# **Highpoint 401(k) Retirement Plan**

**Financial Statements  
With Supplementary Information  
Years Ended December 31, 2025 and 2024  
With Independent Auditors' Report**

## **Independent Auditors' Report**

To the Plan Administrator  
Highpoint 401(k) Retirement Plan  
Indianapolis, IN

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the accompanying financial statements of Highpoint 401(k) Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Highpoint 401(k) Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from the qualified institutions as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by the qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Highpoint 401(k) Retirement Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**Independent Auditors' Report  
(Continued)**

**Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Highpoint 401(k) Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditors' Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Highpoint 401(k) Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

**Independent Auditors' Report  
(Continued)**

**Auditors' Responsibilities for the Audit of the Financial Statements (Continued)**

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Highpoint 401(k) Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**Supplemental Schedule Required by ERISA**

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

BARNES DENNIG

**Independent Auditors' Report  
(Continued)**

**Supplemental Schedule Required by ERISA (Continued)**

- The information in the supplemental schedule related to assets held by and certified to by the qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **HIGHPOINT 401(K) RETIREMENT PLAN**

### **Notes to Financial Statements**

#### **NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

##### ***Basis of Presentation***

The accompanying financial statements of Highpoint 401(k) Retirement Plan (the "Plan") have been prepared on an accrual basis of accounting using accounting principles generally accepted in the United States of America (GAAP).

##### ***Investment Valuations***

Investments are reported at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. The cost of investments sold is computed on an average cost basis for all realized gains and losses. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Investment securities, in general, are exposed to various risks such as interest rate, credit, and overall market volatility risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investments, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

##### ***Notes Receivable***

Notes receivable from participants shall be measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable are reclassified as distributions based upon the terms of the plan document.

##### ***Related-Party Transactions***

Several employees of the Company provide administrative services to the Plan. These services include Plan oversight and day-to-day Plan administration. The Plan is not charged by the Company for the services of the employees to the Plan.

Certain plan assets are in investment funds managed by Empower Trust Company, LLC. Empower Trust Company, LLC is the trustee of the Plan; therefore, these transactions qualify as party-in-interest transactions, as defined under ERISA guidelines.

##### ***Management Estimates***

The preparation of financial statements in conformity with generally accepted accounting principles generally accepted requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

#### **NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

##### ***Payments of Benefits***

Benefit payments are recorded when paid.

##### ***Subsequent Events***

In preparing its financial statements, Highpoint 401(k) Retirement Plan has evaluated events subsequent to the statement of net assets available through August 6, 2026, which is the date the financial statements were available to be issued.

#### **NOTE 2 DESCRIPTION OF PLAN**

The following description of the Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

##### ***General***

The Plan is a defined contribution plan covering all full-time employees Highpoint Digital, Inc. (the "Company") who are at least 19 years old and have completed 1 month of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Each employee automatically becomes enrolled in the Plan following the one-month anniversary of the employee's date of employment. Participants are notified of the automatic enrollment provisions, as required by the plan document, and the participants who become automatically enrolled are enrolled at a 6 percent salary deferral unless they specifically elect a different rate or choose not to participate.

##### ***Contributions***

Both the participants and the Company may make contributions under the Plan. A participant may elect to make pretax contributions up to the maximum allowed by the Internal Revenue Service (\$23,500 plus a catch-up of \$7,500 for 2025). The Company contributes a safe harbor enhanced match equal to the sum of 100% of the first 4% of eligible compensation plus 50% of up to the next 2% of eligible compensation that a participant contributes to the Plan. Additional discretionary amounts may be contributed at the option of the Company. For 2025, the Company provided matching contributions of \$591,951. The Company may also make discretionary contributions. These contributions are at the discretion of the Company, and no contributions were made in 2025. Participants may also make rollover contributions into the Plan from another qualified plan.

Participants may make voluntary contributions to the Plan on an after-tax basis. Contributions are included in the participant's gross income. The combined amounts contributed pre-tax and after-tax are subject to certain stipulated maximums.

#### **NOTE 2 DESCRIPTION OF PLAN (CONTINUED)**

##### ***Participant Accounts***

Each participant's account is credited with the participant and Company's contributions and a pro-rata allocation of the Plan's earnings. The pro-rata allocation is based upon the proportion of individual account balances to total participants' account balances in the respective investment funds. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

##### ***Vesting***

Participants become immediately vested at the time of participation in the Plan in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts, plus actual earnings thereon is based on year of continuous service. Participants become fully vested after two years of service in the Company's safe harbor enhanced match contributions plus actual earnings thereon. Participants become gradually vested in the Company's non-elective contribution portion of the participant's account plus earnings thereon, with 20% vested occurring after 2 years of service, and becoming fully vested after 6 years of service. Non-vested portions of participant accounts that are forfeited upon payment of benefits are used to reduce employer contributions or to pay administrative expenses of the Plan.

##### ***Payment of Benefits***

Upon a participant's retirement, death, total and permanent disability, other termination of employment with the Company or termination of the Plan, the participant's account is distributed under several options. If the participant's vested interest is greater than \$5,000, the form of benefit payment is selected by the participant among various options including installment, lump sum, and partial withdraw. If the vested interest is \$5,000 or less, the payment will be in the form of a lump sum payment, payable as soon as administratively feasible.

In-service distributions are permissible from the Plan for participants that have attained the age of 59 1/2.

In conditions of "financial hardship", as defined, a participant may apply to the Plan administrator for approval to withdraw that portion of their elective deferrals necessary to meet the financial hardship, subject to the limitations of the Plan and the Internal Revenue Code.

Upon termination of the Plan, the assets will be distributed to participants in accordance with the Plan's provisions and existing laws and regulations.

##### ***Forfeitures***

As of December 31, 2025 and 2024, forfeited unallocated nonvested accounts totaled \$20 and \$95, respectively. During 2025, forfeitures that were used to offset employer contributions were \$40,369, and forfeitures that were used to pay plan expenses were \$7,500.

#### NOTE 2 DESCRIPTION OF PLAN (CONTINUED)

##### *Notes Receivable from Participants*

Notes receivable from participants are available on amounts in the participant's account. Participants may borrow from their fund accounts the lesser of \$50,000 or one-half of their vested interest in the Plan. The \$50,000 limit is reduced by the current note receivable balance during a one-year period. Notes receivable are secured by the balance in the participants' accounts and bear interest at rates that range from 7.5 percent to 8.5 percent. All notes receivable must have a definite repayment period, generally not to exceed five years, which provides for payments to be made at least as frequently as quarterly.

##### *Expenses of the Plan*

Administrative expenses represent the cost of accounting and administrative services provided to the Plan by Empower Trust Company, LLC. The remaining expenses are paid by the Plan sponsor.

#### NOTE 3 FAIR VALUE MEASUREMENTS

GAAP provisions for Fair Value Measurements, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under GAAP provisions for Fair Value Measurements are described below:

*Level 1* – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

*Level 2* – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

*Level 3* – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

#### NOTE 3 FAIR VALUE MEASUREMENTS (CONTINUED)

Following is a description of the valuation approaches used for assets measured at fair value.

*Mutual Funds:* Value at the net asset value (“NAV”) of shares held by the plan at year end.

*Collective Investment Trusts:* The investments include stable value funds. The fair values of participation units held in the stable value funds are based on NAV to reflect all fund investments at fair value, including direct and indirect interests in fully benefit-responsive contracts. The stable value funds generally permit redemptions daily. If the funds experience periods of insufficient liquidity, then the stable value fund may defer honoring any payment request until liquidity is sufficient. The Plan is permitted to redeem investment units at NAV on the measurement date.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different approaches or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

#### **Assets Measured at Fair Value on a Recurring Basis**

The following table sets forth a level by level, within the fair value hierarchy, the Plan’s assets at fair value as of December 31, 2025:

### **Notes to Financial Statements (Continued)**

#### **NOTE 4 INVESTMENT CONTRACT WITH INSURANCE COMPANY**

The Plan invests in a fully benefit-responsive guaranteed investment contract with Standard Insurance Company (Standard). Standard Insurance Company maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specific interest rate that is guaranteed by the Plan.

Due to the fact that the guaranteed investment contract is fully-benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. Contract value, as reported to the Plan by Standard Insurance Company, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is based on a formula agreed upon with the issuer, but may not be less than 1 percent. Such interest rates are reviewed on a quarterly basis for resetting.

Certain events may limit the Plan's ability to transact at contract value with Standard. Such events include plan termination, contract termination, large sponsor-directed withdrawals or transfers, and participant-initiated withdrawals or transfers arising from corporate actions such as spin-offs, divestitures, corporate relocations, and layoffs. In these circumstances, a market value adjustment may apply to amounts withdrawn from the fund. The plan administrator does not believe the occurrence of any such event that would limit the Plan's ability to transact at contract value with participants is probable.

Either party may terminate the contract with at least 30 days advance written notice to the other party.
