INDEPENDENT AUDITORS' REPORT

To the Plan Participants and the Board of Trustees of
the Robinson School, Inc. Retirement Plan
San Juan, Puerto Rico

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Robinson School, Inc. Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (referred to as ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Robinson School, Inc. Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2025 and 2024, and for the years ended December 31, 2025 and 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Robinson School, Inc. Retirement Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Robinson School, Inc. Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Robinson School, Inc. Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Robinson School, Inc. Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters—Supplemental Schedules Required by ERISA

The supplemental schedules of Assets Held at End of Year as of December 31, 2025 and 2024 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

ROBINSON SCHOOL, INC. RETIREMENT PLAN**NOTES TO FINANCIAL STATEMENTS****DECEMBER 31, 2025 AND 2024****NOTE (1) DESCRIPTION OF PLAN**

The following description of Robinson School, Inc. Retirement Plan (the Plan) provides only general information. Users of the financial statements should refer to the plan document for a more complete description of the Plan's provisions.

(A) GENERAL

The Robinson School, Incorporated sponsors Robinson School, Inc. Retirement Plan, a defined contribution profit sharing plan with cash or deferred arrangement, which became effective in August 1, 2002. The Plan was created for the purpose of providing additional incentive and retirement, death, and disability security for the Plan Sponsor's employees eligible to participate in the Plan. It was structured pursuant Section 1165 of the Puerto Rico Internal Revenue Code of 1994 and later modified to comply with Section 1081 of the Puerto Rico Internal Revenue Code of 2011 (2011 Code) and to obtain its qualification letter as a tax exempt trust. Robinson School, Inc. Retirement Plan obtains its later qualification letter from the Puerto Rico Treasury Department (PRTD) dated February 2017, stating that the Plan is qualified under Section 1081 of the 2011 Code. The Plan is also subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) and the Department of Labor and covers full-time employees who have at least one year of service, are age twenty-one or older and were not members of an employees' union.

As of December 31, 2025, and 2024, there were 142 and 134 participants, respectively, with account balances in the Plan.

(B) CONTRIBUTIONS

Participants determine their pre-tax contributions to the Plan, but it cannot be less than 1% of participant's compensation, nor exceed the limits provided under the PR Code section 1081.01(a), which, for the years ended December 31, 2025, and 2024, were \$15,000. Catch-up contributions by participants with at least fifty (50) years of age at the end of the Plan year are set at \$1,500 per year. Participants may also contribute to the Plan amounts representing distributions from other qualified benefit plans (rollovers). The Plan provides for participants to direct the investment of their contributions into various investment options offered by the Plan.

The Plan's sponsor contributes \$1 for each dollar of pre-tax contribution and catch-up contribution made to the Plan by an eligible employee, up to the first 5% of the employee's compensation contributed to the Plan for each payroll period. The Plan's sponsor can make additional contributions in such amounts as they may determine. During the years ended December 31, 2025, and 2024, no additional contributions were made by the Plan's sponsor.

A participant may, at any time, elect to not make pre-tax contributions to the plan; or change its contribution percentage and investment options.

(C) PARTICIPANT ACCOUNTS

According to the Plan document, individual accounts are maintained for each participant, credited with the participant's contribution, the sponsor's matching contribution, as well as allocations the profit sharing contribution,

NOTE (1) DESCRIPTION OF PLAN (CONTINUED)**(C) PARTICIPANT ACCOUNTS (CONTINUED)**

and the Plan's earnings/(losses). Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account when credited only with those contributions actually received. Financial statements, however, are prepared on accrual basis.

(D) VESTING

Participants are 100% vested immediately in their contributions and rollover contributions plus actual earnings thereon. Vesting in the Plan sponsor's matching and discretionary contributions portion of their accounts is based on years of continuous service. A participant is 100% vested after completing five years of credited continuous service. The participants' vesting percentages during the first 5 years of continuous credited service is as follows:

<u>Years of Service</u>	<u>Vesting %</u>
Less than a year	0%
1 year	0%
2 years	25%
3 years	50%
4 years	75%
5 years or more	100%

Participant's are fully vested in the Plan's sponsor matching contribution account, regardless of years of service, upon the earlier of (a) attaining 60 years of age, (b) becoming disabled in accordance with the provisions of the Plan, (c) upon death while employed by the Plan's sponsor, (d) termination of the Plan, or (e) complete discontinuance of contributions by the Plan's sponsor.

(E) PLAN INVESTMENTS

Participants direct the investment of the contributions into various investment options offered by the Plan, which actually includes various mutual funds and a key guaranteed portfolio fund. Each participant is solely responsible for the investment of the Plan's account by giving the directions in writing to the Plan's sponsor, who transmit them to the Plan's third party Administrator, or changing them online directly on his account. Investment directions may be provided or changed by the participants on a daily basis. The Plan will not invest in qualifying Sponsor's securities. The sponsor's matching and profit sharing contributions are invested in the same investment options and allocation rates selected by participants to invest their contributions.

The contributions are managed by Empower Retirement Advisory Services, a group of companies composed by Empower Annuity Insurance Company of America, Empower Trust Company, LLC, Empower Advisory Group, LLC, and Empower Capital Management, LLC, who acts as third party administrators, record keepers and custodians of the Plan (third party Administrator). The third party Administrator, as per instructions received from the participant, invested cash received and send distributions to the Plan's participants, also is in charge of the Plan's recordkeeping, held the Plan's investments, and represents participants directed accounts.

(F) NOTES RECEIVABLE FROM PARTICIPANTS

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account. General purpose loan terms are from twelve (12) to sixty (60) months, while a loan to buy participant's principal residence terms varies from sixty-one (61) to three hundred and sixty (360) months. The loans bear interest at an average of the rate charged on similar commercial loans under like circumstances. Such rate shall be updated as of the first business day of each calendar month and shall remain unchanged through each calendar month. Interest

NOTE (1) DESCRIPTION OF PLAN (CONTINUED)

(F) NOTES RECEIVABLE FROM PARTICIPANTS (CONTINUED)

rates range from 4.25% to 9.50% at December 31, 2025. Principal and interest are paid ratably through biweekly payroll deductions. A \$75 loan application fee is charged to the participant's account when originating the loan. Participants should have only one loan at a time and refinancing is not permitted. Because the Plan allows participants to borrow from their fund accounts, these loans qualify as a party-in-interest transaction.

(G) PAYMENT OF BENEFITS

Payment of benefits is recorded when paid which usually is upon termination of service due to death, disability, or retirement. A participant is eligible to receive an amount equal to the value of the participant's vested balance of his/her account either as a lump-sum amount or as periodic installments. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

In-service withdrawals will only be allowed in case of financial hardship and for any reason after 59.5 years of age. This applies to all kind of contributions made to the Plan.

(H) FORFEITED ACCOUNTS

Forfeited non-vested accounts in any given year could be used to (a) reduce future Plan's sponsor contributions, (b) reallocated as additional profit sharing contributions, or (c) to reduce the Plan's administrative expenses. As of December 31, 2025, and 2024, forfeited non-vested accounts totaled \$25,014 and \$22,670, respectively. During the years ended December 31, 2025, and 2024, forfeitures in the amount of \$30,023 and \$25,099, respectively, were used to pay administrative expenses, but they were all reimbursed by the Plan's Sponsor.

(I) CONCENTRATIONS

The Plan's participants are employed by The Robinson School Incorporated.

NOTE (2) BASIS OF FINANCIAL STATEMENT PRESENTATION AND SUMMARY OF ACCOUNTING POLICIES

The basis of financial statement presentation and the summary of significant accounting policies, which are presented to assist in understanding the financial statements and notes, are representation of management, who is responsible for their integrity and objectivity. These accounting policies conform to generally accepted accounting principles used in the United States of America (U.S. GAAP).

(A) ACCOUNTING METHODS FOR FINANCIAL STATEMENTS

The financial statements of the Plan are prepared using the accrual method of accounting.

INVESTMENT VALUATION AND INCOME RECOGNITION

The Plan's investments are stated at fair value, except for the fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

For investments in mutual funds that are registered with the Securities and Exchange Commission ("SEC"), fair value is determined using net asset value ("NAV") as reported by the fund, see Note (4). The NAV per share of the registered investment companies is published daily and is calculated by each fund based on the market value of the underlying securities within each fund.

The fully benefit-responsive guaranteed investment contract is reported at contract value, which represents contributions made under the contract, plus interest credited, less participant withdrawals and administrative expenses, see Note (5).

NOTE (2) BASIS OF FINANCIAL STATEMENT PRESENTATION AND SUMMARY OF ACCOUNTING POLICIES (CONTINUED)

(A) ACCOUNTING METHODS FOR FINANCIAL STATEMENTS (CONTINUED)

INVESTMENT VALUATION AND INCOME RECOGNITION (CONTINUED)

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

CONTRIBUTIONS AND CONTRIBUTIONS RECEIVABLE

Contributions from Plan participants and the matching contributions from the Employer are recorded in the year in which the employee contributions are withheld from compensation.

The contributions receivable consist of amounts withheld from participants' compensation and employer matching contributions related to the payroll period prior to year-end but not yet remitted to the Plan. These receivables are generally remitted to the trust within a short period following year-end, typically less than one week, in accordance with the Department of Labor's rules regarding timely deposit of employee contributions. Therefore, they are considered to have a very short duration.

NOTES RECEIVABLES FROM PARTICIPANTS

The notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Delinquent participants' loans are reclassified as distributions based upon the terms of the plan document.

PAYMENTS OF BENEFITS

Benefits payments to participants are recorded when paid. As of December 31, 2025, and 2024, there were no benefits due to withdrawn participants that had not yet been paid.

FEES CHARGED TO PARTICIPANTS

Recordkeeping and investment's administrative fees are assessed on a periodic basis and are generally allocated to participant accounts based on the proportionate share of each participant's account balance within the respective investment funds. Such fees are reflected as deductions from participant accounts and are recognized in the accompanying Statement of Changes in Net Assets Available for Benefits as "Fees Charged to Participants" when incurred.

Participant-initiated transaction fees, including loan origination fees and distribution processing fees, are charged directly to the accounts of participants incurring such transactions and are recognized as part of the transaction when incurred.

ADMINISTRATIVE EXPENSES

The Plan provides for the payment of administrative expenses, including audit, preparation of various governmental forms, and other professional fees, either by the Plan or by the Plan Sponsor, as determined by the Plan Sponsor, see Note (11).

NOTE (2) BASIS OF FINANCIAL STATEMENT PRESENTATION AND SUMMARY OF ACCOUNTING POLICIES (CONTINUED)

(B) USE OF ESTIMATES

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities. It also requires that disclosure be made of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

(C) DATE OF MANAGEMENT'S REVIEW

The Plan follows the provisions of FASB ASC Topic 855 "Subsequent Events", which establishes general standards to be applied in accounting for, and disclosure of events that occur after the balance sheet date but before consolidated financial statements are issued or available to be issued. This standard introduces the concept of "financial statements available to be issued", which are financial statements that are complete in form and format, that complies with U.S. GAAP and have obtained all approvals required for issuance.

FASB ASC Topic 855 "Subsequent Events" requires the disclosure of the date through which an entity has evaluated subsequent events and the basis for the date, whether it is the date the financial statements were issued or were available to be issued. This topic should be applied to the accounting and disclosure of subsequent events not addressed on other applicable U.S. GAAP.

Plan's management evaluated subsequent events until August 10, 2026, date in which financial statements are available to be issued.

NOTE (3) CERTIFIED INVESTMENTS

Certain information related to investments disclosed in the accompanying Financial Statements and the Schedule H - Line 4(i) - Schedule of Assets Held at End of Year, including investments held as of December 31, 2025, and 2024, and net appreciation/(depreciation) in fair value of investments, interest and dividends for the years ended December 31, 2025, and 2024, was obtained or derived from information supplied to the Plan and certified as complete and accurate by Empower Retirement Advisory Services, who acts as third party administrators, record keepers and custodians of the Plan.

Certified investments included in Plan's net assets consisted of the following:

	<u>2025</u>	<u>2024</u>
Mutual Funds	\$7,176,167	\$6,054,813
Forfeitures / Asset Holding Account (Key Guaranteed Portfolio Fund)	25,014	22,670
Key Guaranteed Portfolio Fund	<u>817,898</u>	<u>776,916</u>
Total Investment	<u>\$8,019,079</u>	<u>\$6,854,399</u>

NOTE (4) FAIR VALUE MEASUREMENTS

The Plan follows the provisions of FASB ASC Topic 820, "Fair Value Measurements and Disclosures", which defines fair value, establishes a framework for measuring fair value, and expands disclosures about fair value measurements.

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC Topic 820 are described as follows:

NOTE (4) FAIR VALUE MEASUREMENTS (CONTINUED)

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Security and Exchange Commission (SEC). These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following tables sets forth by level, within the fair value hierarchy, the Plan's investments assets at fair value at December 31, 2025 and 2024.

	-----Assets Fair Value as of December 31, 2025-----			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual Funds, at Fair Value	<u>\$7,176,167</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$7,176,167</u>

	-----Assets Fair Value as of December 31, 2024-----			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual Funds, at Fair Value	<u>\$6,054,813</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$6,054,813</u>

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic condition or model-based valuation techniques may require transfer of financial instruments from one fair value level to another. In such instances, the transfer is reported at the beginning of the reporting period.

The Plan evaluates the significance of transfers between levels based upon the nature of the financial instrument and size of the transfer relative to total net assets available for benefits. For the years ended December 31, 2025 and 2024 there were no transfers in or out of levels 1, 2 or 3.

NOTE (5) GUARANTEED INVESTMENT CONTRACT, AT CONTRACT VALUE

The Plan invests in a fully benefit-responsive guaranteed investment contract ("GIC") issued by Empower Annuity Insurance Company of America through its Key Guaranteed Portfolio Fund ("KGPF"), a general account group

NOTE (5) GUARANTEED INVESTMENT CONTRACT, AT CONTRACT VALUE (CONTINUED)

annuity contract. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The contract is backed by the general assets of the Insurance Company, and the repayment of principal and credited interest is subject to the Insurance Company's claims-paying ability.

This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Empower, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

Interest is credited on a portfolio basis and is reset periodically (generally quarterly) based on the performance of the underlying investments and market conditions. The average crediting interest rates were approximately 1.45% and 1.41% for the years ended December 31, 2025 and 2024, respectively.

Certain events could limit the Plan's ability to transact at contract value, including plan termination, plan merger, bankruptcy of the Plan Sponsor, or the introduction of competing investment options. The contract also permits the Insurance Company to impose restrictions on participant transfers in certain circumstances. If the contract no longer qualifies as fully benefit-responsive, it would be reported at fair value.

The fair value of the GIC is estimated based on discounted cash flows and is not materially different from contract value as of December 31, 2025 and 2024.

NOTE (6) CONTRIBUTIONS RECEIVABLE

Contributions receivable consist of employee salary deferral contributions and employer matching contributions related to the final payroll period of the Plan year that had not yet been remitted to the Plan as of December 31.

Contributions receivable consisted of the following:

	2025	2024
Participants Contributions Receivable	\$ 8,072	\$ 7,693
Employer Matching Contributions Receivable	<u>6,657</u>	<u>6,412</u>
Total Contributions Receivable	<u>\$ 14,729</u>	<u>\$ 14,105</u>

Management evaluated the collectability of these receivables and determined that no allowance for expected credit losses was required as of December 31, 2025, and 2024, as the amounts were subsequently remitted shortly after year-end.

NOTE (7) NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants represent participant loans that are recorded at their unpaid principal balance plus any accrued but unpaid interest. As of December 31, 2025, and 2024, notes receivable from participants totaled \$148,296 and \$120,025, respectively. Interest rates on outstanding loans ranged from 4.25% to 9.50%.

Delinquent participant loans are reclassified as deemed distributions based on the terms of the Plan document and applicable provisions of the Puerto Rico Internal Revenue Code and Plan regulations. Total deemed distributed loans as of December 31, 2025, and 2024 amounting \$10,942 and \$24,011, respectively, are included as part of the notes receivable from participants because they are collateralized by the participants' vested account balances. During the year ended December 31, 2025, participant loans totaling \$14,944 were distributed and are reflected as such in the accompanying Statement of Changes in Net Assets Available for Benefits.

NOTE (8) RELATED PARTY AND PARTY IN INTEREST TRANSACTIONS

Certain Plan investments are managed or maintained by parties that qualify as parties-in-interest as defined by ERISA. These transactions are exempt from the prohibited transaction rules of ERISA because they involve qualified Plan investments and services necessary for Plan operations.

At December 31, 2025, and 2024, the Plan held investments in the Key Guaranteed Portfolio Fund issued by Empower Annuity Insurance Company of America and various mutual funds maintained through Empower Retirement Advisory Services, the Plan's recordkeeper, custodian, and third-party administrator.

The Plan also permits participant loans, which qualify as party-in-interest transactions under ERISA.

During the years ended December 31, 2025, and 2024, the Plan Sponsor paid certain charges on behalf of the Plan, including recordkeeping, advisory, and other professional fees totaling \$32,402 and \$27,479, respectively. The Plan Sponsor did not seek reimbursement from the Plan for these amounts. (See Note (11))

NOTE (9) TAX STATUS

This Plan is qualified under the U.S. Internal Revenue Code as exempt from federal income taxes. It is a non-domiciled U.S. plan, which is qualified under Sections 1081.01(a) and (d) of the 2011 Code. The Plan is sponsored by Puerto Rico employer and covers only Puerto Rico residents. The trust forming part of the plan is exempt from income tax under Section 1081.01(a) and (d) and contributions from the employer to the trust are deductible as provided in section 1033.09 of the 2011 Code.

U.S. GAAP require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS and/or the PR Treasury Department. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE (10) PLAN TERMINATION

Although it has not expressed any intent to do so, the sponsor has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event the Plan terminates, the interest of each participating employee in the Plan shall be fully vested and such termination shall not reduce the interest of any participating employee or their beneficiaries accrued under the Plan up to the date of such termination.

NOTE (11) PLAN ADMINISTRATIVE EXPENSES

For the years ended December 31, 2025 and 2024, certain administrative expenses, such as professional services, were paid directly by the Plan Sponsor. The Plan Sponsor has elected not to seek reimbursement from the Plan for these costs. Accordingly, such expenses are not reflected in the accompanying Statement of Changes in Net Assets Available for Benefits, as they do not represent expenses of the Plan.

NOTE (12) RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE (13) DISCRETIONARY CONTRIBUTION

As described on Pension Plan Document and in note 1(B), each plan year, the Plan's sponsor may contribute a discretionary amount in addition to any matching contribution for all eligible participants; for the years ended December 31, 2025 and 2024, the Plan's sponsor decided not to make any discretionary contribution.

REPORT ON THE FIRM'S SYSTEM OF QUALITY CONTROL

We have reviewed the system of quality control for the accounting and auditing practice of **Torres, Hernandez, & Punter, CPA, PSC** (the firm) in effect for the year ended December 31, 2024. Our peer review was conducted in accordance with the Standards for Performing and Reporting on Peer Reviews established by the Peer Review Board of the American Institute of Certified Public Accountants (Standards).

A summary of the nature, objectives, scope, limitations of, and the procedures performed in a System Review as described in the Standards may be found at www.aicpa.org/prsummary. The summary also includes an explanation of how engagements identified as not performed or reported in conformity with applicable professional standards, if any, are evaluated by a peer reviewer to determine a peer review rating.

Firm's Responsibility

The firm is responsible for designing and complying with a system of quality control to provide the firm with reasonable assurance of performing and reporting in conformity with the requirements of applicable professional standards in all material respects. The firm is also responsible for evaluating actions to promptly remediate engagements deemed as not performed or reported on in conformity with the requirements of applicable professional standards, when appropriate, and for remediating weaknesses in its system of quality control, if any.

Peer Reviewer's Responsibility

Our responsibility is to express an opinion on the design of and compliance with the firm's system of quality control based on our review.

Required Selections and Considerations

Engagements selected for review included engagements performed under *Government Auditing Standards*, including compliance audit under the Single Audit Act, and audit of employee benefit plan.

As part of our peer review, we considered reviews by regulatory entities as communicated by the firm, if applicable, in determining the nature and extent of our procedures.

Opinion

In our opinion, the system of quality control for the accounting and auditing practice of **Torres, Hernandez, & Punter, CPA, PSC** in effect for the year ended December 31, 2024, has been suitably designed and complied with to provide the firm with reasonable assurance of performing and reporting in conformity with applicable professional standards in all material respects. Firms can receive a rating of pass, pass with deficiency(ies) or fail. **Torres, Hernandez, & Punter, CPA, PSC** has received a peer review rating of *pass*.
