Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Woodsman Kitchens & Floors, Inc. 401(k) Profit Sharing Plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2025 and 2024 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2025 and 2024, stating that the certified investment information, as described in Note 11 to the financial statements, is complete and accurate.

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Woodsman Kitchens & Floors, Inc. 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Woodsman Kitchens & Floors, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements, as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood

that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Woodsman Kitchens & Floors, Inc. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Woodsman Kitchens & Floors, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of Statements of Assets Held for Investment Purposes are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with

generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

401(K) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

1. DESCRIPTION OF PLAN

The following description of the Woodsman Kitchens & Floors, Inc. 401(k) Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General

Woodsman Kitchens & Floors, Inc. (the "Company" or "Plan Sponsor"), established the Woodsman Kitchens & Floors, Inc. 401(k) Profit Sharing Plan effective as of January 1, 1988. The Plan operates as a defined contribution plan. It is subject to the applicable provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The Plan is administered by Woodsman Kitchens & Floors, Inc., which absorb all administrative costs incurred by the Plan. Richard S. Woods is the Plan's Trustee. Employees of the Company are generally eligible to participate in the Plan after attainment of age 18 and 1,000 hours of service during the first six (6) months of employment.

The Custodian of the Plan was Empower Annuity Insurance Company of America ("Empower") until July 14, 2024. Effective July 15, 2024, John Hancock Life Insurance Company ("John Hancock") became the Custodian of the Plan. The assets of the Plan are held by the Custodian who has been given the authority and power to, among other things, make investment decisions, borrow funds, and take any other action it believes to be beneficial to the Plan. The third-party administrator ("TPA") is Witman Pension Consulting. The TPA is responsible for compiling the Form 5500, performing tax compliance testing, and maintaining annual records of Plan transactions.

Contributions

The Plan allows employees to make contributions of up to 25% of their compensation, subject to the limits imposed by the Internal Revenue Code, pursuant to a salary reduction agreement.

The Plan allows the Company to make a discretionary matching contribution on behalf of each of its participants who made an elective contribution during the Plan year up to 6% of compensation. The Company may also contribute a discretionary profit-sharing contribution equal to a percentage of each eligible individual's compensation including social security integration (the exact percentage, if any, to be determined each year by the Company). During the years ended December 31, 2025 and 2024, the amount of Company contributions made to the Plan was \$203,520 and \$217,286, respectively.

NOTES TO FINANCIAL STATEMENTS

1. DESCRIPTION OF PLAN – (Continued)

Participant Accounts

Each participant's account is credited with the participant's contributions, any allocation of Company profit sharing contribution, any matching contributions, and an allocation of Plan earnings and forfeitures of terminated participants' non-vested accounts. Allocations are based on participants' earnings or account balances, as defined. The benefit to which a participant is entitled is limited to the vested balance of the participant's account. The Plan is designed to allow participants to exercise control over the investment of assets held in their accounts. Accordingly, contributions are invested as directed by the participant in one or more of a variety of investment funds. The selection of funds offered by the Plan is intended to comply with the requirements of ERISA 404(c).

Vesting

Participants are fully vested in their own contributions and related earnings. With respect to employer contributions and related earnings, participants are vested ratably and become fully vested after five years of service as follows:

Less than 1 year of service	0%
1 year, but less than 2 years	20%
2 years, but less than 3 years	40%
3 years, but less than 4 years	60%
4 years, but less than 5 years	80%
5 years or more of service	100%

Distributions

On termination of service, a participant is entitled to 100% of his/her vested balance.

Hardship Distribution

Participants who have incurred certain hardship conditions as specified by provisions of the Internal Revenue Code may elect to receive a distribution from his/her elective contribution amount.

NOTES TO FINANCIAL STATEMENTS

1. **DESCRIPTION OF PLAN** – (Continued)

Expenses and Fees

Expenses and fees associated with the Plan are paid with Plan assets. Such expenses and fees include the compensation of investment managers, brokers' fees, and costs related to Plan administration. In addition, Plan expenses of \$9,400 and \$8,000 were paid by the Plan Sponsor for each year ending December 31, 2025 and 2024, respectively.

2. **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

Basis of Accounting

The Plan uses the accrual method of accounting. Under this method of accounting, contributions to the Plan are recognized when approved by the Sponsor. Revenues are recognized when earned, and expenses are recognized when incurred.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions to and deductions from net assets during the reporting period. Actual results could differ from those estimates.

Investment Valuation

Investments are recorded at the fair value on the last business day of the Plan year. Quoted market prices are used to value investments. Shares of mutual funds are valued at quoted market prices. Increases and decreases in market value of the investments are reflected in the statement of changes in net assets available for benefits.

Risks and Uncertainties

The Plan provides for various investment options. Investment securities are exposed to various risks, such as interest rate fluctuations, market changes and credit risks. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of these investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits and the statement of changes in net assets available for benefits.

WOODSMAN KITCHENS & FLOORS, INC.
401(K) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

2. **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES** – (Continued)

Forfeitures

Participants who withdraw from the Plan forfeit the non-vested portion of their accounts. These forfeitures are used to reduce the amount of employer contributions. For the years ended December 31, 2025 and 2024, forfeitures were \$4,430 and \$477, respectively. The balance of forfeitures that can be used to reduce employer contribution as of December 31, 2025 was \$0.

3. **PLAN TERMINATION**

The Company has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provision of ERISA. In the event of termination, participants become 100% vested in their account balances.

4. **CONCENTRATION OF CREDIT RISK**

Certain financial instruments potentially subject the Plan to concentrations of credit risk. These financial instruments consist of mutual funds. The Plan limits its credit risk by monitoring its accounts with what management believes to be high quality financial institutions.

5. **TAX STATUS**

The Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRS. The Plan is subject to examination by the Internal Revenue Service. As of December 31, 2025, the Plan's tax years for 2022, 2023, 2024 and 2025 are subject to examination.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax provisions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025 and 2024, there are no uncertain positions taken or expected to be taken that would require recognition of the liability (or asset) or disclosure in the financial statements.

6. **FAIR VALUE MEASUREMENTS**

Fair value as defined under generally accepted accounting principles ("GAAP") is an exit price, representing the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. GAAP establishes a three-tier fair value hierarchy, which prioritizes the inputs used in measuring fair value.

These tiers include:

- Level 1: Observable inputs such as quoted prices in active markets for identical assets that the Plan has the ability to access at the measurement date.
- Level 2: Inputs other than quoted prices within Level 1 that are observable for valuing the asset or liability, either directly or indirectly. Observable inputs include quoted prices for similar assets or liabilities in active or non-active markets. Level 2 may also include insignificant adjustments to market observable inputs.
- Level 3: Unobservable inputs used for valuing the asset or liability. Unobservable inputs are those that reflect the Plan's own assumptions about the assumptions that market participants would use in pricing the asset, based on the best information available in the circumstances.

Following is a description of the valuation methodologies used for assets measured at fair values.

Pooled separate accounts: Unit value calculated based upon the observable net asset value of the underlying investment.

There have been no changes in the methodologies used at December 31, 2025 and 2024.

7. **FIXED ACCOUNT**

The Plan obtained a fully benefit-responsive separate account guaranteed interest contract (“SAGIC”) with John Hancock. John Hancock maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the guaranteed investment contract meets the criteria to be considered fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. The guaranteed investment contract is presented on the face of the statement of net assets available for benefits at contract value. Contract value, as reported to the Plan by John Hancock, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of the investment contract at December 31, 2025 and 2024 was \$246,504 and \$564,793, respectively. The general account is a general account product. The methodology for calculating the interest crediting rate is based on the earnings of the underlying assets of the portion of the John Hancock general accounts that is used to determine the Guaranteed Interest Account's crediting rate compared to the minimum interest crediting rate, as stated in the contract, and prevailing market conditions. Interest crediting rate is reset at least annually and no more frequently than quarterly for some contracts. Such interest rates are reviewed on a quarterly basis for resetting. The average crediting interest rate for 2025 was 3.38% for John Hancock.

Certain events limit the Plan's ability to transact at contract value with John Hancock. Such events include the following: (a) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (b) changes to the Plan's prohibition on competing investment options or deletion of equity wash provision, (c) bankruptcy of the Plan Sponsor or other Plan Sponsor events (for example, divestitures of spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (d) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. Furthermore, certain events would allow the Sponsor to terminate the contract with the Plan and settle at an amount different from contract value. Examples of such events include (a) an uncured breach of the Plan's investment guidelines, (b) a material amendment to the Plan contract without the Sponsor's consent, (c) a violation of a material obligation under the contract, or (d) a material misrepresentation. The Plan administrator does

not believe that any events that would limit the Plan's ability to transact at contract value with Plan participants or the Sponsor are probable of occurring.

The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

8. **DEFERRED PAYMENTS**

As of December 31, 2025 there are 14 participants that have separated from service and are not active Plan participants. These former participants have vested account balances totaling approximately \$940,014. The Plan will pay out these amounts at the direction of the former participants. There were 19 participants who were due \$2,410,169 under the same circumstances at December 31, 2024.

9. **SUBSEQUENT EVENTS**

The date to which events occurring after December 31, 2025, the date of the most recent balance sheet, have been evaluated for possible adjustment to the financial statements or disclosure is June 25, 2026, which is the date on which the financial statements were first available to be issued.

10. **PARTY-IN-INTEREST TRANSACTIONS**

Certain Plan investments are units of pooled separate accounts managed by John Hancock USA, Talcott Resolution Life Insurance Company ("TRLIC") or Massachusetts Mutual Life Insurance Company. These separate accounts transactions qualify as party-in-interest transactions and have been identified as such within the supplemental information.

Certain Plan investments are managed by John Hancock. It is the trustee/custodian for the Plan for 2025 and 2024, respectively, and, therefore, these transactions qualify as party-in-interest transactions.

During the year ended December 31, 2025 and 2024, John Hancock Life Insurance Company, Empower, Great-West Life & Annuity Insurance, TRLIC, Massachusetts Mutual Life Insurance Company, Witman Pension Consulting, LLC, and Osaic Wealth, Inc. received advisory fees and/or administrative fees. Fees paid for these services are included in Plan expense. These transactions also qualify as party-in-interest transactions for which there is a statutory exemption.
