## INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of the TPG Global, LLC 401(k) Profit Sharing Plan

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of TPG Global, LLC 401(k) Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant

ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Other Matter—Supplemental Schedule Required by ERISA**

The supplemental schedule of assets (held at year end) as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## TPG GLOBAL, LLC 401(k) PROFIT SHARING PLAN

### NOTES TO FINANCIAL STATEMENTS

### AS OF DECEMBER 31, 2025 AND 2024 AND FOR THE YEAR ENDED DECEMBER 31, 2025

#### **(1) Description of the Plan**

The following description of the TPG Global, LLC 401(k) Profit Sharing Plan (the “Plan”) provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan’s provisions.

##### **(a) General**

The Plan is a defined contribution plan established by TPG Global, LLC (the “Company”, Plan “Administrator”, or “Employer”) for the employees of TPG Global, LLC, and certain affiliated entities. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). The Company is the Plan Administrator, and Fidelity Management Trust Company (the “Trustee” or “Fidelity”) is trustee, and Fidelity Investments Institutional Operations Company, Inc., a wholly owned subsidiary of Fidelity, is the recordkeeper of the Plan.

##### **(b) Plan Merger**

Effective March 31, 2025, TriNet 401k Red Creek Asset Management LLC merged into the Plan. Assets related to participants in the TriNet 401k Red Creek Asset Management LLC were transferred into the Plan in the amount of \$1,447,777.

##### **(c) Contributions**

All employees, excluding temporary employees, who have completed at least 1 hour of service are eligible for participation in the Plan. Under the Plan, participants may voluntarily defer a portion of their compensation, ranging from 1% to 90%, by contributing to the Plan. Participants who have attained the age of 50 before the end of the Plan year are eligible to make catch up contributions, up to \$7,500 in 2025. Contributions are subject to certain Internal Revenue Code (IRC) limitations. The Plan allows for after-tax contributions and conversion of pre-tax and after-tax contributions to Roth.

Additionally, the Company will make a matching contribution of up to 5% of participants’ eligible compensation. The Company may also make discretionary contributions. Discretionary contributions are allocated to participants pro rata on the basis of eligible compensation paid to all participants. During the year ended December 31, 2025, discretionary contributions of \$10,859,816 were made to the Plan.

An eligible employee, prior to satisfying the Plan’s participation conditions, may make a rollover contribution from another qualified plan to the Plan to the same extent and in the same manner as a participant.

Plan investment decisions are made at the discretion of the participants, and as such, the Plan is participant directed. Participants may choose from a variety of investment options including mutual funds, an interest bearing money market fund, and collective trust funds, selected by the Company. Self-directed brokerage accounts were available for legacy participants in the AG Savings & Investment Plan (merged with the Plan effective December 31, 2024) until January 1, 2021. Participants with self-directed brokerage accounts were permitted to invest in assets like

mutual funds, exchange-traded funds, money market funds, common stock, publicly traded REITs, certificates of deposit and government bonds until December 31, 2024, when no new purchases were allowed by participants with self-directed brokerage accounts.

**(d) Plan Administration**

In accordance with the trust agreement, the Plan's assets and income therefrom are held and administered by the Trustee. The Company has responsibility for making Employer matching and discretionary contributions (Employer contributions), appointing and removing the Trustee, establishing a funding policy and method, and amending or terminating the Plan.

**(e) Participant Accounts**

Each participant's account is credited with the participant's contribution and allocations of the Employer contributions and Plan earnings. Participant accounts are also charged with withdrawals and an allocation of Plan losses and administrative expenses that are paid by the Plan. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**(f) Expenses**

All costs and expenses in administering the Plan are paid by the Plan unless paid by the Employer. Expenses that are paid by the Employer are excluded from the financial statements. Investment related expenses are included in net appreciation of the fair value of investments.

**(g) Payment of Benefits**

Upon termination of service due to death, disability, retirement, or other reasons, or upon request after attaining normal retirement age, vested account balances less than \$1,000 are distributed in lump sum payments. Vested account balances exceeding \$1,000 are distributed in one of the following manners:

- Lump sum distributions;
- Periodic installments;
- Direct rollover to an IRA or another eligible retirement plan; or
- Combination of cash and direct rollover distribution.

**(h) Vesting**

In general, participants' Employer contributions and related earnings vest in five years. However, participants or their beneficiaries become immediately and fully vested in their Employer contributions and related earnings upon full and permanent disability, death or attaining the normal retirement age of 65. Participant contributions and related earnings are always 100% vested.

Participants' Employer contributions and related earnings vest as follows:

| <b>Years of service</b> | <b>Percentage vested</b> |
|-------------------------|--------------------------|
| Less than 1             | 0%                       |
| 1                       | 20                       |
| 2                       | 40                       |
| 3                       | 60                       |
| 4                       | 80                       |
| 5                       | 100                      |

**(i) Notes Receivable from Participants**

A participant may borrow a minimum of \$1,000 and no more than the lesser of (1) 50% of the vested account balance or (2) \$50,000 reduced by the highest outstanding loan balance in the account during the prior twelve month period. A participant may only have one loan outstanding at any given time. Loan terms are not to exceed five years unless it is for the purchase of a principal residence in which it can be repaid over ten years. Certain participant loans for legacy Angelo Gordon employees were allowed to retain original repayment terms upon transfer to the Plan, which extend beyond ten years. The Plan Administrator shall treat a loan in default if any scheduled repayment remains unpaid more than ninety days or there is an outstanding principal existing on a loan after the last scheduled repayment date. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined by the Plan Administrator. Interest rates range from 4.25% – 9.50% and the loans mature on dates ranging from various dates through 2038. Principal and interest are paid ratably through payroll deductions.

**(j) Forfeitures**

When participants terminate employment, the nonvested portion of their Employer contribution and related earnings account is forfeited. To the extent that forfeitures are not used to reduce administrative expenses under the Plan, as directed by the Employer forfeitures will be applied to Employer contributions. As directed by the Employer, forfeitures of \$2,220,915 were used to offset Employer contributions during the year ended December 31, 2025. The unused forfeitures as of December 31, 2025 and 2024 were \$6,616 and \$53,063, respectively.

**(k) Excess Contributions Payable**

Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service ("IRS") are recorded as a liability with a corresponding reduction to contributions. There were no excess contributions as of December 31, 2025 and 2024.

**(2) Summary of Significant Accounting Policies**

**(a) Basis of Accounting**

The financial statements of the Plan are prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

**(b) *Investment Valuation and Income Recognition***

Investments in mutual funds, exchange-traded funds, money market funds, common stock, publicly traded REITs, certificates of deposit and government bonds are stated at fair value, based on quoted market prices, as determined by the Trustee and are actively traded. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Collective trust funds with a readily determinable fair value are valued at the daily closing price as reported or published by the collective trust fund. The collective trust funds have been determined to have a readily determinable fair value based on the published price and transact at that price. The collective trust funds included in the fair value hierarchy are determined to be actively traded. The collective trust funds are not exchange traded funds, however, the prices per unit are published and represent the actual price at which the units held in the fund can be bought or sold. See note 7 for discussion of fair value measurements.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**(c) *Notes Receivable from Participants***

Participant loans are valued at amortized cost, which represents the unpaid principal balance plus accrued but unpaid interest. Interest income is recorded on the accrual basis. Delinquent participant loans are treated as deemed distributions.

**(d) *Use of Estimates***

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

**(e) *Payment of Benefits***

Benefits are recorded when paid. There were no participants who elected to withdraw from the Plan but had not yet been paid as of December 31, 2025 and 2024.

**(f) *Contributions***

Contributions from Plan participants and the related Employer contributions from the Company are recorded in the year in which the employee contributions are withheld from compensation.

**(3) *Plan Termination***

The Company has the right, under the Plan agreement, to terminate the Plan at any time. Upon termination of the Plan, the individual accounts of all participants and beneficiaries, which includes Employer contributions, become fully vested and nonforfeitable. In the case of such an event, the individual accounts of all participants will be distributed according to the Plan Agreement. No such termination is contemplated at this time.

**(4) Tax Status**

The Plan utilizes a prototype document sponsored by Fidelity Management Research Company (FMR). FMR received an Opinion Letter from the IRS dated June 30, 2020 that states the document is acceptable under Section 401 (a) of the IRC. The Plan Administrator believes the Plan, as amended, and related trust, is currently designed and operated in compliance with the applicable requirements of the IRC.

**(5) Certified Investment Information**

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. The following is a summary of the information regarding the Plan as of December 31, 2025 and 2024, and for the year ended December 31, 2025, included in the Plan's financial statements and supplemental schedule, that was prepared by or derived from information prepared by the Trustee, and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from the Trustee that such information is complete and accurate.

## **(6) Parties-In-Interest Transactions**

Certain Plan investments are shares of mutual funds managed by Fidelity Investments. Fidelity Investments is a wholly owned subsidiary of Fidelity, the Trustee of the Plan. The Plan issues loans to participants, which are secured by the vested balance in the participant's account, therefore, transactions qualify as party-in-interest transactions. Certain assets held through self-directed brokerage accounts are invested in investment products managed by affiliates of the Company.

Effective January 1, 2015, Fidelity Investments provides certain administrative services to the Plan pursuant to a Retirement Plan Services Agreement, (RSA) between the Company and Trustee. The Trustee receives revenue from mutual fund service providers for services the Trustee provides to the funds. This revenue is used to offset certain amounts owed to Fidelity Investments for its administrative services to the Plan.

If the revenue received by the Trustee from such mutual fund service providers exceeds the amount owed under the RSA, the Trustee remits the excess to the Plan's trust on a quarterly basis. The excess is allocated to participant accounts as revenue credits and totaled \$79,544 for the year ended December 31, 2025, which offsets administrative expenses paid by participants.

## **(7) Fair Value Measurements**

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurements*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurement) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy inputs under FASB ASC 820 are described below:

**Level 1** Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

**Level 2** Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

**Level 3** Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following table sets forth by level within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024:

## **(8) Risks and Uncertainties**

The Plan invests in various investments. Investments are exposed to various risks such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investments securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

## **(9) Subsequent Events**

The Plan has evaluated subsequent events through July 27, 2026, the date the financial statements were available to be issued. The Plan is not aware of any subsequent events which would require recognition or disclosure in the financial statements.
