COMMUNICATION WITH THOSE CHARGED WITH GOVERNANCE

July 27, 2026

Investment Committee and Plan Participants
Display Pack, Inc. 401(k) Retirement Plan
650 West Street
Cedar Spring, MI 49319

We have conducted an ERISA Section 103(a)(3)(C) audit of the financial statements of **Display Pack, Inc. 401(k) Retirement Plan** (the "Plan") as of and for the year ended December 31, 2025, and have issued our report thereon dated July 27, 2026. Professional standards require that we advise you of the following matters relating to our audit.

Our Responsibility in Relation to the Financial Statement Audit

As communicated in our engagement letter dated May 5, 2026, our responsibility, as described by professional standards, is to conduct our audit in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Therefore, as permitted by ERISA Section 103(a)(3)(C), the audit need not extend to any statements of information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution"). For an ERISA Section 103(a)(3)(C) audit, the audit will not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirement of accounting principles generally accepted in the United States of America ("GAAP"). Accordingly, the objective of the ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

Our responsibility, as prescribed by professional standards, is to plan and perform our audit to obtain reasonable, rather than absolute, assurance about whether the financial statements are free of material misstatement. An audit of financial statements includes consideration of the system of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control over financial reporting. Accordingly, as part of our audit, we considered the system of internal control of the Plan solely for the purpose of determining our audit procedures and not to provide any assurance concerning such internal control.

We are also responsible for communicating significant matters related to the audit that are, in our professional judgment, relevant to your responsibilities in overseeing the financial reporting process. However, we are not required to design procedures for the purpose of identifying other matters to communicate to you.

We have provided our comments regarding significant control deficiencies noted during our audit in an attachment to this letter.

Planned Scope and Timing of the Audit

We conducted our audit consistent with the planned scope and timing we previously communicated to you verbally and in our engagement letter.

Compliance with All Ethics Requirements Regarding Independence

The engagement team, others in our firm, as appropriate, and our firm have complied with all relevant ethical requirements regarding independence.

Significant Risks Identified

We have identified management override of internal control as a significant risk. This area requires special audit consideration because of the nature of the risk and the potential magnitude of misstatement related to this risk.

Qualitative Aspects of the Plan's Significant Accounting Practices

Significant Accounting Policies

Management has the responsibility to select and use appropriate accounting policies. A summary of the significant accounting policies adopted by the Plan is included in Note 2 to the Plan's financial statements. There has been no initial selection of accounting policies and no changes in significant accounting policies or their application during the year. No matters have come to our attention that would require us, under professional standards, to inform you about (1) the methods used to account for significant unusual transactions and (2) the effect of significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus.

Significant Accounting Estimates and Related Disclosures

Accounting estimates and related disclosures are an integral part of the Plan's financial statements prepared by management and are based on management's current judgments. Those judgments are normally based on knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the Plan's financial statements and because of the possibility that future events affecting them may differ markedly from management's current judgments. The most sensitive accounting estimates affecting the financial statements are management's estimate of the valuation of investment securities recorded at fair value.

Form 5500 Procedures

We are required to obtain and read a substantially complete draft of Form 5500 prior to dating our auditors' report. The purpose of this procedure is to identify any material inconsistencies between the draft Form 5500 and the Plan's financial statements. We identified no material inconsistencies in performing and completing our audit.

Significant Difficulties Encountered during the Audit

We encountered no significant difficulties in interacting with management relating to the performance of the audit.

Uncorrected and Corrected Misstatements

For purposes of this communication, professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that we believe are trivial, and communicate them to the appropriate level of management. Further, professional standards require us to also communicate the effect of uncorrected misstatements related to prior periods on the relevant classes of transactions, account balances or disclosures, and the Plan's financial statements as a whole. There were no adjustments proposed to or passed by management.

In addition, professional standards require us to communicate to you all material, corrected misstatements that were brought to the attention of management as a result of our audit procedures. There were no material misstatements detected as a result of our audit procedures.

Disagreements with Management

For purposes of this letter, professional standards define a disagreement with management as a matter, whether or not resolved to our satisfaction, concerning a financial accounting, reporting, or auditing matter, which could be significant to the Plan's financial statements or the auditors' report. No such disagreements arose during the course of the audit.

Representations Requested from Management

We have requested certain written representations from management, which are included in the attached letter dated July 27, 2026.

Management's Consultations with Other Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters. Management informed us that, and to our knowledge, there were no consultations with other accountants regarding auditing and accounting matters.

Other Significant Matters, Findings, or Issues

In the normal course of our professional association with the Plan, we generally discuss a variety of matters, including the application of accounting principles and auditing standards, significant events or transactions that occurred during the year, business conditions affecting the Plan, and business plans and strategies that may affect the risks of material misstatement. None of the matters discussed resulted in a condition to our retention as the Plan's auditors.

Other Information in Documents Containing Audited Financial Statements

Pursuant to professional standards, our responsibility as auditors for other information in documents containing the Plan's audited financial statements does not extend beyond the financial information identified in the audit report, and we are not required to perform any procedures to corroborate such other information. In accordance with professional standards, we have read the Form 5500 and did not become aware of any instances where such information, or the manner of its presentation, was inconsistent with the financial statements.

Other Matters

The ERISA-required supplemental schedules, other than that agreed to or derived from the certified investment information, were subjected to the audit procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America ("GAAS").

Our responsibility also includes communicating to you any information which we believe is a material misstatement of fact. Nothing came to our attention that caused us to believe that such information, or its manner of presentation, is materially inconsistent with the information, or manner of its presentation, appearing in the Plan's financial statements.

This report is intended solely for the information and use of those charged with governance, management, and the Plan's governing regulatory agencies and is not intended to be and should not be used by anyone other than these specified parties.

Very truly yours,

Rehmann Lohman LLC

Attachment A - Consideration of Internal Control Over Financial Reporting

For the December 31, 2025 Audit

Except as discussed in the following paragraph, in planning and performing our audit of the financial statements of **Display Pack, Inc. 401(k) Retirement Plan** (the "Plan") as of and for the year ended December 31, 2025, in accordance with auditing standards generally accepted in the United States of America, we considered the Plan's internal control over financial reporting ("internal control") as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we do not express an opinion on the effectiveness of the Plan's internal control.

Management has determined it is permissible in the circumstances and has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Therefore, as permitted by ERISA Section 103(a)(3)(C), the audit need not extend to any statements of information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Our consideration of internal control was for the limited purpose described in the preceding paragraphs of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified. As described below, we identified a deficiency that we consider to be a significant deficiency.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A reasonable possibility exists when the likelihood of an event occurring is either reasonably possible or probable as defined as follows:

- *Reasonably possible*. The chance of the future event or events occurring is more than remote but less than likely.
- *Probable*. The future event or events are likely to occur.

A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance. A *reportable finding*, which includes the matter described below, includes one or more of the following: (1) noncompliance or suspected noncompliance with laws and regulations, (2) a finding that in our professional judgement is significant and relevant to those charged with governance regarding their responsibility to oversee the financial reporting process, and (3) an indication of internal control deficiencies identified during the audit that have not been previously communicated to management by other parties and that we have determined are sufficiently important to merit management's attention. We consider the following deficiency in internal control to be a significant deficiency.

Errors in calculating employer matching contributions

During our audit, we noted one participant who was eligible to receive employer matching contributions but did not receive any matching contributions during the year. Although not significant to the financial statements, errors of this nature could lead to the plan sponsor being liable for significant corrective contributions or penalties for failure to follow the plan document. We recommend the plan sponsor evaluate all participant accounts to ensure employer matching contributions commence upon eligibility and are calculated and remitted to the plan custodian accurately. We also recommend the affected participant accounts are made whole, including lost earnings, in accordance with the IRS Employee Plans Compliance Resolution System.

This representation letter is provided in connection with your audits of the financial statements of **Display Pack, Inc. 401(k) Retirement Plan** (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), which comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements (the "financial statements").

We have elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. We acknowledge that the audit did not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier, that is regulated, supervised and subject to periodic examination by a state or federal agency (a "qualified institution") that prepared and certified the investment information in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting under ERISA. We have determined that an ERISA Section 103(a)(3)(C) audit is permissible under the circumstances. We have also determined that the investment information is prepared and certified by a qualified institution as described by 29 CFR 2520.103-8, that the certification meets the requirements in 29 CFR 2520.103-5 and, that the certified investment information is appropriately measured, presented, and disclosed in accordance with accounting principles generally accepted in the United States of America ("GAAP").

The purpose of an ERISA Section 103(a)(3)(C) audit is to express an opinion on whether the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with GAAP and that the assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the certified investment information.

Certain representations in this letter are described as being limited to matters that are material. Items are considered material, regardless of size, if they involve misstatements, including omissions, if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

We confirm that, to the best of our knowledge and belief, having made such inquiries as we considered necessary for the purpose of appropriately informing ourselves as of July 27, 2026, the following representations made to you during your audits:

2. The financial statements are fairly presented in accordance with GAAP, the notes include all disclosures required by laws and regulations to which the Plan is subject, including the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, and the supplemental schedules referred to above are fairly presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
3. We acknowledge our responsibility for the design, implementation, and maintenance of the system of internal control relevant to the preparation and fair presentation of financial statements, notes, and supplemental schedules that are free from material misstatement, whether due to fraud or error.
5. We acknowledge our responsibility for the design, implementation, and maintenance of internal control to prevent and detect fraud.
6. Significant assumptions used by us in making accounting estimates, including those measured at fair value, are reasonable. The methods and significant assumptions used to estimate fair values of financial instruments are properly disclosed in the notes to the financial statements. The methods and significant assumptions used result in a measure of fair value appropriate for financial measurement and disclosure purposes.
7. We are responsible for the estimation methods and assumptions used in measuring assets and liabilities reported or disclosed at fair value, including information obtained from brokers, pricing services, or other third parties. Our valuation methodologies have been consistently applied from period to period. The fair value measurements reported or disclosed represent our best estimate of fair value as of the measurement date in accordance with the requirements of Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurement*. In addition, our disclosures related to fair value measurements are consistent with the objectives outlined in FASB ASC 820 and we believe the level of the fair value hierarchy in which assets are classified and disclosed in the financial statements is appropriate. Also, there are no subsequent events that would require adjustment in the fair value level and disclosures.

8. All related party relationships and transactions have been appropriately accounted for and disclosed in accordance with the requirements of GAAP.

For the purposes of this letter, related parties means the Plan sponsor (or employers participating in a multiemployer plan, as applicable), trusts which hold the Plan's assets, principal owners of the enterprise, management of the Plan and principal owners of the Plan sponsor and their immediate families, members of the Plan's board of trustees or administrative committee, the chief operating and executive officers (Plan administrators) and others who are responsible for achieving the objectives of the Plan and have the authority to establish policies and make decisions by which the objectives of the Plan are to be pursued and other parties with which the Plan may deal if one party controls or can significantly influence the management or operating policies of the other to an extent that one of the transacting parties might be prevented from fully pursuing its own separate interest. Another party is also a related party if it can significantly influence management or operating policies of the transacting parties or if it has an ownership interest in one of the transacting parties and can significantly influence the other to an extent that one or more of the transacting parties might be prevented from fully pursuing its own interest.

9. Transactions with parties in interest, as defined in Section 3(14) of ERISA and regulations thereunder, including sales, purchases, loans, transfers, leasing arrangements, and guarantees, and amounts receivable from, or payable to, related parties have been appropriately disclosed.

11. We have no intentions to terminate the Plan.
12. We have properly reported and disclosed amendments to the Plan instrument, if any.
13. We will notify you in advance of our intent to include your report, in whole or in part, in any document other than Form 5500 filed with a regulatory agency or printed, in whole or in part, for any reason, and you will have the opportunity to review such matter before its filing or issuance.
14. With respect to financial statement preparation services performed by you, we have performed the following:
 - a) Made all management decisions and performed all management functions;
 - b) Assigned a competent individual who has suitable knowledge, skill, and/or experience to oversee the services;
 - c) Evaluated the adequacy of the services performed;
 - d) Evaluated and accepted responsibility for the result of the service performed; and

- e) Established and maintained controls, including a process to monitor the system of internal control.
15. We acknowledge our responsibility for the presentation of the ERISA-required supplemental schedules in accordance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. We believe the ERISA-required supplemental schedules, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. The method of measurement or presentation have not changed from those used in the prior period.
16. All significant estimates and material concentrations known to management that are to be disclosed in accordance with FASB ASC 275, *Risks and Uncertainties*, are appropriately included in the financial statements. We understand that significant estimates covered by this disclosure are estimates at the date of the statement of net assets available for benefits that are reasonably possible of changing materiality within the next year. Concentrations refer to the nature and type of investments held by the Plan, or markets for which events could occur which would significantly disrupt normal finances within the next year.

Investment securities are exposed to various risks, such as interest rate, market and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of interest rate, market, and credit risks inherent with certain of the Plan's investment securities, it is at least reasonably possible that changes in the fair values of investment securities will occur in the near term and that such
