INDEPENDENT AUDITORS' REPORT

To the Administrative Committee
Paul Reed Smith Guitars, Limited Partnership 401(k) Profit Sharing Plan
Stevensville, Maryland

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Paul Reed Smith Guitars LP 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2025, and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Paul Reed Smith Guitars, Limited Partnership 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025, and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 8 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Paul Reed Smith Guitars LP 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Paul Reed Smith Guitars LP 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Paul Reed Smith Guitars LP 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Paul Reed Smith Guitars LP 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

PAUL REED SMITH GUITARS LP 401(K) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

For the year ended December 31, 2025

NOTE 1. DESCRIPTION OF THE PLAN

The following description of the Paul Reed Smith Guitars, Limited Partnership (the "Partnership") 401(k) Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution pension plan covering all employees of the Partnership who meet the eligibility requirements. An employee becomes eligible to participate in the Plan upon employment commencement for elective deferrals. For employer contributions, an employee becomes eligible upon completing twelve consecutive months of service with at least 1,000 credited hours and must be at least the age of eighteen. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). Paul Reed Smith Guitars, LP is the Plan administrator. Reliance Trust Company was the asset trustee through December 31, 2024. Beginning January 1, 2025 ADP Retirement Trust Services, LLC became the asset trustee. Automatic Data Processing, Inc. ("ADP") is the record keeper of the Plan.

Contributions

Participants may contribute an amount not to exceed the dollar limit that is set by law, of pretax and post-tax annual compensation, as defined by the Plan. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. The Plan has an automatic salary deferral feature. For newly eligible participants salary deferrals equal to 3% of eligible compensation will be contributed as pre-tax deferrals. The deferral percentage will increase by 1% of eligible compensation each year up to a maximum of 6% of eligible compensation. Participants may elect a different deferral amount or elect not to defer. Participants direct the investments of their contributions into various investment options offered by the Plan. The Plan currently offers twenty-five mutual funds and a stable value fund as investment options for participants.

Employer contributions are determined at the discretion of the Partnership's investment committee. During 2025 and 2024, the Company contributed matching contributions equal to 50% of participant salary deferrals for each payroll period on the first 6% of participant compensation for the same period. The matching Company contributions are invested in a portfolio of investments as directed by the participant. To be eligible to receive a matching contribution, an employee must have completed at least one year of service and worked a minimum of 1,000 hours. Profit sharing amounts may be contributed at the option of Paul Reed Smith Guitars, LP, and are determined annually. For the Plan years ended December 31, 2025 and 2024 the Partnership did not make any profit sharing discretionary contributions to the Plan. Beginning in March 2024, the Company does not make matching or profit-sharing contributions related to employee bonuses.

Contributions from Plan participants and the associated Partnership's contributions are recoded in the year in which the employee contributions are withheld from compensation.

NOTE 1. DESCRIPTION OF THE PLAN (Continued)

Participants' Accounts

Each participant's account is credited with the participant's contribution and allocations of a) the Partnership's contribution, b) Plan earnings, and may also include c) forfeitures of terminated participants' non-vested accounts. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting of the employer matching contribution and the Partnership's profit-sharing contribution portion of their accounts plus actual earnings thereon is based on years of continuous service.

For employer matching contributions, prior to April 2025, a participant became 20% vested after one year of service, 40% vested after two years of service, and 100% vested after three or more years of credited service. Beginning in April 2025, participants become 100% vested after one year of credited service

For Partnership profit sharing contributions, a participant is 100 percent vested after five or more years of credited service, as shown in the table below.

Profit Sharing	
Years of Service	Vested %
Less than 1	0%
1	20%
2	40%
3	60%
4	80%
5 or more	100%

A participant will also become fully vested upon attainment of normal retirement age, upon retirement due to disability, upon death, or upon termination of the Plan.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 and up to a maximum equal to the lesser of \$50,000 (reduced by the balance of any prior loans from the Plan) or fifty percent of their vested account balance. A plan participant may have up to three loans outstanding at any one time. The loans are secured by the balance in the participant's account and bear interest at the prime rate plus one percent. Loans must be repaid in five years, unless the proceeds are used to acquire a primary residence, in which case the maximum loan term is ten years. Principal and interest are paid ratably through payroll deductions. Interest rates on outstanding loans as of December 31, 2025 and 2024 ranged from 4.25% to 9.50%. If a participant's employment terminates for any reason and the loan balance is not paid in full, the loan balances will be deemed distributed and become taxable income to the participant.

NOTE 1. DESCRIPTION OF THE PLAN (Continued)

Benefits

On termination of service, a participant may elect to receive benefits in a lump sum amount equal to the value of his or her account, in periodic installments not to exceed the life expectancy of the participant and/or designated beneficiary, or in the form of an annuity providing distribution over the life of the participant or the joint life expectancies of the participant and the designated beneficiary. In-service hardship distributions are allowed from amounts which participants are 100% vested.

Forfeited Accounts

Forfeited non-vested amounts are to be used by the Partnership first to offset plan expenses and to reduce any future employer contributions. There was **\$2,425** and \$19,513 in forfeited non-vested accounts at December 31, 2025 and 2024, respectively. Forfeitures may be used to reduce employer contributions at the discretion of the employer. During the years ended December 31, 2025 and 2024 forfeitures of nonvested accounts were used to reduce employer contributions by **\$11,738** and \$20,858, respectively.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting in accordance with accounting standards generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted within the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value as reported by ADP Retirement Trust Services, LLC. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (also see Note 3). Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation/depreciation, include the Plan's gains and losses on investments bought and sold as well as held during the year.

Administrative Expenses

Certain administrative costs not absorbed by the Company are absorbed by the Plan. Expenses that are paid by the Company are excluded from these financial statements. The Plan is not required to reimburse the Company for expenses the Company pays on behalf of the Plan. Investment-related expenses are included in net appreciation (depreciation) in fair value of investments. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses.

For the year ended December 31, 2025

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Payment of Benefits

Benefits are recorded when paid.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the Plan agreement.

NOTE 3. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC Topic 820 are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value.

Mutual funds: Various mutual funds are offered to Plan participants. Mutual funds are publicly traded investments and are valued daily at the closing price reported on the active market on which the funds are traded.

PAUL REED SMITH GUITARS LP 401(K) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

For the year ended December 31, 2025

NOTE 3. FAIR VALUE MEASUREMENTS (Continued)

Stable value common collective trust fund: The Putnam Stable Value Fund is the only stable value common collective trust fund available to the Plan. The Plan uses the net asset value ("NAV") per share of the fund provided by the trustee as a practical expedient to estimate fair value. The practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of funds, the trustee reserves the right to require 12 months' notification in order to ensure that securities liquidations will be carried out in an orderly business manner. The fund's units are redeemed daily at a constant NAV of \$1 per unit. There are no unfunded commitments. The fund invests in a variety of investment contracts such as guaranteed investment contracts ("GICs") issued by insurance companies and other financial institutions, security-backed investment contracts, separate accounts issued or wrapped by insurance companies, banks or other financial institutions, or externally managed stable value commingled investment funds. The Putnam Stable Value Fund may also invest in high-quality money market instruments or other similar short-term investments. The fund's investment objective is stability of principal and high current income.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024:

Assets at Fair Value at December 31, 2025				
	Total	Level 1	Level 2	Level 3
Registered investment companies	\$ 30,094,876	\$ 30,094,876	\$ -	\$ -

(a) Certain investments measured at fair value using the net asset value per share practical expedient have not been classified in the fair value hierarchy. The net asset value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

For the year ended December 31, 2025

NOTE 3. FAIR VALUE MEASUREMENTS (Continued)

The Plan has no assets or liabilities whose fair values are measured using Level 3 inputs, nor does it have any assets or liabilities that are valued on a non-recurring basis.

NOTE 4. RELATED PARTIES AND PARTY-IN-INTEREST TRANSACTIONS

The Plan Investment Committee members are also participants in the Plan. Fees paid by the Plan for the account services provided by the record keeper, Automatic Data Processing, Inc., totaled **\$55,958** and \$56,903 for the years ended December 31, 2025 and 2024, respectively. Audit fees paid by the Plan totaled **\$13,750** and \$5,250 for the years ended December 31, 2025 and 2024, respectively. All these party-in-interest transactions are exempt from prohibited transaction rules of ERISA.

NOTE 5. PLAN TERMINATION

Although it has not expressed any intent to do so, the Partnership has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of termination of the Plan, the net value of each participant's account shall become fully vested and no portion of the Plan's assets may be used for any purpose other than the exclusive benefit of the participants and their beneficiaries.

NOTE 6. INCOME TAX STATUS

The Plan was amended and restated June 1, 2022, to bring the Plan into compliance with the legislative and regulatory changes set forth in IRS Notice 2017-37 (i.e., the 6-year preapproved plan restatement cycle). The Plan utilizes the Non-standardized Profit-Sharing Plan with CODA as provided by ADP, LLC, which obtained its latest opinion letter on October 6, 2020, whereby the IRS stated that the Non-standardized Profit-Sharing Plan with CODA, as then designed, was in compliance with the applicable requirement of the Internal Revenue Code (IRC). The Plan has been amended since receiving the advisory letter, however, the plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt. As of December 31, 2025, the following tax years are subject to examination for both Federal and state jurisdictions: open years for filed returns: 2022 through 2024; returns to be filed in 2026: 2025.

While the Plan has not been formally amended as of December 31, 2025, it is following the applicable provisions under the Setting Every Community Up for Retirement Enhancement Act, 2019 (the SECURE Act), the Coronavirus, Aid, Relief and Economic Security Act, 2020 (CARES Act) and the Consolidated Appropriations Act, 2021 (CAA). The Plan will be formally amended within the required timeframe.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination. The plan administrator has analyzed tax positions taken by the Plan and has concluded that as of December 31, 2025, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 7. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Assets Available for Benefits.

NOTE 8. INFORMATION CERTIFIED BY THE PLAN'S TRUSTEE

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2025 and 2024, and net appreciation in the fair value of investments, interest, and dividends for the year ended December 31, 2025 was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Reliance Trust Company through December 31, 2024 and, thereafter, ADP Retirement Trust Services, LLC.
