CERTIFIED PUBLIC ACCOUNTANTS

Independent Auditor's Report

To the Board of Trustees
Union Pacific Railroad Employes Health Systems:

Opinion

We have audited the financial statements of **Union Pacific Railroad Employes Health Systems**, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2025 and 2024 and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of **Union Pacific Railroad Employes Health Systems** as of December 31, 2025 and 2024, and the changes in net assets available for benefits for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis of Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of **Union Pacific Railroad Employes Health Systems** and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about **Union Pacific Railroad Employes Health Systems'** ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants**.**

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of **Union Pacific Railroad Employes Health Systems'** internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about **Union Pacific Railroad Employes Health Systems'** ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control–related matters that we identified during the audits.

Other Matter—Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets and schedule of reportable transactions as of December 31, 2025 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Union Pacific Railroad Employes Health Systems

Notes to Financial Statements
December 31, 2025 and 2024

1. Description of the Plan

Union Pacific Railroad Employes Health Systems (the Plan) provides medical and prescription benefits to approximately half of all unionized employees of Union Pacific Railroad Company and participating subsidiaries (the Company). Retired employees also participate in the Plan. The following description of the Plan provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Continuation of coverage is available under the Plan with certain time limitations to eligible employees who are on leaves of absence or who have become disabled, and to individuals whose employment is interrupted because of furlough, suspension or dismissal. Continuation of coverage is also subject to the provisions of the Consolidated Omnibus Budget Reconciliation Act.

The Plan is funded by contributions from the Company and dues from present and retired employees and participating spouses. The contributions and dues are determined annually under collective bargaining agreements and by the Board of Trustees.

Participating entities have the right under the Plan subject to applicable collective bargaining agreements to modify benefits, contributions, or terminate the Plan subject to the provisions of ERISA. Upon termination, the assets then remaining shall be subject to the applicable provisions of the Plan then in effect and shall be used until exhausted to pay benefits to participants.

A summary description of the Plan is provided to participants and is also available on the Plan's website.

2. Significant Accounting Policies

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

Cash and Cash Equivalents

The Plan considers all cash and other highly liquid investments with original maturities of three months or less to be cash equivalents.

2. Significant Accounting Policies (continued)

Investments

Investments consist of interest-bearing cash valued at cost, which equals fair value, and shares of registered investment companies (mutual funds), which are valued at quoted market prices. The custodian of the Plan's mutual fund investments is US Bank Institutional Trust & Custody.

Fair Value

The Plan measures its financial assets and liabilities at fair value. The Plan defines fair value as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. For additional information on the fair value of certain financial assets and liabilities, see Note 3.

Pharmaceutical Supplies

Pharmaceutical supplies consist mainly of prescription drugs and medicines held for participant use, valued at the lower of cost or market using the first-in, first-out method.

Property and Equipment

Property and equipment are recorded at cost, less accumulated depreciation. Depreciation is calculated using the straight-line method over the estimated useful lives of the assets of 3 to 20 years.

Physicians' Deferred Compensation

The Plan has deferred compensation plans primarily for physician contract providers who have elected to defer a portion of their compensation. Assets held by the Plan to meet its contractual obligation are stated at fair value and consist of various mutual fund investments. An equivalent amount is reflected as a liability in the Statements of Benefit Obligations and Net Assets Available for Benefits.

2. Significant Accounting Policies (continued)

Advance Payments from Members

Membership dues from retired members are sometimes received in advance of coverage dates. Such amounts are deferred and recognized as additions to net assets available for benefits over the covered periods.

Estimated Reserve for Claims Incurred but Not Reported

The estimated reserve for claims incurred but not reported is an estimate of the cost of claims incurred before year end that the Plan must subsequently pay. Amounts reported are estimates of future settlement costs based on actual claim settlements after year-end and prior historical data.

Estimated Payable to Third-Party Payor

Health Care Prepayment Plan

Certain medical services for Medicare-eligible members are reimbursable under a Health Care Prepayment Plan entered into by the Plan that is administered by the Centers for Medicare and Medicaid Services (CMS). Reimbursement for medical services provided is primarily based on allowable costs, as defined by CMS. The Health Care Prepayment Plan's administrative procedures preclude final determination of amounts due to/from the Plan for services to Medicare members until after the appropriate reports have been reviewed and settled by CMS.

As of December 31, 2025 and 2024, the Plan has recorded a reserve of $3,929,934 and $5,553,934 respectively, which is included in payable to third-party payor on the statement of benefit obligations and net assets available for benefits for estimated amounts to be paid upon final settlement of the Health Care Prepayment Plan prior to December 31, 2025 and 2024.

CMS regularly conducts required HCPP cost reports audits. The Plan is currently under audit by CMS related to its HCPP cost reports for the years ended December 31, 2021, 2020, and 2019. The audit could result in a change to the estimated payable to CMS. However, management does not anticipate any significant changes and the results of the audit are currently unknown.

The Plan decided not to renew the HCPP contract after December 31, 2023.

2. Significant Accounting Policies (continued)

Estimated Payable to Third-Party Payor (continued)

Medicare Part D

The Medicare Part D program, which gives beneficiaries access to prescription drug coverage, took effect January 1, 2006. The Plan offers the Medicare Part D Plan through an unrelated third party. Payments from the third party under these contracts include amounts for premiums, risk corridor adjustments, reinsurance and low-income premiums and cost subsidies.

The Plan recognizes member premium revenue ratably over the contract period for providing insurance coverage. Regarding the risk corridor provision, an estimated risk sharing receivable or payable is recognized based on activity-to-date. Costs for covered prescription drugs are expensed as incurred.

Subsidy amounts received for reinsurance and for cost sharing related to low-income individuals are recorded in other receivables and offset prescription drug costs.

A reconciliation of the final risk sharing, low-income subsidy, and reinsurance subsidy amounts is performed following the end of the contract year.

As of December 31, 2025 and 2024, the Plan has recorded a liability of $0 and $1,948,102 (included in payable to third-party payor), respectively, on the statement of benefit obligations and net assets available for benefits for estimated amounts to be settled on the Medicare Part D low-income and reinsurance subsidies.

Other Receivables

The Plan's other receivables balance primarily includes amounts due from third party providers (e.g., pharmacy benefit managers and government agencies), members, and vendors. The Plan considers other receivable balances to be fully collectible; accordingly, no allowance for doubtful reserve is required. The Plan evaluates this by specifically identifying troubled accounts and by using historical write off experience, adjusted for current market conditions and reasonable supportable forecasts of future economic conditions, applied to an aging of all other accounts. If amounts become uncollectible, they will be charged to operations when that determination is made.

2. Significant Accounting Policies (continued)

Revenue Recognition

The Plan recognizes dues and contributions from members and retired members and participant spouses in the month in which coverage is provided. Dues and contributions received in advance of coverage dates are recorded as advance payments from members. Employer contributions are determined by Union Pacific Railroad based on current agreed upon rates and are recognized as contribution revenue twice a month as the amounts are received from Union Pacific Railroad. Unrealized and realized appreciation and depreciation in the fair value of investments are recognized in the financial statements in the periods in which such changes occur. Security transactions are accounted for on the trade date (the date that the order to buy or sell is executed). Interest is accrued when it is earned. Dividend income is recorded on the ex-dividend date.

Concentration of Market and Credit Risk

The Plan's exposure to credit loss in the event of nonperformance of investments is limited to the carrying value of such instruments. The Plan's concentrations of credit risk and market risk are dictated by the Plan's provisions as well as those of ERISA. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of these investments, it is at least reasonably possible that changes in risks in the near term could materially affect the amounts reported in the statements of benefit obligations and net assets available for benefits and the statements of changes in benefit obligations and net assets available for benefits.

3. Investments

Under applicable accounting guidance, there is a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets and liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described below:

Level 1 – Unadjusted quoted prices in active markets that are accessible to the reporting entity at the measurement date for identical assets and liabilities. These assets include, among other items, mutual funds and corporate bonds.

Level 2 – Inputs other than quoted prices in active markets for identical assets and liabilities that are observable either directly or indirectly for substantially the full term of the asset or liability. Level 2 inputs include the following:

3. Investments (continued)

- Quoted prices for similar assets and liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in markets that are not active
- Observable inputs other than quoted prices are used in the valuation of the asset or liabilities (e.g., interest rate and yield curve quotes at commonly quoted intervals)
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means

Level 3 – Unobservable inputs for the asset or liability (i.e., supported by little or no market activity). Level 3 inputs include management's own assumptions about the assumptions that market participants would use in pricing the asset or liability (including assumptions about risk).

The level in the fair value hierarchy within which the fair value measurement is classified is determined based on the lowest level input that is significant to the fair value measure in its entirety.

The following table sets forth, by level, within the fair value hierarchy, the Plan's assets carried at fair value as of December 31, 2025 and 2024:

	Assets at Fair Value as of December 31, 2025			
	Level 1	**Level 2**	**Level 3**	**Total**
Interest-bearing cash, cash equivalents	$ 9,442,811	$ -	$ -	$ 9,442,811
Mutual Funds	106,761,298	-	-	106,761,298
Total Assets at Fair Value	$ 116,204,108	$ -	$ -	$ 116,204,108

	Assets at Fair Value as of December 31, 2024			
	Level 1	**Level 2**	**Level 3**	**Total**
Interest-bearing cash, cash equivalents	$ 10,333,874	$ -	$ -	$ 10,333,874
Mutual Funds	108,798,739	-	-	108,798,739
Total Assets at Fair Value	$ 119,132,613	$ -	$ -	$ 119,132,613

4. Property and Equipment

Property and equipment consists of the following:

	December 31, 2025	December 31, 2024
Land	$ 435,600	$ 435,600
Buildings	5,251,388	5,251,388
Building improvements	1,737,599	842,613
Office equipment	3,273,031	3,470,246
Medical equipment	10,284	10,284
	10,707,902	10,010,131
Less accumulated depreciation	(7,807,955)	(7,395,273)
Net Property & Equipment	$ 2,899,947	$ 2,614,858

5. Income Tax Status

The Trust funding the Plan has received an exemption letter from the Internal Revenue Service dated March 29, 1988, stating that the Trust is tax-exempt under the provisions of Section 501(c)(9) of the Internal Revenue Code (the Code) as a Voluntary Employee Beneficiary Plan. The Plan and Trust are required to operate in conformity with the Code to maintain the tax-exempt status of the Trust. The management of the Plan believes the Plan is being operated in compliance with the applicable requirements of the Code and, therefore, believes the related Trust is tax-exempt.

Accounting principles generally accepted in the United States require management to evaluate uncertain tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position is more likely than not, based on the technical merits, to be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025, there are no uncertain positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2022.

6. Reconciliation of Financial Statements to Form 5500

The instructions to the Form 5500 require that operating assets, which consist of buildings and land, be stated at their fair value and that the benefit obligation for claims incurred but not recorded be included in net assets available for benefits. The following reconciles net assets available for benefits per the financial statements to the Form 5500:

	December 31,	
	2025	2024
Net assets available for benefits per the financial statements	$ 130,766,907	$ 123,122,854
Less: historical cost of building and land, net of depreciation	(1,924,750)	(1,378,505)
Add: fair value of buildings and land	5,245,300	5,402,600
Less: liability for claims incurred but not reported	(10,756,152)	(12,683,468)
Net assets available for benefits per the Form 5500	$ 123,331,305	$ 114,463,481

The following reconciles total additions per the financial statements to the Form 5500:

	December 31,	
	2025	2024
Total additions per the financial statements	$ 144,611,105	$ 148,481,609
Add: unrealized appreciation (depreciation) of assets	(703,545)	121,317
Add: investment advisory and management fees	71,040	72,717
Total income per the Form 5500	$ 143,978,600	$ 148,675,643

The following reconciles claims paid for participants per the financial statements to the Form 5500:

	December 31,	
	2025	2024
Claims paid per the financial statements	$ 95,218,529	$ 97,865,860
Add: increase (decrease) in estimated reserve for claims incurred but not reported	(1,918,345)	1,158,000
Add: pharmacy	29,353,340	29,454,744
Add (less): change in physicians deferred compensation liability	246,127	173,313
Claims paid per the Form 5500	$ 122,899,651	$ 128,651,917

7. Party-in-Interest Transactions

Parties-in-interest are defined under Department of Labor regulations as any fiduciary of the Plan, any party rendering service to the Plan, the employer, and certain others. Zions First National Bank and US Bank Institutional Trust & Custody are custodians of the Plan's assets as of December 31, 2025 and 2024. The Plan held interest-bearing cash accounts with Zions First National Bank and earned interest income from Zions First National Bank during the years ended December 31, 2025 and 2024. These transactions are considered exempt party-in-interest transactions.

8. Subsequent Events

Subsequent events have been considered through July 28, 2026, which is the date the financial statements were available to be issued.
