REPORT OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS

Plan Administrator
March of Dimes Inc. 401(a) Plan

Scope and nature of the ERISA Section 103(a)(3)(C) audit

We have performed audits of the financial statements of March of Dimes Inc. 401(a) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of October 24, 2025 (in liquidation) and December 31, 2024 (ongoing), and the related statement of changes in net assets available for benefits for the period from January 1, 2025 to October 24, 2025 (in liquidation), and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of October 24, 2025 and December 31, 2024, and for the period from January 1, 2025 to October 24, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of matter

As described in Note 1 to the financial statements, on June 26, 2025, the board of directors of March of Dimes, the Plan's Sponsor, approved the termination of the Plan, and management determined liquidation is imminent. Accordingly, the Plan has changed its basis of accounting from the going concern basis used in presenting the Plan's 2024 financial statements to the liquidation basis used in presenting the Plan's 2025 financial statements. Our opinion is not modified with respect to this matter.

Responsibilities of management for the financial statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's responsibilities for the audit of the financial statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

NOTES TO FINANCIAL STATEMENTS

NOTE 1 - DESCRIPTION OF PLAN

General

The following description of the March of Dimes Inc. 401(a) Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan document for more complete information.

The Plan is a noncontributory, defined contribution plan adopted as of December 1, 2012, and is sponsored by the March of Dimes Inc. (March of Dimes) for eligible employees. Effective January 1, 2019, March of Dimes no longer makes employer contributions to the Plan. The March of Dimes is also the Plan Administrator. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The Plan was formed to fund nonelective employer contributions, as defined in the Plan documents.

The Plan is separate from other retirement plans offered by the March of Dimes: The Retirement Plan for National Office and Field Staff Employees of the March of Dimes Foundation and the March of Dimes Inc. 403(b) Plan.

Plan Termination

The Plan Sponsor had the right under the Plan to discontinue contributions at any time and terminate the Plan subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA) and subject to the terms of the Plan. In January 2025 Plan management began the process of terminating the Plan and on June 26, 2025 the Pension Investment Committee of March of Dimes signed a board resolution to terminate the Plan effective July 1, 2025. In February 2025, Participants were sent an election kit which notified them of their benefit options, a lump-sum cash distribution, eligible rollover to a qualified plan, or a combination of a lump-sum cash distribution and eligible rollover. Upon plan termination, participants became 100% vested in their employer contributions. Lump sum payments were processed October 1, 2025 and the Plan was fully liquidated as of October 24, 2025.

The following paragraphs described the policies of the Plan prior to its termination.

Eligibility

All eligible employees of the March of Dimes were able to participate in the Plan. Effective January 1, 2017, all employees other than members of excluded classes were considered eligible employees. An employee was a member of an excluded class if the employee was:

- Prior to January 1, 2017, employees with an employment commencement date prior to January 1, 2006 who participate in the March of Dimes Retirement Plan for Headquarters and Field Staff Employees.
- Seasonal and leased employees;
- Less than 21 years old;
- Employed pursuant to a collective bargaining agreement (i.e., in a union) that did not require inclusion under the Plan; and
- An Employee who as of January 1, 2017 was receiving a pension benefit from the March of Dimes Retirement Plan for Headquarters and Field Staff Employees.

March of Dimes Inc. 401(a) Plan

NOTES TO FINANCIAL STATEMENTS - CONTINUED

October 24, 2025 (in liquidation), and December 31, 2024 (ongoing)

To receive an allocation of employer contributions, an eligible employee was required to complete a minimum of 1,000 hours of service during the Plan year to which the contributions related and be employed on the last day of the Plan year.

Participant Accounts

Under a custodial agreement between Fidelity Management Trust Company (Fidelity) and the March of Dimes, a custodial account was established for each participant in the Plan. The accounts were credited with the March of Dimes' plan earnings (losses), and charged with actual or an allocation of administrative expenses based on participant's earnings, account balances, or specific participant transactions, as defined. Participants were responsible to direct their account investments based on the investment options available with Fidelity that are limited to shares of registered investment companies (mutual funds). In the event a participant failed to direct their investment election, their account was invested 100% in the Fidelity Freedom Funds based upon the participant's date of birth.

Vesting

As a result of Plan Termination effective July 1, 2025, Participants became fully vested in all balances in the Plan. Historic vesting provisions were as follows:

A participant became fully vested after three years of service (cliff vesting). There was no partial vesting under the Plan.

Forfeited Accounts

Forfeitures, if any, were first used to reduce administrative expenses under the Plan, and any remaining forfeiture amounts were used to offset contributions due from the March of Dimes. Forfeitures available at October 24, 2025 and December 31, 2024 were \$0 and \$276,341, respectively. For the period of January 1, 2025 to October 24, 2025, \$99,467 of forfeitures were used to pay administrative expenses. The remaining balance of \$188,736 was allocated to each participant who held an account balance at January 1, 2025 as part of the termination of the Plan.

Plan Administration

The Plan was administered by the Finance and Pension Committee of the March of Dimes' Board of Trustees, with delegated authority to certain officers and employees of the March of Dimes. Fidelity Management Trust Company was the trustee of the Plan.

Payment of Benefits

Prior to termination of the Plan, participants could receive all or a portion of their vested account balance upon termination of employment, becoming disabled, or reaching 59½ years of age.

Benefits may have been paid at retirement as a lump sum or by purchasing an annuity, which had various different payment options including single life annuity or survivor annuity. Participants who terminated employment prior to retirement could elect to have their balance distributed in a lump sum or to an individual transferred retirement account (IRA) or another employer's qualified plan.

Participants could withdraw their vested account balance upon attaining age 59½. Minimum required distributions for participants who had reached age 73 also applied per Internal Revenue Service (IRS) regulations.

NOTES TO FINANCIAL STATEMENTS - CONTINUED

October 24, 2025 (in liquidation), and December 31, 2024 (ongoing)

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

In accordance with accounting principles generally accepted in the United States of America (U.S. GAAP), as a result of the Plan termination described in Note 1, the 2025 financial statements of the Plan are presented on the liquidation basis of accounting. The 2024 financial statements of the Plan are prepared on the accrual basis of accounting for an ongoing plan. The change in the basis of accounting did not have a material impact on the 2025 financial statements.

Payment of Benefits

Benefits are recorded when paid.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (see Note 4).

Net appreciation in fair value of investments in the statement of changes in net assets available for benefits includes realized gains and losses on investments bought and sold and the change in unrealized gains and losses during the reporting period. Purchases and sales of investments are recorded on a trade-date basis. Interest income is accrued when earned. Dividend income is recorded on the ex-dividend date.

Use of Estimates

The preparation of financial statements in accordance with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein, and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

NOTE 3 - INFORMATION CERTIFIED BY FIDELITY

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosures under ERISA. Accordingly, Fidelity has certified as being complete and accurate the investments at fair value presented in the statements of net assets available for benefits as of October 24, 2025 (in liquidation) and December 31, 2024 (ongoing) and the net investment income presented in the statement of changes in net assets available for benefits for the period from January 1, 2025 to October 24, 2025 (in liquidation).

NOTE 4 - FAIR VALUE MEASUREMENTS

Fair value is defined as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants at the measurement date. It prioritizes the inputs to the valuation techniques used to measure fair value by giving the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to measurements involving significant unobservable inputs (Level 3 measurements).

March of Dimes Inc. 401(a) Plan

NOTES TO FINANCIAL STATEMENTS - CONTINUED

October 24, 2025 (in liquidation), and December 31, 2024 (ongoing)

The three levels of the fair value hierarchy are as follows:

- Level 1 - Inputs that reflect unadjusted quoted prices in active markets for identical assets or liabilities that the Plan has the ability to access at the measurement date;
- Level 2 - Inputs other than quoted prices that are observable for the asset or liability either directly or indirectly, including inputs in markets that are not considered to be active; and
- Level 3 - Inputs that are unobservable and significant to the fair value measurement.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value at October 24, 2025 and December 31, 2024.

Money Market Funds: The money market fund is valued at the quoted price based on net asset value (NAV) of shares held by the Plan at year end.

Shares in Registered Investment Companies: Registered investment companies consist of mutual funds and are valued at the quoted price based on NAV of shares held by the Plan at year end.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The Finance and Pension Committee of the Board of Trustees performs ongoing due diligence reviews of the Plan's investments and has retained a consultant to provide quarterly reports, including performance review.

Plan investments were fully liquidated as of October 24, 2025. For the year ended December 31, 2024, Plan's investments are valued using Level 1 inputs.

NOTE 5 - ADMINISTRATIVE EXPENSES

Administrative expenses incurred by the Plan may be paid by the Plan Sponsor on behalf of the Plan by charging against the accounts of all participants on a pro-rata basis, or from account forfeitures. Fees related to investment management and administrative cost from the service providers of the funds are paid using the net assets of the investment funds and are reflected as a component of net appreciation in fair value of investments on the statement of changes in net assets available for benefits.

NOTE 6 - PARTIES-IN-INTEREST TRANSACTIONS

Certain investments were managed by an affiliate of Fidelity and, therefore, these transactions qualify as exempt party-in-interest transactions under ERISA.

NOTE 7 - TAX STATUS

The IRS has determined and informed March of Dimes by a letter dated December 28, 2017, that the Plan is intended to comply with the applicable requirements of Section 401(a) of the IRC of 1986, as amended. Although the Plan has been amended since receiving the determination letter, the Plan Administrator believes that the Plan was designed and operated in compliance with applicable requirements of the IRC and, as such, is exempt from Federal income tax.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax taken by the Plan, and has concluded that as of October 24, 2025 and December 31, 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 8 - SUBSEQUENT EVENTS

The Plan Administrator has performed an evaluation of subsequent events through August 4, 2026, the date the financial statements were available to be issued. Management is not aware of any subsequent events which would required recognition or disclosure in the financial statements.
