INDEPENDENT AUDITORS' REPORT

To the Plan Administrator
Educators Credit Union 401(k) Plan & Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audits

We have performed audits of the accompanying financial statements of Educators Credit Union 401(k) Plan & Trust ("the plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor ("DOL")'s Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from Transamerica Life Insurance Company Inc. and Transamerica Trust Company as of December 31, 2025 and for the period June 2, 2025 to December 31, 2025, and John Hancock Life Insurance Company (U.S.A.) as of and for the years ended December 31, 2025 and 2024, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and the procedures performed as described in the Auditors' Responsibilities for the Audits of the Financial Statements section,

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").
- the information in the accompanying financial statements related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of the plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's elections of the ERISA Section 103(a)(3)(C) audits does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the plan's ability to continue as a going concern for one year after the date that the financial statements were available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audits of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audits section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the plan's internal control. Accordingly, no such opinion is expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of the ERISA Section 103(a)(3)(C) audits is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings and certain internal control related matters that we identified during the audits.

ERISA-Required Supplementary Information

The supplemental schedule of assets (held at end of year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and is derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audit of the 2025 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion,

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Notes to Financial Statements

December 31, 2025 and 2024

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Method of accounting - The Educators Credit Union 401(k) Plan & Trust ("the plan") follows the accrual method of accounting wherein additions and deductions are reflected in the period earned or incurred.

Accounting estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("GAAP") requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

Subsequent events - The financial statements include management's evaluation of the events and transactions occurring subsequent to December 31, 2025, through April 6, 2026, which is the date the financial statements were available to be issued.

Risks and uncertainties - The plan invests in various investments. Investments are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Key parties of the plan - Educators Credit Union is the plan sponsor, employer and the plan administrator. Effective January 1, 2025, Empower Credit Union became a participating employer. PPG Retirement Plan Services Ltd. is the third-party administrator and performs various compliance tests as tax counsel. Prior to June 2, 2025, John Hancock Life Insurance Company (U.S.A.) ("John Hancock") was the investment agent that maintained investment and participant records and was the custodian of plan assets with the exception of the John Hancock Stable Value Fund, which will not be transferred until June 2026. Effective June 2, 2025, Transamerica Trust Company became the custodian that holds the plan's mutual fund investments. Transamerica Life Insurance Company Inc. became the custodian that holds the plan's stable value account investment. Transamerica Retirement Solutions, LLC became the plan's recordkeeper that maintains investment and participant records. The related Transamerica entities are collectively referred to as "Transamerica". Morgan Stanley is the plan's investment advisor. Three employees of Educators Credit Union and one non-employee board member are the plan trustees.

Plan merger - The plan sponsor acquired Empower Credit Union in 2024. In January 2025, all net assets of the Empower Credit Union 401(k) Retirement Plan, which totaled \$798,457, were transferred to the plan and are reflected in the accompanying 2025 statement of changes in net assets available for benefits.

Investments - An investment committee at the plan sponsor determines the investments available to plan participants. The participants allocate their contributions and transfer existing balances among the available investment options. Participants should refer to the investment account summaries and prospectuses for more information. Earnings, including the net appreciation (depreciation) of investments bought, sold and held during the years, are reflected in the accompanying statements of changes in net assets available for benefits.

Fair value measurements - GAAP establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical investments (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described as follows.

- Level 1 - Valuation is based upon quoted prices in active markets for identical investments.
- Level 2 - Valuation is based upon other significant observable inputs (including quoted prices for similar investments).
- Level 3 - Valuation is based upon significant unobservable inputs (including the plan's assumptions in determining the fair value of investments).

Educators Credit Union 401(k) Plan & Trust

Notes to Financial Statements
December 31, 2025 and 2024

Following is a description of the valuation methodologies used for investments measured at fair value.

Mutual funds - The mutual funds are valued at the daily quoted market prices as reported by the funds. The mutual funds held by the plan are registered with the U.S. Securities and Exchange Commission, are required to publish their daily net asset value and are deemed to be actively traded.

John Hancock sub-accounts - The sub-accounts are valued at net asset value ("NAV"). The NAV is generally based on the fair value of the underlying investments held by the sub-accounts less its liabilities. The NAV is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the sub-account will sell the investment for an amount different than the reported NAV.

The plan administrator determines by level, within the fair value hierarchy, the plan's investments at fair value as set forth below.

Investments at fair value as of December 31, 2025

	Level 1	Level 2	Level 3	Total
Mutual funds	\$76,247,048	\$ -	\$ -	\$76,247,048
Total investments in the fair value hierarchy	\$76,247,048	\$ -	\$ -	\$76,247,048
Investments measured at NAV (a)				1,577,705
Total investments at fair value				\$77,824,753

Investments at fair value as of December 31, 2024

	Level 1	Level 2	Level 3	Total
Total investments in the fair value hierarchy	\$ -	\$ -	\$ -	\$ -
Investments measured at NAV (a)				67,670,914
Total investments at fair value				\$67,670,914

- (a) In accordance with GAAP, investments that are measured at fair value using NAV as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in the above table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The following table summarizes investments for which fair value is measured using the NAV as a practical expedient. There are no participant redemption restrictions for these investments; the redemption notice period, if any, is applicable only to the plan.

- (a) The objective of these funds is to provide for capital appreciation and/or income consistent with the risk and return of the fund type summarized above. These funds utilize various U.S. and foreign equity market segments to accomplish their objectives.
- (b) The objective of these funds is to seek current income and capital appreciation using a risk profile that is consistent with the target date of the funds.
- (c) The objective of these funds is to seek current income and capital appreciation through a portfolio of bonds.

Investment at contract value - The plan has a traditional fully benefit-responsive investment contract through a group variable annuity contract issued by Transamerica and is backed by Transamerica's general account. Guarantees associated with this investment option are subject to the claims-paying ability and financial stability of the insurance company. The investment has a portfolio investment rate design in which deposits are credited with the same interest rate on a daily basis. The effective credited interest rate is established on a semiannual basis and is effective on the first day of the semiannual period; Transamerica provides advance notice of interest rate changes for each semiannual period.

This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount participants would receive if they were to initiate permitted transactions under the terms of the plan. Contract value, as reported to the plan by Transamerica, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal of all or a portion of the investment at contract value at any time. However, Transamerica may limit participant transfers, which are made at contract value, from this investment to other investments within the plan. The specific terms and limits are set forth in the contract and may vary.

The contract does not have a maturity date and there are no contract provisions that require a distribution at contract value at any specified time. Although plan participants generally may direct withdrawals at any time, a hold can apply in the event the plan sponsor requests a full distribution from the investment. As of the date these financial statements were available to be issued, the plan has no intention to request a full distribution.

The plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments. Certain events might limit the ability of the plan to transact at contract value with the issuer. As of the date these financial statements were available to be issued, the plan administrator is not aware of any events that may limit the ability of the plan to transact at contract value with the contract issuer or limit the ability of the plan to transact at contract value with the participants.

2. DESCRIPTION OF PLAN

The following brief description of the plan is provided for general information purposes only. Participants should refer to the plan documents for more complete information.

General - The plan was established October 1, 1997 as a defined contribution plan with a 401(k) salary deferral arrangement. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA") and subsequent amendments.

Eligibility - Employees are eligible to contribute to the plan once they have completed six months of service and have reached age nineteen. An employee can enter the plan on the first day of the quarter following completion of eligibility requirements. Upon meeting these eligibility requirements, employees are also eligible to participate in the employer safe harbor and matching contribution programs.

For purposes of employer non-elective contributions, employees are eligible the first day of the plan year or the first day of the seventh month of the plan year if they have completed twelve months of employment, provided they have completed at least 1,000 hours of service during the plan year and were employed on the last day of the plan year to which the contribution relates. These requirements are waived upon attainment of the normal retirement age (defined as 59½) during the year to which the contribution relates.

Contributions - Contributions are recorded in the year in which eligible compensation is paid. Contributions to the plan can be made in the following ways:

- a. Participants may contribute a percentage of their compensation subject to certain limitations (elective deferral contributions). The plan also permits Roth elective deferral contributions. New employees are automatically enrolled in the plan and have 5% of compensation withheld as deferral contributions. Such participants have the option to increase, decrease or stop the deferral by completing the necessary documentation.
- b. Rollover contributions are accepted by the plan from other qualified plans.
- c. A safe harbor contribution is made by the employer on an annual basis for all eligible employees equal to 3% of the employee's compensation. Safe harbor contributions, prior to forfeitures being utilized, were \$1,073,000 for 2025 and \$1,001,000 for 2024.
- d. A discretionary matching contribution is made by the employer in conjunction with each pay period equal to 50% of the first 5% of the employee's compensation contributed to the plan as elective deferral contributions. Matching contributions were \$775,000 for 2025 and \$737,000 for 2024.
- e. A non-elective contribution may be made at the employer's discretion on an annual basis. Non-elective contributions, prior to forfeitures being utilized, were \$2,281,000 for 2025 and \$2,080,000 for 2024.

Participant accounts - Earnings, including the fair value appreciation or depreciation, are allocated to participant accounts on a daily basis based upon the performance of the investment options selected. Each participant's account is credited with the participant's elective deferral and rollover contributions and an allocation of the employer's contributions. Participants are allowed to transfer funds between the various investment options daily and change their deferral percentage each pay period.

Vesting - Participants begin vesting in the employer matching and non-elective contributions and related earnings upon two full years of service, at which time they are 20% vested. The participant then vests at the rate of 20% for each year thereafter. Upon death, disability or attainment of normal retirement age while employed, participants become 100% vested. Participants are always 100% vested in their elective deferral contributions, rollover contributions, safe harbor contributions and related earnings.

Payment of benefits - Benefits are recorded when paid. Benefit payments may commence upon termination of employment, death, disability, or retirement. Distributions may be in the form of a qualified joint and survivor annuity, a single lump sum or installment payments. In-service withdrawals can commence upon attaining the age of 59½. The plan does not permit hardship withdrawals.

Notes to Financial Statements

December 31, 2025 and 2024

Administrative expenses - Certain administrative expenses of the plan are paid by the employer. Certain other administrative fees are paid by the plan assets and recorded as administrative expenses in the accompanying financial statements. Such expenses include participant directed charges for distribution and loan fees and nonparticipant directed charges for service, administration and advisory fees. Nonparticipant directed charges are allocated on an account value basis.

Forfeitures - Forfeited nonvested amounts are used to reduce employer contributions. Forfeitures used to reduce the 2025 employer contributions in 2025 and 2026 were \$120,000. Forfeitures used to reduce the 2024 employer contributions in 2024 and 2025 were \$206,000. Unapplied forfeitures were \$95,000 and \$123,000 as of December 31, 2025 and 2024.

Notes receivable from participants - Participants can take out loans against their accounts with the approval of the plan administrator. The minimum loan amount is \$1,000 and the maximum amount is the lesser of one-half of the participant's vested account balance, or \$50,000. Participants may not have more than one loan outstanding at any given time. The repayment term generally cannot exceed 5 years except when the loan is for the purchase of a principal residence. As of December 31, 2025, the notes receivable from participants had various repayment schedules through August 2033 with interest rates ranging from 8.00% to 9.50%. The notes receivable from participants are valued at their unpaid principal balances plus any accrued but unpaid interest, which approximates fair value.

3. PARTY-IN-INTEREST TRANSACTIONS

Certain plan investments are managed by John Hancock and Transamerica. John Hancock and Transamerica are the custodians of certain plan assets, as defined in Note 1, and, as such, these transactions qualify as party-in-interest transactions. In addition, these parties provided/provide certain administrative services to the plan pursuant to a services agreement between the plan sponsor and the custodians, in which they received/receive indirect compensation from mutual fund service providers for services provided to the funds. This indirect compensation is used to offset certain amounts that would otherwise be owed for its administrative services to the plan. Direct fees paid by the plan to Transamerica were \$31,000 in 2025. Direct fees paid by the plan to John Hancock in 2025 and 2024 were insignificant.

Notes receivable from participants also qualify as party-in-interest transactions.

All of the above party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

4. TERMINATION OF PLAN

Although it has not expressed any intent to do so, the employer has the right to terminate the plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in their employer contributions and related earnings.

5. INCOME TAX STATUS

The plan adopted a PPG Retirement Plan Services pre-approved profit sharing plan. The pre-approved profit sharing plan received its most recent favorable opinion on June 30, 2020, in which the Internal Revenue Service stated that the plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The plan administrator has not obtained a separate Internal Revenue Service opinion or determination for the plan. However, the plan administrator and tax counsel believe that the plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code, and, therefore, believes the plan is qualified, and the related trust is tax-exempt.

Educators Credit Union 401(k) Plan & Trust

Notes to Financial Statements

December 31, 2025 and 2024

GAAP requires plan management to evaluate tax positions taken by the plan and recognize tax liabilities (or assets) if the plan has taken any uncertain position that more likely than not would not be sustained upon examination by the applicable authorities. Plan management analyzed the requirements for accounting for uncertain tax positions taken and determined the plan was not required to recognize any tax liabilities (or assets) related to uncertain tax positions taken as of December 31, 2025 and 2024. The plan is subject to routine audits by taxing jurisdictions; however, there are no audits in progress.

6. INFORMATION CERTIFIED BY THE CUSTODIANS

Management has obtained certifications from John Hancock and Transamerica, qualified institutions under the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, that state the following information with respect to assets held for investment of the plan is complete and accurate.

- a. Investments held for the plan and the fair values and contract value of such, noninterest-bearing cash and notes receivable from participants as of December 31, 2025 and 2024;
- b. Dividends from investments and net appreciation (depreciation) in fair value of investments, other income and interest income on notes receivable from participants during 2025 and 2024; and
- c. Contributions to, withdrawals from, administrative expenses, purchases, sales, transfers in and interfund transfers between investment accounts during 2025 and 2024.
