Independent Auditor's Report

Board of Trustees
United Association of Plumbers and
Pipefitters Local Union No. 51
Annuity Plan
East Providence, Rhode Island

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of United Association of Plumbers and Pipefitters Local Union No. 51 Annuity Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits (modified cash basis) as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits (modified cash basis) for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section –

Opinion (continued)

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the United Association of Plumbers and Pipefitters Local Union No. 51 Annuity Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Basis of Accounting

We draw attention to Note 2 of the financial statements that describes the basis of accounting. The financial statements and supplemental schedules are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about United Association of Plumbers and Pipefitters Local Union No. 51 Annuity Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of United Association of Plumbers and Pipefitters Local Union No. 51 Annuity Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about United Association of Plumbers and Pipefitters Local Union No. 51 Annuity Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplementary Schedules Required by ERISA

The supplementary Schedule of Assets Held for Investment Purposes (modified cash basis) and Schedule of Reportable Transactions (modified cash basis) are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplementary schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplementary schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplementary schedules, we evaluated whether the supplementary schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplementary schedules, other than the information in the supplementary schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplementary schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The Schedule of Employers' Contributions is presented for the purpose of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from, and relates directly to, the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

ANNUITY PLAN**

Notes to Financial Statements
December 31, 2025 and 2024

1. DESCRIPTION OF PLAN

The following description of the United Association of Plumbers and Pipefitters Local Union No. 51 Annuity Plan (the "Plan") is provided for general information. Participants should refer to the Summary Plan Description for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all employees represented by the United Association of Plumbers and Pipefitters Local Union No. 51 which has collective bargaining agreements with employers requiring contributions to the Plan. The Plan provides for retirement benefits, occupational or total and permanent disability, termination of service, or death. It is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended.

Participants' Accounts

Each participant's account is credited with the employer's contribution and an allocation of the Plan earnings. Each participant directs the investment of their account among investments offered by Principal Financial Group.

Vesting

A participant's account is fully vested at all times.

2. SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting

The Plan's policy is to prepare its financial statements on the modified cash basis of accounting; consequently, certain revenues are recognized when received, rather than when earned, and certain expenses are recognized when paid, rather than when the obligation is incurred. The modifications result in the recording of capital assets and prepaid expenses on the statements of net assets available for benefits. Except for depreciation and prepaid expenses, most transactions are recognized as either revenue or expense when cash is received or paid.

Valuation of Investments

Investments held by the Plan are required to be reported at fair value. However, contract value is the relevant measurement attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the plan.

2. SUMMARY OF ACCOUNTING POLICIES (continued)

Reciprocity Agreement

The Plan participates in a regional agreement where contributions for members of participating funds who work outside their local jurisdiction are reciprocated to their jurisdiction at the rate in effect at the time.

Payment of Benefits

Benefits are recorded when paid.

Use of Estimates

The preparation of financial statements in conformity with the modified cash basis of accounting requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Subsequent Events

The Plan has evaluated subsequent events through June 30, 2026 the date the financial statements were available to be issued, for events requiring recording or disclosure in the financial statements for the year ended December 31, 2025.

3. TAX STATUS

The Internal Revenue Service has determined and informed the Plan by a letter dated January 26, 2001, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan has been amended since receiving the determination letter; however, the plan administrator and the Plan's tax counsel believe the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

Accounting principles require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the organization has taken an uncertain position that more likely than not would be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2025, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax period in progress.

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information certified by Principal Financial Group, the custodian of the Plan, as complete and accurate, except for comparing such information certified by the custodian with information included in the Plan's financial statements and supplemental schedules:

8. PLAN TERMINATION

The Board of Trustees has the right to terminate the Plan. In the event of termination of the Plan, assets will be used to provide for the expenses of the administration of the Plan and the payment of any individual accounts previously approved for distribution. All remaining assets of the Plan will then be distributed to participants.

9. RELATED-PARTY TRANSACTIONS

The Plan pays administration fees to Plumbers and Pipefitters Local Union No. 51 Pension Plan (a related organization) of \$5,600 per month plus 2% of total employer contributions received.

The Plan leases its office space from the Plumbers and Pipefitters Local No. 51 Realty Corporation (a related organization) under a five-year, non-cancellable operating lease expiring March 31, 2027, at a monthly rate of \$2,877. The lease is automatically renewed for successive one-year periods unless cancelled by either party in a manner permitted under the lease agreement. Lease payments were \$34,524 and \$31,647 for the years ended December 31, 2025 and 2024, respectively.

Future minimum lease payments under this lease are as follows:

2026	\$ 34,524
2027	<u>8,631</u>
Total	<u>\$ 43,155</u>

The Plan invests in mutual funds managed by Principal Financial Group. Principal Financial Group is the custodian, as defined by the Plan, and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for investment management services were included as a reduction of the return earned on each fund.

Effective January 1, 2025 and on a temporary basis, the Plumbers' & Pipefitters' Local Union #51 reallocated 0.25% of the 2.25% union working dues wage deduction as an additional contribution to the Local #55 Annuity Fund. The contribution is specifically used to pay for some or all of the Annuity Fund's annual administrative expenses.

10. RISKS AND UNCERTAINTIES

The Plan maintains cash accounts at a commercial bank in Rhode Island. The accounts are fully insured by the Federal Deposit Insurance Corporation (FDIC) up to a maximum of \$250,000 for all cash accounts per depositor. The Plan has not experienced any losses in such accounts and believes it is not exposed to any significant credit risk in cash.

PLUMBERS AND PIPEFITTERS LOCAL UNION NO. 51
ANNUITY PLAN**

Notes to Financial Statements
December 31, 2025 and 2024

10. RISKS AND UNCERTAINTIES (continued)

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such change could materially affect the amounts reported in the Statement of Net Assets Available for Benefits.

11. GUARANTEED INVESTMENT CONTRACT

The Fund has a fully benefit-responsive, guaranteed investment contract with Principal Life Insurance Company (Principal Life) totaling \$6,583,883 and \$6,485,965 for the years ended December 31, 2025 and 2024, respectively. This contract meets the fully benefit-responsive investment contract criteria and, therefore, is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Fund. Contract value, as reported to the Fund by Principal Life, represents contributions made under the contract plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment contract value.

12. FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) Accounting Standard Codification (ASC), *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurement) and lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

<i>Level 1</i>	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
-----------------------	---

**UNITED ASSOCIATION OF
PLUMBERS AND PIPEFITTERS LOCAL UNION NO. 51
ANNUITY PLAN**

Notes to Financial Statements
December 31, 2025 and 2024

12. FAIR VALUE MEASUREMENTS (continued)

- Level 2** Inputs to the valuation methodology include the following:
- Quoted prices for similar assets or liabilities in active markets
 - Quoted prices for identical or similar assets or liabilities in inactive markets
 - Inputs other than quoted prices that are observable for the assets or liability
 - Inputs that are derived principally from, or corroborated by, observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

- Level 3** Inputs to the valuation methodology are unobservable and significant to the fair value measurement.
-

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Mutual funds – valued at the daily closing price as reported by the Fund. Mutual funds are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Fund are deemed to be actively traded.

Pooled separate accounts – valued at the daily closing price as reported by the Fund. These funds are required to publish their daily NAV and to transact at that price. The pooled separate accounts have a readily determinable fair value.

12. FAIR VALUE MEASUREMENTS (continued)

The following tables present, by level within the fair value hierarchy, the Plan investment assets at fair value as of December 31, 2025 and 2024. Investments are classified in their entirety based upon the lowest level of input that is significant to the fair value measurement.
