**INDEPENDENT AUDITOR'S REPORT**

To the Administrators  
Western Rivers Boat Management, Inc. Retirement Savings Plan

**Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the accompanying financial statements of Western Rivers Boat Management, Inc. Retirement Savings Plan (the Plan), an employee benefit plan subject to the Employment Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

**Opinion**

In our opinion, based on our audits and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section -

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **INDEPENDENT AUDITOR'S REPORT (Continued)**

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not absolute assurance, and therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

## **INDEPENDENT AUDITOR'S REPORT (Continued)**

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Other Matter – Supplemental Schedule Required by ERISA**

The supplemental Schedule H, line 4i – Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

### INDEPENDENT AUDITOR'S REPORT (Continued)

For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103 (a)(3)(C).

**WESTERN RIVERS BOAT MANAGEMENT, INC. RETIREMENT SAVINGS PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**December 31, 2025 and 2024**

**NOTE 1 – PLAN DESCRIPTION**

The following brief description of the Western Rivers Boat Management, Inc. Retirement Savings Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

Description of Plan

The Plan is a participant directed defined contribution plan established by the owners of WRBM, LLC dba Western Rivers Boat Management, Inc. (the Company) under the provision of Section 401(a) of the Internal Revenue Code (IRC), which includes a qualified cash or deferred arrangement as described in Section 401(k) of the IRC for the benefit of eligible employees of the Company. The Plan was established effective January 1, 2007 as a safe harbor 401(k) plan and covers substantially all full-time employees of the Company. The Plan is subject to the provisions of Employment Retirement Income Security Act of 1974 (ERISA) as amended.

Eligibility

Employees who are 18 years of age or older are eligible to participate in the Plan upon completion of two months of continuous service. If the employee does not meet the service requirement, eligibility will be reevaluated in the next successive two-month period until the employee has worked a year, at which time the employee will be eligible to participate.

Contributions and Vesting

Salary deferral contributions may be made by participating employees up to the maximum percentage allowable under the IRC. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants direct the investment of their contributions into various investment options offered by the Plan. The Company matches 100% of the first 3% of elective deferrals plus 50% of the next 2% of contributions.

Participants are vested immediately in their contributions plus actual earnings thereon. As the Plan was established under the safe harbor rules, participants are also immediately vested in all matching contributions.

Participant Accounts

The Plan is a defined contribution plan under which a separate individual account is established for each participant. Each participant's account reflects the participant's contributions and related employer matching contributions, as well as the income earned on participant investments. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Payment of Benefits

Upon retirement, death, disability or termination of service, a participant (or participant's beneficiary in the event of death) may elect to receive either a partial withdrawal or a lump-sum distribution equal to the participant's vested account balance. The plan administrator may distribute account balances of amounts less than \$5,000 in a single lump-sum distribution. Amounts greater than \$5,000 will be distributed in the same manner upon the participant's request.

In-service distributions to participants after age 59½ are allowed, as well as hardship distributions, provided that certain criteria are met.

**NOTE 1 – PLAN DESCRIPTION (Continued)**

Forfeitures

Forfeitures are applied against the current year match at the Company's discretion. There were \$786 in forfeitures applied against the current year match.

Participant Loans

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of 50% of their vested account balance. The maximum number of loans outstanding is one and is required to be repaid through payroll deduction. The loans are secured by the balance in the participants' accounts and bear interest at a rate commensurate with rates charged for similar types of loans by lenders.

The administrator will consider a loan to be in default if any scheduled loan repayment is not made by the end of the calendar quarter in which the missed payment was due.

**NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

Basis of Accounting

The financial statements are prepared using accounting principles generally accepted in the United States of America (GAAP).

Use of Estimates

The preparation of financial statements in accordance with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and changes therein, and disclosure of contingent assets. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset in an orderly transaction between market participants at the measurement date. The value of plan assets was furnished to the plan administrator by the trustee of the Plan. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments purchased and sold, as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are valued at their unpaid principal balance, plus any accrued but unpaid interest. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2025 or 2024. Delinquent participant loans are recorded as distributions on the basis of the terms of the Plan agreement.

Payment of Benefits

Benefits are recorded when paid.

**NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

Expenses

Certain expenses incurred for maintaining the Plan are paid directly by the Company and are excluded from these financial statements.

Date of Management's Review

Subsequent events have been evaluated through August 6, 2026, the date the financial statements were available to be issued.

New Accounting Pronouncements

From time-to-time, new accounting pronouncements are issued by the Financial Accounting Standards Board (FASB) or other standards setting bodies that the Company adopts as of the specified effective date. Unless otherwise discussed, management believes the impact of any other recently issued standards that are not yet effective are either not applicable at this time or will not have a material impact upon adoption.

**NOTE 3 – FAIR VALUE MEASUREMENTS**

FASB Accounting Standards Codification (ASC) 820 Fair Value Measurements establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurement) and the lowest priority to unobservable inputs (Level 3 measurements). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access at the measurement date.

Level 2: Inputs to the valuation methodology include quoted prices in active and inactive markets, observable inputs other than quoted prices, and other inputs that are derived principally from, or corroborated by, observable market data by correlation or other means.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Following is a description of the valuation methodology used for assets measured at fair value. There has been no change in the methodology used at December 31, 2025 and 2024.

Mutual funds: Valued at the quoted net asset value of shares held by the Plan at year-end.

**NOTE 3 – FAIR VALUE MEASUREMENTS (Continued)**

The following table sets forth, by level within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024. Classification within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA.

**NOTE 5 – INFORMATION PREPARED AND CERTIFIED BY TRUSTEE**

**NOTE 6 – RISKS AND UNCERTAINTIES**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

**NOTE 7 – TRANSACTIONS WITH PARTIES-IN-INTEREST**

The Company provides to the Plan certain accounting and administrative services for which no fees are charged.

**NOTE 8 – TAX STATUS**

The Plan was adopted under the Volume Submitter Profit Sharing Plan with CODA. The volume submitter plan document obtained an opinion letter from the Internal Revenue Service (IRS) dated November 14, 2022, which states that the volume submitter plan document satisfies the applicable provisions of the IRC. No separate determination letter has been obtained by the Plan, as it is no longer required by the IRS for plans that adopt under Volume Submitter plans.

Although the Plan has been amended, the plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.
