INDEPENDENT AUDITORS' REPORT

To The Board of Trustees
Sciame Construction, LLC 401(k) Blueprint Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Sciame Construction, LLC 401(k) Blueprint Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of October 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended October 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Sciame Construction, LLC 401(k) Blueprint Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from Empower Trust Company, the trustee as of October 31, 2025 and 2024 and for the year ended October 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above, related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Sciame Construction, LLC 401(k) Blueprint Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Sciame Construction, LLC 401(k) Blueprint Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Sciame Construction, LLC 401(k) Blueprint Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Sciame Construction, LLC 401(k) Blueprint Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required By ERISA

The supplemental schedule of assets (held at end of year) as of October 31, 2025 and schedule of delinquent participant contributions for the year ended October 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

SCIAME CONSTRUCTION, LLC 401(k) BLUEPRINT PLAN
NOTES TO FINANCIAL STATEMENTS
OCTOBER 31, 2025

Note 1 - Description of Plan

The following description of the Sciam Construction, LLC 401(k) Blueprint Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan, which was established on November 1, 1990, and restated on November 1, 2014 and January 1, 2022, is a defined contribution 401(k) profit sharing plan covering substantially all employees of F.J. Sciam Construction Co., Inc., Sciam Construction, LLC, Sciam Development, Inc., Sciam Homes, LLC, and Sciam Homes NY, LLC who have completed at least three months of service and are age 18 or older. The Plan's sponsor was F.J. Sciam Construction Co., Inc. until November 1, 2014, when Sciam Construction, LLC became the Plan's sponsor (the "Sponsor") and the Plan changed its name to Sciam Construction, LLC 401(k) Blueprint Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Contributions

Each year, participants may contribute up to 100% of eligible annual compensation, as defined in the Plan, provided that such contributions do not exceed the limitations under the Internal Revenue Code (the "Code") for 2025 of \$23,500, plus catch-up contributions of up to \$7,500 for participants who have attained age 50 before the end of the Plan year, or up to \$11,250 for participants who attain ages 60 through 63 before the end of the Plan year. Contributions may be made as a pre-tax deferral or after-tax (Roth) deferral. Highly compensated employees are subject to additional limits set forth in the Code. Participants may also contribute amounts representing rollover distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan.

The Sponsor makes a matching contribution of 25% of the first 10% of eligible compensation that participants contribute to the Plan each year. The matching contribution is invested as directed by the participant. In 2025, the Sponsor made matching contributions of \$341,361.

The Sponsor also may make discretionary profit-sharing contributions to the Plan at the option of the Sponsor's board of directors. Profit-sharing contributions are invested as directed by the participant. There were no profit-sharing contributions made during the year ended October 31, 2025.

Participants are eligible for discretionary matching contributions and discretionary profit-sharing contributions upon completion of 500 hours of service in a consecutive 12-month period beginning on the date of hire, and must be employed with the Sponsor on the last day of the Plan year.

Note 1 - Description of Plan (cont'd.)

Participant Accounts

Each participant's account is credited with the participant's contributions and the Sponsor's matching and profit sharing contributions, as well as allocations of the Plan's earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants' accrued benefits from voluntary salary reduction contributions and related interest and investment gains and losses are 100% vested at all times. Participants' accrued benefits from employer contributions and related interest and investment gains and losses are vested as follows:

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than three	0%
Three or more	100%

In addition, a participant becomes 100% vested in all allocated Sponsor contributions upon death, disability or the attainment of age 65 while employed by the Sponsor.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$500 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account. A participant requesting a Plan loan must have a minimum vested account balance of \$1,000 to be eligible. The loans are secured by the balance in the participant's account and bear interest at two percentage points above the prime rate, as defined by the Plan. The interest rate is determined as of the date of origination and is fixed for the loan term. Principal and interest are paid ratably through monthly payroll deductions over a period not to exceed five years, unless the funds are used to acquire a principal residence, in which case the maximum repayment period is thirty years.

Payment of Benefits

Participants are eligible to receive benefit payments when they terminate service or reach age 59 1/2. On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or annual installments over a 10-year period. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

Note 1 - Description of Plan (cont'd.)

Forfeitures

At October 31, 2025 and 2024, forfeited nonvested accounts totaled \$2,699 and \$6,941, respectively. These accounts will be used to pay any Plan expenses, and any remaining forfeitures after paying for Plan expenses will be used to offset employer contributions.

Note 2 - Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP") requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value except for the fully benefit-responsive investment contract, which is stated at contract value (see Note 4). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for a discussion of fair value measurement.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

NOTES TO FINANCIAL STATEMENTS
OCTOBER 31, 2025

Note 2 - Summary of Significant Accounting Policies (cont'd.)

Notes Receivable from Participants

Note receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses when they are incurred. Notes receivable from participants are reclassified as distributions once the participant is no longer employed by the Sponsor. Interest rates on outstanding loans at October 31, 2025 ranged from 3.25% to 10.50%.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Sponsor and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation or depreciation in fair value of investments. Certain administrative functions are performed by officers or employees of the Sponsor. No such officer or employee receives compensation from the Plan.

Adoption of ASU No. 2025-12

On January 1, 2025, the Plan adopted Financial Accounting Standards Board Accounting Standards Update ("ASU") No. 2025-12, *Codification Improvements*, which amends various topics within the Financial Accounting Standards Board's Accounting Standards Codification to correct, clarify, and make other incremental improvements to U.S. GAAP. ASU No. 2025-12 includes amendments intended to improve the consistency and operability of existing guidance across a broad range of accounting topics and generally is not expected to significantly change current accounting practice for most entities. The adoption of ASU No. 2025-12 did not have a material impact on the Plan's financial statements.

Note 3 - Information Prepared and Certified By Trustee

The following information, including investments and notes receivable from participants at October 31, 2025 and 2024, and investment income and interest income on notes receivable from participants for the year ended October 31, 2025, was obtained by management and agreed to or derived from information certified as complete and accurate by Empower Trust Company ("Empower"), the Plan's trustee.

	<u>2025</u>	<u>2024</u>
Investments:		
Mutual funds, at fair value	\$ 35,318,165	\$ 30,028,770

Investment income:		
Net appreciation in fair value of investments	\$ 4,857,823	
Interest income	17,936	
Total investment income	<u>\$ 4,875,759</u>	
Interest income on notes receivable from participants	<u>\$ 24,106</u>	

Note 4 - Guaranteed Interest Contract

The Plan entered into a fully benefit-responsive guaranteed interest contract with Empower. Empower maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed interest contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting interest rate is based on a formula agreed upon with the issuer, but it may not be less than 1.20%. Crediting rates are reviewed on a semi-annual basis for resetting.

Because the guaranteed interest contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed interest contract because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan. Thus, the guaranteed interest contract is presented on the face of the statements of net assets available for benefits at contract value. Contract value, as reported to the Plan by Empower, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

SCIAME CONSTRUCTION, LLC 401(k) BLUEPRINT PLAN
NOTES TO FINANCIAL STATEMENTS
OCTOBER 31, 2025

Note 4 - Guaranteed Interest Contract (cont'd.)

The Plan's ability to receive amounts due in accordance with fully benefit-responsive investment contracts is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments. There are no reserves against contract value for credit risk of the contract issuer or otherwise.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include: (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan administrator believes that any events that would limit the Plan's ability to transact at contract value with participants are not probable of occurring.

The guaranteed interest contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

Note 5 - Fair Value Measurement

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") Topic 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices in active markets for identical assets or liabilities that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

SCIAME CONSTRUCTION, LLC 401(k) BLUEPRINT PLAN
NOTES TO FINANCIAL STATEMENTS
OCTOBER 31, 2025

Note 5 - Fair Value Measurement (cont'd.)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used at October 31, 2025 and 2024.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The preceding method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value at October 31, 2025 and 2024. Classification within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. For the year ended October 31, 2025, there were no significant transfers between Levels 1 and 2 and no transfers in or out of Level 3.

Assets at Fair Value at October 31, 2025				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 35,318,165	\$ -	\$ -	\$ 35,318,165
Total investments at fair value	<u>\$ 35,318,165</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 35,318,165</u>

Assets at Fair Value at October 31, 2024				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 30,028,770	\$ -	\$ -	\$ 30,028,770
Total investments at fair value	<u>\$ 30,028,770</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 30,028,770</u>

Note 6 - Related Party Transactions and Party-In-Interest Transactions

Certain Plan investments are shares of mutual funds managed by Empower. Therefore, these transactions qualify as party-in-interest transactions.

Notes receivable from participants also qualify as party-in-interest transactions.

SCIAME CONSTRUCTION, LLC 401(k) BLUEPRINT PLAN
NOTES TO FINANCIAL STATEMENTS

Note 7 - Plan Termination

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Note 8 - Tax Status

The Plan has adopted the ERP Actuaries ("ERP") volume submitter profit sharing plan. Accordingly, the Plan is permitted to rely on ERP's opinion letters. The Internal Revenue Service has determined and informed ERP by a letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Code. Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Code and therefore believes that the Plan is qualified and the related trust is tax exempt.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that at October 31, 2025, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to year ending October 31, 2022.

Note 9 - Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 10 - Subsequent Events

The Plan administrator has evaluated all events or transactions that occurred after October 31, 2025 through July 30, 2026, which is the date that the financial statements were available to be issued. During this period, there were no material subsequent events requiring disclosure.
