# Independent Auditor's Report

To the Plan Administrator
Hollywood Woodwork, Inc. 401(k) Profit Sharing Plan
Hollywood, Florida

## Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2025 Financial Statements

We have performed an audit of the accompanying financial statements of Hollywood Woodwork, Inc. 401(k) Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2025, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the statements or information regarding assets so held are prepared and certified to by the qualified institution, in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from the qualified institution as of and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

## Opinion on the 2025 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2025 Financial Statements section of our report:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## Basis for Opinion on the 2025 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2025 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## Responsibilities of Management for the 2025 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## Auditor's Responsibilities for the Audit of the 2025 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2025 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP. Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

## 2025 Supplemental Information Required by ERISA

The supplemental information of Schedule H, line 4i – schedule of assets (held at end of year), as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental information, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental information that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental information, we evaluated whether the supplemental information, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- The form and content of the supplemental information, other than the information in the supplemental information that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental information related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## Other Matter - 2024 Financial Statement

Management is responsible for the accompanying financial statement of Hollywood Woodwork, Inc. 401(k) Profit Sharing Plan, which comprises the statement of net assets available for benefits as of December 31, 2024 in accordance with accounting principles generally accepted in the United States of America. We have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. # HOLLYWOOD WOODWORK, INC. 401(k) PROFIT SHARING PLAN

# NOTES TO FINANCIAL STATEMENTS

## Note 1 – Description of Plan

The following description of the Hollywood Woodwork, Inc. 401(k) Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General and eligibility

The Plan was established on January 1, 1976, as a defined contribution plan. The Plan has since been amended and restated to comply with certain tax legislation. The Plan is available to eligible employees of Hollywood Woodwork, Inc. and Hollywood Woodwork, LLC, an adopting employer, (collectively, the Company, Employer, or Plan Sponsor). Eligible employees may enter the Plan after meeting the service requirement of at least three (3) months of credited service, on the first day of each following month. There is no age requirement to participate in the Plan.

The Employer is the Plan Administrator. Principal Trust Company (PTC) and Principal Life Insurance Company (collectively, the Trustee) serve as the trustees of the Plan, maintain the records of participant accounts and hold the Plan's investment assets. Principal Life Insurance Company (PLIC) is the issuer of the Plan's fully benefit-responsive investment contract (FBRIC).

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

SECURE Act 2.0

In December 2022, the Securing a Strong Retirement Act (SECURE Act 2.0) was passed into law. The provisions of SECURE Act 2.0 continue the reforms that began with the 2019 SECURE Act. Most of the SECURE Act 2.0 provisions became effective in 2024. Since the provisions include both required and optional elements, the Plan Administrator will determine the optional SECURE Act 2.0 provisions to elect.

Contributions

Participants in the Plan may contribute up to 100% of their annual compensation, as defined by the Plan, within the limits prescribed by the Internal Revenue Service (IRS). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined-benefit or contribution plans (rollover). Roth 401(k) elective deferrals are allowed under the Plan's provisions.

The Plan includes an automatic enrollment provision whereby all newly hired employees are automatically enrolled in the Plan after satisfying the Plan's eligibility requirement unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3% of their eligible compensation, as defined, and their contributions are invested in a designated balance fund until changed by the participant. Participants direct the investment of their contributions into the various investment options offered by the Plan.

The Plan's provisions provide for discretionary Employer matching and profit sharing contributions to the Plan based on an allocation formula determined by the Employer annually. There was no Employer match or Employer profit sharing contributions made during the year ended December 31, 2025.

Contributions are subject to IRS limitations.

Participant accounts

Each participant's account is credited with the participant's contributions and an allocation of: (a) the Employer's contributions (if any), and (b) Plan earnings or losses thereon. Participants are charged with his or her withdrawals and an allocation of administrative expenses.

## Note 1 – Description of Plan, Continued

Participant accounts, continued

Allocations are based on participant earnings or losses, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants may change the allocation of their contributions among funds pursuant to Plan provisions.

Vesting

Participants are immediately vested in their individual contributions, plus actual earnings or losses thereon. Vesting in their Employer contributions, if any, plus any earnings or losses thereon, is based on years of credited service. A participant is fully vested after six years of credited service based on a graded vesting schedule. Participant accounts become fully vested upon reaching normal retirement age of sixty-five (65), death, disability, or upon Plan termination.

Forfeitures

Forfeited nonvested accounts may be utilized to offset certain Plan administrative expenses or reduce future Employer contributions. For the year ended December 31, 2025, no forfeitures were utilized. At both December 31, 2025 and 2024, there were no unallocated forfeitures available.

Notes receivable from participants

Plan participants may borrow from their account from $1,000 up to a maximum equal to the lesser of $50,000 or 50% of the participant's vested account balance. Loan terms range from one to five years unless the loan is used to acquire the principal residence of the participant, which must be repaid in a reasonable period of time. Loans are secured by the balance in a participant's account and bear a reasonable rate of interest, as defined. Principal and interest are paid through regular payroll deductions and remitted to the Trustee. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the Plan document.

Payment of benefits

On termination of service due to death, disability, or normal retirement age (65), or qualifying under certain hardship rules, as prescribed by the IRS, a participant (or beneficiary) may elect to receive distributions from the Plan equal to the value of the participant's vested interest in his or her account in either a lump-sum distribution, or purchase of an annuity. For termination of service for any other reason, a participant may choose to leave the vested interest in the Plan if such amounts exceed $5,000 or elect a lump sum distribution. Participants may elect to take an in-service distribution of vested funds if they meet certain defined requirements, including becoming disabled, reaching age 59½, or for heavy financial hardship needs, as defined.

Plan administration

The Plan Sponsor is the Plan Administrator and, as such, controls and manages the operation and administration of the Plan pursuant to the terms and conditions of the Plan. PTC serves as the Trustee of the Plan, holds the Plan's investment assets and executes investment transactions. Fees from covered service providers of the Plan are in compliance with the Department of Labor's (DOL) regulations regarding ERISA Section 408(b)(2).

## Note 2 – Summary of Significant Accounting Policies

Basis of accounting

The accompanying financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Investment valuation and income recognition

Investments are reported at fair value (except for the fully benefit-responsive investment contract, which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Administrator determines the Plan's valuation policies utilizing information provided by the Plan's Trustee.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Use of estimates

The preparation of financial statements in accordance with U.S. GAAP requires the Plan management to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates, and such differences could be material.

Risks and uncertainties

The Plan provides for various investment options. Investment securities are exposed to various risks, such as interest rate risk, market risk, and credit risk. Due to the high level of risk associated with certain investment securities, including the uncertainty related to changes in the values of investment securities, it is at least reasonably possible that changes in such risks in the near-term would materially affect participant account balances and the amounts reported in the financial statements.

Contributions

Participant contributions are recorded when withheld from compensation. Employer matching contributions are recorded in the period in which they become obligations of the Company. Profit sharing contributions, if any, are recorded in the relevant period in accordance with the terms of the Plan document.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on an accrual basis. Related fees are charged directly to the borrowing participant's account and are included as administrative expenses when incurred. No allowance for doubtful collection has been recorded at December 31, 2025 and 2024.

Payments of benefits

The Plan records benefits when paid.

Plan expenses

The Plan has classified certain Plan expenses as administrative expenses rather than as a reduction of investment income. Substantially all administrative expenses for maintaining the Plan are paid by the Plan Sponsor and are not reflected in these financial statements. Certain expenses paid by the Plan consist of recordkeeping, custodian, and third-party administrator fees. Certain participant directed transactions such as loan processing fees are charged directly to participants' accounts.

## Note 2 – Summary of Significant Accounting Policies, Continued

Uncertain tax positions

U.S. GAAP requires the Plan to assess its uncertain tax positions for the likelihood they would be overturned upon examination by the IRS. In accordance with this guidance, the Plan Administrator has determined it does not have any positions at December 31, 2025, that it would be unable to substantiate.

## Note 3 – Certified Investment Information

The Plan Administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Principal Trust Company and Principal Life Insurance Company, qualified institutions, have certified that the following investment information included in the accompanying financial statements and ERISA-required supplemental information is complete and accurate:

- Investments and notes receivable from participants as shown on the statements of net assets available for benefits as of December 31, 2025 and 2024;
- Net investment activity and interest income on notes receivable from participants as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2025; and
- Investment information included in the Schedule H, Line 4i – Schedule of Assets (held at end of year) as of December 31, 2025, as shown on the ERISA-required supplemental information.

At the request of the Plan's Administrator, the Plan's independent auditors did not perform auditing procedures with respect to this certified information, except for comparing such certified information to the related investment information included in the financial statements, including the disclosures related to the investments to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP, and in the ERISA-required supplemental information, including assessing whether the supplemental information is in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

## Note 4 – Fair Value Measurements

Accounting guidance provides a framework for measuring fair value and establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

| | |
|---|---|
| Level 1 | Unadjusted quoted prices for identical, unrestricted assets or liabilities in active markets that a plan has the ability to access. |
| Level 2 | Quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means for substantially the full term of the assets or liabilities. |
| Level 3 | Significant unobservable inputs. |

## Note 4 – Fair Value Measurements, Continued

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. There have been no changes in the methodology used at December 31, 2025 and 2024. During the year ended December 31, 2025, there were no transfers of financial instruments into or out of Level 3.

The following is a description of the valuation methodology used for assets measured at fair value:

*Mutual funds* – are valued at the daily quoted closing price as reported by the fund. Mutual funds held by the Plan are open-ended funds that are traded on national exchanges. These funds are required to publish their daily net asset value (NAV) and transact that price. The mutual funds are deemed to be actively traded.

*Pooled separate accounts* - valued at net asset value (NAV) based upon the units of such pooled separate accounts held by the Plan at year-end multiplied by the respective unit value. The unit values of the pooled separate accounts are based upon significant observable inputs but are not based upon quoted market prices in an active market and are therefore considered Level 2 investments within the fair value hierarchy.

*Collective investment trusts (CITs)* – valued at the NAV of units held in the CIT. The NAV, as provided by the trustee of the CITs, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments of the CITs, less its liabilities. This practical expedient is not used when it is determined to be probable that the CITs will sell its underlying investments for an amount different from the reported NAV. Participant transactions (purchases and sales) may occur daily at NAV. There are no unfunded commitments related to these investments. These are direct filing entities.

The preceding method described may produce a fair value calculation which may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments measured at fair value, on a recurring basis, as of December 31, 2025 and 2024:

| | Fair Value Measurements as of December 31, 2025 (Audited) | | | |
|---|---|---|---|---|
| | Level 1 | Level 2 | Level 3 | Total |
| Mutual funds | $ 158,464 | $ - | $ - | $ 158,464 |
| Pooled separate accounts | - | 16,185 | - | 16,185 |
| Collective investment trusts* | - | - | - | 2,222,596 |
| Investments, at fair value | $ 158,464 | $ 16,185 | $ - | $ 2,397,245 |

| | Fair Value Measurements as of December 31, 2024 (Compiled) | | | |
|---|---|---|---|---|
| | Level 1 | Level 2 | Level 3 | Total |
| Mutual funds | $ 151,091 | $ - | $ - | $ 151,091 |
| Pooled separate accounts | - | 11,336 | - | 11,336 |
| Collective investment trusts* | - | - | - | 1,908,831 |
| Investments, at fair value | $ 151,091 | $ 11,336 | $ - | $ 2,071,258 |

## Note 5 – Fully Benefit-Responsive Investment Contract

The Plan invests in a fully benefit-responsive investment contract (FBRIC) issued by Principal Life Insurance Company (PLIC or the issuer). PLIC maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. PLIC is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. There are no reserves against contract value for credit risk of PLIC or otherwise. The contract value of the FBRIC at December 31, 2025 and 2024, was $21,691 and $37,210, respectively. The crediting interest rate is based on a formula agreed upon with PLIC but may not be less than zero. Such interest rates are reviewed on a quarterly basis for resetting.

Because the contract meets the criteria to be considered fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the contract. The contract is presented on the face of the statements of net assets available for benefits at contract value. Contract value, as reported to the Plan by PLIC, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan’s ability to receive due amounts is dependent on PLIC’s ability to meet its financial obligations. PLIC’s ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events limit the Plan's ability to transact at contract value with PLIC. Such events include the following: (a) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (b) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the Plan Sponsor or other Plan Sponsor’s events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (d) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. Furthermore, certain events would allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Examples of such events include (a) an uncured breach of the Plan's investment guidelines, (b) a material amendment to the contract without the issuer's consent, (c) a violation of a material obligation under the contract, or (d) a material misrepresentation. The Plan Administrator does not believe that any events that would limit the Plan's ability to transact at contract value with Plan participants or the issuer are probable of occurring.

The terms of the FBRIC do not permit PLIC to terminate the agreement prior to the scheduled maturity date. Based on ongoing credit evaluations of the FBRIC, Plan management does not expect payment defaults or delinquencies and has not recorded an allowance for credit losses for these investments as of December 31, 2025.

## Note 6 – Plan Termination

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their Employer’s contribution portion of their accounts.

## Note 7 – Tax Status

The Plan uses a non-standardized pre-approved profit-sharing plan with CODA plan document sponsored by Principal Life Insurance Company. Principal Life Insurance Company received an opinion letter from the IRS, dated June 30, 2020, which states that the prototype document, as then designed, satisfies the applicable provisions of the Internal Revenue Code (IRC). The Plan itself has not received a determination letter from the IRS. The Plan has been amended since receiving the opinion letter, however, the Plan’s management believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income tax has been included in the Plan’s financial statements.

## Note 7 – Tax Status, Continued

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no IRS examinations for any tax periods in progress.

## Note 8 – Party-In-Interest Transactions

Parties-in-interest are defined under the DOL Regulations as any fiduciary of the Plan, any party rendering service to the Plan, the Employer and certain others. The Plan's investments are maintained, managed, and/or issued by PTC and PLIC, and, therefore, these transactions qualify as party-in-interest transactions. Such transactions are exempt from the prohibited transaction rules under ERISA.

Certain administrative functions are performed by officers and employees of the Plan Sponsor. No officer or employee receives compensation from the Plan for these services.

## Note 9 – Subsequent Events

The Plan evaluated events occurring subsequent to December 31, 2025 through August 3, 2026, the date the financial statements were available to be issued, for events that should be recorded in the financial statements or disclosed in the notes thereto.
