**REPORT OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS**

To the Plan Administrator and Participants of the  
National Multiple Sclerosis Society 401(k) Plan

**Scope and nature of the ERISA Section 103(a)(3)(C) audit**

We have performed audits of the financial statements of National Multiple Sclerosis Society 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

**Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Basis for opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**Responsibilities of management for the financial statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditor's responsibilities for the audit of the financial statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Other matter – supplemental schedules required by ERISA**

The supplemental schedule of delinquent participant contributions for the year ended December 31, 2025 and the schedule of assets (held at end of year) as of December 31, 2025, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such supplementary information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures. These additional procedures included comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with US GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **National Multiple Sclerosis Society 401(k) Plan**

### **NOTES TO FINANCIAL STATEMENTS**

**December 31, 2025 and 2024**

#### **NOTE 1 - DESCRIPTION OF THE PLAN**

The following description of the National Multiple Sclerosis Society 401(k) Plan (the "Plan") provides only general information about the Plan's provisions. Participants should refer to the plan document for more complete information of the Plan's provisions. Copies of the plan document are available from the Plan Sponsor (defined below).

##### ***General***

The Plan is a contributory defined contribution plan that covers all eligible employees of the National Multiple Sclerosis Society (the "Plan Sponsor" or the "Society"). The Plan is subject to the applicable provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA"). The Plan Administrative Committee (the "Committee"), as fiduciary, has the discretionary authority over the Plan assets and operations of the Plan. The Plan utilizes Empower Trust Company, LLC ("Empower" or "Trustee") as its third party administrator and its trustee. Empower handles the recordkeeping, compliance, and administrative services of the Plan.

##### ***Eligibility***

An eligible employee may begin participation in the Plan on his or her employment commencement date.

##### ***Contributions***

Employees may elect to contribute any whole percentage of their compensation up to 100%. However, there are certain exceptions to the 100% limit:

- The amount withheld from their paycheck will never exceed 100% of their compensation after subtracting all voluntary and mandatory deductions and withholdings.
- Under federal law, the maximum amount of 401(k)-type contributions (both pre-tax and Roth) an employee can make to all 401(k) plans in which they participate in any calendar year is limited to \$23,500 for 2025. This limit is indexed for increases in the cost of living and may be increased in future calendar years.

Employees over the age of 50 are permitted to make additional catch-up contributions.

The Sponsor will make Employer Matching Contributions equal to 100% of the employee's 401(k) Contributions up to the first 3% of their compensation, plus 50% of their 401(k) and Catch-Up Contributions up to the next 2% of their compensation, for a maximum of 4% of the employee's compensation. In addition to the Employer's Matching Contributions, each year the Employer, in its sole discretion, will determine whether it will make an Employer Discretionary Contribution and the amount, if any, of its contribution. The Employer is not required to make an Employer Discretionary Contribution for any plan year.

To be eligible for an allocation of any Employer Discretionary Contribution, the employee must be employed on the last day of the Plan year and have completed at least 1,000 hours of service for the Employer during the Plan year.

Rollovers consist of employee elections to move funds from former qualified employer retirement plans to the Plan.

##### ***Participant Accounts***

Individual accounts are maintained for each plan participant. Each eligible participant's account is credited with the participant's contributions and plan sponsor contributions (if eligible), as well as plan earnings.

**National Multiple Sclerosis Society 401(k) Plan**  
**NOTES TO FINANCIAL STATEMENTS - CONTINUED**  
**December 31, 2025 and 2024**

Participant accounts may also be charged with an allocation of certain administrative expenses. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

***Vesting***

Effective January 1, 2016, plan participants are always 100% vested in all of their accounts in the Plan if they perform an hour of service for the Plan Sponsor on or after January 1, 2016. If participants are no longer employed by the Plan Sponsor on or after January 1, 2016, the participant is always 100% vested in their 401(k) Contributions account, Catch-Up Contribution account, Roth contributions account and Rollover Contributions account and were vested in Employer's Matching Contributions accounts in accordance with the pre-2016 vesting schedule.

***Forfeitures***

Since all participants that terminated prior to 2016 have passed the forfeiture break-in-service rule, all unvested portions have been forfeited. All participants are now 100% vested.

At December 31, 2025 and 2024, forfeited nonvested accounts, net of unclaimed property, totaled \$64,511 and \$2,357, respectively. These accounts may be used to reduce the Employer's Matching Contributions or administrative expenses.

***Notes Receivable From Participants***

Participants may borrow against their interests in the Plan up to an amount not to exceed the lesser of: (i) \$50,000, reduced by the highest outstanding balance of loans during the one-year period ending on the day before the date the loan was made; or (ii) 50% of the participant's vested balance. The minimum loan amount is \$1,000. Each participant is only allowed one loan at any given time. The loan term shall not exceed five years, except for a loan used to purchase a principal residence for the participant. In this case, the term shall be increased for a period of up to 10 years. The interest rate charged on the outstanding loan balance shall be the commercially reasonable rate based on the terms and security for the loan. Repayment terms require payroll deductions to be made no less than once every quarter. If the loan is not repaid, it will automatically be treated as a distribution to the participant after 60 days.

***Payment of Benefits***

Upon termination of service, a participant may elect to receive: (1) a lump-sum amount equal to the vested value of his or her account, (2) a partial lump sum distribution, or (3) installments payable over a specified period not to exceed the life or life expectancy of the participant.

***Administrative Expenses***

Generally, the expenses of administering the Plan are paid from plan assets, unless the Plan Sponsor elects to make the payment. If administrative expenses are paid from plan assets, they are first reduced by any forfeitures the Plan Administrator has directed for the payment of expenses. Remaining expenses are shared among all participants' accounts.

***Plan Termination***

Although it has not expressed any such intent, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

**December 31, 2025 and 2024**

**NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

***Basis of Accounting***

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

***Use of Estimates***

The preparation of the Plan's financial statements in conformity with U.S. GAAP requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures in the financial statements. Actual results could differ from those estimates.

***Investment Valuation and Income Recognition***

The fully benefit-responsive investment contract with Empower is reported at contract value. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Contract value represents reasonable approximations of fair value because crediting rates represent the rates of return that compensate participants for risk involved. In addition, new contributions with market participants occur on a daily basis at current crediting rates.

Investments held by the Plan are stated at fair value, which is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (an exit price). See Note 5 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's realized gains and losses on investments bought and sold as well as the change in unrealized gains and losses of investments held at end of year. Realized gains and losses on investment transactions are determined using cost calculated on a specific identification basis.

***Notes Receivable from Participants***

Notes receivable from participants represent participant loans that are recorded at their unpaid principal balance plus any accrued but unpaid interest. Notes receivable at December 31, 2025 and 2024 are due in varying amounts through 2034 and bear interest rates ranging from 5.25% to 10.50% as of December 31, 2025 and 2024, respectively. Interest on notes receivable is credited to the respective participant accounts. Related fees are recorded as administrative expenses and are expensed when incurred. No allowance for credit losses was required as of December 31, 2025 or 2024. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be a distribution, the participant loan balance is reduced, and a benefit payment is recorded.

***Payment of Benefits***

Benefit payments are recorded when paid.

**December 31, 2025 and 2024**

**NOTE 3 - CERTIFIED INFORMATION**

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Plan Administrator has obtained and agreed to or derived the following information in the accompanying financial statements and supplemental schedule from the Trustee, a qualified institution, who has certified that these information are complete and accurate:

- Investments and notes receivable from participants, as shown in the statements of net assets available for benefits as of December 31, 2025 and 2024.
- Net investment income as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2025.
- Schedule H, line 4(i) - schedule of assets (held at end of year) as of December 31, 2025.

The Plan's independent accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the accompanying financial statements and supplemental schedule.

**NOTE 4 - FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACTS**

For fully benefit-responsive contracts, participants may ordinarily direct the withdrawal or transfer of all or a portion of their investments at contract value, which approximates fair value. Accordingly, contract value, which approximates fair value, is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the fully benefit-responsive contract. Plan assets invested in fully benefit-responsive investment contracts are described below.

***Separate Account Guaranteed Interest Contract***

The Plan has entered into a fully benefit-responsive investment contract with Empower managed by Great-West Capital Management LLC valued at \$5,877,100 and \$6,638,948 at December 31, 2025 and 2024, respectively. Participant accounts are credited with earnings based on the crediting interest rate and charged for participant withdrawals and administrative expenses. Each premium allocated to the fixed annuity investment contract buys a guaranteed minimum amount of lifetime income based on the rate schedule in effect at the time the premium is credited.

The crediting interest rates are based on a formula agreed upon with the issuer, but it cannot be less than 3%. Factors influencing the crediting rate include net investment earnings on underlying assets, administrative expenses, and contingency reserves. The crediting rates were affected primarily by the yields at which premiums are invested and the rates at which subsequent cash flows are reinvested. Such interest rates were reviewed on an annual basis for resetting. Information on yields for the contracts for the years ended December 31, 2025 and 2024 follows:

| <u>Empower Average Yields</u>                   | <u>2025</u> | <u>2024</u> |
|-------------------------------------------------|-------------|-------------|
| Based on actual earnings                        | 2.60%       | 3.15%       |
| Based on interest rate credited to participants | 2.60%       | 3.15%       |

**National Multiple Sclerosis Society 401(k) Plan**  
**NOTES TO FINANCIAL STATEMENTS - CONTINUED**  
**December 31, 2025 and 2024**

Certain events limit the Plan's ability to transact at contract value with the issuer, and include:

- (i) amendments to the Plan documents (including complete or partial plan termination or merger with another plan).
- (ii) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions;
- (iii) bankruptcy of the Plan Sponsor or other plan sponsor events (for example, divestitures or spinoffs of a subsidiary) that cause a significant withdrawal from the Plan; or
- (iv) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA.

**NOTE 5 - FAIR VALUE MEASUREMENTS**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under Financial Accounting Standards Board Accounting Standards Codification 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of the observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

***Mutual Funds***

The Plan's accounts at Empower are invested in various mutual funds (registered investment companies). These mutual funds valued at the daily closing price as reported by the fund. Mutual funds held by the Plan

**National Multiple Sclerosis Society 401(k) Plan**  
**NOTES TO FINANCIAL STATEMENTS - CONTINUED**  
**December 31, 2025 and 2024**

are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following tables provide the fair value hierarchy of the Plan's investments at December 31, 2025 and 2024:

|                                  |  | December 31, 2025 |         |         |               |

| Total investments, at fair value |  | \$ 87,250,250     | \$ -    | \$ -    | \$ 87,250,250 |

**NOTE 6 - RISKS AND UNCERTAINTIES**

The Plan invests in investment securities that are exposed to various risks, such as interest rate, market, and credit risks. With the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the related amounts reported in the accompanying statements of net assets available for benefits.

**NOTE 7 - RELATED-PARTY AND PARTIES-IN-INTEREST TRANSACTIONS**

Certain plan investments held during 2025 and 2024 were issued by Mass Mutual Life Insurance Company ("Mass Mutual"), the Plan's former third-party administrator. Effective December 31, 2020, Empower acquired Mass Mutual's retirement business with Empower administering the business on behalf of Mass Mutual effective January 1, 2021. Therefore, the transactions with Empower qualify as party-in-interest transactions and are not considered prohibited transactions since they are covered by statutory and administrative exemptions from the Internal Revenue Code (the "Code") and the rules on prohibited transactions under ERISA.

The Plan also permits notes receivable from participants. Therefore, transactions pertaining to these investments qualify as party-in-interest transactions. Certain administrative expenses paid by the Plan Sponsor qualify as party-in-interest transactions, valued at \$63,990 and \$217,266, at December 31, 2025 and 2024, respectively.

**National Multiple Sclerosis Society 401(k) Plan**  
**NOTES TO FINANCIAL STATEMENTS - CONTINUED**  
**December 31, 2025 and 2024**

**NOTE 8 - TAX STATUS**

The Internal Revenue Service ("IRS") issued an opinion letter dated November 14, 2022, indicating that the volume submitter plan document adopted by the Plan, as then designed, was in accordance with applicable sections of the Code. Although the Plan has been amended since receiving the opinion letter, the Plan Administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the Code and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

U.S. GAAP requires plan management to evaluate uncertain tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position is more-likely-than-not, based on the technical merits, to be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025 and 2024, there were no uncertain positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**NOTE 9 - SUBSEQUENT EVENTS**

Management evaluated events subsequent to December 31, 2025, and through July 22, 2026, the date the financial statements were available to be issued. There were no subsequent events that require adjustment or disclosure within the financial statements.
