption restrictions.

Investments measured at net asset value: Consisting of common-collective trusts, valued at the NAV of units of a bank collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024:

Assets at Fair Value as of December 31, 2025	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 29,187,147	\$ -	\$ -	\$ 29,187,147
Pooled separate accounts	-	1,817,802	-	1,817,802
Total assets in the fair value hierarchy	29,187,147	1,817,802	-	31,004,949
Investments measured at NAV (a)	-	-	-	105,178,687
Total investments at fair value	\$ 29,187,147	\$ 1,817,802	\$ -	\$ 136,183,636

Assets at Fair Value as of December 31, 2024	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 23,376,261	\$ -	\$ -	\$ 23,376,261
Pooled separate accounts	-	1,138,588	-	1,138,588
Total assets in the fair value hierarchy	23,376,261	1,138,588	-	24,514,849
Investments measured at NAV (a)	-	-	-	87,622,608
Total investments at fair value	\$ 23,376,261	\$ 1,138,588	\$ -	\$ 112,137,457

(a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the Statements of Net Assets Available for Benefits.

Fair Value of Investments That Calculate NAV

The following table summarizes investments measured at fair value based on NAVs per share as of December 31, 2025 and 2024. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

			Redemption Frequency (if Currently Eligible)	Redemption Notice Period
December 31, 2025	Fair Value	Unfunded Commitments		
Common Collective Trust Funds	\$ 105,178,687	N/A	Daily	30 days
December 31, 2024	Fair Value	Unfunded Commitments	Redemption Frequency (if Currently Eligible)	Redemption Notice Period
Common Collective Trust Funds	\$ 87,622,608	N/A	Daily	30 days

5. Concentrations

As of December 31, 2025 and 2024, the Plan had investments of \$50,221,629 and \$43,227,783, respectively, concentrated in three funds, respectively, which individually exceeded 10% of net assets available for benefits.

6. Fully Benefit-Responsive Investment Contract

The Plan holds a traditional fully benefit-responsive guaranteed investment contract with Empower (the Custodian and Recordkeeper), for which contributions are maintained in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses.

This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by the sponsoring trustee, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The traditional investment contract held by the Plan is a guaranteed investment contract. The contract issuer is contractually obligated to repay the principal and interest at the specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer but may not be less than 0%. The crediting rate is reviewed on a quarterly basis for resetting. The contract cannot be terminated before the scheduled maturity date.

Notes to Financial Statements

December 31, 2025 and 2024

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the issuer. These events may be different under each contract. Such events include (1) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan Sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA, or (5) premature termination of the contract.

No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuer that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. These events may be different under each contract. Such events include (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, or (4) a material amendment to the agreement without the consent of the issuer.

7. Information Certified by Trustee and Custodian

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA for 2025 and 2024. Accordingly, Empower, the Trustee and Custodian of the Plan, has certified to the completeness and accuracy of all investments and notes receivable from participants reported in the accompanying Statements of Net Assets Available for Benefits as of December 31, 2025 and 2024, and the supplemental Schedule H, Line 4(i) - Schedule of Assets (Held at End of Year) as of December 31, 2025, and the related investment activity and interest income on notes receivable from participants reported in the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2025. Such information was obtained by management and agreed to or derived from information certified as complete and accurate by a qualified institution.

8. Related-Party and Party in Interest Transactions

Certain plan investments are managed by Empower, the Trustee and Custodian, and therefore, these transactions qualify as party in interest transactions.

On December 31, 2020, Empower acquired the retirement business of Massachusetts Mutual Life Insurance Company (MassMutual) and became its administrator; the Plan holds certain investments in MassMutual. These transactions qualify as party in interest transactions.

Additionally, the Plan issues loans to participants, which are secured by the participant's account balances. These transactions qualify as party in interest transactions.

Certain administrative functions of the Plan are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan.

9. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in their employer contributions.

10. Tax Status

The Company has adopted a pre-approved plan document offered by Empower Retirement, LLC that has received an IRS Opinion Letter dated November 14, 2022, stating that the form of the pre-approved plan document was in compliance with the applicable requirements of the IRC. Although the Plan has been amended since receiving the IRS Opinion Letter, the plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC, and, therefore believes that the Plan is qualified, and the related trust is tax exempt.

Plan management is required to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

11. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

12. Delinquent Participant Contributions

For the years ended December 31, 2025, 2024 and 2023, the Company did not remit certain participant contributions to the Plan on a timely basis as defined by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. As of December 31, 2025, the Plan Sponsor has calculated lost earnings and corrected \$155,692 of these untimely remittances in accordance with the DOL's guidelines. Participant contributions and loan payments transferred late to the Plan were transmitted to the Trustee within the same calendar year with the exception of \$327 attributable to 2023 transmitted to the Trustee in 2024, and \$1,048 attributable to 2024 transmitted to the Trustee in 2025. Lost earnings on all late contributions and participant loan payments were calculated and transmitted to the plan in 2025 and 2026.

13. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2025 and 2024, to Form 5500:

	2025	2024
Net assets available for benefits per the financial statements	\$ 147,831,108	\$ 125,254,698
Less: participant contributions receivable	(167,740)	(5,727)
Less: employer contributions receivable	(583,552)	(560,550)
Less: deemed distributions	(253,279)	(160,278)
Plus: excess contributions refundable	-	1,985
Plus: other payables	-	296
Net assets available for benefits per the Form 5500	\$ 146,826,537	\$ 124,530,424

The following is a reconciliation of the increase in net assets per the financial statements for the year ended December 31, 2025, to Form 5500:

Increase in net assets per the financial statements	\$ 22,576,410
Change in participant contributions receivable	(162,013)
Change in employer contributions receivable	(23,002)
Change in deemed distributions	(93,001)
Change in excess contributions refundable	(1,985)
Change in other payables	(296)
Increase in net assets per Form 5500	\$ 22,296,113

Meruelo Group 401(k) Plan and Trust

Notes to Financial Statements

December 31, 2025 and 2024

The following is a reconciliation of the notes receivable from participants per the financial statements at December 31, 2025 and 2024 to Form 5500:

	2025	2024
Notes receivable from participants per the financial statements	\$ 2,798,690	\$ 2,525,748
Less adjustment for deemed loans	(253,279)	(160,278)
Notes receivable from participants per Form 5500	\$ 2,545,411	\$ 2,365,470

Deemed distributions occur when payment schedules do not meet the time of payment requirements or go into default when payments are not made; each of these failures, and other issues, will cause the loan (or a portion of the loan) to become a deemed distribution for tax purposes. On the Form 5500, the Plan Administrator presents delinquent participant loans that have been deemed distributed during the Plan year as an expense if, as of the Plan year, the participant is not continuing to make payments under the loan. In the financial statements; however, the Plan reports delinquent loans for active participant loans since no distributable event occurred in accordance with accounting principles generally accepted in the United States of America.
